

Saad Farooq

Saad brings a diverse financial background, spanning banking, finance, and accounting. Over the past few years, he's gained hands-on experience across tax, treasury, FP&A, strategy, and audit—reflecting his curiosity and eagerness to explore new domains. He's adaptable, growth-oriented, and always ready to take on fresh challenges.

Saad is interested in exploring new areas of accounting—like technical accounting, external reporting, and M&A—to keep learning and stay challenged.

Saad is happiest outdoors, whether he's wandering through nature, taking long walks, or cruising on his motorcycle.

Saad wants to become a Chief Accounting Officer

Saad's Superpower is: Easy to partner with and a reliable contributor in group settings.
