VACAVILLE, CA 95687

Managing Generations & Wellness

Join Kim Turner for a robust day of training by exploring working with and supervising different generations in a public safety 9-1-1- communications center with specific emphasis on recruiting, training, and retaining Millennials and preparing for the future with Gen Z. We also review the unique stressors of working in 9-1-1 & provide tools for managing stress. Students receive 8-hours of POST (CPT) credit.
