

Your New Hires Aren't Learning the Way You Were Trained.

This course gives you the tools to close the gap.

ADVANCED TRAINING OFFICER FOR 9-1-1 DISPATCH & RECORDS

Gen Z learns differently. They process information faster, expect immediate feedback, and disengage from lecture-heavy formats.

Are you putting in the work but not seeing the results you expect? Are you committed to holding standards but finding that trainees aren't retaining what they need?

You are not alone. This one-day, POST-certified course equips CTOs, Records Trainers, and Clerks with proven strategies rooted in adult learning theory, modern study methods, and generational learning styles. Walk away with a structured, adaptable approach to training that meets new hires where they actually are.

"She made me feel like a lot of what I go through as a trainer is normal. It was great to see how other agencies handle the same challenges."
