@ Key Food Shopping Center in Kings Park

To Celebrate

National Thunderbird Appreciation Day

With T.O.N.Y

### Thunderbird Appreciation Day

This is our seventh or eighth year celebrating National Thunderbird Appreciation Day, with T.O.N.Y. We will be at the Key Food Shopping Center in Kings Park on Sunday, May 19, 2024. Hours are from 10 AM to whatever. Come and go as you want. No trophies but a lot of conversation, pizza, and maybe some entertainment. Remember this is a NO trophy event and bring your own drinks. If you remember in 2023, we had close to (30) Birds, and it was a great get-together.

So, shine her or him up, make it pretty and see you on Sunday, May 19, 2024.

## Golden Quill Award 2023

**2022 Golden Quill Award:** As Art Fleming did last year and the year before and again that he came in the honorable mention class for 2023. For those who do not know what the award is, it is simple. We forward our club newsletter to Old Cars Weekly and they judge the content and then publish the results. Most of the newsletters they receive from other clubs are in color, professionally bound and look like a book from the local library. We are old school and because of our make-up and to keep costs down we continue in that format. It is not a bad thing and as you can see, we get the job done. Thanks to Art and efforts to keep our heads above the water line we continue to put out an excellent product.

## Cars & Guitars Sunday April 21st

**Cars and Guitars/Sunday April 21st at Millers Ale House in Commack:** So what did you do today. For me, I watched Paul Rosina install my new starter in Big Bird, and then both of us at about 11 ish went off to Cars & Guitars. Full house today and I was happy for Dean Nichols who runs the program. I ran into a few people I know plus Billy Kiely Jr and his 05 Bird. Bill has added a few goodies which I took some pictures of and they are in our extra pages. He added a new spoiler and wing to his Bird which was very well done. I understand Walter Stoeber was in the house but I never saw him. Did not stay long because it was a little chilly, and thanked again Paul for what he did today.

## VTCI Convention

**VTCI Convention August 7th to 11th in Grand Rapid, Mich.:** The Vintage Thunderbird Club International (VTCI) will host its 2024 International Convention August 7-11 at the Grand Rapids Doubletree Hotel. Events during the week will include trips to the Gerald R Ford Presidential Museum, Gilmore Car Museum, and Meijer Sculpture Gardens; a welcome reception Wednesday; and concourse judging and awards banquet Saturday. The annual club board Meeting will be Friday at 8:30 a.m. at the hotel's Kentwood Room. Because we are a chapter of the VTCI and when they are having one of their National Conventions, I always list it. As you could see it's in Grand Rapids Mich. So, if I left tomorrow, I would be there for the July 4th celebration. On a serious note, I would love to go but it's really out of reach for me. The VTCI event I went to in August of 2019 in Princeton New Jersey was a great experience for me and to bond with other guys from different states, and to see their Birds in person.

## The First to Break the Ice

**Sunday April 14th Long Island Cars Car Show @ Flowerfields:** On this Sunday LITC member John Karahalas our Associate Editor came in third place in his class. Pictures are in the extra pages of this edition of BT As Rodney always says "This guy gets no respect"

Representing Sellers and Buyers of Fine Automobiles

## **Are you looking to sell your Classic or Special Interest Automobile?**

I can achieve that goal. I will appraise the car, photograph it, and create an eye-catching listing which will be visible world-wide. I will show the car to qualified prospects, and close the sale.

Your treasured automobile will stay safe and sound with you during the entire process, so you can continue to enjoy it until it is time for it to go to its new home.

## **Are you looking to own and enjoy a Classic or Special Interest Automobile?**

I will search for that special car, using all of my resources and contacts. I will inspect and appraise it or arrange to have it inspected by another professional. I will also negotiate the best price for it on your behalf. And, if needed, I will have it transported to your location.
