Appliances: dishwashers, washers/dryers, refrigerators	UP TO \$250 EA
Water Heaters	UP TO \$250 EA
Large / Bulky Items	\$180 PER TON (TOTAL WEIGHT)
Truck Time	\$150 PER HOUR
Sacramento & Solano County	\$150 OUT OF COUNTY FEE
San Joaquin, Alameda & Stanislaus County	\$120 OUT OF COUNTY FEE

**WEIGHT LIMITS / OVERWEIGHT FEE:** Dumpsters weighing more than the allowed weight limit will be charged \$115 per ton overweight or any portion of. Rainwater included. Minimum charge \$10. If the dumpster is over 10 tons, customers will be responsible for removal of excess materials and driver wait time will be charged. Any dumpster weighing more than 10 tons is subject to a fee of \$200. Rejected load is \$250.

**OVERLOADING:** Dumpster needs to be "water level" – no debris higher than the side rails. It is NOT our employee's responsibility to rearrange the bin for safe hauling and they have the right to refuse to haul it if they believe it is unsafe. Customers can rearrange the bin while our driver waits, or the load will be rejected. Drivers wait time is charged at \$100 per hour. Rejected load is \$250.

**DUMP AND RETURN:** Notify the office if the dumpster is full and another dumpster is requested. Same day service includes pick-up of a full dumpster and drop of an empty dumpster. A different size dumpster can be requested for the return. Full rental charge for the dumpster return and the rental period re-starts from the return drop date.

**DELIVERY & PICK-UP TRIP FEE:** A minimum of 50-feet of straight-line access and approximately 20-feet in height is required for safe unload or loading. Customer is responsible for ensuring enough safe space is available and there are no overhead wires, trees, cars, etc., in the way. Customer is liable for all damages that ensue from lack of correct verification. It is the customer's responsibility to know their City regulations on placing dumpsters in driveway or streets. Commercial locations must know landlord regulations and let us know if gate access is required. On scheduled delivery or pick-up day if the dumpster area is blocked and cannot be safely unloaded or loaded, a fee of \$250 will be charged. It will be the customer's responsibility to schedule a new date.

**PROPERTY:** Customer takes full responsibility for any damage that may be caused to driveways, anything adjacent to the driveway, asphalt, lawns, sidewalks, power lines, etc. Customer supplied plywood can be placed on the driveway for protection.

**DUMPSTER USE AND CARE:** Rented dumpster remains property of East Bay Dumpster/DBS, Inc. Customer is responsible for any loss or damage resulting from customer miss-handling. Customers will not alter the dumpster and will take reasonable precautions to prevent others from doing the same. Graffiti is considered damage and the customer is responsible for charges to remove it.

**NO HAZARDOUS MATERIALS:** East Bay Dumpster/DBS, Inc. is not a registered HazMat hauler therefore it is illegal for us to haul. Hazardous materials are not accepted at disposal facilities and if found in the dumpster, the load will be rejected, reloaded, and returned to the customer. Fees will be imposed. The following is a list of some items that are classified as hazardous materials: TV's, fluorescent lights, PCB ballasts, oil filters, 55-gallon barrels/drums, acids, ammunition, anti-freeze, asbestos, batteries, explosives, gas tanks, gasoline, hazardous chemicals, insecticides, medical waste, paint, stain and varnish cans, paint thinners, solvents, pesticides, poisons, propane tanks, motor oil, burnt wood (without proper testing paperwork), pressure treated wood (if kept separate from load, we can haul-call for details) and e-Waste. All items defined as hazardous by the Federal, State or City are prohibited in the dumpster. Customers are responsible for any fines, fees, penalty, and permits from any government or private entities.

**NO SOLID WASTE:** Solid Waste is not allowed in the dumpster. Examples: food waste and wet garbage/trash. Fees will be imposed.

**BOX CONTENTS:** While the dumpster is under customers' rental term, the customer is responsible for all items in the dumpster. East Bay Dumpster/DBS, Inc. does not provide tarps.

**DELIVERY TIMES:** Deliveries and pick-ups will occur between 8:00am and 4:30pm Monday through Friday. It is the customers responsibility to notify us of any time restrictions. Delivery times are not guaranteed. While we do our best to deliver during an allotted time, we may face extenuating circumstances out of our control. Customers will be kept updated during those instances.

**PICK-UP:** Customers must call, text or email when the dumpster is ready for pick-up. If texting or emailing, a confirmation will be sent; if a confirmation is not received, please call. Allow 1-4 business days from the date of your call. (Day 1 is the business day AFTER you call in) Extended rental fees stop on the day you notify us of pick-up.

**RENTAL TIME & EXTENDED TIME FEES:** 10- and 20-yard dumpsters rent for 7 days. 30- and 40-yard dumpsters rent for 14 days. Specialty dumpsters rent for 7 days. Additional rental days are charged at \$25 per day/\$125 per week (not including weekends). Extended rental periods are contingent on dumpster availability, please call the office to arrange. Extended rental fees stop on the day you notify us of pick-up.

**RECYCLING RECEIPTS:** It is the customers responsibility to notify us at the BEGINNING of the job that recycling receipts are required. \$100 will be added to all recycle bins to cover additional disposal costs and paperwork. Recycle receipts will be emailed after each bin disposal. Allow 1-5 business days to process and send out receipts.

**RECYCLING DUMPSTERS:** Recycling only dumpsters must be filled with ONLY specified recycling material; wood, sheetrock, metal, cardboard. 65% or more of the total weight must be recyclable. If any other materials are found, the box will be rejected as a recycle bin and no receipt will be provided.
