

The Mazzaroth

(Pastor Vaughn, Part 2 – fhtv.tv #1948)

The stars are arranged in clusters.
Each cluster forms a sign.
The signs are messages
that are meant for our time.

These signs represent promises
from Yahweh to His own.
They tell the Gospel story
being executed from the Throne.

Before Yahshua was born,
it was declared in the stars
that He would die for us,
and bear many scars.

Twelve houses are in the Mazzaroth,
representing Yahweh's Law.
He put all those stars in place
and gave a name to all!

He told the sun to visit
and stay for thirty days
in each House of stars.
O, how wondrous are His ways!

We follow the Zadokite calendar
based only on the sun.
While others are deceived,
making “self” number one.
