

THE HEAVENLY SCROLL—The Mazzaroth part 1

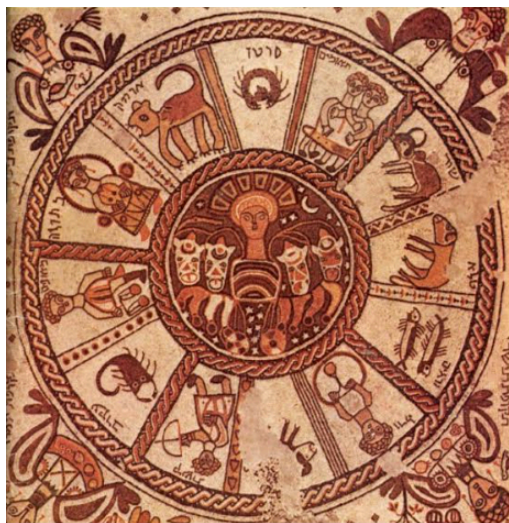

In Search of the Throne

By Pastor Shane Vaughn, First Harvest Ministries

If you can internalize it in your mind from this day forward, your Bible will make so much more sense for you. Today I am going to begin a series of classes called *The Heavenly Scroll*. If you're watching me today and you don't know about the heavenly scroll, then you can never, ever understand your Bible. We're going to start off today in the book of Job chapter thirty-eight, verse number thirty-two.

Iyyob 38:32 Can you bring forth the Mazzaroth; constellations, in their seasons? Can you guide Arcturus with his sons; the Bear with her Cubs?

That scripture is a strange little scripture in the Word of Yahweh. We're going to read it one more time because I want everybody when they get to the word Mazzaroth, to underline that word Mazzaroth. This is Yahweh asking Job, "Do you have the power to bring forth the Mazzaroth in its season?"

Now I'm going to go to Wikipedia. I'm going to share my screen with you, and I'd like everyone to follow along with me. If you'd like to know what the Mazzaroth is, there it is right there. This is literally from the Temple in Israel in the 6th century. This is a picture of the Mazzaroth.

The reason I want you to get this in your mind is because it is from this image that you are getting ready to learn the Word of Yahweh in a way that you have never learned it ever before. If you look to the left side of this image, about the ten o'clock position on the left, who is that? Does anybody know who that is? That is VIRGO.

To those watching, if you jump off of here because you've got a closed mind, you're going to miss out on one of the greatest revelations of your life. That is Virgo. This is where the Gospel begins. The story of the Gospel begins with a virgin, or a young maiden. There is seed in her hand because a woman shall have a what? A seed. This is where the Gospel begins; right there. I will teach what all of these mean in the next weeks, but notice the image on the right side of Virgo. Notice that image right there.

This is one of the oldest pictures of the Mazzaroth that we have today. Look at that image on the right of Virgo. There is LEO the Lion. I'm going to make it real simple. The Gospel begins with a young girl named Mary, but it ends with the returning of the Lion of the Tribe of Judah. From Virgo, all the way around is the *entire* Bible that you hold in your hands. It's in that image—the entire Bible—from Genesis to Revelation is in the Mazzaroth.

Now, this is going to require your attention today. Let's go and look if we can at the word Mazzaroth. Let's look it up in Wikipedia. This is a Hebrew translation; a Hebrew word. What is this the Hebrew word for? Constellations.

According to the 10th century biblical exegete Saadia Gaon, it means *A Garland of Crowns*, but it is often interpreted as what? The Zodiac. The word Zodiac is a perversion of the word Mazzaroth. It was Yahweh in the book of Job that told Job that He created the Zodiac. Wow. Read it again and replace the word Mazzaroth with Zodiac.

Can you bring forth the ZODIAC; *constellations*, in their seasons?

Now, all your life you've been holding that Bible in your hands. Did you know that it gave Yahweh the credit for the Zodiac? Yahweh took credit for the Zodiac, so why are you scared of it? I'm just watching some of your faces. Satan perverted it, but these are the days of Elijah, where all things are being RESTORED. HalleluYah! We are about to restore to you what

YAHWEH created before Satan perverted it! Now make sure it is written in your notes that Yahweh takes the credit for creating the Zodiac.

What is the Zodiac? It is simply twelve houses. Alright? Did anybody notice a certain number right there? What number did you notice? TWELVE. Why not ten houses? Why not eleven, why not four? Why did Yahweh make the Mazzaroth with twelve houses? You're going to learn the answer today, and you're going to find out why you always misunderstood the Scriptures. For example, how many of you after hearing me teach on the humanity of Yahshua have read the following scripture and it has messed up your head? How many read where Yahshua said that He came from heaven? Have any of you ever read that one? Yes. *Brother Vaughn, how does that line up with your teaching that He didn't preexist?*

If you don't understand the Mazzaroth, you won't understand what He was saying when He said He came from heaven. What He was saying was that He came from the heavenly scroll, and I'll prove that to you in just a few moments. Amen. You have to understand the heavenly scroll, beloved. To do that, I'm going to bring up my PowerPoint and we're going to start our lesson today entitled *In Search of the Throne*.

We're going to start from the beginning here, and today we're going to find

the Throne of Yahweh. Where is the Throne of Yahweh? So many people love to talk about the Throne of Yahweh. *If I could only see the Throne!* I'm going to prove to you that you see it every night. I'm going to prove to you that perhaps what man has desired to see, has always been right in front of our eyes, and we've not known it.

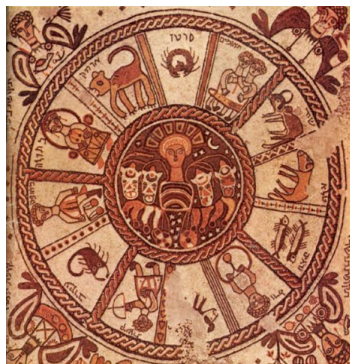

The message of the Gospel is the purpose of TIME! What number regulates time? How many hours are in a day—not a full day? Yahweh has taught us that there are so many hours in the day and so many hours in the night. There are twelve. The number TWELVE regulates Time. How many months are there? Twelve. How many houses does the sun travel through every year? Twelve. I want you to start noticing the algorithm of ETERNITY. I taught a few weeks ago on the Algorithm. Once you start seeing the pattern of numbers, there is something speaking to you behind the deck. When it comes to time it is regulated by TWELVE.

Remember, *before* time began there was already a family of Yahweh, the original Sons of God, the Malak or Angels. These angels rebelled and the Family of Yahweh was corrupted. Angels had eternal spirits, but they had not proved their character. In the beginning man lived roughly about a thousand years. But there was a time when Yahweh said, *Enough is enough; My mind will not always wrestle with men's flesh. I gave man 1,000 years to come under My control. Now I'm going to give him 120 years to turn from a six to a twelve; to turn from rebellion to obedience.*

Twelve is the number of Divine Government. That's why you have twelve apostles, twelve gates to the city, twelve tribes of Israel, twelve foundations, and you have twelve years to live.; twelve plus zero. One hundred-twenty is really twelve because zero is not a number. Zero is nothing. He gives you 120 years, because before you become spirit like the angels, your character must be developed through the trials and the testing of your faith. That's why Yahweh created twelve months in a year. That's why Yahweh created the SIX DAYS OF CREATION—6,000 years, because within that capsule of time He was going to RESTORE HIS FAMILY. The message of the Gospel is the means by which the restoration will happen

What does that mean? Not THE GOSPEL ABOUT CHRIST, but THE GOSPEL OF CHRIST—IT IS THE GOSPEL OF THE COMING KINGDOM OF GOD that is going to prepare you for the RESTORATION OF THE FAMILY. If you don't know the KINGDOM MESSAGE, you are trying to get saved, but when you come to the Kingdom Message, you're

trying to get prepared for the Restoration of ALL Things! Ladies and gentlemen, you need to understand what I'm teaching you! I just looked at our number of students and we've broken all records. Thank you Yahweh for sending hundreds into this meeting today. Let's continue. Yahweh began the Restoration of His Family with Whom? The man, YAHSHUA.

Let's go back to the beginning. In the beginning there was no ink, no paper, no language, no written communication. There was NO WAY for the Gospel to reach every man. Remember, the reason that Yahweh created Time was for one reason only, and let me show you that reason one more time. Hang tight. Look over at Leo the Lion. Look! The entire Gospel is not about the baby of Mary. The whole purpose of the Gospel is to get your eyes off of Virgin

Mary, and get them on The Coming Kingdom of God which is represented by whom? Leo the Lion—the Conquering King! The Coming Kingdom of God is in that LION, and the whole Church, including the Catholic Church has you looking at the VIRGIN!

But Yahweh wants you looking at the KINGDOM, and that kingdom is represented in a Conquering King. Remember, the lion is one of the four living creatures. Why? Because he is the king of his species. Amen? Do you see the Virgin on the left? Look at her. That is the Gospel that the Church preaches. I want everybody to really hear me. Let's go to the next part of the Gospel. Do you see Libra next to Virgo, holding the scales? That's the next part of the Gospel they preach to you, which is what? That your sins are out of balance, and you owe a debt now. They preach that part of the Gospel.

Then look at Scorpio right next to them. That is the scorpion of sin that came and bit you, and made the scales go out of balance. Now you owe a debt you cannot pay. And I'll continue to teach you what all these mean in the future, but brothers and sisters, the Church preaches HALF of the Gospel. They go around to about halfway, but the rest of the Gospel ends at a place that they know nothing about.

Notice the center of this wheel. How many of you have read Ezekiel's vision about a wheel in the middle of a wheel that he saw? This is what he was looking at. He was looking at the heavenly scroll when he talked about the wheel in the middle of the wheel, which is Yahshua the Messiah. All of this is telling about HIM! HalleluYah! I wish you would hear me today. Ezekiel said, "I saw a vision of a wheel in the middle of the wheel." That is what he saw. He was looking at the Heavenly Scroll! Amen to Yahweh!

Daniel looked at this heavenly scroll. He was an astronomer, not an astrologer. There is a huge difference. He was an astronomer. What do astronomers do? They look at the heavenly scrolls. Daniel was the astronomer that followed this scroll. The reason that you don't understand your Bible is because you are looking at the very first Bible that mankind ever had, and no one knows anything about it. Why don't we know about it? Because Satan perverted it. Satan came along and perverted the Gospel.

Pastor Vaughn, About a year ago the Lord showed this to me and then introduced me to an author by the name of Micah Dank. He wrote six books, all pertaining to what you're talking about today, and he pointed out that each symbol represents Christ. Every single sign is in reference to Christ. The name of his book is "Into the Rabbit Hole."

Thank you for sharing that. Please send me a link to that. We're in the times of Elijah now. All is being restored. We're going back to the beginning. It's coming full circle now. The end is connected with the beginning. Everything about Yahweh is not straight lines; it's circles. It's an upward journey. It keeps going round, and round, and round, and round. HalleluYah to Yahweh! Now let's continue our journey into truth. HalleluYah! Praise Yahweh!

There was no language in the beginning. There was no way in the beginning for the Gospel of Leo the Lion to be told. There were no Bibles. There was simply the first Bible that Yahweh ever wrote, and I just showed you a picture of it. Yet, if you mention this in the Christian Church, they will

throw you out. Today we are going to discover the pure genius and the MAJESTY of Yahweh to declare the COMING of His Son before one Bible or one Torah ever existed. I'm going to prove to you today that the Torah itself came from this heavenly scroll.

To begin our journey, the first thing we need to do is to demystify the word *Heaven*. Most of you have no idea what the word *heaven* means. You all say you want to go there, but once you find out what the word heaven means, you might find out you have already been there. Have you ever ridden in an airplane? Then you've been to heaven. Let's go to Genesis 1:1.

Genesis 1:1 In the beginning Yahweh created the heavens and the earth.

Alright, so let's see what Yahweh created, exactly what Yahweh created. The word *Shamayim* is the Hebrew word for *Heaven*. Put that in your notes.

The screenshot shows a software interface with a top navigation bar containing 'SEARCH', 'STUDY', 'DEVOTIONALS', 'HELP', 'APPS & TOOLS', and 'MINISTRIES'. Below this is a 'BIBLE LECTURE SERIES' section with a search bar and a dropdown menu set to 'KJV'. The main content area is titled 'Dictionary Aids' and includes the following information:

- TWOT Reference:** 2407a
- KJV Translation Count — Total: 428x**
- The KJV translates Strong's H8064 in the following manner:** heaven (390x), air (21x), astrologers (with H1885) (1x).
- Outline of Biblical Usage [?]**
 - i. heaven, heavens, sky
 - A. **visible heavens, sky**
 - i. **as abode of the stars**
 - ii. **as the visible universe, the sky, atmosphere, etc**
 - B. Heaven (as the abode of God)

When we say the word *heaven*, we just think of that place in our minds about clouds, chariots, and when we see the word *heaven*, we automatically think of that place in our mind. But let's see what that word *shamayim* means in Hebrew. Well my Lord, if it doesn't mean *astrology*. My, my, my.

Under A it says *physical heavens and sky*. Did you say SKY? Read further and you see: *The abode of the stars, the visible universe, the sky, atmosphere, etc*. Now go back and read Genesis 1:1 and replace *heaven* with the phrase *where the stars dwell*, because that is what this is saying.

In the beginning Yahweh created where the stars dwell and the earth.

There you go. All of a sudden it has been demystified. What Yahweh created was the Constellation of the Zodiac, the Mazzaroth. The TWELVE HOUSES are what He created in the beginning. He created the earth and the Mazzaroth. Remember in Job He said, “Where were you when I created the Zodiac?” He said in Genesis 1:1 that He created the Zodiac and the earth. Why? Because the Zodiac would govern the earth!!

Now, 398 times where you see the word *heaven*, it is *air*, or *astrology* or *stargazing*. Let’s read Isaiah 47:13.

Isayah 47:13 You are wearied in the multitude of your counsels. Let now the astrologers, the stargazers, and the monthly prognosticators stand up and save you from *these things* which will come upon you.

There you get stargazers and astrologers, and it’s all connected to the very same word as *Shamayim*. We need to understand that the problem that Satan brought to the earth was when he corrupted Yahweh’s creation, but the voice of Elijah is bringing The House of Israel back to the Creation the way it was intended, so you can understand how to read your Bible by the restoration of his great truth. What about the other heaven?

Pastor Vaughn, if heaven doesn’t mean heaven the way we always thought of it, then where does Yahweh dwell? The Spiritual DIMENSION is where Yahweh dwells, and it is *not* a PLACE, but a PRESENCE. Let me ask all of you something. Let me call on someone smart: Brother Marlin Hoover. Where you are sitting at your desk or table right now, would you agree with me that there are radio waves all around you? *Yes*. Would you agree that 93.3 is played music that you can’t hear in your room right now? *Yes*. So if I was to ask you where do the radio waves dwell, where would you tell me they dwell? *The Sky*. Instead of the sky, let’s use *Atmosphere*,

because you're breathing air. Would you say that you and those radio waves are existing in the same space? *Yes.*

Yahweh is Spirit. When people ask me where Yahweh dwells, I say that it's like radio waves that are on a different frequency, but they are not in another place. They are just in another dimension. Brother Marlin, how do you tune into that 93.3 if you want to hear what is in that dimension? *You have to have a radio that's hooked up to that frequency.* Absolutely. Do you have to go anywhere to find those radio waves? *No.* They are already right where you are. So when people ask me where heaven is, the answer is, "Open your eyes."

The Bible says, *He inhabits the praises of His people.* Your PRAISE is your Antenna! C'mon now. When you want to go from Marlin Hoover world into heavenly world, you just throw up your antenna. That's all. Amen. He's right there and He ripped the veil. There is no more separation between you and your Father thanks to our elder brother Yahshua the Messiah. So now Marlin dwells in the SAME place as your Father dwells. He said, "If they tell you I'm out in the desert, don't believe it. If they tell you I'm over there, don't believe it. I'm as close as the mention of My Name!"

We in the heavens and the earth are simultaneously in the same area! Yahweh does not exist on another planet. All you 've got to do, brothers and sisters, is have some type of an antenna that will translate you from physical to spiritual. And thank Yahweh for the Cross because that antenna was given to you on the Day of Pentecost with the indwelling of the Holy Spirit, and connected you to that dimension! There is no more distance between you and Yahweh! PRAYER is your antenna! PRAISE is your antenna! You change your world with these two hands. HalleluYah!

So when Yahweh says He selects who He will give this message to, He's actually been giving us His antenna so that we can tune in to this frequency. Would you say that's a fair statement?

You just nailed it brother. Truth is on 93.4 while the Church is on 93.3. Do you understand? Yahweh gives you an antenna. Why does the Bible say, *He that hath an ear let him hear*? Because everybody doesn't have the ear for 93.4. They've got the ear for 93.3. But some people have been given the gift of higher learning, higher education, higher understanding. It is a BLESSING! It is a gift of GRACE! You did nothing to deserve this unmerited FAVOR. He CALLED YOU and gave you that ear to hear. That's why six hundred of you are here right now. You've been given the ear to HEAR! Oh HalleluYah!

You've got to retrain your brain! RETRAIN IT! See that word *heaven*? Get it out of your mind and replace it with what it means nine times out of ten: the Constellations, where the stars dwell. Why do you think humanity has always unexplainably been drawn to the stars? How many of you have gone out there at night and just looked and just stared? You've said, "I know they are talking, but I don't know what they're saying." Amen? Praise Yahweh! Do you know why you can't understand what they're saying? Because the Catholic Church robbed you of this and translated it, and gave it over to Satan, and it became a demonic thing rather than a blessed thing. But these are the Days of Elijah! HALLELUYAH! ALL things are being restored!!

May I ask a question? Is that why we're receiving all those air waves like 5G, trying to overtake the airways? That's good, Sister Sandra. That's why the Bible calls it the Prince of the Power of the Atmosphere, because he uses the stars, he uses the airways to restrict us from hearing that higher frequency; that HIGHER VOICE. That's why the Bible said you must have an ear, and if you do, it's up to you to use it. You must hear with that ear! Many have come to this class and they heard with that ear, and then chose not to hear with that ear. We choose to hear! The only reason that you're not there now, is because it's been veiled by the curtain of time. Satan hates the Gospel. Go ahead Sister Jennifer Armstrong.

One thing I wonder: Isn't Yahweh trying to speak to everyone, but it is only he who is willing to walk away from man's tradition to learn here and see Yahweh's truth, who will hear?

You're absolutely right, but let me make a slight correction. Let me bring it into perspective. In the Old Testament, wouldn't it be a fair statement to say that Yahweh loved the whole world and He was trying to reach the whole world? Can we agree with that? Yes. However, what did He tell Israel? *YOU ONLY HAVE I CHOSEN OF ALL THE NATIONS OF THE WORLD*. Now, all He was dealing with was the nation of Israel. He wasn't trying to save Egypt. He wasn't trying to save Palestine. He wasn't trying to save anyone other than Israel AT THAT TIME.

The problem we have is that we have been taught in the Christian Church is that TODAY is the only day of Salvation. Did you know the Bible doesn't say that? It's a mistranslation, so we think that Yahweh is trying to reach all of us. But the truth is, all He is only right now trying to get is the LOST SHEEP of the House of Israel. Everyone is not the Lost Sheep. They were never in The House of Israel. It is not their turn to hear what you are hearing today. He starts with the FIRST Harvest, Israel. He brings them and He says, "If I can get *them* holy in the Millennial Kingdom, then I can get the rest of them holy."

I see that there are people who don't want to see this. There are people who absolutely refuse to see this. They get ticked off just to think they have to give up Christmas or Easter. There are some that are so arrogant and out in another spectrum. I just don't understand. That's with any Truth. You will always have the pharisaical spirit. You're going to have it in this truth, you're going to have in Pentecost. That is called the tares and the wheat.

Every move of Yahweh has two groups of people in it. Many people get the head knowledge but don't have the heart knowledge. They don't fix their knowledge with wisdom. They turn this message into a weapon rather than a plowshare. So don't be discouraged. That is with any group of people. There's always two spirits. There's always Cain and Abel, Ishmael and Isaac. There's always Christ and Antichrist. That's to be expected and there is nothing we can do about it. All we can do is make sure we don't end up

like that ourselves. We need to protect this treasure; keep it pure and keep it holy. Amen. Real quickly, Sister Carmin.

This is mind blowing, especially because my brother always talked to me about frequencies and his understanding. I know about the air waves and the sound waves, but this is even more in depth. I know when I had Covid in October and Yahweh was speaking to me, and said He wants to restore His people to the way He had intended with Adam and Eve. We were talking about numbers: the two, the five, and the one. Thirty, sixty, one-hundred. I couldn't sleep at that time and listening to the studies, I'm in awe. Yahweh is doing a major work; there are a lot of things that are coming to pass, and things are lining up to how Yahweh intended.

Whenever we make that statement that these are the days of Elijah, we are not just talking. There is a RESTORATION of Truth that is happening and you have been called to be part of it, and I pray that you are found worthy to walk in this way. Go ahead Sister Sandra.

Concerning Yahweh's time: I feel there is misuse of it where people have perverted it because they have gone ahead of where Yahweh was. That reminds me of the scripture that says, "He who waits upon the Lord." This whole Christian world has gone into this end time thing, and gotten way ahead of what Yahweh intended, and now Truth is Coming.

I want to confirm that, sister. When you use the Zodiac, or the Mazzaroth, or the stars for YOUR life, then you just corrupted the Mazzaroth. You are to look at the Mazzaroth for HIS PLAN not your life! It isn't about ME! This Plan is about HIS PLAN. The Mazzaroth was never intended to guide your life. It was intended to GUIDE you to His Plan. That is the proper use of the Zodiac.

What is my day going to be like? I could care less what your day is going to be like, but let me tell you what The GREAT DAY is going to be like. There's going to be Leo the Lion: the conquering KING and HE will RESTORE EVERYTHING that is wrong! We don't look to the Mazzaroth for our life,

we look for His Plan. The perversion is when we go to *Me, Me, ME!* Now you've gone down to the sixth level instead of the twelfth level. When your life is about you and your happiness, you are a REBEL. You are an Antichrist.

Your happiness is of no consequence because what made you happy yesterday will make you sad tomorrow. You want that woman's husband as your husband, and the minute you got him, you found out why she didn't want him. What makes you happy today, doesn't make you happy tomorrow. Happiness is a joke! WHOLENESS is what we're aiming for, not happiness. When you get WHOLE, being in sync with your Father's plan for ETERNITY—oh HalleluYah—when you line up with the STARS, the PLAN, you will find wholeness, and from that wholeness comes the ultimate happiness! HalleluYah! Amen. Sister Meadows, go right ahead.

I was just studying about frequency. It's interesting. Before 1948, all frequencies for music were at 432 Hz. I know about this sister; go ahead. It was changed to 440, I think in 1953. Little a on the piano would forever more be tuned to 440. The Nazi, George Gobel, was the one who insisted on the 440 Hz frequency because "it made people prisoners of a certain consciousness." I remember going to my church and asking them if they used the 400 frequency, and they said, "Oh, Yes." It has been shown that it is a frequency that agitates war, fear, and disease.

On my mp3 player, I literally play certain frequencies—you can buy frequencies for music on Youtube—for my own well being. Satan was the original musician. The Bible said his vocal cords carried a frequency that was able to bring a third of the angels to his side because it was such a compelling frequency. This is why music is so very important. This is why I'm so very careful in our church. People tell me all the time, "You sing those old songs. You have that old Pentecostal sound in your church."

I am very careful to keep the sound of the church different from the sound of the world. They have a frequency that doesn't belong in Yahweh's Church. They have a rhythm that doesn't belong in Yahweh's Church. I

don't believe in taking worldly music and changing the words to it, and bringing it into the church. We create frequency in prayer with anointed music, anointed songs. That frequency will help the service. Why do you think when evil spirits came against King Saul, he sent for the music player, David to change the frequency in his atmosphere? The demons fled just by playing those frequencies, and that anointed music. Anointed music causes demons to flee. It allows the Word to come forth without the Battle.

That's why in the original war in Israel, do you know who they sent to war before anyone else? The musicians. They sent the musicians to set the frequency. The shofar is a frequency. When the shofar is blown, the dead in Christ will rise. The frequency of the shofar is going to ignite our DNA to reconstruct our bodies after our death, because guess what happened when you were planted in your mother's belly? It was a FREQUENCY of that seed that sparked that seed to LIFE inside your mother's womb. It's going to be another frequency that sparks it all over again because your DNA never dies! Your DNA lives forever. It never dies, and a frequency will reignite it! HalleluYah!

Making music, making melody is what the Bible said will reignite it. If you want to see me get angry with a righteous indignation, let me see somebody try to start my church service with talking instead of dancing. I will go livid and through the roof. Do you know why? Your talking frequency is messing things up. The very first frequency sets the tone for the whole service. That frequency of the sounding of the shofar and the dancing of the people of Yahweh, causes demons that you brought in with your bad attitude, to leave that building. They came in with your bad attitude and with your fussing with your husband. It's demonic, all of it!

That sound of dancing and celebration is a frequency. If you've ever watched our worship, there are moments in worship when I will begin to go into a chant of *ha da da da ha da da da*, and you will feel the frequency change. You can feel it when it happens; when that glory frequency comes. LEARN to get out of this world's frequency, and learn to, like the old gospel song says, *steal away in prayer*. Learn to steal away from this old world.

I want to prove something. If you want to see church people get nervous, if you want to see demons on Christian faces, start blowing a shofar. I'm serious. Go walk into your Baptist Church. They can drag in a Christmas tree and their Easter bunnies in there, but just bring in a shofar and they get aggravated. We were at a funeral a few weeks ago, and when Sister Pat blew the shofar, people started running, the demons started running from the sound of that shofar. They literally started running to their cars to get rid of the sound! They couldn't handle it. When people start getting on your nerves, just start blowing a shofar at them. Frequency matters!

We've got to get back. Let me ask you this: Is it possible that within the CANVAS of Sky, a place that EVERY HUMAN eye can gaze upon, that therein, Yahweh WROTE THE GOSPEL and Satan is TRYING to pervert THAT GOSPEL? Is it possible that THE HEAVENS is truly WHERE THE THRONE of Yahweh is established? Let's find out.

Yahweh is a God of PATTERNS. The Majesty of Yahweh is revealed in His UNCHANGING nature. What He was yesterday is what He will be tomorrow. For a throne to be legitimate, it has to be respected. We can all stay that about the House of Windsor because it has been established for a long time. There is a legitimacy to it because it seems to be unchanging. They have ancient traditions that don't make sense to us today, but they won't change those traditions. The reason that is, is because a THRONE must be ESTABLISHED.

I am going to prove to you today that you have been looking at the Throne of Yahweh. What does the word *Throne* mean? What does it represent? What have I always taught that a throne represents? GOVERNMENT! What does a government do? IT GOVERNS. Is it possible that the earth is governed by these TWELVE HOUSES?

If that is the case, the THRONE is what is governing the earth. Let's find out if that's true. Sister Donna Debard, I'd like to ask you how old you are if you don't mind me being so blunt. *Seventy-eight*. All of your life, in your 78

years, have you ever not seen the sun not go and sit in one of those houses for thirty days? That's a loaded question; let me rephrase it: Have you ever in your life seen the months not come around on time? *No*. Has there ever been a day when you woke up in the morning and it was night time all day outside?

The sun never fails and the moon never fails. And guess what else never fails? The twelve constellations. That sun goes through all twelve every single year. The sun is a visitor. He goes to every one of those houses, and sits there for thirty days and then he goes to the next house for thirty days. He sits there for thirty days and then he goes to the next house. If that has never failed, is it safe to say that that government is an established government? Yes.

Let's continue. The GOSPEL MESSAGE is revealed to us by Yahweh in many places besides the Bible. The Tabernacle of Moses was a complete prophetic shadow of the Gospel: Outer court, Inner court, Holy of Holies; 30, 60, 100 fold, the baptism of the Holy Spirit. It's all in the TABERNACLE. Let's turn to Exodus 25:40, and Hebrews 8:5 and read it in a moment.

Here's my question: How did Moses build the Gospel? Anybody who knows their Bible agrees with me that the Tabernacle *was* the Gospel. The whole Gospel is laid out in the Tabernacle of Moses. So literally, Moses built something on the earth that was the GOSPEL! The Ark of the Covenant, which is the Throne of Yahweh, was in it. May I show you how Moses' Tabernacle told us the WHOLE GOSPEL?

The Outer Court was twenty by twenty. The Inner Court was twenty by ten. But the Holy of Holies was ten by ten. Do you know why that is? Because when you take the Outer Court and the Inner Court, you come up with 6,000, but the Holy of Holies is 1,000—the Millennial Reign. What is going to be in the Millennial Reign? The Throne of Yahweh; the Government of Yahweh, which is the Ark of the Covenant. So Moses built on the earth THE FULL GOSPEL! My question to you is where did he get it from? Brother

Vaughn, *God came down and opened the heavens and gave him a vision.*
Let's turn to Exodus and see if that's correct.

Exodus 25:40 And see that you make them according to the pattern which was shown to you on the mountain.

Moses went up on a high mountain, and he looked in the heavens and saw a pattern. Oh, HalleluYah! Moses saw a PATTERN, and what was that pattern that Moses saw? The GOSPEL! Where did he go to see the pattern? *To a mountain.* If you're up on top of a mountain in the middle of the desert and there are no lights anywhere, guess what is going to be real visible to you when you look up? *The heavenly sky.* Yes. The heavenly scroll. You're going to see Orion, and the Big Dipper and the Little Dipper. You're going to see a pattern. Moses and Enoch knew that pattern. They knew the gospel was in those stars.

Moses went and built a Tabernacle that told the exact same story that the heavenly scroll showed him. It started with a virgin who would have a son called Christ, and He would die on a cross, and that was in the Outer Court. Then he went on and told the rest of the story, and it ended up in the Holy of Holies at the Millennial Reign. He saw that in a pattern.

Hebrews 8:4-5 Now if He were on earth, He would not be a priest, since there are *already* priests who offer the gifts according to the Law. **5** They serve at a sanctuary that is the pattern and shadow of the heavenly things, as Mosheh was admonished by Yahweh when he was about to make the tabernacle.

Hold on. This was divinely instructed to Moses as he was about to build the Tabernacle. Read.

For He said: See that you make all things according to the pattern shown you on the mountain.

Whooo, HalleluYah! Make sure you build that tabernacle to preach the same gospel that is in the pattern you saw on the mountain. If he had looked at the heavens, Yahweh could have shown it to him in the valley, but Yahweh said, “Go to that mountain and look up for your redemption draws nigh, for your REDEMPTION is written in the heavenly scroll!” Learn to READ that HEAVENLY SCROLL! I’m going to teach you how to read it over the next few weeks. We are going to take every house and we’re going to read the heavenly scroll. Then you’re going to learn how to read your Bible. Oh Praise Yahweh!

Yahweh created the heavens in the beginning. Doesn’t it seem likely that THIS IS WHERE we can find the FIRST PATTERN that all other future buildings, temples, tabernacles would be built from? Remember *The Law of First Mention* in the Bible. Where the pattern is mentioned FIRST is where the pattern begins.

In the modern world we cannot grasp, nor do we hardly notice the HEAVENS anymore. We’re so busy looking down at our phones that very few of us look up. There was a time in human history when the night sky was our only entertainment. We had no other entertainment. Why do you think they were called WISE MEN? All they looked at was the stars. Why do you think that Daniel was the greatest Magi of all time? He was an astronomer. He looked at the stars. I’ll prove that in a later lesson. Back then, humans KNEW the heavens, they knew the patterns of the stars, they knew the alignments of the planets, and Satan did also.

I’m not going to go through this, but here is the Tabernacle that we just talked about. There was only ONE entrance; one DOOR and it faced towards the east. Who is that door? Yahshua. He said, “I am that door.” To get to that door, you have to start at Calvary. You have to start with a Virgin who will have a son. It is the same pattern that we started off with in the heavenly scrolls. It is so perfect!

The Tabernacle is the gospel

Just as there is only one way into the tabernacle, even so Yahshua is the only way to Yahweh our Father (John 10:9. Matthew 7:13,14). The Jews referred to the entrance of the outer court as "the Way, the entrance to the Holy Place as "the Truth" and the entrance to the Holy of Holies as the "the Life" (John 14:6. 1 John 2:23). Note that the entrance is from the East which is where the Sun rises – the Sun of Righteousness or the Daystar (i.e., our Sun is a star that shines in the day)(Malachi 4:2. 2 Peter 1:19).

11:59 / 2:03:34

The entrance is from the East. Why? Where does the sun rise? The East. And the Sun of Righteousness returns in the eastern sky. That's why we bury our dead towards the east. We don't burn them; we believe He's coming back to raise our bodies, coming from the eastern sky. In the center of this court is the Holy of Holies. You can study all this later.

The Tabernacle is the gospel

In the center of this court was located the tent or tabernacle containing the Holy Place and the Holy of Holies. The outer court being open to the sky received the natural illumination of the Sun and Moon. Here we learn our first truth - the tabernacle shows us that we are separated from the manifest presence of our holy God; however, there is a way into His presence. The outer court contained the brazen altar and the Bronze laver.

11:30 / 2:03:34

The Tabernacle is the gospel

In order to reach the Holy Place you must pass the altar. It is centrally located in the outer court standing 4.5 feet high and 7.5 feet square. The altar stood raised on a mound of earth, higher than its surrounding furniture. The altar was made of wood from the acacia tree and overlaid with bronze. Each of the four corners of the square altar has a horn (symbolic of strength - Psalms 18:2) that was used as a place to tie down the sacrifice. It has a grate inside to support the sacrifice.

It was here that lambs were sacrificed to atone for the sins of the people. That, is blood or life had to be shed for a person's sin

The Brazen Altar represents the cross of our Lord Jesus

13:33 / 2:03:34

This shows that even after becoming a Christian we must be BAPTIZED or Mikvehed, & then cleansed continually from sin by the Word of God. Jesus prayed that we would be sanctified by the Word. If we look intently into the Word of God it will expose the sin and defects in our lives. However, we must take action upon what is revealed or it will not do any good. It is not enough to just confess our sins. We have not repented until we have confessed and forsaken our sins. That is, we are to regret sinning against a Holy God and not just simply regret the consequences of our sinful actions

13:35 / 2:03:34

Where did this Pattern come from? Everybody who looks at that Tabernacle says it's telling us the Gospel. But for some reason, when we bring you to the PATTERN from which the Gospel was first preached, we all feel a little

pause. Why? Because Satan has PERVERTED Yahweh's creation and caused men to WORSHIP the Creation more than the CREATOR. So, therefore, we throw the baby out with the bathwater. But in the days of Elijah, He's going to get the baby, and put it back in the bathwater. Amen.

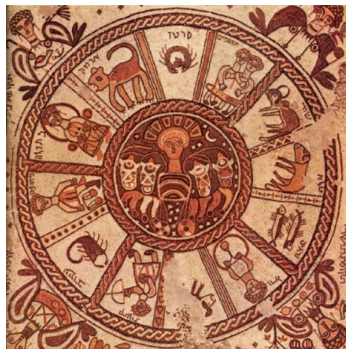

Now what does the Bible mean in Psalms 97:6?

Psalm 97:6 The heavens will declare His righteousness, and all the nations will see His glory.

Take the word *heaven* out and tell us what it should say there.

Where the stars dwell declares His righteousness, and all the nations will see His glory.

Brothers and sisters, WHO is His righteousness? YAHSHUA! And WHO is His glory? YAHSHUA! To hear that message you've got to look to the stars.

Read it one more time. According to that scripture, what does the Bible call Yahshua? The glory of Yahweh. To see Yahshua, look to where the stars dwell. Why? If you look to where the stars dwell, you will see HIM! Look at the wheel in the middle of the wheel. You see Yahshua, the GLORY of the FATHER! He IS the wheel in the middle of the PLAN. In other words, The Plan is all about what is in the middle of

it. All these stories outside of the middle are telling about the story that's in the middle. Isn't it a wonderful thing? Blessed be the Name of the Lord! Go ahead Sister Baker.

I actually had already answered my question, because when you said that, for I knew for a fact that the Bible is repetitive all the way though. It's going to teach us, and teach us, and teach us, and teach us. I knew that Solomon couldn't build that temple without the plan that went through David. In Chronicles 28:19 says, "David said, All this is written because Yahweh made me understand all the details of this plan, for His hand was

upon me.” So while you were talking, I wrote that down and it took me right back to Exodus 25:40. The Bible will always confirm itself. I got it.

You’re fine. Everything started with this heavenly scroll. That’s why when you get to where Yahshua says, *I came down from heaven*, we’re like, “Oh, so you *did* pre-exist; you were with the Father in the beginning.” NO! I AM what was IN that story where the stars dwell. I AM that wheel in the middle of the wheel that’s written in the STARS. I came from that story! Go ahead Sister Camry, quickly.

I know this is unrelated. I’m going back to the frequency thing. This whole entire thing is like a symphony and you have to put it in the right key or it won’t play right. You’re exactly right. If it gets out of harmony it puts out an uncertain sound. There is so much dissonance in the word. There is a wrong note, the chord is going to sound wrong.

Real quickly, when you mentioned that, it brought something to my mind. How many of you remember when Yahshua said, *Before Abraham was, I AM*. Many people think He is saying that He pre-existed. No, no, no, no. *Before Abraham was ever born I was ALREADY written in the stars. I was already existing in the GOSPEL. I already was in the FIRST Bible before Abraham was ever born. Amen. Sister Sandra.*

I just want to testify this: that the messages we were given here today is power. It is absolutely a confirmation of things Yahweh has shown me. I want to testify to something He showed me years and years ago. One hand was the Word, and the other hand was a physical robe, and He told me that they are one and the same, and that is how He has created all things that we see. So in creation itself He SPOKE and it WAS. That has to do with what you are teaching us today about the frequency of Yahweh. Thank you.

The voice of Yahweh carries a creation. When you get a prophetic word and it’s truly a prophetic word, it creates its own life, and your dead situation turns around. Whatever Yahweh says when prophecy comes forth, it creates

its own LIFE. HalleluYah! When you get a word from the Lord, let me explain something to you. Let me show you where the power is. Let's go to Psalm 103:20. I want to show you something. The power of Yahweh's word is nonexistent. It can't do anything without one thing. Let's read about it.

Psalm 103:20 Bless Yahweh, you His malakim, mighty in strength to execute His command, listening to the sound of His word!

Psalm 103:20 KJV Bless the LORD, ye his angels, that excel in strength, That do his commandments, hearkening unto the voice of his word.

Do the angels hearken to the Word, or do they hearken when they hear the voice of the Word? Listen to me. Angels are your ministering spirits. They are sent to serve you; the sons of Yahweh. Did you know that? Did you know that the angels that excel in strength have no power? They cannot do the work UNTIL they hear your voice; until the Word Yahweh puts in here, comes out of here. They do not work on your behalf. They only hearken to the frequency, to the resonance, to the vibration, to the voice of the Word.

You've got to put a voice to it. When Yahweh tells you up here that your children are going to be saved, they'll never be saved without your voice. The angels excel. He's talking about the strong angels. Certain angels are stronger than other angels. He said, *If you want those angels to get to work on your behalf, you've got to put a voice to the word.* If Yahweh tells you your child's coming in, you better say it, you better declare it; something better come out of this voice so they will hearken to the voice of the word. The power is not in the word. The power is in the VOICE.

Why do you think Yahshua said to the man, "If you'll just speak the word, he'll be healed."? He didn't say, *write the word*. He didn't say, *send me home with the written word*. He said, **IF YOU SPEAK THE WORD YOUR SON WILL BE HEALED, because of the voice of the word!** You need more than the Word of Yahweh. You need to put a voice to it!

That's why I'm hated. People hate me because my voice is so strong. Satan tried to take this voice from me, but this voice carries with it the ability to create LIFE! The Bible said the power of Life is because the sun brings forth the voice! HalleluYah! You are learning today. You're getting more than I'm seeing on those faces. *Life and death are in the power of the tongue.* Amen, because the tongue carries forth the voice!

What did Elijah say? He said he was the voice of one crying in the wilderness! When you find the voice of Elijah, you will hear something in that voice that sounds different! While you were watching all those other YouTube channels, when you heard my voice sounding different, it called you forth out of religion to hope. Give up your voice. LIFT your voice like a trumpet! Yahweh said to do it because in your voice there is POWER. HalleluYah! Glory to Yahweh! Amen. Sister Meadows.

I had a comment about the blast of the trumpet. When they would sound the trumpet there were different trumpet sounds for the leaders and for the rest of the congregation. In this time it's like Yahweh has sounded a shofar in the heavens that the first harvest is hearing in order to prepare for the whole of humanity. I think it is so cool. We are hearing that trumpet blast because we are the first harvest; the 30, 60, 100.

That's what we're hearing. HalleluYah! One day the WHOLE world is going to hear what we are already hearing: the sound of the voice. It's coming back with a trumpet and a voice. Notice that Yahshua doesn't just return with the sound of the trumpet, but with the voice of the archangel.; a Trumpet and a Voice!

Psalm 97:6 comes from the Hebrew word that says *declare*. Let's read that again so everybody knows where we are.

Where the stars dwell will declare His righteousness, and all the nations will see His glory.

What does that word *declare* mean? Let's look at it and see. *Declare* comes from the word *Safar*,

What does the Bible mean when it says this?

- Psalms 97:6 –
- Declare comes from the Hebrew Word – "Safar" and here is how that word is translated into English
scribe (50x), tell (40x), declare (24x), number (23x), count (6x), shew (5x), writer (4x), speak (2x), accounted (1x), commune (1x), told (1x), reckon (1x), shewing (1x), talk (1x).

maybe where we get the word *shofar* from. When you blow the shofar it is a declaration. Here is how that word is translated into English: *scribe, tell*; so let's change it now. The stars *tell* something, the stars are *declaring* something. The stars are *showing*

something. The stars are *speaking* something. The stars are *communicating* something. The STARS are TALKING! Did I just say, the stars are *talking*? I didn't say it, the Bible did. The stars are talking. It doesn't read that way. Read it again.

Where stars dwell are declaring His righteousness.

The stars are TELLING about Yahshua! The stars are telling about His glory, which is Yahshua. When you want to know about Yahshua, you pick up your Bible, but the truth is that your first Bible was written in the stars. The stars are talking, but you are not listening. This is how Yahweh feels when we ignore His Creation which speaks to us. Nature speaks to us. The entire written Bible or the Scroll is impossible to understand unless you first understand the heavenly Bible, or the Heavenly Scroll. Let me tell you what that means.

How many of you before when you read the scripture, *Before Abraham was, I AM*, totally read it wrong? He was saying something that He wasn't saying. You have to understand the heavenly scroll to get that scripture

right: *Before Abraham was, I was already here. Why? I was in that story. It was written of Me. Abraham was telling you about Me. I already existed because I was in those stars. All twelve houses were telling you about Me before Abraham was ever born. Amen. Thank God for Truth!*

As a baby believer, you will first find Yahshua in the New Testament, but as you mature in the Old Testament and then in full maturity, you will find Him in the Heavenly Scroll. That's how you know you're growing up. Did you know that Yahweh CREATED and NAMED what is mistakenly known today as THE ZODIAC? This is a pagan perversion of THE MAZZAROTH, the Hebrew term that means THE WAY or THE PATH. How many of you remember Yahshua saying, "I am the way."? *I'm going to show you the exact same way that the Mazzaroth taught.*

The word *house* in Hebrew is where we get the root *Maoz* for the word *Mazzar*. *Mazzar* means *house*, and *sign* in Hebrew is the word *Oth*. When you put *house* and *sign* together you get MAZZAROTH: the House of Sign. A sign gives you a what? A message. What does a stop sign do? It gives you a message. If there were no words, the red sign is still giving a message. So the Mazzaroth is the House of Sign, or broken down, it's the House of the Message. Go ahead Sister Justina.

In the beginning of Genesis it says, "Yahweh said, and He said, and everything that He said, it came to pass; it was created." It was all created from the spoken word.

Yes, and we are the elohim. We are made in His likeness and image. That's why Yahshua said that we would do greater things: *My Father is a Creator, I'm a Creator, and we are all Creators*. But we create through the power of the spoken word. The problem is the Rhema movement took that message and perverted it. They turned it into a *Declare It; Name It, Claim It*. They messed it all up because you've got to speak ONLY what you hear the Father tell you to speak. That's the difference. Amen. Sister Caly.

So that's a fine line, people creating and saying out loud what they want in the flesh, but that's not what the Father said. They always say, "It's going to happen because I'm declaring it."

You're right, and that needs to be taught because it is so important. That's witchcraft. That's manipulation. But Yahshua said what? *I say NOTHING BUT WHAT THE FATHER SAYS*. So, if the Father says you can't have that woman's husband, where does He say it? In the Torah. You're trying to create magic, not submission. We have to be careful. It's a fine line, but I cannot not teach you the truth simply because Satan has perverted the truth. I can't rob you of the truth because Satan has perverted it. Thank you for bringing that out Sister Caly. Sister Sherry Kent, go right ahead.

I think you have already touched on it. I was going back to: the power is in the voice of the Word. I hope this is going to be posted. I can't convey it the way you do, and so many people need to hear this lesson. My main concern is all of these prosperity preachers being watched on television. I try to be discerning, and I check everything with the Word. I've come to realize it pretty well but I have a lot of people who have gone way off the path into perversion over this.

Let me simplify it for everyone. Right now there is a woman in my town that has become my enemy and she has run me down, a servant of God, she has run me down over the internet. She tries to lure many of you in. This woman, Torah says, until she repents and asks for forgiveness, she is under a curse. So now what happens if she goes into a prophecy meeting and someone calls her out and they say to her, "God is about to bless you like you've never been blessed." Well, that's not the voice of the Word. The voice of the Word says that she must confess and repent. So now, that woman will leave there deceived because she got a word from the Lord. You better get under a pastor who will teach you what the Word is.

That's the next problem. You're the only pastor I have. There is absolutely no place in my area where I can go to get the truth. It's horrible not to be able to join with other people. Do I move to Mississippi? I don't know.

Sherry, I'm praying for you. There are so many people like you right now. Let me give you an example. There was a woman who came against me years ago and she developed breast cancer. She went to every prayer line for healing. She is running every place for healing. According to the Word of Yahweh, she brought that sickness upon herself. Why does she not know that? Because she doesn't read the Old Testament.

Yahweh said that He would cause these diseases to come upon you. Yahweh said that. So if she doesn't have a pastor teaching her the Word, you can put a voice to *I am healed* all day long. She says that she claims healing. I don't care what she claims or doesn't claim. It's there. You've got cancer. *I don't claim it*. Well, you've got it. When she ended her public battle with me, she didn't have breast cancer anymore.

When she repented, made it right, she was healed. We've got to get in the Word. Don't put a voice to ANYTHING. Do you know that I won't lay hands on the sick unless Yahweh tells me to. I don't do massive deliverances. I don't believe in it. I don't do massive prayer lines. The Bible told me to lay hands on no man suddenly. I've got to discern what I'm dealing with. Sister Sandra, go ahead.

The thing that you're speaking about is happening all over the Christian world, and is conjuring. Instead of acting in faith, they are conjuring. We have a whole faith chapter that shows us in every instance, that the person first HEARD from Yahweh and THEN spoke and DID what Yahweh said. That's what faith is! Outside of that it is conjuring.

And Sister Sandra, if you haven't heard from Yahweh, if you read it in the Word of Yahweh, then you have the authority to put a voice to it. If the Torah tells you: *If you give, it will be given unto you*, then you have the authority to put a voice to what the Word said about your situation. I must move on quickly before I lose my class today. I will get back to the rest of you in a moment.

The Mazzaroth is a HOUSE OF THE SIGNS or PROMISES (Oaths). *Sign* in Hebrew is *Oth*. That's how you study the Bible. You break those words down. We've broken Mazzaroth down. It basically means THE HOUSES OF YAHWEH'S PROMISES. Let's read Psalm 147:4.

Psalm 147:4 He counts the numbers of the stars; He calls them all by name.

Wow. Did you know that? Did you know that Yahweh is very focused on the stars and that He named all twelve of those houses? He calls them all by name. What name? Virgo, Leo. Go ahead Mama Dot.

As overcomers and as believers in Yahshua, we can call those things that be not, as if they were. We can give voice to what we believe and have faith in. I seek my healing, and ever since I started doing that, my health has been increasing, so I call those things according to Yahshua. I can do all things through Christ. I can speak those things that be not, as if they are. I can speak them into being. I can give voice to what I believe.

As long as that belief is based on the Word of Yahweh, you are exactly right, Sister Dot. Let me give you an example. Did you know the Bible says if there is any sick among you, let them go to the elders of the Church? I always wondered why they needed to go to the elders of the Church. Why not go directly to Yahweh? That verse never made sense to me until I read the next part: *so if they have committed any sin, it will be forgiven them.*

Do you know why that is? Because there are some sicknesses that have come from sin—for instance, cancer often comes from bitterness—and until you deal with the sin; until you deal with the bitterness in counsel with a man of Yahweh who can see and counsel you from the Word, you won't be healed.

This is not always the case, but I have found in my life, many of my sicknesses have come from the sin of laziness. Now listen to me carefully everybody. When I don't get up, and don't walk and move, and I start

getting swollen ankles, do I sit there and ask Yahweh to heal me, or do I quit committing sin against my body? The Bible says we sin against our bodies. When you sin against your body by eating unclean food, when you sin against your body by eating too much sugar and you ask Yahweh to heal you: FIRST you need to ask Him to FORGIVE you, then you need to REPENT, and ask Him to forgive you for eating all that high cholesterol food. Am I making sense to anybody? You have to REPENT. That doesn't mean you say, *I'm sorry*. That means you STOP eating all that sugar.

We go to Yahweh for healing when we are sinning against our own bodies. Homosexuals and monkeypox: you are not going to be healed by prayer. If you want to get rid of the monkeypox, get out of bed with the monkey. There's a balance. I believe in faith, but I also believe in repentance. People want to believe they can just speak what they want to. Have you gone to that brother that you've been running down, and now sickness has come upon you because of it?

You're playing games. You're playing church. You're playing prophecy games. You know what you did to that person, and you never confessed it, never repented. Healing can come from CONFESSION and turning away from your sin. Sister Elizabeth, go ahead.

I was diagnosed with leukemia in 2018. There were times my numbers would be in normal range, and people would tell me I was healed, and I would believe it and say, "I am healed!" So I started taking the medicine I was supposed to take, and it came back. I couldn't understand why it came back because I believed I was healed.

Sister Elizabeth, I'm going to read all of these scriptures now because some people don't think I can back up what I say with the Word. I'm getting ready to give you the truth whether you like it or not. Get out of those prayer lines and go repent of your sins! Let's read Matthew 9:2.

Mattithyah 9:2 And behold, they brought to Him a paralytic, lying on a bed; and Yahshua, seeing their faith, said to the paralytic: Son, be of great courage; your sins are forgiven.

What forgiveness? I thought he was there because he was sick. Read verse five.

5 Which is easier? To say: Your sins are forgiven; or to say: Arise and walk?

Lord, why are you saying, “Your sins are forgiven.”? We need you to say we are healed. He said, “When I said your sins are forgiven, I said you are healed, because most sickness comes from sinning against your brother, sinning against your body, sinning against the Lord.” Do you think Yahweh’s will is for you to be sick? No. But it’s also not His will for you to be in sin that causes you to be sick.

May I please say something? I’m dying here. HalleluYah. My sister was dying. She was a done girl. She was born with her left ventricle gone, and then her mitral valve went out. For three years, I sat watching her die. I asked God, “Before she takes her last breath, can she at least know the truth?” I put her in my truck and she couldn’t even breath, and I took her to the Feast of Tabernacles. She unbelievably got the whole truth of the feast, of the Sabbath, and of clean eating. She was so sick, I promise you this, it was ferocious.

From that feast day until the next feast day on Passover, I told my work, “I asked my sister to go to a feast with me, and she made me promise to take her all the way to the gulf if I would take her to this feast service.” She walked into that feast service, and what people don’t understand because this miracle is so big, that between one heartbeat and another heartbeat, God healed her! We walked in with a suitcase of medications and with her having to have assistance from my truck to walk in the door. She danced for three hours. When we got down to the gulf, we went to a beach and I

said, “You’re not getting out of this truck,” because I had taken care of her for three years. I had to shut up to keep up with her.

And every year she gets an echogram and the results of her heart are stronger and stronger. What people don’t realize is on the day that we went to that first feast she accepted the whole truth. It blows me away. She said, “I ain’t doing that stuff no more,” and I believe at that next Passover in front of hundreds of people where we carried her in practically, and she danced her way out, He healed her between one heartbeat and another heartbeat, but God said, “Now you’re taking care of yourself.” This was on what was to be the last trip of her life. That was five years ago. Don’t tell me I don’t love the feasts.

HalleluYah! Oh, HalleluYah! That is awesome Sister Baker. Oh Wow. Now I don’t want anybody to misunderstand me, there are things that happen to all of us, but the root of sickness was never supposed to be. It does stem from sin in one way or another. Sister Jill Sidock.

Norm has cancer, and I have fibromyalgia, and want to know if that has been brought on by sin. I have been praying for healing, healing, healing. I want to know if you are saying every sickness is because of sin.

I’m saying the core of every sickness is sin. It wasn’t in the Garden of Eden. There was no sickness there, right? *Right*. So the CORE of all sickness is SIN. Not necessary in your life, but sin itself. Now, here is what I tell everyone who is praying for healing: First pray for FORGIVENESS, because every one of us thinks we are right in our own eyes. The Bible tells us that every man thinks he is right. But there are things we have done in our lives that we thought we were right about, that we may have been wrong about.

We must confess that to the Father and ask the Lord, “Please speak to me if there is anyone that I need to confess to, if there is anything I was doing that is sinning against my body, reveal it to me Father.” I promise you if that’s the case, He will do it. Then ACT when you hear the voice of Yahweh.

I believe with all my heart when you do that Sister Jill, that He will reveal it to you.

I encourage us all, let's not be prideful. Let's not think that this sermon applies to everybody except us. The Lord is speaking to someone today. Search your heart. Get things right. What about your tithe? Are you a thief? Are you a robber? Have you brought sin into your home? Are your children living in fornication in your home, sleeping together unmarried in your home? Check your life! You're so quick to pop a pill. Pop a prayer. You're saying, *I'm blessed*, when Yahweh says you're cursed. People don't want to hear the truth.

By the way, nobody likes what I just preached. They'd rather listen to Creflo Dollar's message that everyone is going to be healed. First of all, everyone is not going to be healed. I don't believe in pop up prayers. I believe what the Bible says. And while we're at it, claiming your finances are blessed while you're robbing the tithe; your business is going to shut down on you because you're a thief. Then you'll want to say, "I'm blessed." No. You can't bless what Yahweh has cursed.

Brother Vaughn, I don't believe in tithing. You don't believe in Yahweh's Word. He says, "If you're stealing the ten percent, you are a thief," and Yahweh will curse everything in your life while you're declaring those things that are not, as though they are. While you're declaring, *I'm blessed*, Yahweh says you're cursed. People don't want to hear the truth. They want to be lied to. Everybody wants a pill for something. There isn't a pill for a cursed life. There isn't a pill for sin except repentance. Amen.

Now let's go to Exodus 23:20

Exodus 23:20 Behold I am sending a malak in front of you, to keep you in the way, and to bring you into the place which I have prepared.

I sent an angel to bring you into the WAY. John 14:2-6 was where Yahshua is the MESSENGER of the WAY foretold FROM THE BEGINNING, Crucified from THE BEGINNING. Do you understand that the Bible says that Yahshua was crucified before Yahweh ever created the world? Do you know why? Because He was crucified in the stars! He was crucified in one of those twelve houses—it was the story of the crucifixion. Now do you understand that he was crucified in the stars before the Beginning?

Now what was CREATED IN THE BEGINNING? THE HEAVENS that DECLARE HIS GLORY. And who is Yahweh's glory? YAHSHUA! The Hebrews knew their constellations. They were not to worship the stars, but the first chapter of Genesis states that when Yahweh created the heavenly bodies, He did so for several reasons. Brothers and sisters, we need to stop here, and continue next week.
