Waiver

Rules and regulations. PLEASE READ CAREFULLY!

There are weight limits for each dumpster, 10 yard dump trailer, the 13.6 yard, and 20 yard roll off dumpsters are up to 3 ton. Anything over the respective weight limit, additional cost will apply. Construction only will be \$35.00 plus tax per ton, Trash only will be \$68 plus tax per ton. Please call our office if you are uncertain of the weight restrictions. Prices are for 7 days only, it will be \$10.00 a day thereafter. **We do NOT automatically pick up the container. YOU ARE RESPONSIBLE FOR CALLING IN THE PICK UP.** If you pay with a credit card there will also be a 4% processing fee. Also If you initially pay with a credit card that same card will automatically be charged if extra charges are incurred.

Initials_____

Any damages (damage to driving surfaces, pavement, or property) resulting from the weight of the truck or placement of the container are NOT the responsibility of Maintenance Ace LLC. Although we will place wood under the container to help protect yards and driveways.

Customers agree no hazardous material (any material not in compliance with federal,state or local laws) will be placed in the dumpster. The following items are unacceptable: solvents, tires,oils, batteries, gasoline,refrigeration, air conditioning units and asbestos. Tires are the responsibility of the customer. If any are found in the dumpster they will need to be removed on site by the customer.

If the container is filled with any of the unaccepted material at the time of pick up Maintenance Ace LLC. has the right to dump on site.**There will also be a \$75 fee if you put any of the contaminating materials in the dumpster.**

All containers should be loaded at water level (NOT OVER THE SIDES OF THE DUMPSTER) to meet safety regulations and weight laws. Any container loaded with rock, brick, dirt, or other heavy material may not exceed ½ way up the dumpster.(Only 10 or 13.6 yard containers can be used for this material).

Damage done to the container or container components is the responsibility of the customer. Cost of repairing the container will be directly charged to the customer
