Unlocking the Unseen Realm (Pastor Vaughn, Part 3 of 11, fhtv.tv #2855)

Look beyond your personal needs,
hear the Father's heart.
He wants all men to be saved
and has given us a part.

We are His Royal Priesthood
and have been granted powers
to intercede for all mankind
in these final hours!

There must be voices here on earth
crying out on their behalf
before that Great and Terrible Day
when Yah pours out His Wrath!

Pray for your enemies.
Know that they've been blinded.
They have no clue what they do to you
is because their demon-minded.

Pray for all in authority
to rule wisely and fair
so we may live a peaceful life
and the Gospel of the Kingdom share.

Come to the Throne with tears
for those who are being abused.
For every man, woman, and child
whose bodies for evil are used.

Look at the world around you.
Nobody really cares anymore,
unless it benefits them,
unless it gives them more.

We are not their judge.
We are their only hope.
So many have already given up
because they could not cope.

But for the Grace of Yah,
that could be you and me!

How dare we criticize
these poor wrecks of humanity!

But no one is so lost
that Yahweh cannot reach them.
Pray for them to be drawn
so the truth we can teach them!

We are called to duty
to pray for everyone.
No one can take our place
to get this assignment done!

When we pray for all men,
that includes our families, too.
And all our friends and acquaintances
with whom we have to do.

Yahweh knows and understands
what you are going through.
When you learn to put others first,
He will take care of you!

With a heart of love and gratitude,
keep praying for every nation.
Together we are working
for the Restoration of Creation!
