This event is juried, featuring fine arts and craft. Also exhibiting will be artisans who handcraft consumable products such as tea, honey, jam, soap and similar products. Not accepted are items embellished or made from commercially available kits, plans, patterns, imports, factory-made or assembled items. In the effort to provide a diverse and balanced show, some categories may be more competitive than others. Please visit our website, Facebook or Instagram to get a good sense of the type of show we strive to create.

#### New 2026 Layout:

Handmade Hopewell and the Fire Department's Annual Pancake Breakfast take place on the same morning. Therefore, we have been working closely with the Borough Council and the emergency response departments (fire, police, medical), focusing on safety and bringing an enjoyable experience for community members and visitors at both events. With that in mind and with the Borough's help, we have developed a new show layout! The show will continue to be on the first block of Seminary Avenue, but will now turn right down Columbia, connecting the Pancake Breakfast and Handmade Hopewell. This will hopefully result in increased traffic to both events. We can't wait!
