WHERE IS YOUR AGENCY GOING?

There is a distinct comfort in knowing
your agency is a part of
something bigger.

You will get greater access to desirable carrier markets through collective bargaining efforts.

With membership comes the ability to focus on selling insurance and providing outstanding customer service, which is what an independent agency should be able to focus on in the first place.

*"Two are better than one,
Because they have a good reward for
their labor.
For if they fall, one will lift up his
companion.
But woe to him who is alone when he
falls,
For he has no one to help him up."
Ecclesiastes 4:9-12*

GREATER ACCESS TO CARRIER MARKETS

Networks offer viable solutions for agencies to acquire markets not otherwise available.

NETWORK SHARING

You can participate in networking events and share information with other agents, carrier representatives, and network staff members.
