

THE HEAVENLY SCROLL

The Mazzaroth Part 16

Leo the Lion Part 2

By Pastor Shane Vaughn, First Harvest Ministries

Today we are studying part two of Leo. This is a part of the gospel that is always missing. We learned last week what the Lion represents, what it means. This is a time that the gospel is being restored about this Lion. Many of you watching me knew Jesus Christ Yahshua as your Savior, and many of you know Yahshua as your Deliverer. How many of you have known Yahshua as your Healer? What many of you have never known Yahshua as, is your Coming King.

Some of you may say, “I’ve always known He was going to be my coming King.” But did you always comprehend what that meant; what that entails? What does the Coming King mean? You can’t have a kingdom without a king, nor can you have a kingdom without a government of the king, nor can you have a kingdom without people to govern. So a kingdom is a government. Today, you’re going to learn what is about to happen to planet Earth. I just rejoice when I think about it. You’re going to learn today and in the next few lessons, what the Kingdom of Yahweh is, and what it’s not.

I will give you a little spoiler from the beginning. It is not anything you’ve ever been taught. It is not what you thought it was. It is not some feeling in your heart. It is not some ethereal fantasy land. It is a literal kingdom, and you need to learn about that, because if you don’t know about The Coming Kingdom of Yahweh—every detail of it—you can’t prepare to be part of it. I can tell people don’t understand it when I see them walking in rebellion. I can see that they have no idea that they’re training for reigning.

Today I need you to hear my heart. Some of you are getting the details of this message, but you’re not getting the message. I see it. I see it in many people. You can tell me what day the Sabbath is. You can tell me exactly how to keep the Sabbath and the Holy Days. You’re getting it all, but you

are not yet understanding the Kingdom of Yahweh, and your position in that kingdom. Your position is going to be a position of authority; great, great authority! As a matter of fact, the rod of iron will be in your hand. People don't understand this. I dare say half of my congregation does not get it.

Do you know why First Harvest Ministries stays balanced? Do you know why First Harvest Ministries will be here when all of our enemies are done attacking us? Because unlike other ministries, we have ONE MESSAGE, and it is The Coming Kingdom of Yahweh. The Sabbath is not our message. That's the Seventh Day Adventist Church's message. Receiving the Holy Ghost is not our message. That's the Pentecostal Church's message. Healing the sick is not our message. That is the Charismatic message.

All of those things are part of our message, but we are bringing you to the finish line! All of those other messages were leading us up to this last message. For example, the churches that preached that Yahshua is our Savior, have done a great job. They preached Him as our healer; Benny Hinn and all the others. Thank you for that. They've all preached Him as a deliverer, but turn on your television and tell me if you hear anybody preaching The Coming Kingdom of Yahweh. I challenge you. It is the FINAL message, and you have been invited to hear that message.

Some of you are hearing it, but you're not hearing it. Today, I want to begin unraveling what the Kingdom of Yahweh is. If you didn't hear the sermon last night, part seven of *The Third Temple*, you need to hear it to find out when Yahshua is coming. You might also find out something else that will shock you. There are not two Comings of Christ, there are three Comings of Christ. Go watch it. I'm not going to teach it this morning. It's on fhtv.tv. Let's go to Malachi chapter three, and we will start at verse one.

Malakyah 3:1 Behold, I will send My messenger, and he will prepare the way before Me. Then suddenly He will come to His temple, the Ruler Whom you are seeking: the Messenger of the

Covenant, in Whom you delight. Behold, He comes! says Yahweh of hosts.

How many of you are looking for the Coming of Yahshua? Amen. I want to tell you something tonight: You're looking for the wrong thing. I know that shocks you. You're looking for the Coming of Yahshua, but you're not looking for the Coming of the Messenger, or the Message. Before the Coming of Christ, there is going to come a messenger; a message. A message does what? Prepares the way.

Why does Yahshua need the way prepared before He can return? Because He's coming back to a Temple, and the messenger is going to clean up the Temple. The messenger is going to build the Temple. Yahshua is not returning to the world; that happens in His physical coming. He's returning to the Temple, and before He comes the third time, there's a messenger that's coming to build the Temple and clean it up, just like we did in Hanukkah; just like the Maccabees did. He wants to come to His Temple, but there is first going to come a messenger.

For all of the world looking for the Coming of Christ, are you looking for the Coming of Elijah? Are you looking for a straightening-up message? A straightening-up message is getting all the crooked things, and straightening them out. How many of you can testify that this ministry has straightened some things out in your mind? That's what this ministry does; let's straighten it up. That scripture was talking about John the Baptist. Now let's go to Mark chapter one. Let's start at verse one, and go through verse three.

Yahchanan Mark 1:1-3 The beginning of the message of Yahshua Messiah, the Son of Yahweh:

This is His First Coming; His first ministry. Remember, Yahshua has the two doves. If you've not heard my sermon on the two doves, it shows you the dual-natured ministry of Yahshua. This is the beginning of His ministry. When He died and rose again, that was all the beginning of His ministry.

2 As it is written in the Prophets: Behold, I send My messenger before Your face, who will prepare Your way before You.

3 The voice of one crying in the wilderness:

What is this messenger going to be? The Voice of ONE. Crying where? In a forsaken place; in a place where it looks like he's all alone. This message is going to come forth from a broken place, from a place of rejection. What does the wilderness bespeak to you when you think of a wilderness? What does it bespeak? What does it say to you? This messenger cannot come from the Church. It cannot come from the established order. It cannot come from the acceptable regime.

This voice is going to come out of left field, if you will. It is going to come from a place where the message has been ridiculed and cast aside, and placed out in the wilderness. This is what Elijah was. Elijah was a man of the wilderness. Yahshua said that the Elijah ministry would return two more times. Elijah would return before the First Coming of Christ, and the Second Coming of Christ.

Prepare the way of Yahweh, make His paths straight.

Make His paths straight. In other words, prepare the way back.

4 Yahchanan the Immerser appeared in the wilderness, and preached a baptism of repentance for the remission of sins.

What was his entire message? Repentance of sin! Ladies and gentlemen, if you're not hearing that message, you're not hearing the voice of Elijah. What is the repentance of sin? Let me tell you what it's not. Repentance of sin is not going to the altar and accepting Christ. You haven't repented of anything. Repentance does not even mean going up and slobbering at the altar because you're sorry. That's not repentance. That's, *I'm sorry*. I was

sorry a lot to my mother and dad when I was a child, but that's not repentance because I went back and did it again.

Repent means STOP, Turn around, Return. Do a 180 degree turn. When somebody says, "Brother Vaughn, I've repented," I ask, "What do you mean you repented?" "I accepted Christ, and told the Lord I was sorry." That's not repentance. Repentance means to stop. What do you stop doing? Repentance means to stop sin. What is the biblical definition of sin? Transgressing the Law.

There's not one Christian preacher today who's stuck in Babylon, that can preach repentance from sin, because they don't believe in sin. That was a loaded statement. The Christian Church doesn't believe in sin because the only biblical definition of sin in I John, says sin is the transgression of the Law. The Christian Church says Jesus nailed the Law to the Cross.

I Yahchanan 3:4 Whoever commits sin, transgresses also the Law; for sin is the transgression of the Law.

So if the Law is gone, and sin is gone, what is there to repent of? The voice of Elijah doesn't say to repent of sins. He says to stop breaking the commandments of Yahweh. That is repentance from sin. And until you've done it, you're still a sinner.

If you're not keeping the Sabbath, if you're not obeying the commandments of Yahweh, you have not repented. The voice of Elijah is going to teach you what repentance is. He's going to tell you what to repent from. You repented this year from Christmas. I watched you. You didn't say you were sorry. You did a 180 degree turn; you turned away from it. You repented from it. HalleluYah!

Now let's go and read Luke, and find out who the first messenger was. It was prophesied that John the Baptist would come as the voice, the spirit of, or the ministry of Elijah. Let's break down that mystical phrase, *the spirit of*

Elijah. To break it down, all you do is define your terms. You cannot debate with anybody until you define your terms. The Spirit of Elijah. All you need to do is define what *Spirit* is. Most ministries I know are a million miles off on what your spirit is.

Until you know what the spirit is, you don't know what the spirit of Elijah is. To make it real simple, your spirit is your MIND. It is that thing that is attached to your brain that is the spirit-mind. It is your thinking, it is your ability to reason, it is your language; everything in your mind is your spirit. John the Baptist was coming in the spirit of Elijah. Take the word spirit out, and replace it with *the mind of Elijah*.

You're going to find out that John the Baptist was coming with the same way of thinking, the same message coming out of his mind, the same language, the same demeanor as Elijah. He came forth like a wild man. Everybody said he was a wild man. They thought Elijah was a wild man because he had no filter. He just brought the truth. The Bible says John the Baptist came with the mind of Elijah. Yahweh put the same mind in him.

Luke 1:13-17 But the malak said to him; Do not be afraid, Zecharyah, for your prayer has been heard. Your wife Elizabeth will bear you a son, and you will call his name Yahchanan; Yahweh is merciful.

14 You will have joy and gladness; and many will rejoice at his birth,

15 And he will be great in the sight of Yahweh, and will drink neither wine nor strong drink; for he will be filled with the Holy Spirit, even from his mother's womb.

How does that fit into the Pentecostal message that the Holy Ghost was not given until the day of Pentecost? Keep going.

16 And he will turn many of the children of Israyl to Yahweh their Father;

Did you hear it? Not the WORLD! He's not trying to reach the world! I really need you to grasp that. Who is the messenger sent to? The House of Israel. This message I preach is not for the world. You never see me reaching for sinners. No. The ministry is called to turn the Church. My, my, my. If you want to know if you're listening to the voice of Elijah, who is the speaker reaching for? John the Baptist would reach for the Church.

Not one of you sitting under my ministry was a sinner when I found you. Not one of you. You were all in the Church. Think about that. You were all saved, and on your way to heaven to ride ponies in the sky. Amen.

17 And he will go before *Him*

What will come first; Christ or Elijah? Elijah! He will go before Yahshua can return to the Temple. Elijah has to come first and get the pig off the altar in the Temple.

in the spirit and power of Yliyah; *The Strength of Yahweh*, to turn the hearts of the fathers to the children, and to turn the disobedient to the understanding of the just;

What is Elijah going to do? He's going to turn the hearts of the fathers to the children, and he's going to turn the children back to the fathers. What does that mean? It's so simple. When you hear the voice of Elijah, he's going to introduce you to the fathers. Who are the fathers? Abraham, Isaac, and Jacob.

He is going to introduce you to Israel. He is going to bring you back. He's going to turn the hearts of the rebellious. He's not talking about sinners there. He's talking about the House of Israel. He's talking about Mary Jane Sears. He's talking about Deanna Radke, people who were in the Church, but they were in rebellion, and didn't even know they were!

What is this voice going to do? He's going to introduce you to your TRUE IDENTITY! He's going to say, "Hey, I know you were adopted by the Gentile Church, but today we're going to reveal who the daddy is. We're going to introduce you to your true fathers, because you're a child of Abraham!"

I need you to hear me now. We're going to deliver you from the lie that you're a Gentile, and we're going to introduce you to Father Abraham, because now you are the seed of Abraham. You are Abraham's child through the Seed of Yahshua, and we're going to turn you back to who you are with the voice of Elijah!

You thought you were a Baptist, bless your heart. You thought you were a Baptist, Brother Lutz. You all thought you were Charismatic, Sister Jan, or whatever you were. When the voice of Elijah comes, he's going to say, "No! You are Abraham's children. You're Israel." That's what this voice does. It connects you back to your true fathers of the faith. Amen. Read.

to make ready a people prepared for Yahweh.

What is the purpose of this voice? Not to coddle a people. Not to just love them, and tell them how much you missed them when they didn't come to church for three weeks. Not to go to people who are pouting. No. What is this voice going to do? MAKE READY A PEOPLE! We're training for reigning and schooling for ruling. Now you know why that's our motto. We're to make ready a people, a TEMPLE! Do you see? Because Yahshua does not return to pagan temples. He will only return to a temple where the pig has been removed; the Gentile way of thinking has been removed from the Temple.

I'm really giving you more than you understand right now. You are living in THIS day!! You have been called to hear this voice! I've been called to hear it. The Father is making a people READY. I have a question for you. What is there to make ready? These people were already saved; they are Israel. Why

is the voice of Elijah needed to make these people ready? They were Natural Israel. They were already saved. They were already in the Covenant. They still had to be made ready, though. This ministry will make you ready! The first thing it will teach you is the thing you hate; the thing we all hate.

Shane Vaughn doesn't want to teach on submission and obedience because immediately I know what people think, yet the voice of Elijah says if you don't teach the people to walk in submission to authority, to walk in submission and humble themselves, they will not be prepared to rule and reign with Yahshua when He returns.

The question today is WHO do you submit to? That's the million dollar question. Who are you submitted to? *I'm submitted to God*. Hogwash! I'm getting ready to prove it to you. The Bible said to obey them who have the rule over you in the Lord. In other words, as you submit to authority, that's how you submit to the Lord.

If you're a wife, you can't submit to Yahweh if you are not submitted to your husband. Impossible! He won't even hear your prayers! There's that voice of Elijah! I don't want to say that stuff. If you're single or a widow, you need a pastor. I don't want to say those things, I love everybody. I just want to smile, laugh, cook, and for everybody to have a good time. But this ministry Yahweh gave me is in there, and I try to shut it down because I don't like saying those things, but there's a VOICE IN ME! It is saying, "Get My People READY! Prepare them!"

If you don't believe Yahweh doesn't hear your prayers, you better go read the Torah. It says if a woman prays and makes a vow to Yahweh, and her husband hears it, he can cancel it. Did you know that? He's your priestly head. Do you know why we hate that message? There are women watching me right now who are cringing. Do you know why? You've got to clean your temple out. HalleluYah.

You've got to clean your temple. I know you don't like it, and I'm going to lose some people, but I've got a job to do. It's to get you ready. It's to teach

you that until you learn to submit to godly authority in your life, you're going to keep running in circles, from one ministry to the next. Find a place where Yahweh can crush you, and rebuild you!!

Brother Vaughn, what if my husband is a sinner? I'll do a show on that one day if you'd like me to, but listen to me now. I'm going to ask the question and I want you to answer it. In your own mind, who *are* you submitted to? I'll stay quiet for a minute so it will get really uncomfortable.

I'm submitted to a man by the name of Frank Kendrick. I can tell you who I'm submitted to. I'm not submitted to my wife, I'm submitted to a man by the name of Frank Kendrick. He's an old man in his eighties, and if that man tells me to jump, I say, "How high?" That's my pastor. I learned the first lesson of the Kingdom: Submission. Everybody loves to say they're submitted, until you ask them who they are submitted to. The voice of Elijah is going to make you ready. For what?

Whenever you get into the Kingdom as a governor, as a ruler, everyone is going to have to submit to you. Did you know that? The whole world is going to submit to you. The Bible says that you cannot be in authority until you first what? Are under authority. You are being trained right now how to come under authority. Do you know why? I'm going to teach you in the next few weeks what your position is going to look like.

You're going to have great authority. The authority that the Father is going to give you is mind-blowing. But what if you're one of those who never respected authority? What are you going to do with that authority? You're going to misuse it, and abuse people. If you were never respectful of authority, Yahweh can't use you in His Kingdom.

There is a Spirit of Rebellion in Yahweh's Church! *No man tells me what to do!* Then who does? You've got to learn the government of Yahweh. Do you know what? Those pastors are not perfect, and those leaders are not perfect, but if that message is perfect, you better hear the message. Yahweh wants to prepare a people!

Now let's go to Mark chapter one, and read again verse four, and then go to verses seven and eight. I know you all want to know what the Kingdom of Yahweh is like, and I'm getting there. But I've got to teach you in Leo the Lion, what you've got to look for. I'm teaching you today that you're in that timezone.

Yahchanan Mark 1:4 Yahchanan the Immerser appeared in the wilderness, and preached a baptism of repentance for the remission of sins.

7 And Yahchanan preached, saying; There comes One after me, mightier than I, whose sandal strap I am not worthy to stoop down and untie.

8 I truly have baptized you with water, but He will baptize you with the Holy Spirit.

Now read verse fourteen through fifteen.

14 Now after Yahchanan was put in prison, Yahshua came into Galilee, preaching the message of the Kingdom of Yahweh,

15 And saying; The time has been fulfilled, and the Kingdom of Yahweh is at hand! Repent, and believe the message!

The gospel of what? THE KINGDOM! I want to ask you a question. If all you have is the gospel of Salvation, then why keep the Sabbath Day? Why obey the commandments? Why worry about Christmas? Why worry about paying your tithe? Why worry about these rules and regulations, because the Church tells you it's all about relationship; it's not about rules? I've never been in a relationship that didn't have rules. I want you to really think about that. If I'm saved, and I'm trying to go to heaven; if I'm saved when I got saved, then get me back to my church where it is easy. The gospel of the

Kingdom puts you on the Narrow Path. Read that last verse again one more time. .

15 And saying; The time has been fulfilled, and the Kingdom of Yahweh is at hand! Repent, and believe the message!

Unless you repent and believe the Gospel of the Kingdom that he was just talking about, you have never believed the TRUE gospel.

Now I want to talk to you about the Kingdom of Yahweh. I want to start today to teach you about that kingdom; what it is and what it is not. Let's go to the book of Daniel chapter one, verse seventeen. Before we turn to the book of Daniel, I didn't really tie up that last section like I wanted to. I know you all understand that John the Baptist was the voice of Elijah. Let me ask all of you: What did John the Baptist restore?

He restored repentance. That's it. He did not restore all things. He didn't restore correct biblical time, he didn't restore many things that needed to be restored. But there is coming a time when all will be restored. So before we go to Daniel, let's go to Acts, and read about the Coming of Yahshua. This explains why Yahshua hasn't returned.

Acts 3:21 Whom the heaven must retain until the time of the restoration of all things, about which Yahweh spoke by the mouths of His holy prophets since the world began.

The heavens must do what with Yahshua? Hold Back. This is all about Yahshua. They must retain Him; hold Him back, just like the grave held Him back for three days. Heaven is holding back the return of Yahshua until when? The restoration of all things! If you want to know why the Lord hasn't come back, it's because of Elijah. Now let's find out who is prophesied to restore all things. Go back to Matthew seventeen to see what day we're living in. If this doesn't set your wood on fire to see what day we're living in, you have wet wood!

Mattithyah 17:10-11 Then His disciples asked him, saying; Why then do the scribes say that Yliyah must come first?

He's talking about coming back again, and they said, "Wait a minute. The Torah said that Elijah must come before the Messiah comes, and we have not seen Elijah." They knew better than you. They were not looking for the Coming of Yahshua. What was the early Church looking for first? They were looking for the Coming of Elijah. That's why at Passover, there's a chair there waiting for Elijah at our Passover table. In every Jewish home they have the Elijah cup and the chair for Elijah because they know what you don't know: that there is no coming of the Messiah without a restoration message first. Let's see what Yahshua said to them.

11 Yahshua answered, and said to them: Yliyah truly will come and restore all things.

Did you hear that? Yahweh said, "You're right. Elijah WILL come." That is future tense. And what is he going to do when he comes? Restore all things! The heavens are holding Yahshua back until when? All things are restored. Is anybody listening today? He can't come back to a Gentile temple. Some message has to come forth to get the Christmas trees out of your house, to get the rebellion out of your heart. Until that message comes—The Third Temple—and the furniture is built—the menorah, the altar—He can't return even if He wanted to. There's no TEMPLE! But the voice of Elijah is going to come and restore the Temple. Happy Hanukkah. Amen.

Do you get it now? You are part of *that* ministry. You are part of the Restoration ministry, and now you know why every devil in hell fights us and sends messages to discredit our voices, to try to get you to disbelieve. They cannot kill the MESSAGE, so they must kill the messenger. But I have news for you. If you kill this messenger, there are other messengers coming up right behind us. This message is not going anywhere. That's why when you hear the words of the enemy, if your Holy Ghost doesn't have the power to block people, you need more Holy Ghost. Amen.

We're living in the time of restoration, just before the Seventh Day, just before Yahshua comes. Now let's go back to Daniel chapter one, verse seventeen and let's read about the Coming Kingdom of Yahweh.

Daniyl 1:17 As for these four children, Yahweh gave them knowledge and skill in all learning and wisdom; and Daniyl had understanding in all visions and dreams.

Daniel was given a special gift of what? Understanding. I want that same Daniel anointing, to be able to understand the mysteries of Yahweh. Now let's go over to Daniel chapter two, and in this chapter, let's read verse one. You will see that this is about a dream.

Daniyl 2:1 In the second year of the reign of Nebuchadnezzar, Nebuchadnezzar dreamed dreams that troubled his mind, and robbed him of sleep.

So here is a king called Nebuchadnezzar, having a dream. You know the story so I'm not going to go through the story of how Daniel came and interpreted the king's dream. Let's go down to verse twenty-eight through verse thirty. Let's find out when this dream was for.

28-30 But there is a Father in heaven Who reveals secrets, and makes known to the king, Nebuchadnezzar, what will be in the latter days.

Whoa, whoa, whoa. Is this dream about Nebuchadnezzar's time? No. This dream is about the latter days. When are the latter days? Right now. How many days are there in Yahweh's timetable? Seven. Watch this: You have Seven Days. What is half of those Seven Days? Three and One-Half Days. Anything before those three and one-half days would be former days. Anything after those three and one-half days would be latter days. So when you read in your Bible about the latter days, it's basically from the time that Yahshua came, because Yahshua came on the Fourth Day, the four thousandth year. This vision is about the days you're living in!

Your dream, and the visions in your mind as you lay on your bed, are these:

29 As for you, O king, as you lay upon your bed, your thoughts came into your mind about what would come to pass hereafter; and He Who reveals secrets has made known to you what will come to pass.

30 But as for me, this secret has been revealed to me, not for any wisdom that I have more than anyone living,

For whose sake? OUR sake; the people in the latter days. He said, "I'm not a great interpreter of dreams. This is for you, O king." *This is for Jan Meadows. This is for Melissa Lutz. I'm going to interpret the dream, not for you O king, but so that when the latter days come, Patricia Parsons will KNOW what is going to happen when the world gets dark and they are about to give up.*

The world of 2023 are much darker than the days of Nebuchadnezzar. *It's going to get so evil that they are going to get lost, so I'm going to interpret the dream for Donna Faulkner. I'm going to interpret the dream for Don and Sharon over in Scotland. I'm going to interpret the dream so they will have hope, to keep making ready a people.*

but for the sake that the interpretation may be revealed to the king, and that you may know the thoughts of your heart.

Now read verses thirty-one through thirty-three.

31 You, O king, looked, and saw a great image—a large image, excellent in splendor, standing before you; and its appearance was frightening.

32 This image's head *was* of fine gold, his breast and his arms were of silver, his stomach and his thighs were of bronze,

33 His legs were of iron, *and* his feet were part iron and part clay.

This is a vision of world empires. I'm not going to go through this vision today; it would take too long. I've taught this vision on fhtv.tv. It's called: *Shane Vaughn Preaches The Fifth Kingdom Daniel's Vision*. Go watch that if you want to understand the vision of this statue. Let's look at the different parts of the statue. Every part of this statue was a solid part: gold, silver, brass, *until* you get to the TOES! I have something to tell you about those toes. Let's read the next verse, but first let's read verse thirty-three again.

33 *His legs were of iron, and his feet were part iron and part clay.*

The feet are part iron and part clay. This is not solid, but a MIXTURE. The world is getting ready to crumble because its a mixture. Notice that the toes on those feet are divided. Read Daniel 2:41 and 42. Read about these toes, because I'm getting ready to destroy what you've been taught all your life about the end-time. These toes are the end-time nations of the world. You've always been taught that the Antichrist is going to come and form a One World Government; that he will unite the nations under a One World Government. It's not true.

It's in your Bible that these toes will NEVER ever come together into a One World Government. They've tried it with the League of Nations. They've tried it with the United Nations. They can never bring this world together, because that honor belongs to Whom? YAHSHUA! He is going to be the King Who brings the world into a One World Government, not the Antichrist!!

41 And because you saw the feet and toes—part of potters' clay and part of iron—the kingdom will be divided;

Hold on! The kingdom will be what? DIVIDED.

but there will be some of the strength of iron in it, for you saw the iron mixed with earthen clay.

So, what's going to happen in the end-times? No more world empires will exist. Why do you think the British empire has fallen to pieces? There are no more world empires. That part of Daniel's vision has been realized. Does anyone here know of a world empire that still exists today? Do you know why? The toes are divided! There are no empires today because all of the nations have been overrun by immigration. It's all mixed up. There is no such thing anymore as an empire. It's a mixture. Everything is mixed up. It's One Big Mixture!

42 And just as the toes of the feet were part iron and part clay, so the kingdom will be partly strong and partly brittle.

Did you hear that? It will NEVER come together! You've been taught your whole life that there is a One World Government coming. That is Satan's fantasy. I've read the Book, and I know these toes never come together. Let me take that back. They are going to come together, but not until we get to Daniel chapter two, verse thirty-four. Before verse thirty-four happens, these toes never come together under a One World leader. Quit believing that! We've come to prepare a people, and we're way past time for a One World Government. We're at verse thirty-four now.

34 You watched while a stone, which was cut out without hands, struck the image on its feet of iron and clay, and broke them into pieces.

He says the toes never came together, and then now you see a stone rolling down out of the mountain. That little stone crushed the world empires, and all the governments of earth! That stone is going to crush those governments! How many of you have thought your whole life that that

stone was Jesus? Oh no, that stone is not Jesus. No! That stone is the FIFTH KINGDOM! You need to go watch my sermon on the Fifth Kingdom. That stone isn't Yahshua; it is the GOVERNMENT of Yahshua! Notice that stone was hewn *out of* the mountain. The mountain was Yahshua! That little stone is hewed out of Yahshua! His people are going to take over the world.

Satan knows this vision. That's why he's determined to get you to heaven! Don't you see it? No, you don't. I can tell by your reactions, so I'll do it again. That stone that is about to take over the world is YOU! Now you know why Satan needs you to sing, *I'll fly away O glory; I'll fly away*. Satan is singing with you: *Yes, fly away; please fly away. Oh yes!* He wants you gone because he knows you're part of the stone.

Did you know you went to church your whole lives singing that you were flying away? *I'm getting out of here! Hold on Satan, I'm about to let you have it all!* And what about that song, *This world is not my home; I'm just passing through?* Don't you know that Satan wrote those songs and got you to sing them? Now your heart is not longing to take over the world. Now your heart is longing for *Home. I'm longing for home!* Get that stuff out of your mouth! Plant your flag, and tell the devil, "Keep on sucker, because you're going to have to answer to me one day soon. I'm not going anywhere. Put me in the grave and I'll pop right back up. You and I have a date."

What I just told you isn't fantasy. I just read you the Word. Read what happens when that stone comes rolling down the mountain.

35 Then the iron, the clay, the bronze, the silver, and the gold were broken to pieces at the same time, and became like the chaff on the summer threshing floors; and the wind carried them away, so that no trace of them could be found; and the stone that struck the image became a great mountain, and filled the whole earth.

The stone fills not heaven, it fills the WHOLE EARTH! How dare you go to heaven, and leave your responsibility, your duty to change this earth and give it back to our heavenly Father! Listen to me brothers and sisters. This stone is coming to crush the White House. This stone is coming to crush Buckingham Palace. This stone is coming to crush the Cabal. This stone is coming to crush every evil entity on this planet that thinks they are running things! They are not running anything! Yahweh is preparing a people who are about to run everything!

Brothers and sisters, how can you be in that government if you're not under government? I've been trying to teach you that you cannot be in that ruling and reigning if you're not first a servant, and submitted. When at fourteen years old I told my pastor I wanted to preach, do you know what she had me doing on Sabbath the following week? She gave me a plunger and told me to go clean the bathrooms. I said, "But that wasn't what I was called to do. I was called to preach." She said, "You're not fit to preach, until you can serve the people of God."

Do you know what a lot of people say about me? I've read all of their posts. *He's got all the people over there doing work while he sits back.* Let me tell you something. Most of those people I have working need jobs, and I want to give my money to them. Do you understand? Nobody works for me for free. Yes, I let people work for me, because I know their families need income, and the Lord has blessed me with it. People don't realize something when they ask, *Where is all his money coming from?*

Have you ever heard of a little guy by the name of Professor Toto? Professor Toto is a brand that makes money. Professor Toto is a business. That is my job, and the Lord gave me ideas how to make that brand do whatever any other brand is built to do: to create an income. My money doesn't come from the church, because I don't take a penny of the tithes for myself. Yahweh gave me the brand of Professor Toto to finance this work. I give all that money away to people who need a job. I've got people out all this week working because I wanted them to have money. Don't talk about what you

don't know about. People don't know my heart. They just run their mouths. They don't know me. I don't respond to them because I know me.

If I'm going to rule in the government of Yahshua, I have to be willing to be talked about. I have to be willing to see how I'm going to respond; how I would respond if those people walked back in tomorrow. How would I treat them? You must learn to love your enemies. You must learn to do good to those who spitefully use you. Yahweh is calling you today to prepare your hearts for the Coming Kingdom, to take over it, and all the nations of the world.

I saw some of you working last year at Tabernacles. Let me call a few names out: Brother Lutz, Missy Lutz, the Betts, and the Kahls; so many. Let me stop, but I watched them working like slaves. Yes, I was walking around greeting the people who had come, loving on them. Here's what you don't see: For eight years my wife and I decorated faithfully by ourselves every year with no help, and nobody even showed up. We made it look like a million people were showing up for Passover, when only twenty would come. She and I were alone at night, working by ourselves. We worked to build this ministry.

This is Missy Lutz. I just want to say that Brian and I didn't work for you. We worked for Yahweh, and every single saint who came to the feast. That's who we worked for, not you.

Thank you. Do you know what, Sister Missy? That's who I work for. I work for the people, and for Yahweh. Do you know what? If you're working for me, you're in a cult. But if you're working for Yahweh, get busy! HalleluYah! Let's keep reading. Let's pick up at verse thirty-seven through verse thirty-eight.

37 You, O king, are a king of kings; for Yahweh in heaven has given you a kingdom, power, strength, and glory.

38 And wherever the children of men dwell, *or* the beasts of the fields and the fowls of the air, He has given them into your hands, and has made you ruler over them all. You are this head of gold.

Did you hear that? He said, “I’ve made you ruler over ALL.” This vision is about a government that is going to rule over all the people. I want you to hear me. We’ve got to get this Kingdom of God ethereal thing out of our head. This is a literal job that you’re being trained for, that you’re going to fulfill for all of eternity! You are being trained for a government that is going to rule over all people. I just want that to sink in! How many of you are training for that? How many of you are training to be the government of Yahshua?

Do you know that is why Yahweh created the Church? I’m getting ready to really get into something. I hope you’re ready for it. Do you know why the institution of the Church exists? So you can practice in the Church, what it is going to be like in the government. You can start practicing obedience, submission, and forgiving one another.

When you’re part of a church, there’s always going to be personality problems. You overcoming those personality problems is part of your training for reigning. If somebody in this ministry is getting on your nerves and you can’t deal with that now, how are you going to deal with that when you’re in the government?

I need you all to listen to me. If you can’t submit to whomever your pastor is now, have you ever thought about what the hierarchy in the Coming Kingdom is going to be like? Have you ever stopped to think what it is going to be like? I’ll tell you what it’s going to be like. Ready? Have you ever seen a flow chart? We’ve got one in our church: Bishop Kendrick, Pastor Vaughn, the elders, the congregation. All authority flows down from the top. Let’s go into the Kingdom: Yahweh the Father, Yahshua. If you wonder who is going to be under Yahshua, I can tell you. The resurrected King David. Then the Twelve Apostles. Are they not going to sit on twelve thrones governing the

Twelve Tribes of Israel? And there will be those of us under the apostles, governing in our cities.

You've got to get this! If I am the governor of Waveland, teaching the Waveland citizens how to keep Shabbat, how to obey the feasts and the commandments, what if an order comes from headquarters and I say, "There's no man who is going to tell me what to do!"? See? Some of you right now have no business in the Kingdom. I pray to Yahweh that you won't get into the Kingdom. You can't rule over anybody, because you can't be ruled. You run from one teacher to another trying to get knowledge, and yet you're not learning submission.

SUBMISSION is the Key to the Kingdom. What is going to happen in that government when one of the twelve apostles sends somebody to be over you, and it's someone you don't like right now in the church? What if it's your ex-wife? I'm talking real. I'm bringing it home today. The church is where you TRAIN.

They're getting on my nerves. What do you plan to do about that?

You're going to respect me. Why do you deserve respect?

I've never understood from a Christian's mouth: *You're not going to walk over me!* I thought that was what you're supposed to do—let others walk on you.

You aren't going to mistreat me and get by with it. I know. That's why the Father can't trust you in His Kingdom. You're not willing to be walked on. Why didn't you just take the wrong? That's what Paul wrote. He said, "Take the wrong. Wash it off, and go on."

I can't, Brother Vaughn. Of course you can't. That's why you're not ready to train. Nobody can stop you. You're like a wild ass, a wild donkey. Nobody can stop you.

This Kingdom is COMING! Some of you are not qualified to rule in it. I may not be qualified. Do you know what the Apostle Paul said? He said, “I don’t count myself as having apprehended what has apprehended me.” What apprehended Paul was the High Calling, the Kingdom calling. Not the Salvation call, the Kingdom call. It apprehended Paul. He said, “I don’t even know if I will qualify, but there’s one thing I do know. I am going to press towards that mark everyday when I wake up. I’m going to reach that mark of the High Calling of Yahweh!”

This mountain is going to fill the whole earth! Notice what it starts off as—a little stone. Do you know why? This is a little flock that will come rolling out of this mountain. That mountain is ALL of the body of the Christ, but it is not that mountain that is going to crush all the kingdoms of the world. It is something that comes out of that mountain! Two things come out: the BODY of Christ, and the BRIDE of Christ. They’re not the same! Did you hear me? Adam was the body, Eve was the bride. She comes out of the body.

When they crucified Yahshua, out of His body came the Bride: Blood and Water. The Bride was bathed in blood and water as she came out on Mt. Calvary. Just like the Father put the first Adam to sleep, He put the second Adam to sleep and pierced His ribcage like the first Adam. What came out of His ribcage? The Bride! If you want to know why the Church at large is asleep, this is the third time it’s happened! The Church of Christ; the body of Christ has been put to sleep so that He can pull out the Bride from the sleeping body. That revelation just came to be from the Father!

He has put a stupor over His Church so that the Bride can come. Anything that CANNOT be shaken will come OUT! Anything that can’t be put to sleep will come rolling down that mountain to take over the nations of the world. Brothers and sisters, you are training for reigning. Please don’t just let that become a logo. Please don’t let that be just something you wear on your First Harvest T-shirt. Let that be something you wear in your MIND! You are training for reigning. Look at how you speak to one another! Look how

you're cruel to one another! Watch how you talk, because the angels are recording it! I'm going to stop here. Praise Yahweh! Thank You, Father!
