

The Sheaf and the Scepter, Chapter Two

(Pastor Vaughn, May 2025)

The Firstfruit Mandate

Before the final trumpet,
a people must be selected.

For a divine purpose,
they must be perfected.

These will be the Firstfruits
of the First Resurrection.
Their obedience permits them to rule
during earth's restoration!

Yahweh has an established order
for each resurrection:
Christ, the Firstfruits, the world.
It's a pattern of perfection!

And then the end shall come.
The mission shall be completed.
The Kingdom restored to Yahweh!
All enemies defeated!

The Firstfruits are being prepared
for a purpose that is greater.
Through their necessary suffering,
the world will be reached later!

You don't belong to you -
you've been bought with a high price.
And Yahweh has every right
to your daily sacrifice!

You are being made into
an offering for the rest.
That's why He allows
Satan to give you a test.

Permit His Word to cut you.
He knows how deep to go
to shape and prune you
so His Spirit can freely flow.

The Firstfruits are defined
by their holy submission
and their willingness to be
part of this holy mission!
