

# Casey Kisling

*Vice President  
Audit Manager  
Truist Audit Services  
Truist Financial Corporation*

Casey Kisling is a manager for the Retail Community Bank (RCB) audit team and is based in Atlanta, GA. She is responsible for the execution of engagements surrounding card, digital payments, teammate incentives, performance measurement, and risk management. In addition, she is responsible for contributing to the planning and development of the annual audit plan and the ongoing risk identification and assessment process. Prior to joining the RCB audit team, Casey performed audit work for capital adequacy, market risk, Volker Rule, enterprise risk, private wealth management, and consumer banking. She was also part of the implementation team for Agile within Truist Audit Services (previously SunTrust) and served as a Scrum Master within the organization.

Prior to joining Truist, Casey spent 2 years in the Forensic & Investigations practice at Deloitte and performed work in expert witness reporting, corporate investigations, regulatory cost recovery, and Foreign Corrupt Practices Act Investigations.
