

Gregg Wishna

Gregg is a Director in Protiviti’s Internal Audit and Financial Advisory group. Gregg has earned a Master of Science as well as a BS in Decision and Information Sciences from the University of Florida. Gregg has over 18 years consulting and audit experience with Protiviti; leading projects and working closely with Senior Management. Since employment with Protiviti, Gregg has worked on several Internal Audit accounts focused on IT SOX GCC and Data Analytics within Internal Audit. Gregg is a frequent speaker and contributor of thought leadership on the topic of Internal Audit advanced analytics and Data Governance. In addition to Internal Audit, Gregg has led several Data Management consulting projects, with a focus on Data Management, Data Governance and Business Intelligence reporting.
