

ISRAEL 101
Part 2
“The Seed of Abraham”

By Pastor Shane Vaughn, First Harvest Ministries

I don't want anybody to misunderstand me when I talk about the word Christian verses Israelite. What do I mean when I prefer to be called an Israelite instead of a Christian? First of all, if you would've been alive 60 years after Christ died, if every one of you would be walking in Jerusalem, nobody would've known what a Christian was. Nobody. That word was not in existence, wasn't used, for any of the apostles, they were not Christians. None of the disciples were Christians. Yahshua was not a Christian.

That word came in at Acts chapter 11 in Antioch which was a Greek city. Antioch was a metropolis of the Greek world. When they went to Antioch, they were making fun of them and used a slang word. *Oh you know those are those Christians*. Ok? But the apostles were Israelites. Yet if we're apostolic we're following the apostolic way. When I say that, of course, we're Christians in the fact that we follow Christ, of course. But here's what happens.

The word Christian is a Greek word *Christos*. The Hebrew language knows nothing about Christos. It's a change in mindset. A Greek mindset or a Hebrew mindset, ok? And most people who are “Christians” have a Greek/Pagan mindset. Whenever we say Yahshua, they freak out because they have a different mindset and it's Greek. And in Greek mentality they don't see the need in holy days. In their mind, their mind is so oriented to this world and this world is Greek.

We get all our influences from hellenism, hellenistic-thinking, ok? So I don't want anybody confused. What I want you to know is all your life you have not known who you are. I didn't know. I thought I was Pentecostal. Well my worship is, my history is, my culture is, but my identity goes back further than Pentecost. It goes to Abraham and he was Hebrew. He wasn't even an Israelite, I'm getting ready to tell you about that in a minute.

So, we're trying to get people to know who they are. If you don't identify as an Israelite—it's like this. Alright if you're black you identify with fried chicken (well white people do too). Ok. But there are certain things that apply to the black culture. It just does. They're so talented at music and rhythm, and sports. There's things that are just part of their culture. White folks can't sing anything like black folks can. But we're good in business, we're good in leadership, we're good in many other things, in creating empires and what-have-you and what-not. But what black folks are good at white folks are not good at. What Indians are good at

we're not good at. Every culture has to identify, or if not, if you go into the Indian culture with a white mind, you will eventually have to get an Indian mind.

So it's a fact. That is not racism, it is facts. Every race is different in the way they think, in a lot of things. I'll tell you what, when I get around my black friends, I notice that my ebonics starts coming out. It does. When I get around Chinese people, all of a sudden...hi how ya doin'. With Latin I started adding a's and o's to the end of my words. Why? That's their mindset. That's their culture.

So with Christianity, there is a culture in Christianity. Christianity has it's own culture that comes from Rome. Everything that's against the word of God comes from Rome. Trinitarianism comes from Rome. Every false doctrine goes back to Rome. Rome is where Christmas comes from. Rome is where Easter comes from.

So when you come and you realize you're an Israelite, you have to start connecting with Israel stuff. That's why we wear the tallits, sound the shofar. That menorah up there, that is Israel. Israel. Because if you don't change how you see yourself, then you will not be able to change how you behave yourself. Amen. Every Christian in this room has become institutionalized.

You know I was in prison for three years and I watched men become institutionalized. What does that mean? That means that they cannot go back into the world and function. They just can't because if you wake up every morning for chow at 7 o'clock, your breakfast is fixed for you. You don't have to think about...what am I going to cook for breakfast, it's already done. After breakfast, you get to go back and lay on your bunk before you go to the library and get some more books. Then you get to go out on the yard, work out, then it's lunchtime. You don't have to think one time when you wake up...my God how am I going to pay my light bill today? You don't have to wake up and wonder...I don't have enough money for my insurance. Life becomes so stress-free, it truly does.

Unless you weren't born to be there—if you're an eagle you never get adapted. I knew who I was so I never got adapted. I knew this was God's punishment on my life and he was doing something in me, but I never one time got involved with their domino games, I never got involved with their spades. Why? Because I knew that I was just a pilgrim there. I was just a stranger. God was doing something in my life. Amen? But if I wasn't careful I would adapt that mentality. I'm making a point here.

When you're talking to your family and friends that you love and you know they love the Lord, who don't believe what you believe, but you know they love the Lord and know they are good Christians, you're fighting a mindset. You say the very word Sabbath—that was a word I never heard in 40 years of being a

Christian. No. In Christianity we say...ya'll going to church? And the house of Israel, you're saying...you gonna be at Sabbath? It's different mentalities and you have got to retrain your mind. Right now it's Christmastime almost. Everybody's mind is going there except for an Israelite. We're already planning for Passover. We're just Israel and we know who we are.

So I said all that for those of you who don't understand why you can't get through to people. The only way you can believe this message is you've got to hear it preached over and over and over and over. You've got to change your mindset. You've got to change your identity—that I'm an Israelite. Of course we're Christians, we follow Christ. But, but, but. Let's go back before Christianity. What were we? We were Israel. So that's why I'm teaching Israel 101, so that you can know who you truly are. Deuteronomy 33:29.

By the way, is there anyone with any questions about what I just said about Christianity, about Israel? This is an open forum on Saturday mornings.

Deuteronomy 33:29 (KJV)

Happy art thou, O Israel, who is like unto thee, O people saved by Yahweh, the shield of thy help, and who is the sword of thy excellency! and thine enemies shall be found liars unto thee, and thou shalt tread upon their high places.

(Book of Yahweh)

Blessed are you, O Israyl! Who is like you, a people saved by Yahweh? He is your Shield of Help, and your Majestic Sword. Your enemies will cringe in front of you, and you will trample down their high places.

Yahweh is asking you a question. Who in Waveland Mississippi is like you? Nobody. He is trying to tell you...embrace your identity. Who is like you? A people saved by Yahweh.

By the end of this class you will know who you are. You'll just know it. You'll be done with it, you'll just give up on every other mentality. Because you see, if you're truly an Israelite, you can't get out of it no matter what you do.

Numbers 23:9

For from the top of the rocks I see him, and from the hills I behold him, lo, the people shall dwell alone, and shall not be reckoned among the nations.

Hallelujah. Oh, my people shall dwell alone. I'm going to read these scriptures till you all get them. I'm trying to read you from the word of God who Israel is. My

people dwell—they're separated from the world. They're made fun of, they're mocked, they're not understood. But they're mine. And they're separated from the world. Their talk doesn't sound like the world. You don't hear them cussing like the world. The ladies don't dress like whores, they dress like ladies. The men don't dress like queers like the world, they dress like men. When you look at them you know they're different (do I have anybody here today that's hearing me?).

My people dwell in a total separate bubble. They are in the world, but not of it. Until you can accept that sister that you are in this world, but not of it, until you get it up here (your head), then the world will bother you by how they respond to you. Listen to me, if you are welcome anywhere where the world gathers, you're not Israel. I was at a big party once and mom and dad were there. They were getting ready to, you know, cut up when it was get-down, boot-scooting time, boogie down and all that. You could almost tell—they love us, you know, we're family, but you could feel the discomfort. Almost like...good to see ya'll.

Now that's not to put them down, they love us. But there is a difference. Saints listen to me and I want you to hear me well. If there's no difference in your life in your dress, in your speech, in your language, in your attitudes—if there's no difference in you from them, you're not Israel. If you're comfortable with the world, you're not Israel. Because Yahweh just said my people dwell alone. I'm telling you saints you need to understand we are a different people.

And I'm going to say something. The church has it's own sound. Do you all know why I pick the music out for this church and I don't let just anybody here pick it out? There is a sound that the world has. The church has a different sound. We've got our own songs, we've got our own beat. Listen, we love George Jones, we don't have anything to do with him. Listen to me you young people. The music you listen to will affect who you become. Listen, we have a different sound than any music in the world.

When you walk through those doors, you know you're in a different place. Some of you can say amen. Ok, something's different here. We're different. We dance to a different tune than they dance to. Now we dance, but we've got a different tune. Learn this about yourself and you'll begin to embrace that God's called you to be alone in this world.

But how alone are you really if you're with him? Amen? If we're with him how alone are we really? Amen? I love that scripture...my people are alone. But the thing is, you know, if you don't get that up here (your head), you won't be able to deal with that.

I want to give you some scriptures so that you know who you are.

2 Samuel 7:23

And what one nation in the earth is like thy people, even like Israel, whom Yahweh went to redeem for a people to himself, and to make him a name, and to do for you great things and terrible, for thy land, before thy people, which thou redeemedst to thee from Egypt, from the nations and their gods?

Oh my, my, my. What a verse. I'm going to do it again. Book of Yahweh...

And who is like Your people Israyl, the one nation on the earth...

By the way, we're not talking here about that one nation across the water. There is a huge difference in the house of Israel and the nation of Israel. The house of Israel is scattered across the known world, but the state of Israel is not who he's talking about right here. Does anybody understand that? The state of Israel is not Israel, ok? Israel is scattered across the world. We are a nation without borders. We're everywhere. And the Bible said...who is like us in verse 23.

...the one nation on the earth that Yahweh went out to redeem as a people for Himself, to make for Himself a Name...

Do you know what that verse just said? That verse just told me...there was a whole lot more people in the world than Israel—why didn't he go for the Greeks, why didn't he go for the Philistines? He went for Israel. I thought God was no respecter of persons? You don't even know what that verse means, I'm not going to even deal with it today. God chooses who he chooses. He said I will have mercy on whom I'll have it, and you can shut up about it, it's my business he said.

When you want to know why God chose you, you're asking the wrong question. All you need to say is thank you Yah for choosing me. I don't know why you did it, I don't deserve it, but hey, I'll go with it, I'll go with it.

...and to perform and do great and awe-inspiring wonders (miracles) for Your land in front of Your people whom You redeemed from Egypt, from the nations, and from their gods (elohim)?

Listen folks, we're a miracle people. That's why we still believe in miracles. When they say the age of miracles has passed, it has for Christians, but not for Israel. Why? Because they serve a different God. The God we serve never changes. The Christian God changes. You don't believe the Christian God changes? Watch this.

Well in the past he worked like that brother Vaughn, but not now, not in the church age. Now in the past he would send evil upon people but he doesn't do

that anymore. In the past he would send sickness if you broke his commandments but not now. If you all think I'm making this up, go turn on Creflo Dollar and listen to him tell you God does not send bad things to people. I don't know that God. That's the Christian God. Modern Christianity. But the God of Israel said if you break these commandments I'm sending the inrods (that's the hemorrhoids). I change not, ever.

So if your God doesn't deal with people, that's why dispensationalism is such a disease in the church. Every Christian I know of believes in dispensationalism. That's where they get their rapture doctrine from. If you don't have the rapture, you can't have dispensationalism because the dispensationalists believes that God dealt with these Israelites we're talking about in the Old Testament one way.

As soon as the New Testament started, now he's forgotten them, and he's replaced them with the church, and he has a different plan for them than he does Israel. Well that's why they created the rapture because to them the church has to go up in the rapture to be separated from what's going to happen with 'Israel' after the rapture. So if you destroy their rapture, you've destroyed their entire argument about dispensationalism.

I've come to tell you Israel is the apple of God's eye then, and it's the apple of God's eye now! Now I didn't say the "state" of Israel, the political state—I didn't say that was the apple of God's eye. I said the "nation" of Israel, and some of them live in that state, but it's still the nation that is still the apple of God's eye.

You will have to join that nation to go into the New Jerusalem. There's only 12 gates. And there's a name of a tribe of Israel on each gate. And if you're not in them tribes you're not going in those gates. You all it's that simple. It is that simple. You're either going through one of those gates as an Israelite or you're not going in. Now you'll be outside the city, but you're not going in the city. You've got to be an Israelite to go in the city. Amen.

Psalms 78:5

For he established a testimony in Jacob, and appointed a law in Israel, which he commanded our fathers, that they should make them known to their children.

Where is the only place Yahweh set up his law? *Israel*. That's the only place he put his law. You will not find his law in the Christian church, you'll find it in Israel. You go to a Christian church and try to find the 10 commandments. Go to a Christian church and try to find the Torah. They don't have it, they don't want it. As a matter of fact, I was watching that crazy women preacher, what is her name? *Joyce Meyer*? No Joyce is not as bad as this one. Kimberly Pothier Jones.

A walking devil is what she is. She literally said...*if any preacher gets up and tells you you've got to walk in obedience, you tell them that I said that they are legalists.*

That is the message of Christian preachers. She said...*no one can obey, we're saved by grace and that alone, there's nothing you can obey. Obedience was in the Old Testament.* Folks that's what I preach against! On a live and I don't care if you send it to her, tell her she needs to hear the truth. Obedience is demanded of an Israelite. He tells you how to wear your clothes, how to wear your tongue, he tells you—that's his instructions. I tell you what, if you all are listening to these people, that's why you're still a Christian, you love Christianity. You've got that Greek mindset. I don't listen to anybody because that little spirit will get into your mind.

You've got to find men of God that are prophets who will show you the clean and the unclean, teach you the difference in those two. You can go google it. Creflo Dollar and the 10 commandments. And TD Jakes was backing him up on it. He stood there and said...*not only is the Torah done away with, but the big 10 are done away with.* And TD Jakes sitting right there clapping. That's the Christian church. When I tell you I'm not a Christian, that's what I mean. If that's what Christianity is, I'm not that.

I'm an Israelite. Why? Because it says. How do you know if you're an Israelite? He placed his law in Israel! Amen? It's the only people who care. Go to any church in this town and find me a set of these (10 commandments). Do you know why? You won't find it in Christianity, you'll only find the law in Israel. That's how you'll know you're an Israelite if you love that law. David was an Israelite. He loved that law day and night.

Psalms 147:19-20

19 He shews his word unto Jacob, his statutes and his judgments unto Israel.

Who is it he show his word to? Jacob who is Israel. Somebody say "only". *Only.* His statutes, his judgments are only shown to an Israelite. That's a fact brothers and sisters. Christians don't know about his statutes and his judgments, only Israel does. Christians know about his grace, but not his statues, not how you live your life, not how you wake up and you pray, not how you wake up and you obey that word to the best of your ability day and night, how you walk in holiness in this world. I love that. Only Israel has my statutes and my judgments.

20 He hath not dealt so with any nation...

Listen. He has not dealt so with any other human. So if you ever wonder why God—you need to get your eyes inside. *Why is God doing it with them?* No, no. You better come back in here. We're not worrying about what he's not doing out there, we're just worrying about what he is doing in here. He's revealing statutes and judgments! Only to Israel. *Well brother Vaughn I just wish he would...* You better leave him alone. You better say thank you Lord. As for me and my house. Hallelujah. We're going to serve Yahweh.

...and as for his judgments, they have not known them. Praise ye Yahweh.

Now, if they've not known the judgments of Yahweh, if they've not known his statutes, his law, or his commandments, they will have to know it to be judged. He that knoweth to do good and doeth it not, only to him is it a sin. So wait a minute. What you might've thought were sinners really may not be. If they don't know this word of God, and he's not revealed it unto them, he will have to reveal it to them at the Great White Throne judgment or he cannot hold them accountable for sin. Because the Bible says that he that knoweth not to do good, to him it's not sin. That's why joy comes in the morning.

I tell you what, I look at some of you with this truth and I just wonder...Lord, are they getting it? The sinners are backslidden Israel. That's right. Brothers and sisters, you are a sinner when you know these commandments and you refuse to keep them. But I love what he said. To no other nation did I give my commandments to.

Psalms 148:14

He also exalts the horn of his people, the praise of all his saints, even of the children of Israel, a people near unto him. Praise Yahweh.

How do you know an Israelite? They're near unto him. You're trying to talk about a football game and they're trying to tell you how God moved last night. Yep, they're near to him. You're trying to talk about this and that, and they're trying to tell you how God provided a truck for me, and how God did this and how God did that. And they really wish you would shut up! Because you're near to him. If you're near to him all the time, you're an Israelite—you may not even know it, but you are.

As a matter of fact, after my grandpa died a few years ago, this one man got sweet on my grandma. We were talking to him and said...*brother, are you gonna make a move on Nana or what?* He was 80 something, she was 80. And he said...*well I'd like to, but she's either on her way to prayer meeting or coming back from prayer meeting, or getting ready for prayer meeting. I like prayer, but my*

Lord! Ha, ha! She was near to him! She was an Israelite, she didn't know it. But anybody who's drawn to him, that's an Israelite. God is calling us. There are many people in our past generation that these things were not revealed to them. They were judged on what he did reveal and what they did know. In our generation, he's revealing more and more and more. We're going to be accountable for the light of our day, not their day. Our day.

Isaiah 41:8-9

8 But thou, Israel, art my servant, Jacob whom I have chosen, the seed of Abraham my friend.

9 Thou whom I have taken from the ends of the earth, and called thee from the chief men thereof, and said unto thee, Thou art my servant, I have chosen thee, and not cast thee away.

Did you hear that? Just read it again. My friend. Yahweh's friend. Brothers and sisters, I want to show you who the friends of God are. I want to read to you who the friends of God are. He said the friend of God was the seed of Abraham. Today I want to expose to you who the seed of Abraham are.

Be careful with everything we just read—we read some great verses. As a Christian, when I would read those verses, they applied to the Jewish people. All my life—*Israel is mine*—ok that's the state of Israel, that's yours, ok, we're just the step children. I always believed these promises were to the Jews. No, no. These promises are to the seed of Abraham.

Now the problem is how you look at the seed of Abraham and how God reckons the seed. I'm fixing to get in some waters here, I've got to wade through them because you've got to know. I'm going to show you something. Just because someone is born the natural seed does not mean God recognizes them as the seed. Hang tight. We're going to show you.

1 Chronicles 5:1

Now the sons of Reuben the firstborn of Israel, (for he was the firstborn, but, forasmuch as he defiled his father's bed, his birthright was given unto the sons of Joseph, the son of Israel, and the genealogy is not to be reckoned after the birthright.

Here's what God just told them. "The genealogy is not to be reckoned the way you think it should be reckoned". It's going to be reckoned by how I see it." *But Yahweh, Reuben is the firstborn.* He said..."by genealogy, but I read a scripture that said THE FIRST.....shall be last". Reuben was born first. This promise went to the natural Jews first!

You see, the problem is all these promises we just read, you'll put them all in the Jew's camp, and you won't claim them for yourself because it's for the seed of Abraham. Yahweh reckons the seed. Now why did Reuben get taken out? Sin! He rejected the birthright! Why did he reject it? Because he didn't walk in the covenant of the birthright.

You all better know who these promises are to when it talks about Israel. You always thought as a Christian...oh that was for the Jews. You better get that out of your mind. I'm going to read some scriptures that are going to blow your mind today. The promise, the friends of God are the seed of Abraham. Listen to me. Unless Yahweh recognizes them as the seed, they're not the seed.

I'm going to tell all of you something. There's only one way that you're going to be recognized as the seed of Abraham, and it's through the cross of Yahshua the Messiah! I don't care who you said your daddy is, God tells you who your daddy is. You may have been born first Reuben, but you have been replaced Reuben by the seed. We are reckoning the seed by somebody else now. I'm going to get somewhere if you hang tight!

Listen, there's nobody who loves the land of Israel more than I do. I love it, I send money to help them with their mission work over there. But I'm going to tell you something, I'm not enamored. Do you know why? I know where Israel is. I'm sitting in the "land" of Israel right now with these saints. We are Israel. Now a few of us live in the land there, that's great! But that border is not our border.

The promise to regather—everybody throws that scripture up, but we can't all fit in that land. The promise of regathering was to Judah, not to Israel, not to the lost tribes. Only to the tribe of Judah, the Jewish people, they will regather. But the lost tribes have no promise of that all. We are being gathered now all across the world. You've got to know this. If you don't know this, you will think that the Jewish people are the apple of God's eye while they walk in rebellion to God.

God's biblical definition of terms may not be your biblical definition of terms. When I hear "seed of Abraham" I think the seed, the physical seed. That's what I hear but God determines who fits into that seed line and who doesn't. We don't determine that, only God does. Now God's definitions are clarified in the New Testament. When we get to the New Testament, he's going to clarify what this seed of Abraham means for this.

For this reason, anyone who's still stuck in the Old Covenant mindset will have difficulty breaking free to see the mind of God, what it was all the way in the Old Testament. You've got to understand, the church has a general ignorance of history. The most significant example of this is when people insist that the Jews

are the biblical Israelites when in fact the Jews fought wars against the Israelites. The first time you find the word Jew in your Bible they are in war with Israel. The first time somebody told me that, sister, I thought I knew this Bible front and back. I thought I was so smart. I said something about the Jews, and they said... *well you know, the Jews were in war against Israel*. I was like...dude, that's not even possible, the Jews are Israel. What do you mean the Jews were in war against Israel, the Jews are Israel!

He said...*how long have you been in the church?* I said 36 years. He said...*you're still that ignorant?* Amen. And sure enough the dude opened his Bible and brought me to the passage—there it is! There was the Jewish people in war against the house of Israel. Boy my little brain when to ticking and I thought...so the Jews are not Israel? They're one tribe, but they're not all of Israel.

Now I didn't say they're not Israelites, I said they're not "Israel". I'm telling you that changed my life ten years ago. It changed my life, the way I see the word of God. So you've got to be so careful around people. If you've got anybody in your family who are Christian, here's a homework assignment. Simply call them and talk to them. Ask them...what's the difference between a Jew and an Israelite? I promise you, I give you my word, they won't know. That's why they ask you all the time...*are you trying to be a Jew?* No baby, that's the last thing I'm trying to be. That's the mindset, isn't it?

Now, we make the same mistake about the seed of Abraham. I want to go into this. First of all, Abraham was a Hebrew. He was not an Israelite or a Jew. Everybody needs to know that. Abraham was not a Jew. Father Abraham had many sons. Abraham was not a Jew or an Israelite. He was a Hebrew. The word Hebrew simply means immigrant. They cross over the border. So all them illegal aliens down there are illegal Hebrews, ha ha!

He immigrated from the Ur of Chaldees to what came to be known as the promised land. A Hebrew is an immigrant. God applied this term to those who through Christ are able to immigrate from the Old Covenant to the New Covenant. That's Hebrews today. Do you remember my teaching on the New Covenant for three weeks? And I taught you that you've got to come out of the Old Covenant mentality. What is the Old Covenant mentality? That it's all depending on you. In the New Covenant, it's all depending on him! And only Hebrews can cross over, immigrate from it being you to it being him.

Types and shadows, do you all know what that is? *Examples*. Yes examples. Hold your arm at that wall. Do you see the shadow on that wall? Is that the real thing? No. No, that's pointing you. It's telling you that there's a real person with a real arm somewhere—you've got to get there, ok? All of the patterns of the Old

Testament that we keep—for example, Sabbath day. This is a pattern, this is a shadow. This is not the fulfillment of the Sabbath. The Sabbath represents the coming kingdom of God. We know the coming kingdom is out there because we keep the Sabbath. On what day of the week? Seven. That seven points us to 7,000. That 7 points us to a greater truth.

Now the Christian church would say to you that Yahshua fulfilled the Sabbath. But you see they have a problem there because Paul, 60 years later, when referring to the Sabbath and the holy days, said they are shadows of things to come. Yahshua is not anybody's Sabbath day. I'll give anybody \$1,000 to show me one scripture where Yahshua ever said "I am the Sabbath, I'm replacing the Sabbath, I am the fulfillment of the Sabbath". He never said it.

Where did you come up with that? Oh it says...*I will give you rest*. Exactly. I WILL give you, in the future, will give—WILL GIVE. I will come again as well. He will give you rest, but he hasn't give it to you yet. You wake up in the morning fighting hell and tell me you're at rest. *Oh I'm resting, Jesus is my rest*. While the whole time you're losing your mind over life. Why? Because you're still in a battle.

Before you came to Jesus, brother, you didn't have a battle. Your slave master said drink, you drank. Your slave master said take a drug, you took it. You obeyed and your life was no struggle. And the moment you came to conversion, your slave master said do this, the other one, the new master said...*Don't you do it*. Now you're in a war that you were never in before. Oh yeah. One part of you says cuss her out, the other part says...*I'm listening*. You're more in a war now than you ever were in. The Bible said we wrestle. We are wrestling.

So for the church to take the Sabbath from us, they have taken the very shadow that is still pointing us to the day when the weary shall be at rest. Don't let them take the Sabbath. The Christian church doesn't understand these patterns, the holy days. This year we'll start again with Passover. Every year that we start with that we relive the very message that we believe. By the time we get to Tabernacles, the last great day, we have gone through those shadows celebrating what's beyond the wall. We see the shadow, the feast of Tabernacles. But as glorious as that feast is, it hardly compares to what it shall be. Hallelujah?

But now, let me clarify a few things here. I must do this. The tallit is a shadow, it's just a pattern, a symbol. The menorah you look at and you see the light of the world. The light of the world was Yahshua, but not anymore. He said now you are the light of the world. Those seven branches are me being the light of the world. Yahshua is in heaven. He's not in the world, only his church is. So that is a symbol of the church of God. So when I look at that, immediately my mind reminds me I'm one of those candlesticks.

However, here's where the Jewish people, and even the Messianic Jews get messed up. They get so detailed in the shadow and so focused. *Let's talk about unclean foods real quick.* The principle of unclean food is to remind me at every meal to stay clean from the world. That's all it is. It's not for me to pick through every bite to make sure there's not one drop of anything that'd be unclean. See you're too focused on the shadow.

Somebody said...*well, your Lucky Charms has pig in it.* I said...you leave my Lucky Charms alone. You do everything in your power, ok? God didn't call you to become an investigator of ingredients. I don't have time for it, ok? I'm serious. Do not bring me a list of ingredients and say...*see it's got 1.3 % of this pork gelatin.* Look, I know what that shadow's pointing to, and I'm going to live it to the best of my ability. I'm not putting a pig or catfish on my plate, the things I know, alright? But don't come around here with a microscope...because you're going to find something! Stay out of my Lucky Charms! Ha, ha! Amen? Honestly, what if you didn't have that list of ingredients, you'd still be eating it.

Now listen. Don't leave now and take it the wrong way. You can eat whatever you want to. I'm not saying that! I'm saying don't get so stranded in the shadows that you don't see what that shadow is pointing to. It's the same with the Sabbath day. Leave First Harvest alone about garage-selling or whatever they're doing. Listen to me. I want you to understand very clearly. Our focus here is not the details of the shadow, it's the principle of the shadow. It's the meaning of that shadow. Amen?

We've got to be focused on what's behind it. You'll get so detailed. Just leave people alone, how about that? This is a walk between them and their God. When I go back there to eat they don't even look at my plate—don't get anywhere near it. You're not called to police me or anybody else, police your plate, I'll police mine. Amen. Don't send me a google about what that ingredient has in it, I don't care. If not it would take me 30 minutes to start eating after I read all the ingredients. I'm ready to eat and you're ready to talk.

Now, if you're carnal-minded you're going to take what I just said and go eat what you want to eat. That's carnal. You're going to totally misunderstand me. Do your best! Do your best and remember if you happen to get 0.072% of fat lard from a pig, remember if you mess up you've got a back-up, he's in heaven interceding for you. Amen. Amen.

So you all can take it any way you want to take it, I said what I said. I'm tired of dealing with it. Amen. We're just not going to over-focus on the patterns. Now we're going to keep the patterns, we're going to celebrate those patterns, but we're going to say...*hey, do you know what? If I mess up this Sabbath day deal,*

if I don't get it just right, Father I want to make that kingdom because that's why I'm doing this, to remind me every week of the Sabbath day that is soon to come. Amen? Somebody say that's good teaching pastor. Amen? Let's go to the book of Genesis. Genesis 12:1-3.

You know, let me break it down further for you. I grew up in a church that believed in holiness in every way. My grandmother believed in looking different from the world, the whole nine yards, and I believe in that too. But let me tell you what happened in the holiness church. Now when I say the holiness church, none of you came from the holiness church, you don't know what I'm talking about. But in the holiness church we believed in something called a dress standard where that was your standard, you didn't cross that standard, that was your limit, you know, to keep yourself from the world. And that was good, nothing wrong with that.

But here's what begun to happen, and my grandmother would confess this. Eventually with that standard—the people began to police the standard so much—*well, right below your knee—ok*. When my grandmother started, it had to be mid calf. Then somebody would say...*well, um, you know, what's the difference in this?* You see, here's the problem. If you will focus on holiness instead of the standard, it'll produce a good standard. Amen?

I can't tell you how long long is! The Holy Ghost can tell you. Amen? I can't tell you. To me if you're cleavage is showing...come on folks. There's some ladies I pray for and when I do I have to turn my head to not see something. But we preach holiness, but if you're wanting me to preach a "standard" I'm not going to to that. Do you know why? Because my standard and this person's standard and that person's standard is all different. But we've got one Holy Ghost. If you'll look beyond the standard and say...*I want to be holy before the Lord*, he'll teach you a standard. He'll teach you a standard because holiness produces standards always.

Listen, here's the problem. I might as well just tell it like it is now. In the church I grew up in, my grandmother's up there preaching holiness. Ok, got it. Thank God she did, that's why I am where I am today. So the standard was a lady's dress didn't need to come above her knee. That's not a bad standard because things start showing that shouldn't show. But then because women didn't really want holiness, they kept that standard, but they started wearing tight-fitting skirts that reveal your derriere. What's the point?

In other words, if you don't love holiness, standards will not give you holiness. You have to love holiness separated from the world. And I can't tell you what that is. I'm not the Holy Ghost. Because as soon as I set a standard, you're going to do what the children of Israel did—find a way around it. We believed in women

having long hair. Ok, great. Got it. Can't cut your hair short, good. So they go out and perm it off, burn it all up. *But I didn't cut it!* You've got to look beyond the shadow and say...what are you trying to accomplish here? If you want holiness, you will not have to go to mommy and daddy, you won't have to come to me, you won't have to go to anybody and say what is holiness?

Oh no, you get on your face right there. Say...*Father teach me holiness in my life.* And I promise you you'll find it. If you really want holiness you'll find it in your life, separated from the world. *Brother Vaughn you need to set a standard.* Alright here's our standard. No more country music. *Alright, ok, we're not going to listen to country music.* Ok, good. But the problem is you can go find it under another genre that's not called country. Do you follow me? You can go to where now they've got "country gospel".

Listen, I'm trying to make a point to you. I'm never going to be that pastor who is telling you what holiness is. I'm always going to be that pastor that's trying to lead you to holiness, to make yourself more separated from this world than you were before you got here. And to me that's the only way you can preach holiness. Because any other way you're going to have a mess because people can always find a way around any standard. Any standard.

Now, we wore dresses, but the split would be all the way up here, but she's wearing a dress! She'd look better in culottes without showing her whole behind. Do you follow me? People can find a way around it. But if you come to this altar, and you say...*Father I want to be like Samson and dedicate my life, like Samuel I want to be dedicated to you—show me what that looks like, show me what that sounds like.* We'll just be looking around and we'll see a change in you. It'll just happen organically. Amen? I said all that to get back to the Sabbath.

Saints, I believe these commandments as much as anybody. I believe this all. You know I'm the one who introduced it to you. But I'm seeing people get so stranded. For example, the brothers that wear the tassels on their tallit...*well that's not the right color.* Shut up! Just do whatever you believe is pleasing to the Lord, get it right the best you can, let's go on serving the Lord, alright? Genesis 12:1-3.

Oh and by the way, if you're wearing those, I support you 100%, but the minute you judge another brother for not doing what you're doing, you've become a pharisee. Amen.

Genesis 12:1-3

1 Now Yahweh had said to Abram: Get out of your country, from your kindred and from your father's house, to a land that I will show you.

I want you all to think about that. Here's Abraham, got a good life. God said I want you to leave, I want you to move to Waveland, I don't even want you to know where you're going to be living. *That's a Hebrew.* Brother, I want you to go buy a house, buy land in Waveland...and you're like...*ok.*

Abraham, I want you to leave everything and go, as a matter of fact, don't even go to Waveland—just drive. Pack up your family, get everybody, sell the farm, sell the donkeys, sell the horses, sell everything (I hope I'm not prophesying to you). But anyway, he said get in your car and go.

Why am I focusing on this one verse? Because I'm going to show you who the seed of Abraham are. Read...

2 I will make of you a great nation, and I will bless you, and make your name great, and you shall be a blessing.

3 And I will bless those who bless you, and curse him who curses you, and in you shall all families of the earth be blessed.

Brothers and sisters, that is the Abrahamic covenant. That is a promise to all the seed of Abraham, that you will be a blessing, you will be blessed. That is the promise. Now I want you to understand something today and I want to make this very clear to you. He said I'm going to make of you a great nation. When you understand who this nation is, you'll see just how great this nation really is.

Now let's go read beginning in Acts 3:12. Here we're going to allow Peter to interpret the Abrahamic blessing for us.

Acts 3:12-26

12 And when Peter saw it, he answered unto the people, Ye men of Israel, why marvel ye at this? or why look ye so earnestly on us, as though by our own power or holiness we had made this man to walk?

13 The God of Abraham, and of Isaac, and of Jacob, the God of our fathers, hath glorified his Son Yahshua, whom ye delivered up, and denied him in the presence of Pilate, when he was determined to let him go.

Alright, here comes the judgment against the Jewish people. Pilate was wanting to release Yahshua, ok? It was not the Romans who crucified our Lord. I'm going to show you something so let's keep reading.

14 But ye denied the Holy One and the Just, and desired a murderer to be granted unto you.

15 And killed the Prince of life, whom Yahweh hath raised from the dead, whereof we are witnesses.

16 And his name through faith in his name hath made this man strong, whom ye see and know, yea, the faith which is by him hath given him this perfect soundness in the presence of you all.

17 And now, brethren, I know that through ignorance ye did it, as did also your rulers.

18 But those things, which Yahweh before had shewed by the mouth of all his prophets, that Messiah should suffer, he hath so fulfilled.

19 Repent ye therefore, and be converted, that your sins may be blotted out, when the times of refreshing shall come from the presence of Yahweh.

Here the Jewish people are getting their chance to be first in this new covenant. He said repent for what you've done and you can enter this new covenant. To the Jew first—you're first. Keep that in mind. They were given this opportunity to repent. Now they crucified him in ignorance because Yahweh blinded their eyes, ok? But now they're being given a chance to come into the New Covenant. Keep reading...

20 And he shall send Yahshua Messiah, which before was preached unto you.

21 Whom the heaven must receive until the times of restitution of all things, which Yahweh hath spoken by the mouth of all his holy prophets since the world began.

So heaven is holding back Yahshua. He's not allowed to come until Elijah restores all things. Your Bible said that. What do you think that verse just said? The heavens must retain him until he has a perfected bride.

22 For Moses truly said unto the fathers, A prophet shall Yahweh your God raise up unto you of your brethren, like unto me, him shall ye hear in all things whatsoever he shall say unto you.

23 And it shall come to pass, that every soul, which will not hear that prophet, shall be destroyed from among the people.

Every soul that does not hear the prophet. Who did he just say the prophet was? Yahshua. Moses prophesied that Yahshua would raise up, just like Moses, to be a prophet to the people. And he said if you don't hear the prophet—Reuben, you'll be pushed outside the seed of genealogy. Does anybody remember Reuben? Why was he pushed out? He didn't follow the commandment. Here's the Jewish people—they shall be first and they were. But he said any man that does not come through Messiah, I don't care who your daddy is.

24 Yea, and all the prophets from Samuel and those that follow after, as many as have spoken, have likewise foretold of these days.

25 Ye are the children of the prophets...

Alright, you are the children of the prophets. Read...

...and of the covenant...

And of the covenant. It was only given to you. Read...

...which Yahweh made with our fathers, saying unto Abraham, And in thy seed shall all the kindreds of the earth be blessed.

26 Unto you first...

Unto you first. Read...

...Yahweh, having raised up his Son Yahweh, sent him to bless you, in turning away every one of you from his iniquities.

If you ever wonder what the blessing was, he told you in the last verse. Yahshua has the blessing, and it's to turn your iniquity away from you. And to this day that iniquity has not been turned away from the Jewish people. They are not blessed. The last line of that Bible verse said Yahshua brought the blessing. And the blessing is what? To bless you in turning away every one of you from your iniquities.

I'm turning you away from your commandment breaking. That's the blessing. So when people tell me that the Jewish nation is the blessed nation, I say, no baby, I'm part of the blessed nation. He turned my sins away. Now, don't misunderstand. After the millennial reign ends, then he will bless the Jewish

people. But right now, he has only blessed the house of Israel, the lost tribes of the house of Israel. Folks you need to understand. You all better understand who YOU are. Forget who the Jews are. YOU BETTER KNOW WHO YOU ARE!!

You are the blessed people of the earth! And in you shall all the families of the earth be blessed. Did somebody say ALL? In my mind, I thought the blessing of Abraham was, you know, blessings. You know, houses, lands. No, he said the blessing is that you have been given a power to turn away from iniquity. Turn to your neighbor and say “I’m blessed” !!! And highly favored! Hallelujah.

Until you know what the blessing is, you don’t know what the blessing of Abraham is. Do you know why Abraham was blessed? He turned away from iniquity. Four hundred years before God ever gave the law, he told Abraham because you kept my laws, my commandments—you see, the blessed man is the man who doesn’t submit to his master which is Satan himself, sin. You’ve got to know the blessing first before you know what these prophecies are talking about.

Now during this time when all nations are blessed, some will curse Abraham and his seed. He said “whoever curses you”. There are people who are cursing Abraham’s seed to this day. And no, I didn’t say they were cursing the Jews. They’re cursing the seed. They carnally think that’s the seed. Satan thinks that’s the seed. That’s where anti-semitism comes from. But oooh, there’s a mystery of the seed.

Reuben was removed. Joseph, Ephraim and Manasseh were put in his place! Good God from Zion! Whew-hoo! Only a remnant of grace will actually please God by having New Covenant faith. In the time of Elijah, there were a million Israelites there. There were only 7,000 who were blessed. Romans 11:6.

There were a million Israelites—listen to me. Just because you’re a natural Israelite, and everyone is in this room—you’re from the lost tribes. That isn’t your blessing. Your blessing is that you came through the cross. Hallelujah! That’s why Paul said don’t get caught up in genealogies! *But my daddy!* He said don’t get caught up in foolish genealogies. Because now God only recognizes the true seed of Abraham.

Romans 11:6

And if by grace, then is it no more of works, otherwise grace is no more grace. But if it be of works, then is it no more grace, otherwise work is no more work.

God said until you get to the point where you understand it’s not by who works sexually to have you and make you a natural Jew, or a natural Israelite. Not by

that work. It's not by any carnal act. No! You may look at them and say that's the seed of Abraham, but God said I determine who is the seed of Abraham. Glory! Not all Israelites are God's chosen people. You've got to know that. Not all Jews are God's chosen people anymore.

Listen to me children. The first harvest will be the chosen seed of Abraham. And those seed of Abraham will go and get their Jewish brothers at the beginning of the millennial reign. But the first harvest who's going into the government will not be Jews, will not be Israel. It will be remnant Israel—the seed of Abraham. That's who's going into that city.

Being chosen is not about being able to trace your ancestry back to Abraham or even to Jacob or even Israel. It has always been faith. Abraham was the father of what? Faith. Same with Moses as well. Abraham was the father of what? FAITH. If you don't have faith, I don't care who your daddy is. He's the father of the faith-ful. I'm going to tell you—I'm going to set some of you free today. I'm going to help you understand why you've got to get it right. Because you don't know who you are.

To be the seed of Abraham is not about having Abraham as your forefather, but as your faith-father. It is about doing the works that Abraham did. God told Abraham...leave. If he tells you and you don't, Abraham isn't your father. He may have done the work that created you down the lineage, but it's not by works. God reckons the seed. Ooooh, I know I got some folks don't like this. But I've come to tell you God reckons the seed. Not man. It's not by the sexual work of men that determines who the seed is.

I've got three sons. I sexually worked to create every one of them. But I'm probably going to choose one to take over one day. Why? Because you don't act like me, you don't love what I love, you don't have the faith I've got. Therefore, I may have created you by works, but I don't choose you by grace. Mmm, mm, mm. *Yeah, but that's your boys!* Yeah, but they don't act it.

Have you ever heard of a mommy or daddy say...you ain't my child? *Well yes I am.* No you ain't. Oh I may've worked to create you, but uh uh, you ain't mine. Why? You don't act like a Kendrick. No, no, no, no! I know I created you, but I don't know who your daddy is. Because I love the Sabbath, the house of God. I love faith. If you don't, I don't know who your daddy is.

Yeah but they are the seed of Abraham. You better let God decide who the seed of Abraham is. Hallelujah. It's about the doing the works of Abraham, it's about having the same quality of faith that Abraham had. That's how God sees it! When God told Abraham I will bless those that bless you and curse those that curse you,

the blessed ones are the ones who are walking in Abrahamic faith. And the cursed ones are those that are not walking in Abrahamic faith. It's not about opposing those who claim to be Jews or Israelites, no, no, no. I'm not here to oppose anybody, you may very well be a Jew. You may very well be a lost tribe of Israel, absolutely. But you see, what did I preach to you all earlier, about focusing too much on the shadow, you're focusing too much on the genealogy—instead of faithology.

Who is my mother? Who is my brother? That's who does my Father's will! Hallelujah! Hallelujah! That's revelation my friend. For those watching that didn't hear him. They told Yahshua...you're mothers outside, your brother's outside. He said...who is my mother? Who is my brother? I know we came from the same work. But my question is...why is his mama not in church with him? Where was his brothers? Where's my sons? I'm looking at my sons right here.

My grandmother—of all her grandchildren, I was the one she was closest to. Do you think she didn't love all of them? She loved them all. But I loved what she loved. I loved going to prayer meeting with her. I loved sitting under the pew while she prayed. I loved singing her songs. I loved worshipping her God. And when she would write me a birthday card, she'd say "my grand grandson". Amen? Don't throw birthday cards away, I'd die to have one that she wrote me now, I don't know where they are, but don't throw things like that away. The very things I wish to God I had now with her little signature on it.

Yes I agree. God loves the Jews. And he loves natural Israel and he's got a plan, but darling you hear me. The first harvest will not be either one of them. No, no, no. The first is coming in last. The last? We're coming in first. I didn't say we were the only ones coming in, I said we're coming in first—the first harvest. Hallelujah. Glory to God.

Now let's talk about who Abraham's seed is quickly. Amen? When you get into that word it comes alive doesn't it? Amen. Now let's read John 8:37-44. Yahshua is just about to tell you what I just told you all.

John 8:37-44
37 I know that ye are Abraham's seed...

I know Abraham worked to create you.

...but ye seek to kill me...

But you're trying to kill me. Wait a minute now. I know that you're from the works of Abraham, I know that. That's why I tell the saints here. I see a lot of you

getting caught up in your genealogy, tracing your line making sure you're one of the lost tribes. Take my word for it, ok? You are a lost tribe or you wouldn't be here, ok? Now let's focus on your Father Abraham because that's who you need to trace you back to. Amen? I mean genealogies are fine and I love it, but don't get focused in the shadows. Amen?

...because my word has no place in you.

I don't care if you're a Jew, your mama's a Jew, your daddy's a Jew, your uncle's a Jew and everybody in your family's a Jew. He said if my word's not in you, I don't care who's daddy you are. *Brother Vaughn, we've got to be careful with the Jews.* Listen, Yahshua said...I know you're Jewish, but you're trying to kill me because the word is not placed in you.

38 I speak that which I have seen with my Father, and ye do that which ye have seen with your father.

Oh wait a minute. I know your genealogy, I'm well aware of it. We come from the same one, he said. But I do the works of my Father, and you're proving that you're doing the works of your father. And that isn't Abraham.

39 They answered and said unto him, Abraham is our father.

Bless God, we're Jews!! Yahshua said what?

Yahshua saith unto them, If ye were Abraham's children, ye would do the works of Abraham.

Doing the works of Abraham makes you Abraham's children. Yahshua is telling them...you don't even know who your daddy is because God reckons the seed by something else than genealogy! Come on now! He said that if you are Abraham's children prove it to me. Have the faith. Abraham spoke of me when he went and tried to kill his son Isaac, he was prophesying of me.

40 But now ye seek to kill me, a man that has told you the truth, which I have heard of Yahweh, Abraham did not do this.

41 Ye do the deeds of your father. Then said they to him, We be not born of fornication, we have one Father, even Yahweh.

See, you know why they said we're not born of fornication don't you? Now they're slurring him because Mary and Joseph weren't married. Dude, we're not like you, we're legitimate heirs. We're legitimate sons of Abraham. You, a bastard. Because

they didn't know the story that the Holy Ghost overshadowed Mary. They didn't know all that. They thought he was born of fornication. And he's lecturing these "legitimate" Jews. I want you all to think about that. Really.

Here he comes trying to tell them who their daddy is, and they're like...boy you don't even know who your daddy is, why are you trying to talk to us about our daddy? Aren't you supposed to be the son of Joseph? They didn't even have a wedding when you were born yet. We're not like you, we know who our father is. They were talking to the seed of Abraham!!

42 Yahshua said unto them, If Yahweh were your Father, ye would love me, for I proceeded forth and came from Yahweh, neither came I of myself, but he sent me.

43 Why do ye not understand my speech?

Why do you not understand the message that's being preached?

...even because ye cannot hear my word.

Because you can't hear it.

44 Ye are of your father the devil... ...

You are of your father the devil, I don't care what nationality you are.

...and the lusts of your father ye will do. He was a murderer from the beginning, and abode not in the truth, because there is no truth in him. When he speaks a lie, he speaks of his own, for he is a liar, and the father of it.

He said if you really want to know if you're truly the seed of Abraham, don't look to your genealogy. Look to an old rugged cross. Hallelujah. He did not deny that they were Jews. He didn't deny that Abraham was the seed-bearer that produced them. He didn't deny any of the works whatsoever. But the fact was they wanted to kill him. Who was a murderer from the beginning? Satan. Now they're wanting to murder Yahshua, so he's saying...hey I don't care who physically created you, you need to know that you are not under that Abrahamic covenant because you are not walking in my word.

When Yahshua called them children of the devil, he was not incurring the curse of God upon himself. He was just telling the truth. Now if we were to call someone that...oooh! Let me say that about them, oh but yet that's God's chosen

people. You're looking at God's chosen people (us). We are the chosen ones. And the chosen ones will get them, but not in the first harvest. Remember when Yahshua returns, the Bible says he will show them the scars in his hands, and they will say...did we do that? And he will say...yes you did. And they will repent. But it's too late then to be in this first resurrection. That means they will not be in the government of Yahshua. Boy that's hard for people to hear, but it's the truth.

The only ones in the government of Yahshua will be remnant Israel. Now we will be Israel, but not because of our bloodline. Now it's because of our what? Our faith. I'm trying to teach you today. I want you to know who you are. I want you to know that you don't have to move over there to live in the promised land, you're living in the promised land. You've got the promise. I said you've got the promise.

1 John 3:8-10. And please people. I love the Jewish people and God's got a plan for them. And some of those Jews are going to be in the remnant. Peter is going to be one of them. They're all Jews. Sister here is a Jew. She's going to be in the remnant. But not the nation of Jewish people, not the state. No, no, no. Whatever God says a Jew is, that's what you've got to be to be considered one in the first resurrection. It really is simple. It's so simple.

1 John 3:8-10

8 He that commits sin is of the devil, for the devil sinned from the beginning. For this purpose the Son of God was manifested, that he might destroy the works of the devil.

9 Whosoever is begotten of God does not commit sin, for his seed remains in him, and he cannot sin (even when he does), because he is begotten of Yahweh.

Now he's ready to tell you how to identify the seed of Abraham, the children of God.

10 In this the children of Yahweh are manifest...

They're obvious. Here's how you'll know if you're a child of God. It's not because you're a Jew or even one of the lost tribes, that's not how you can know if you're a child of God. That's how you know you're a natural child of Jacob, but not a child of God. Here's how you know. Read.

...and the children of the devil, whosoever doeth not righteousness is not of Yahweh, neither he that loves not his brother.

If you are not walking in holiness, in righteousness, you are not the chosen of God. John 15:23-24. You know, it's so funny, all these years we look at a certain group of people as being God's chosen, and then we're not God's chosen, we came in a caboose, you know, we're the pitiful ones. But brothers and sisters, when you understand that you are the first, it makes you want to act like it!

John 15:23-24

23 He that hates me hates my Father also.

Now watch this. Yahshua said if I'm a Jew, I love Yahweh and his commandments...I love all that. I keep Sabbath, I do all this. But I don't love Yahshua. He said if you don't love me, you don't love my Father. So you're a liar. If you hate me, you hate the God you're screaming his name.

24 If I had not done among them the works which none other man did, they had not had sin, but now have they both seen and hated both me and my Father.

He's talking about the Jewish people. He said if I wouldn't have done all the miracles I did in front of them, they would have no sin for not believing. You see that's why I tell you we may not ever see the same exact miracles Yahshua did, it was for a very specific purpose. It was to condemn the Jewish people. In other words, if you see a man raising the dead, you might want to say...could this be the son of God? You see a man out there walking on the water, you might want to think at least...could this be the son of God?

He said if I wouldn't have done all of that, I'd excuse them. But I did it all and they still hate me and my Father. But they're the chosen of God (?). Come on now. Come on now, you better find out who the chosen are. Hallelujah.

John 15:18

If the world hate you, ye know that it hated me before it hated you.

You see, when you feel this hostility from people—folks, on Facebook, do you feel it? You know what I'm talking about, right? This hostility. You haven't even done anything. All's you did was post a picture of you at Tabernacles, that's it. And there's this hostility that comes out of people. All you did was say Shabbat Shalom, and they try to burn down your home! You ain't done nothing!

You just got on there and said...no Christmas tree for me this year, that's all you said. A picture of you celebrating Hanukkah, and these hostilities—where do they come from? Their father the devil. He hated Christ, he hated Yahweh, he hates

you. There's a war being fought between the children of God and the children of the devil.

Galatians 3:7

Know ye therefore that they which are of faith, the same are the children of Abraham.

Alright, I'm pretty much done. Those who have the faith of Abraham — that is the seed of Abraham! **THAT IS THE SEED OF ABRAHAM!** Whoever has faith, that's Abraham's children. Amen?

Galatians 3:26-29. You all have got to read these scriptures. That way you'll know this isn't Vaughn teaching. This is the apostles!

Galatians 3:26-29

26 For ye are all the children of Yahweh by faith in Christ Yahshua.

So if you don't have faith in Yahshua, you aren't the child of God.

27 For as many of you as have been baptized into Christ have put on Christ.

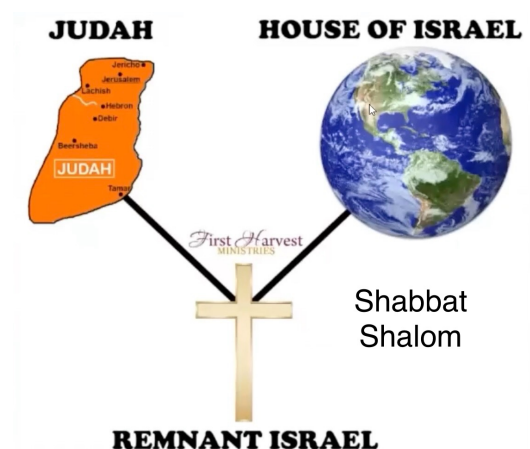

28 There is neither Jew nor Greek...

How can you say there's neither Jew nor Greek when there are? Yahweh said... I'm reckoning the seed different than man does. Men say...*well I can prove I did a DNA test, I'm a Jew.* Good—means squat. Listen. Here's what he said. He said these words. He that puts on Christ is Abraham's children.

The House of Israel - The Lost Tribes
Judah - The Jewish people

They come through the cross, and according to the word of God, when you come through the cross there is no more Jew nor Greek.

Now there is **ONE NEW MAN**. And that one new man is not a Christian. That one new man is **REMNANT ISRAEL**. You know an Israelite by the Spirit of God. That's why you've got to be circumcised by the Spirit of God.

There's neither slave nor free. Now a lot of people love this verse.

...there is neither bond nor free, there is neither male nor female, for ye are all one in Christ Yahshua.

“Neither male nor female” to try to make us equal. Let me explain something to you. It says there's neither male nor female—how many knows there's still male and female? Alright. However, when it comes to determining the seed of Abraham, there is no longer male or female because in Christ, as far as the seed is concerned, you're no more male or female in the seed line, you're just the seed of Abraham.

However, when you get back home, the husband's still head of the wife. You see, a lot of people like to use that verse...*there ain't no more male and female*. You're a dummy—yes there is. There is man and woman. But as far as how Yahweh reckons the seed of Abraham, there's no more male or female—in the seed! But there is in real life, ok? In real life, there's still the Jewish seed of Abraham and the lost tribes. In the real life, it still exists. But in the reckoning of the seed it doesn't matter. For you are all one in Yahshua.

29 And if ye be Christ's, then are ye Abraham's seed, and heirs according to the promise.

If you belong to Christ, then you are Abraham's children, heirs according to the promise! YOU'RE THE HEIR !!! You Joseph have taken Reuben's position! You didn't get rid of Reuben. Reuben still exists. And there's a plan for Reuben, but you took his position at the head of the table. You became the firstborn. Hallelujah.

James 3:10-11

10 Out of the same mouth proceeds blessing and cursing. My brethren, these things ought not so to be.

11 Does a fountain send forth at the same place sweet water and bitter?

Alright, what he's saying here is—the blessing that was promised to the world has got to come through the seed. Your mouth has become the blessing to the world. Israel, remember Ishmael was the firstborn. Sarah looked out the window and saw Ishmael picking on Isaac. She looked out the window and there was Ishmael wanting to fight with Isaac. She looked at Abraham and said...*uh, dude, your little girlfriend and her boy's gotta go*. Ishmael was Hagar's boy. She said...*your*

little girlfriend and her boy? Get 'em outta here, they're picking on the son of promise.

If you're not careful, you will allow a natural Jew and a natural Israelite to try to tell you who you are. God said to the Jew and the Israelite, naturally born of Abraham...you have been repositioned, someone's taking your position, and it's the true children of Abraham who have the faith of their father Abraham. I'm not getting rid of them, I'm not done with them, I'm not replacing them. I'm repositioning them. The first will be last. We were last. We were without God. We were without the covenant. We were the lost tribes. We were last.

But now because we heard the gospel message, and responded by faith, we did what Abraham did. God told Abraham...Abraham, I want you to leave. I want you to leave your drug addiction. I want you to leave your whore-mongering. I want you to leave them. Just go. And I'm going to lead you to an old rugged cross. And when you get to that cross, how you respond to that message will determine your future.

Abraham left everything. And the Bible said he looked for a city. He didn't know where he was going, he was just following by faith. I want to tell everyone in this room today. Many of you have moved to this place by faith. Many of you have come here and left your own family and friends by faith. Can I tell you that that is the very evidence that you are Abraham's children.

Abraham's children—we walk by faith and not by sight. Amen. I'm done. My wife's got a word. Hallelujah. Thank you Lord.

Yahweh was speaking to me as he does everyday. And I write it down when I hear it. So I did it whenever he was teaching just now and I can hardly read it as I was writing it down as I heard it. Anyway when I wrote it down and he said go tell it to my people, he said there's some people who need to hear this. He said...

“Do not agree or ever align, connect or bow to any other words than my words, my promises, no matter what. Speak, agree, declare, know, walk, talk, meditate on only what I say—not what your flesh says is. Do this and you will see me. Don't wait on flesh to change before you agree and align and believe. See me, what I say. See it now. That is faith in me. —thus saith the Lord.”

Hallelujah! Thank you Lord. Glory, glory. Hallelujah. “Don't believe anything else but what I say.” We are children of the promise.
