NOVEMBER 2023

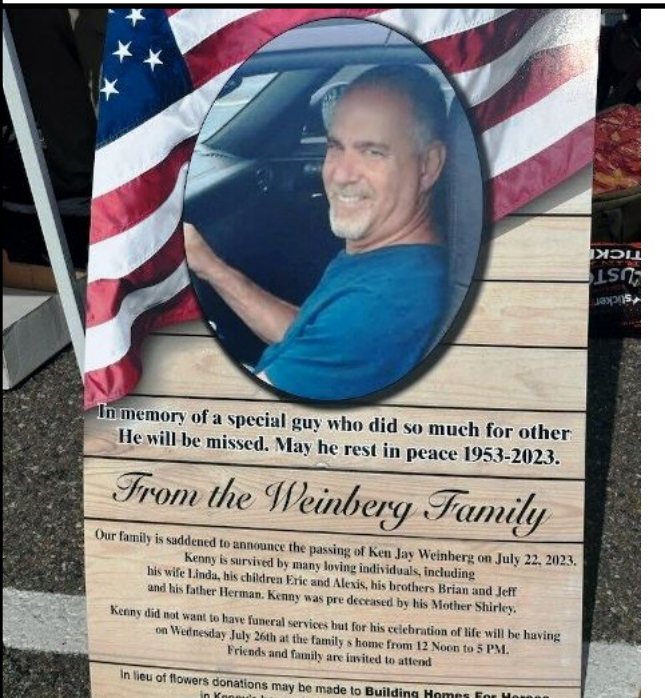

### Building Homes for Heroes

We are grateful to share memories from Sundays beautiful car event, where \$2,100 was raised to help support our mission to provide homes for our heroes.

Our deepest gratitude extends to Linda & Lexie Weinberg for joining us on this journey in memory of their beloved Ken Weinberg. Ken was a dear friend & supporter of our organization & has left a beautiful legacy of making a difference for our veterans & their families.

A very special thanks to Elliott, the LITC & TONY clubs & Siben Attorneys at Law for supporting our heroes and mission.

## **We Did It Again & We Support Enduring Care**

For us the day begins at 6:30 – 7AM in the morning. We set up our tents and tables and get ready for the onslaught of cars and maybe even some trucks. It was a little soft at 8 ish but then the wave hit us and time to go to work. Our judges arrived about 9:30 and by 10 they were on the job doing what they do best. Mother Nature did her best to keep us comfortable with the temps around early to mid sixties. It did get a little windy about two ish and one tent almost hit Mr. Siben's Thunderbird. At least nine shows that day and Tobay Beach again, but it did not affect us and we had over 120 vehicles on site.

With at least a million shows for October 1 on Long Island we overcame, adapted and had another successful event. Seventy two vehicles day of show and fifty two pre-registered. Ken would be proud. We had license plates again for the awards honoring Kenny because of his passing in July. I invited Ken's wife Linda and daughter Lexi to join us along with his 65 Thunderbird convertible. I gave two special awards to them and of course Mr. Siben, our benefactor. And to my partner in crime since day one of this show goes to Dennis Benfante from TONY. A beautiful day in Kings Park and our 50/50 winner almost walked away with four hundred dollars. Ken Marden from Advance Auto donated two detail buckets, and Auto Zone three additional buckets. Pat McNulty from the MSCLI gave us six gift certificates to raffle off plus he handled the collection of the money for the 50/50. Also, Retro Bob from Illinois (TbirdBob.com) gave us two 1955 Thunderbirds to give away. John Candela from LITC donated a Thunderbird poster also as a giveaway. Two BP gas cards donated by Alan Leon where given to Joe Minahan, and Wes Rosen for the longest distance traveled.

I created some confusion with my show floor plan, but after people stopped yelling at me things calmed down. There were some forks in the shopping center with some interesting questions and complaints during the day but that comes with running an event like this. You cannot make everyone happy but be aware of the people you piss off.

### **Front Cover says it all**

**&**

### **Ken Weinberg**

**Front Cover:** On or about the week of October 2<sup>nd</sup> I visited BHFH in Island Park to present them with two checks one for \$2,050.00 and the other was a donation from the show for \$100.00. I took a picture with Carolyn Paszke and their receptionist Melanie. Prior to our show date Carolyn gave me pins, hats, t shirts and a few hoodies to give out. It was great to meet and greet everyone. This year our show was dedicated to Ken Weinberg who passed away in July. His passing has left a big hole in my heart and his family. We put his name on the award plate so every time we see the plate we should not forget him.

**Numbers:** Baby Birds from TONY Big Birds from LITC were there. Not sure what we had for a few reasons. Dennis left the week after the show and headed south. He will return shortly and I will publish them in December

### **Volunteers**

**Our Volunteers:** The Tent guys and gals. The day of show tent was **Dennis Benfante**, **John Karahalıs** and **John Bianco**. The pre-reg tent manned with **Joe Marchione**, **Stan Matuszewicz**, and with **Bob Ceraso**, who also supplied us with the much needed tables.

**Bob Marketta** "Mr. Music" was at his best keeping the tunes going all day. Bob also helped with the parking of the cars as did **Dan Burko**, **Mark Grodinsky**, **Billy Kiely Jr**, **Paul Rosina** and **John Cattonor** from **TONY** and **LITC**. Missing in action and showed up later was Bruce and Dianne Daly. Bruce, like me is a little under the weather.

Did I miss anyone? Yes, the best for last. **Steve Siben our Sponsor in Chief**. Without his donation and big heart there is a good chance we would not have our show. Steve has informed me that he has new partners and is not sure if they want to sponsor the show in 2024. Too early to figure we are done but let's hope for the best.

**Our Judges/Endless Summer:** Piss and moan all you want but, in my opinion, they did a great consistent job. You cannot make everyone happy, and everyone cannot win a trophy. Kudos to Jenn and Ralph for a job well done.

**RE: CLASSIC AUTOMOBILES**

Hello everyone. Just thought I'd add a few lines to break up the usual happenings related to our club. As some of you may know, if not, I have been a member of the LITC for many years. Hail to our leader Elliott. He is always on the move and handles it well. Anyway, I think our readers might find it interesting to see new information, in the newsletter, related to our hobby. So I will give it a try.

During my travels I came across a website that has a data base showing the results from various auctions in the US. The most recent listings show current offerings as well as sale price. You can enter the year, model, etc. and will be surprised as to how many auctions exist. There are also many comments about the various offerings. I found it quite interesting to see many of the initial offers of which were very low. I guess they think the person selling might take it in a desperate situation.

OK, here it is.. [www.classic.com](http://www.classic.com)

I hope you find the website useful, and would welcome your feedback.

Representing Sellers and Buyers of Fine Automobiles

## **Are you looking to sell your Classic or Special Interest Automobile?**

I can achieve that goal. I will appraise the car, photograph it, and create an eye-catching listing which will be visible world-wide. I will show the car to qualified prospects, and close the sale.

Your treasured automobile will stay safe and sound with you during the entire process, so you can continue to enjoy it until it is time for it to go to its new home.

## **Are you looking to own and enjoy a Classic or Special Interest Automobile?**

I will search for that special car, using all of my resources and contacts. I will inspect and appraise it or arrange to have it inspected by another professional. I will also negotiate the best price for it on your behalf. And, if needed, I will have it transported to your location.
