

Typical Closing Costs

800. Items Payable in Connection with Loan: These are the fees that lenders charge to process, approve and make the mortgage loan:

801. Loan Origination: This fee is usually known as a loan origination fee but sometimes is called a "point" or "points." It covers the lender's administrative costs in processing the loan. Often expressed as a percentage of the loan, the fee will vary among lenders. Generally, the buyer pays the fee, unless otherwise negotiated.

802. Loan Discount: Also often called "points" or "discount points," a loan discount is a one-time charge imposed by the lender or broker to lower the rate at which the lender or broker would otherwise offer. Each "point" is equal to one percent of the mortgage amount. For example, if a lender charges two points on an \$80,000 loan this amounts to a charge of \$1,600.

803. Appraisal Fee: This charge pays for an appraisal report made by an appraiser.

804. Credit Report Fee: This fee covers the cost of a credit report, which shows a buyer's credit history. The lender uses the information in a credit report to help decide whether or not to approve a loan and how much money to lend.

805. Lender's Inspection Fee: This charge covers inspections, often of newly constructed housing, made by employees of the lender or by an outside inspector. (Pest or other inspections made by companies other than the lender are discussed in line 1302.)

806. Mortgage Insurance Application Fee: This fee covers the processing of an application for mortgage insurance.

807. Assumption Fee: This is a fee which is charged when a buyer "assumes" or takes over the duty to pay the seller's existing mortgage loan.

808. Mortgage Broker Fee: Fees paid to mortgage brokers would be listed here. A CLO fee would also be listed here.

900. Items Required by Lender to Be Paid in Advance: The buyer may be required to prepay certain items at the time of settlement, such as accrued interest, mortgage insurance premiums and hazard insurance premiums.

901. Interest: Lenders usually require borrowers to pay the interest that accrues from the date of settlement to the first monthly payment.

902. Mortgage Insurance Premium: The lender may require the buyer to pay their first year's mortgage insurance premium or a lump sum premium that covers the life of the loan, in advance, at the settlement.

903. Hazard Insurance Premium: Hazard insurance protects the buyer and the lender against loss due to fire, windstorm, and natural hazards. Lenders often require the borrower to bring to the settlement a paid-up first year's policy or to pay for the first year's premium at settlement.

904. Flood Insurance: If the lender requires flood insurance, it is usually listed here.

1106. Notary Fee: This fee is charged for the cost of having a person who is licensed as a notary public swear to the fact that the persons named in the documents did, in fact, sign them.

1107. Attorney's Fees: The buyer may be required to pay for legal services provided to the lender, such as an examination of the title binder. Occasionally, the seller will agree in the agreement of sale to pay part of this fee. Paid Outside Of Closing ("POC"): Some fees may be listed on the HUD-1 to the left of the borrower's column and marked "P.O.C." Fees such as those for credit reports and appraisals are usually paid by the borrower before closing/settlement. They are additional costs to the buyer. Other fees such as those paid by the lender to a mortgage broker or other settlement service providers may be paid after closing/settlement. These fees are usually included in the interest rate or other settlement charge. They are not an additional cost to the buyer. These types of fees will not be added into the total on Line 1400.
