## JAMEY LOUPE, CISA, CCSK

IT Risk Advisory Services Managing Director

### EXPERIENCE

Jamey Loupe is a Managing Director in BDO's Risk Advisory Services practice where he focuses on IT risk advisory solutions. Jamey has more than 19 years of experience leading and organizing IT audit and IT Security teams and projects. He has provided IT audit and advisory services to various Fortune 500 and mid-size multi-national companies in multiple industries. Prior to joining BDO, Jamey worked in the IT Internal Audit and IT Security functions for Oil and Gas services companies. Prior to that he was with PricewaterhouseCoopers.

Throughout his career, Jamey has led and supported the activities needed to complete the IT audit process. He has experience presenting results to Senior Management and the Audit Committee. His experience includes:

- Leading, managing and conducting IT internal audits
- Managing complex IT SOX compliance projects
- Recommending and implementing IT process improvements
- Conducting and leading ERP pre and post implementation reviews
- Conducting IT security assessments
- Conducting cloud security and management evaluations.
- Recommending and implementing IT security process improvements.
- Conducting and leading IT security third party vendor risk assessments.
- Conducting IT security maturity assessments.

Jamey has further experience in Information Technology Standards & Governance, IT Risk Assessments, Cloud Security and Governance, and Disaster Recover Planning.
