Bailey Nahrgang
Director of Barrel Racing
National Barrel Horse Association
2112 Montgomery St
Fort Worth, TX 76107

Dear Mrs. Nahrgang,

Tangipahoa Parish Government and the Florida Parishes Arena (FPA) have been proud partners of the NBHA for over 20 years, and wish to continue supporting barrel racing in the Florida Parishes of Louisiana. However, the collective decision has been made to not allow LA06 director Tanya Carpenter to continue to produce shows at the facility until further notice.

This decision is the result of years of conflict between Mrs. Carpenter and facility staff, culminating in harassment and inability to professionally execute events. This decision was not taken lightly, and considerable efforts have been made in the 9 years prior to satisfy Mrs. Carpenter. It is our belief that another facility can better facilitate her goals.

Out of respect for the considerable history between the FPA and NBHA, we would like to clarify that this is not a restriction on NBHA and does not bar any LA06 event from taking place at the facility, only Mrs. Carpenter and her current production company High Road Productions, or any other production company she may operate. We hope to continue to support NBHA's mission to "provide a place for all skill levels to compete".

If you have any questions, or would like to further discuss, please feel free to email me at rmiller@tangipahoa.org or call my office at (985) 748-3492. Thank you for your time and consideration.

Sincerely,

Robby Miller, President
Tangipahoa Parish Government
