

Bill Snoderly

Vice President, Division Audit Director – Information Technology, Voya Financial

Bill Snoderly is a seasoned IT and audit executive with over 30 years of cross-industry experience spanning financial services, telecommunications, call centers and healthcare systems.

Throughout his career, Bill has consistently demonstrated a commitment to driving business value through strategic leadership, operational excellence, and innovation. He has served as a trusted advisor and consulting partner, leading high-impact initiatives such as IT transformation programs, M&A, IPO and SOX readiness, and interim/fractional CIO and audit leadership. Bill is widely recognized for his ability to build and empower high-performing teams that collaborate seamlessly with business stakeholders to deliver measurable results. His forward-thinking approach and dedication to continuous improvement make him a catalyst for sustainable success in complex and evolving environments.
