THE SPIRIT OF INTERNATIONAL SPORTSMANSHIP

The EuroSports Network select soccer program started in Rochester in 1987, with the objective of offering America's soccer talent a great challenge by competing against top-level European teams. We have expanded the program to include all of New York. The program enables the players to become part of the international soccer community.

The tour will introduce the participants to European soccer. They will gain an inside view on how the game is played, a better understanding of other customs and habits and they will see and learn things about the game they never dreamed existed.

In 2019, we will travel to Ireland. We will visit many of the most famous landmarks throughout Ireland.

Our teams will play games against top-level Irish Soccer Club teams, but the players will do more than just compete. They will represent our country at receptions by our hosts and will enjoy plenty of sightseeing and cultural activities.

Your participation will identify you as an international athlete. You will catch the spirit of international sportsmanship.
