Unlocking the Unseen Realm (Pastor Vaughn, Part 5 of 11, fhtv.tv #2900)

Seeking the Kingdom first
is how you're sanctified.
That's how your hunger and thirst
is always satisfied.

While the world stays stressed
over their daily provision,
My children are blessed
because they share My vision.

They have learned to live to give
and have Yahshua's mindset.
They know the true blessing
is not in what you get!

There is a precious promise
that has been misunderstood.
Carnal men have misused it
and then say "It's no good!"

"Whatever you ask in My Name,
that I will do..."
What they fail to realize is
My Name means My Character, too!

Do you keep My Commandments?
Do you love My Law?
When I ask you for a sacrifice,
do you surrender all?

I am full of mercy
and compassion for all men.
I understand their weaknesses
and am patient with all of them.

Until you understand this,
and you can do the same,
I will never give you
what you ask for in My Name.
