

Seton Villa

**...is not just a retirement centre,
it's a caring community,
an enjoyable lifestyle, it's a home
safe and free from worry.**

At Seton Villa, our residents play an integral role in creating "Healthy and Affordable Community Living for Seniors." They live independently and can "age in place", receiving subsidized services to support their health as their needs change. Seton Villa staff are "extended family" chosen because of their interest in working with seniors, their skills and above all, their caring nature.
