

## Our Story

Early Learning Fun is a company founded by Erlinda Jimenez, an award-winning Early Childhood Development professional. Leveraging her over 25 years of teaching experience, she has brought a suite of products to both bi-lingual and mono-lingual students, pre-kinder to 2<sup>nd</sup> grade.

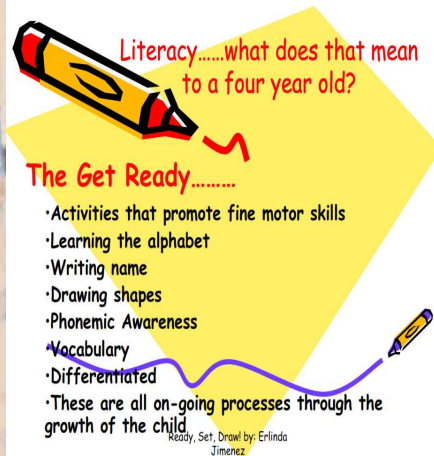

## Features

A preschool - first grade journal for modeled drawing and writing. This will help young children acquire the skills, confidence, and print awareness. Skills that are necessary for vocabulary, usage and writing simple sentences with high frequency words added in as needed. This book can also be used as a running portfolio.

## Additional Value

- Continued insight from the author regarding creative writing and drawing activities
- Further explanation of project parameters
- Detailed descriptions of goals, processes and required materials
- Printable versions of all letters, both uppercase and lowercase with and without tracing lines

- Activities that promote fine motor skills
- Learning the alphabet
- Writing name
- Drawing shapes
- Phonemic Awareness
- Vocabulary
- Differentiated
- These are all on-going processes through the growth of the child
