FOR PUBLIC SAFETY DISPATCHERS

Science of Wellness

Understand stress. Build resilience. Protect your long-term health.

Dispatchers face stressful events again and again, within and across shifts. Research shows most people are remarkably resilient. This course explains how stress affects public safety personnel and gives you practical tools to build and keep resilience.

- 01 Connect job tasks to the stress response
- 02 Identify long-term effects on physical health
- 03 Identify long-term effects on psychological health
- 04 Apply mindfulness and values-driven tools for resilience
