

## **Whatever It Takes**

By District Minister Larry Cambre

*This is a song that Yahweh gave me. The scriptures that He started from are Hosea 7:8, and then it leads into Romans 8:19-23 which speaks about all of creation crying out and being set free because of the sons of Yahweh being revealed.*

Whatever it takes to bake this cake;  
Whatever it takes, make no mistake hmmm;  
Whatever it takes for heaven's sake;  
Whatever it takes, whatever it takes;  
My heart aches hmmm.  
Now I can see it's Him and me;

Now I can see Yahshua in me oh oh;  
Now I can see it's Him and me;  
Whatever it takes, whatever it takes;  
Make no mistake, hmmm.

All of creation is crying out;  
All of creation it longs to shout oh oh;  
All of creation is crying out;  
Please bake this cake, make no mistake;  
For heaven's sake, hmmm.

Whatever it takes to bake this cake;  
Whatever it takes make no mistake, oh oh;  
Whatever it takes my heart aches;  
Whatever it takes, whatever it takes;  
To bake this cake hmmm.

When we're revealed all those will kneel;  
When we're revealed the world will kneel, oh oh;  
When we're revealed all those will kneel;  
So let's bake this cake, make no mistake;  
For heaven's sake, HalleluYah!

Let's bake this cake, make no mistake  
for heaven's sake. HalleluYah!
