

Key Democrat Congressional Contacts

These 2 committees are the key ones to advance HR 1384 (Medicare for All Act of 2019). Call these to urge that they hold hearings on HR 1384 and to become cosponsors if aren't already. Email longer explanations, articles, etc to Healthcare Legislative aides. Explain why incremental steps won't work and why eliminating private insurance is the only way to reduce the 30% administrative overhead waste. Let's get a ✓ by every name!!!

Suggested script:

If you're a **constituent**, say that and give your zip code. If not, say you're calling as a member of PNHP or other group.

If they're already a cosponsor and/or Caucus member, thank them profusely!

May I please speak to Rep. ___'s healthcare legislative aide? (probably won't be available)

My name is ____, from ____. I'm calling on behalf of (PNHP or other) to encourage Representative _____ to hold Committee hearings on HR 1384, the Medicare for All Act of 2019, to cosponsor the bill, and to join the Medicare for All caucus.
