Let's go!

Survive the fuckery to be the last player with tokens!

Setup

1

Each player starts with **5 Tokens** and **3 Lifelines**.

To determine who goes first, take turns rolling the **Main Dice** until someone rolls a **Fuck U!**

2

The Game Begins

3

Player rolls the **Main Dice** and follows the action:

Roller TAKES 1 Token from any one player.

Roller TAKES 1 Token from all players.

Roller GIVES 1 Token to any one player still in the game.

Roller SURRENDERS 1 Token into the discard pile.

All players except roller SURRENDER 1 Token into the discard pile.

Nothing happens.
Pass dice to the next player.

Next player rolls in clockwise order.

4

If a player has no **Tokens** on their turn, they must place one **Lifeline** into the pot, then roll the **Lifeline Dice**.

Lifelines

When the **Lifeline Dice** is rolled:

1

Roller TAKES 1 Token from any one player.

2

Roller TAKES 2 tokens from one player or split between 2 players.

3

Roller TAKES 3 tokens from one player or split across 2 or 3 players.

Fuck yes

Roller TAKES 1 Token from each player.

Nothing happens.
Pass dice to next player.

5

Got back Tokens?

If you have Tokens on your turn, you must roll the **Main Dice**.

!

Out of Tokens?

Only then can you reach for the **Lifeline Dice**.

?

Need to give another player a Token but only have Lifelines?

You'll have to exchange that **Lifeline** for a **Token** in the pot and give it to the roller.

?

Out of Tokens and Lifelines?

Sorry, you're fucked and out for good.

6

Winning the Game

When only one player has **Tokens** or **Lifelines** left, the game is over and they win!

The player who wins the game must declare it by shouting:

“FUCK ALL Y’ALL!”

**That's it!**

In case you forget, keep one of the **Reference Cards** nearby.
