### Knox College

### A Modern Legacy Rooted in History

Founded in 1947 by the visionary Rev. Dr. Lewis Davidson and Mr. David Bent, Knox College in Spalding, central Jamaica, embodies a commitment to excellence, discipline, and holistic education that has only grown stronger over the decades. Originally established under the auspices of the Presbyterian Church, and now proudly under the umbrella of the United Church in Jamaica and the Cayman Islands, Knox College continues to honor its founding principles while embracing contemporary innovation.

At its core, Knox College is more than just a secondary school; it is part of an expansive educational complex that includes the Knox Early Childhood Institute, the Knox Junior School, and Knox Community College. Each of these institutions operates with its own governance and administrative structure, yet they share a common thread, a dedication to empowering every student to achieve their maximum potential. While the United Church continues to own the property, Knox College itself functions as a grant-aided public school under the watchful guidance of the Ministry of Education, ensuring a strong academic foundation supported by governmental oversight.

The school's philosophy is succinct and powerful: we strive for excellence in all we do. This phrase encapsulates a cultural ethos that is both disciplined and progressive. Staff and students alike are expected to adopt a positive, determined, and disciplined approach to every facet of life, be it academic pursuits, extracurricular achievements, or community engagement. Over the years, this ethos has translated into consistently high performance, with the National Education Inspectorate awarding Knox College its highest possible rating of "Exceptionally High," a distinction granted to fewer than 10% of schools in Jamaica.

In today's fiercely competitive global marketplace, Knox College stands as a beacon of modern education. The school's balanced and student-centred approach is designed to nurture not only academic excellence but also the critical life skills needed for tomorrow's challenges. Recognizing that every student is unique, Knox College continually seeks innovative methods to engage with learners in a manner that acknowledges diverse abilities, backgrounds, genders, and ethnicities. This commitment ensures that opportunities are accessible to all, preparing each individual to contribute equitably, effectively, and efficiently to the broader society.

Moreover, Knox College's curriculum is tailored to arm its students with the essential skills of compassion, critical thinking, creativity, problem-solving, and sound reasoning. These attributes are recognized not just as academic virtues but also as vital qualities for developing successful, civic-minded individuals with strong Christian values. In this way, Knox College plays an integral role in shaping young minds who are prepared to make a meaningful impact both in Jamaica and globally.

As we celebrate the Toronto Chapter's 32nd anniversary banquet, Knox College's journey serves as a poignant reminder of the enduring power of education. The institution's blend of time-honoured traditions and forward-thinking strategies reflects a modernized yet deeply respectful nod to its storied past. In every classroom, laboratory, and extracurricular setting, Knox College fosters an environment where history and modernity coexist to create a nurturing ground for future leaders.

The legacy of Knox College is not simply measured by its distinguished rating or its historical roots; it is also defined by its unwavering commitment to nurturing every student's potential. In a world where the ability to adapt and innovate is paramount, the students of Knox College are equipped not only with academic knowledge but also with the resilience and ethical grounding necessary to excel in all walks of life. This commitment to holistic and inclusive education is what makes Knox College the home of excellence, the BIG BIG School, a modern institution built on a foundation of historic integrity

### **Land Acknowledgement**

We acknowledge the land we are meeting on is the traditional territory of many nations including the Mississauga's of the Credit, the Anishnabeg, the Chippewa, the Haudenosaunee and the Wendat peoples and is now home to many diverse First Nations, Inuit and Métis peoples.

We share the responsibility with the caretakers of this land to ensure the dish is never empty and to restore relationships that are based on peace, friendship, and trust. We are committed to reconciliation, partnership and enhanced understanding.

### **African Ancestral Acknowledgement**

We acknowledge all Treaty peoples – including those who came here as settlers – as migrants either in this generation or in generations past - and those of us who came here involuntarily, particularly those brought to these lands as a result of the Trans-Atlantic Slave Trade and Slavery. We pay tribute to those ancestors of African origin and descent.

We honor those who resisted and were left in the bottom of the Atlantic Ocean

We honor those who have led lives of service; those who have stood up for social and economic justice, those who have sacrificed so that we may be here, those who have confronted and dismantled oppressive practices and institutions and have built affirming and equitable examples to inspire us all.

You who stood against economic exploitation, Anti-Black Racism and all other forms of racism, gender discrimination, religious bigotry, and other oppressive forces.

We consciously stand on your sturdy and courageous shoulders.

We thank you. We honor you.

We observe a moment of silence.

### Message from the President of the Knox Past Students' Association (KPSA) Toronto Chapter

On behalf of the Executive and Planning Committees of the Knox Past Students' Association (KPSA) Toronto Chapter, it is both an honor and a privilege to welcome you to our 32nd Anniversary Fundraising Celebration.

To our distinguished guests and sponsors, I extend my deepest gratitude for your continued and unwavering support. Your generosity has allowed us to make a meaningful impact on the lives of young students at our beloved institution, even in the most challenging of times. We take considerable pride in our ongoing contributions to the development of Knox

College, guided by our mission to ensure that current and future generations of students at the Knox Complex of Schools receive the support they need, based on our ability to aid in the best way we can.

Over the past 32 years, our fundraising efforts have enabled us to support programs such as the Performing Arts Program, the Knox Benevolent Fund, and sponsorships for Knox students to attend Emerging Global Leadership Conferences in both Toronto and Jamaica. We have also been able to offer bursaries to high school graduates in the Toronto area pursuing post-secondary studies.

During the recent pandemic, our donation of computers, tablets, and other vital equipment made it possible for students to continue their education online - students who otherwise would not have been able to afford the necessary technology.

Knox College, our alma mater, continues to make us proud through the academic success of its students. Our pledge is to continue to help in providing a solid foundation for future generations of Knoxites, in alignment with our motto, Niti Servire Neque Cedere (To Strive, To Serve, and not to Yield).

As we celebrate this remarkable milestone - 32 years of giving back - we reflect on the significance of our collective efforts and the immense gratitude we feel for your support over the years. While we have made great strides, there is still much to be done, and we remain committed to the cause of advancing our mission.

To all alumni associations, sponsors, community partners, friends, and supporters, I extend my sincerest thanks. Your support, not just this year but over many years, has been invaluable. I look forward to a continued and fruitful partnership with each of you.

A special thank you to the management and staff of Crystal Fountain Event Venue for your excellent service and support in making this evening possible.

I trust you will enjoy the evening, and I thank you for choosing to spend it with us.

#### Long live the Citadel on the Hill!

With deepest gratitude,

Rhona Dunwell President

### KNOX PAST STUDENTS' ASSOCIATION (TORONTO CHAPTER) 32nd ANNIVERSARY FUNDRAISING GALA

I am pleased to extend my heartfelt congratulations to the Knox Past Students' Association (Toronto Chapter) on the occasion of your 32nd Anniversary Fundraising Gala. This occasion is a testament to your unwavering dedication to the continued growth and excellence of the Knox community.

Knox has a distinguished history of academic and civic achievement, having nurtured generations of nation -builders and exemplary citizens who have made significant contributions to Jamaica and beyond. Knox alumni around the world continue to make meaningful strides, enriching both their adopted communities and their homeland.

Your commitment to strengthening the school's capacity to deliver world-class education is truly commendable. Through your unwavering support, Knox has maintained outstanding performance in academics, athletics, and extracurricular activities. Notable achievements include national championships in volleyball and debate, top performers in the regional CAPE examinations, and remarkable student successes in leadership and innovation. Additionally, your investments in infrastructure and development projects continue to enhance the learning environment for current and future students.

The Government of Jamaica deeply values the partnership and contributions of the Knox Past Students' Association. Your philanthropic efforts and commitment to service reflect a profound dedication to education, community development, and national progress.

As you host this fundraising gala, I extend my best wishes for a successful event and for the continued advancement of Knox Complex of Schools. The impact of your efforts will undoubtedly be felt for generations to come, as Knox students go on to achieve greatness and uphold the proud legacy of their alma mater.

Congratulations, and best wishes for continued success.

### Message from the Chairman of the School Board

Warm greetings to the Toronto Chapter of the Knox Past Students' Association.

It is with deep appreciation and admiration that I extend, on behalf of the school board, best wishes to you as you gather for this year's banquet celebration. Your commitment to Knox College as expressed through your steadfast support, your shared memories, and your generous spirit, continues to inspire and uplift all of us connected to this great institution.

As Chairman of the Board of Governors, I have the privilege of seeing up close the careful work and faithful stewardship required to guide an institution like Knox College through both opportunities and challenges. I am continually reminded that the strength of Knox lies not only in our students or staff but also in the enduring support of our past students and wider community.

Your chapter represents a vital bridge between legacy and future. You help to ensure that the values and standards of Knox are preserved and passed on, not only through gifts and fundraising, but through advocacy, networking, and mentoring. Your presence, especially here in the diaspora, adds an important voice to the conversations about the direction and destiny of Knox College.

While our students work to grasp the opportunities before them, they do so knowing that they are part of something much larger. They are standing on the shoulders of those who have gone before; individuals like you, who continue to demonstrate what it means to strive to serve, and not to yield.

Thank you for all that you do in service to Knox. I am confident that the best days of this institution still lie ahead. May this celebration rekindle old connections, strengthen your shared purpose, and reaffirm the incredible legacy you are building together.

With every good wish,

### Message from the Principal

Warmest greetings to the vibrant and dedicated members of the Toronto Chapter of the Knox Past Students' Association, and to all alumni and friends of Knox who support the work done by the Toronto KPSA. As we come together once more to celebrate the enduring legacy of Knox College, I am reminded of the strength, resilience, and unwavering spirit that continue to define our beloved institution. It gives me immense pleasure to extend heartfelt congratulations as we gather for this year's banquet, which promises to be a celebration of camaraderie, shared memories, and ongoing partnership and purpose.

For Knox College, the past year has been marked by encouraging progress. Our academic programme continues to rebound and grow following the disruptions of the pandemic. I am pleased to report that our students achieved commendable and in some cases truly impressive results in the most recent CXC exit examinations. These outcomes reflect the dedication of our teachers, the perseverance of our students, and the strength of our school community.

In line with our vision of providing a holistic education characterised by excellence, our students continue to excel far beyond the classroom. We are especially proud of our achievements in co-curricular and extra-curricular activities. Our debut in the national robotics competition resulted in an outstanding second-place finish, an extraordinary accomplishment for first-time entrants. Our students also captured numerous medals in the 4H and JCDC Performing Arts competitions, the majority of which were gold. Additionally, we reached the finals of the national Tourism Debate competition, seeking to defend the title we won last year. Our sports programme continues to grow in strength and impact. We remain committed to expanding opportunities for student-athletes, and we are proud of the success we have enjoyed in various competitions. As reigning national volleyball champions, we are poised to defend our title with confidence and determination.

We are grateful that Knox College was spared significant damage during the passage of Hurricane Beryl. The limited repairs needed were promptly carried out, and we continue to improve the physical environment to better serve our students and staff. Our commitment to a safe, modern, and inspiring campus remains a top priority, and we are steadily achieving that objective. Just recently, in March 2025, the Ministry of Education, recognising Knox College as a safe school, awarded the school their highest designation for school safety, security, and the wellbeing of a school community.

None of this progress would be possible without the steadfast support of our stakeholders, including our past students. You, our alumni, remain one of our greatest assets. Your love for Knox College, your commitment to service, and your generous contributions help to sustain the mission of this great institution. You continue to embody the best of what Knox College represents: resilience, service, and a deep sense of purpose rooted in faith and community.

I salute President Dunwell and the executive team for your exceptional work and for your dedication in organising this year's celebration. May this 32nd anniversary banquet be a joyful one, rich with memories and inspired by vision. May Knox College continue to shine as a beacon on the hill — a place where faith, hope, love, and joy are not only embraced, but lived and shared.

With gratitude and best wishes,

To the Knox College Community,

It is my great pleasure to extend my warmest congratulations as you gather for your 32nd Annual Fundraising Gala. This remarkable occasion not only celebrates the enduring spirit and accomplishments of Knox College but also highlights your unwavering dedication to education, opportunity, and community enrichment.

For over three decades, this gala has served as a beacon of generosity, bringing together alumni, faculty, students, and supporters who share a deep commitment to the mission and values of Knox College. Your steadfast efforts to expand access to education and foster academic excellence exemplify the very best of the AJAA spirit—one that values knowledge, growth, and the power of collective purpose.

As you commemorate another successful year and look ahead to the future, know that your contributions continue to strengthen the fabric of our nation. The knowledge and leadership cultivated at Knox College will inspire generations to come, ensuring that education remains a cornerstone of progress and innovation.

On behalf of the Alliance of Jamaican Alumni Associations, I commend your dedication and wish you an evening filled with joy, reflection, and generosity. May the continued success of Knox College serve as a lasting testament to the transformative power of education.

With deepest admiration,

### Message from the Knox Past Students' Association - Florida Chapter

On behalf of the Board and members of the KPSA (South Florida) Chapter, I extend my heartfelt congratulations to the Knox Past Students' Association (Toronto Chapter) on the momentous occasion of your 32nd anniversary. Over the years, your unwavering dedication and commitment to fostering community spirit and preserving the rich legacy of Knox College in the Greater Toronto area have been truly exemplary.

The impact of KPSA Toronto on the Knox community is both profound and far-reaching. Through your various initiatives you have not only given back to your alma mater but also strengthened the bonds of friendship and camaraderie among alumni. Your efforts in promoting education, cultural awareness, and social responsibility have made a significant difference, enriching the lives of many and contributing to the betterment of society as a whole.

As you celebrate this remarkable milestone, it is important to acknowledge the tireless work and enthusiasm of your members, whose collective efforts have brought the association to this point of distinction. Your dedication to preserving the values and traditions of Knox College while adapting to the evolving needs of the community is truly commendable.

May this anniversary serve as a reminder of the incredible achievements you have accomplished together and inspire you to continue your noble mission with renewed vigor and passion. I have no doubt that the KPSA Toronto will continue to thrive and make an even greater impact in the years to come.

We wish you all the best in your fundraising efforts as you focus on:

- · Construction of an all-purpose Student Pavillion
- · Bursaries to high school graduates in Greater Toronto
- · Financial support through the Knox Benevolent Fund

Once again, congratulations on your 32nd anniversary. I wish you continued success in your future endeavors.

Roxanna Brown Knox Past Students Association (Florida Chapter)

### THANK YOU TO OUR SPONSORS & GUESTS

The KPSA Executive and Planning Committees would like to extend our heartfelt appreciation to all our sponsors and guests for your unwavering support.

As we celebrate 32 years of giving back to our beloved Alma Mater, we recognize that our success and longevity have only been possible because of YOU.

Through your generosity-both financial and inkind-we've been able to make meaningful contributions that support our students and vital programs.

We salute you, and we look forward to your continued partnership and generosity in the years to come.

With gratitude, KPSA Executive & Planning Committees
