

Scott Campbell – Lead Solutions Specialist, CIPP/E, CIPM, CIPT

Scott is a Lead Solutions Specialist at Myna Partners. He has several years of experience implementing various Privacy, GRC, and Third-Party Risk programs for clients of various industries, maturity levels, and sizes. Prior to joining Myna, Scott worked with OneTrust's Professional Services team as an implementation consultant gaining insight into both OneTrust functionality as well as the ever-growing landscape of privacy laws and frameworks. Scott also served as the subject matter expert for OneTrust's Enterprise Policy Management and Audit Management modules.
