Personalized support from a dedicated care team

An **Aetna® Dual Eligible
Special Needs Plan (D-SNP)**
makes it easier to manage your health

A support system built into every plan

With an Aetna D-SNP, you'll keep your Medicaid benefits and get your own personal care team. They will listen to your needs and health goals — and build a care plan with you in mind. They can also do things like:

Schedule medical appointments and help arrange transportation

Help you understand your health conditions, medications and personal goals

Help you maintain Medicaid eligibility and safe housing

Check in on you after hospital stays to help answer your questions

Find mental health services or behavioral health resources

Find community services like meal assistance or support groups

Do you have Medicare and Medicaid?

See if you qualify for an **Aetna Dual Eligible Special Needs Plan (D-SNP)** that offers additional benefits and services without disrupting your Medicaid.
