

# Get a \$217 credit every month for healthy food and over-the-counter products

## Do you have diabetes, chronic heart failure and/or a cardiovascular disorder?

If you have a qualifying chronic condition, UnitedHealthcare® helps you get the most from your benefits with UHC Complete Care Support IL-1A (PPO C-SNP). Get the all-in-one UnitedHealthcare UCard® to buy OTC products and healthy food. See why more people choose a Chronic Special Needs plan from UnitedHealthcare than from any other company.

### Use your OTC and healthy food credit on your UCard:

- \$217 credit every month to pay for OTC products – and healthy food for qualifying members in-store or online
- Choose from thousands of OTC products, like first aid, pain relievers and more
- Buy healthy foods like fruits and vegetables, meat, seafood, dairy products and water
- Shop at thousands of participating stores, including Walmart, Walgreens, Dollar General, Kroger or neighborhood stores near you

Plans are insured through UnitedHealthcare Insurance Company or one of its affiliated companies, a Medicare Advantage organization with a Medicare contract. Enrollment in the plan depends on the plan's contract renewal with Medicare. The healthy food benefit is a special supplemental benefit only available to chronically ill enrollees with a qualifying condition, such as diabetes, chronic heart failure and/or cardiovascular disorders, and who also meet all applicable plan coverage criteria. Contact us for details.

Benefits, features and/or devices vary by plan/area. Limitations, exclusions and/or network restrictions may apply. Food and OTC benefits have expiration timeframes. Call your plan or review your Evidence of Coverage (EOC) for more information. This plan is available to anyone having a qualifying chronic care condition.
