## **3.0 Packed Lunch Guidelines**

Water will be available for your child during the day. If providing a drink, only water, milk or unsweetened calcium enriched dairy alternative should be given

Your child has a small stomach so make sure that portion sizes are the right size for your child. Please make sure that food provided is in manageable pieces and is not a choking hazard for your child.

A healthier packed lunch contains a portion of one of the four main food groups:

- **One or two portions of starchy foods:** Provide variety across the week and at least one wholegrain starchy food each week. This includes bread, wrap, chapatti, bagels, pasta, rice, noodles, couscous or potatoes. This should form part of the main meal and can be part of the dessert
- **At least one portion of vegetables and/or one portion of fruit:** Provide a variety of different vegetables and fruit each week. This includes carrot, cucumber, celery stick, chopped tomato and fresh, tinned, frozen, dried fruit such as sliced apple, chopped grapes, raisins (but remember, dried fruit is not suitable as a snack). Aim for your child to have 5 different vegetables and fruit across the day
- **One portion of beans, pulses, fish, eggs, meat and other proteins:** Provide a variety of different foods each week. This includes kidney beans, chickpeas (hummus), lentils (dahl), tofu, quorn, egg, sliced meat or poultry in sandwiches
- **One portion of dairy or an unsweetened calcium enriched alternative:** This includes cheese in a sandwich, milk to drink, unsweetened yoghurt or fromage frais, rice or semolina pudding

#### **Items to avoid:**

Parents/Carers are to avoid:

- ✗ Sugary foods (chocolate and sweets, such as chocolate buttons, chocolate biscuit, cereal bar, processed dried fruit product).
- ✗ Crisps and processed snacks high in salt or fat. (snack items such as crisps, puffs, pulse or grain-based crisps, coated or flavoured dried vegetables).
- ✗ Sugary drinks (fizzy drinks, squash, energy drinks).
- ✗ Nuts or nut-based products

#### **4.0 Safe Storage & Handling of Packed Lunches**

To ensure compliance with food safety:

- All packed lunches must be provided in a clearly labelled, insulated lunchbox.
- Parents/Carers are advised to bring packed lunches in suitable lunch boxes which should include ice packs to keep perishable food fresh.
- Refrigeration is not available, therefore parents/carers should pack food that remains safe at room temperature. We will provide a storage area for packed lunch bags.

- **We are unable to re-heat food for food hygiene purposes.**

- Staff will monitor lunches for compliance with food safety and healthy eating standards.
- Any unsafe or unsuitable food will be returned home, and parents/carers will be informed.
- Children are only allowed to eat their OWN food
- We will ensure that even though children have brought in a packed lunch they will eat with their peers

### **5.0 Waste and Disposal**

Staff will, within reason, send any uneaten packed lunch food items back home. This is so that parents/carers can also monitor what their child has consumed during the day and then raise any concerns over their child's food intake with the nursery.

### **6.0 Parental Notification (Food Allergies)**

- Parents/Carers must notify the setting in writing of any food allergies, intolerances, or dietary requirements. We recognise that some children may require a special diet. In this case parents/carers should notify the setting.
- Packed lunches should be handed directly to a staff member at drop-off to ensure compliance with our policy.
- Staff may inspect lunchboxes to ensure adherence to food safety and allergy guidelines

### **7.0 Allergy & Food Safety Policy Compliance**

- We operate a strict NO-NUT policy—any nut-based products will be removed and returned to parents.
- All food must be safely prepared and stored at home following food hygiene guidelines.
- Parents/Carers must ensure food is fresh and appropriate for their child's dietary needs.
- Any concerns about a child's diet or food safety will be discussed with parents/carers.
- During lunchtime and snack times a PFA qualified adult will always be present at the table to supervise safe eating. Children will be required to sit down when eating and taught why this is important.

### **8.0 Non-Compliance & Right to Refuse Packed Lunches To safeguard all children**

Parents/Carers must adhere to our allergy, food hygiene, and healthy eating guidelines. If a lunch does not meet our standards, we reserve the right to:

- Provide a suitable meal at an additional cost to parents/carers.
- Refuse packed lunches until compliance is ensured.
- Report ongoing non-compliance as a safeguarding concern, in line with EYFS regulations.

If a child attends without a packed lunch, we will call families to bring one in.
