

The Sacred Simplicity of the Sabbath

Pastor Vaughn, Chapter Three
Rested Authority VS. Religious Performance

Yahweh created, then rested
not because He was tired.
As Sovereign, He set an example
to which we have aspired!

Satan demands performance,
causing pressure and anxiety.
His religious systems are marked
with a false piety.

Yahshua bids the heavy-laden
to come to Him for rest.
His easy yoke and light burden
will bring us to our best!

The Sabbath is a reminder
our identity is not earned – it's received.
And our value was declared
before we even believed!

We rule from rest – not ritual.
Not performing, but proclaiming.
The enemy trembles when he sees
the position we're sustaining!
