## A NOTE OF THANKS

Dear Friends at CPC: Ellen and I (Horace) deeply appreciate your thoughts and prayers. The greeting card, signed by so many good friends, cheered our hearts. Ellen is improving, but progress is disappointingly slow. She suffered far more damage than we first thought. Her pain is constant and involves her entire body. She cannot sit nor stand more than a few minutes. The complicated body brace provides some help, but she is advised to limit its use, because it inhibits healing. Fortunately, I seem to be healthy and strong, despite my 92 years of age. I am capable of handling all necessary chores. I thank God for such a blessing. Ellen and I pray for your church. May God bless every one of you with happiness and peace. Affectionately, Horace and Ellen Douty
