

U and Universal

Universal has a Facebook! Some information that can be found at our Facebook are:

- Job postings for the company and employment opportunities for specific offices
- Success stories about the people we serve
- Information about mental health and developmental disabilities resources
- Stories and information contributed by Universal staff
- Information about upcoming events that pertain to mental health

Universal's Facebook page is a great place to connect and keep up with what is happening within the company and in the mental health field!

Did you know?

On March 28, Governor Roy Cooper signed Executive Order No. 92 (Employment First). This will help provide employment opportunities for people with disabilities. This order establishes meaningful work for people regardless of disability. The governor wants state government to become a leader in recruiting and creating an inclusive job climate. Employment First builds on the progress of NC Job Ready and Everybody Works NC and is aligned with efforts to create an inclusive work environment prohibiting discrimination in State Employment.
