HEAR IT FROM THE OTHERS

ANURAG

My stay at Bee's Homestay in Coorg was absolutely magical! From the moment I arrived, Mr. Dilan's (manager) warm hospitality made me feel right at home.

The cottage I stayed in, Cottage 4, had breathtaking views of the backwaters. Waking up to the mist rolling over the water was truly unforgettable.

The location itself is incredibly peaceful – perfect for escaping the hustle and bustle of everyday life. I loved taking walks along the backwater's edge, surrounded by nature's tranquility.

The food was delicious, home-cooked, and made with love. While a little more variety might be nice, the warmth of the service made every meal special.

The bonfire night was a definite highlight, hosted by Mr. Sandeep and his friends, full of stories, laughter, and good whiskey – creating a truly memorable experience.
Highly recommended and a must-visit!

A Truly Magical Stay – Beyond Expectations!

Our two-day stay at Bee's was nothing short of spectacular! From the moment we arrived, we were welcomed with warmth and hospitality by the incredible hosts, Sandeep and Kusum, along with the ever-helpful manager, Dilan.

The property is even more breathtaking in reality than in pictures – a serene oasis nestled amidst lush coffee plantations, overlooking the expansive backwaters.

The cottages were spotlessly clean, cozy, and perfectly designed to blend in with the natural beauty surrounding them. Waking up to the misty mornings and enjoying the surreal views from the property was an absolute delight.

The food was an experience in itself! Every meal was prepared with love, offering the perfect balance of homely flavors and authentic local cuisine. Whether it was a comforting breakfast, a deliciously curated lunch, or a warm dinner under the star-lit sky, every bite felt like a treat.

I couldn't have asked for a better place to wind down at the year end. We came across Sandeep Sir's listing while we looked for a getaway at the last minute and decided to take a chance with a few reviews since the place was new.

A half day ride from Bangalore later, as we travelled down the driveway to Bees's homestay, we knew we got very very lucky. The view that greeted us was lush greens with great views of the expansive backwaters.

We were helped all the time with the sweet spoken manager, Dilan and the fabulous hosts duo of Sandeep Sir and his wife Kusum who made us feel right at home. We ate delicious homely meals, took long walks by the waterside, napped in the clean and comfortable cottage and simply let the beauty of the place relax us.

We had a great time sitting around the barbecue, chatting up with other new guests and hearing great stories from the hosts. Felt lucky to be the batch of new guests at this gorgeous place. We will be returning very very soon!

JAYANT

We stayed at Bee's homestay for 2 nights. In every way, our stay turned out to be a wonderful experience.

The property is at the banks of a huge reservoir. This makes it a paradise of natural beauty and peace. Each room is standalone building built like a hut. The room had minimalist yet beautiful furniture. The bathroom had a sunroof in the bathing area, bringing in more natural light.

The best part about Bee's homestay was our experience with the hosts. Sandeep and Kusum, owners of the homestay, welcomed us like friends, more than airbnb hosts. We had many wonderful chats with them during our stay. And Dilan, the manager, is such a delight. He was always proactive, extremely helpful and very courteous. In fact, all other staff at Bee's were also very helpful and polite. All meals at Bee's were homely and delicious.

Initially, we had planned to spend the days out sightseeing. But within a few hours, we fell in love with Bee's and never left the place until checkout.

ANUTTAM

A wonderful place to stay! Though slightly remote, the location is incredibly peaceful and serene. Nestled right in front of the backwaters, the property offers breathtaking views, especially during sunrise and sunset. We also hiked along the backwater banks, which was a truly beautiful experience.

The food was another highlight—absolutely delicious!

A big shoutout to our host, Sandeep, who was incredibly responsive and friendly. Special thanks to the staff for their kindness, humility, and generosity. A special mention to Dilan, who manages the property with such dedication—his commitment to customer service was truly exceptional. The hospitality here is unmatched!

"Best decision. If you're planning a Coorg get away, this has to be in it. The owner, Mr.Sandeep, extremely welcoming, will make sure the stay is as smooth as you want.

Mr.Dilan, manager, polite and helpful. He will be everywhere. The chef- food is healthy yet delicious. As you like it, homely feels. Food here is cherry on the cake in the background of surreal lap of Mother Nature, amidst coffee plantations, overlooking a gigantic lake. Cannot be better.

Thank you for hosting us, Bees.
We will be back."

Ideal for Visitors who wish solitude, spectacular views of the ever changing horizon , cool and constant weather that's just right, long walks by the lake and on a lucky night ...pitch black sky lit up by stars

Extremely beautiful and homely!

Very responsive (Vidur) and accommodating. Dilan, the manager, is very polite and is always there to help.

Sandeep uncle and Kusum aunty are the sweetest people and great hosts, a star lit sky accompanied by the amazing stories they had to tell surrounded with the most stunning views.

The property is stunning and the pictures do mere justice. Had a day planned for sightseeing but actually preferred to stay back and sit and relax. The food is delicious as well!!!

Initially we thought just to keep our luggage and go outside for sightseeing but after checkin we felt like our stay itself located at one of the great locations Harangi backwaters.

I thank Mr. Sandeep for being a great host.
And I specifically want to thank Mr. Dilan for his decent communication and services. He will be available in a phone call for anything we want.

Finally, Go for it.
