

THE HEAVENLY SCROLL–The Mazzaroth Part 11

Gemini Part 2–The Two Witnesses

By Pastor Shane Vaughn, First Harvest Ministries

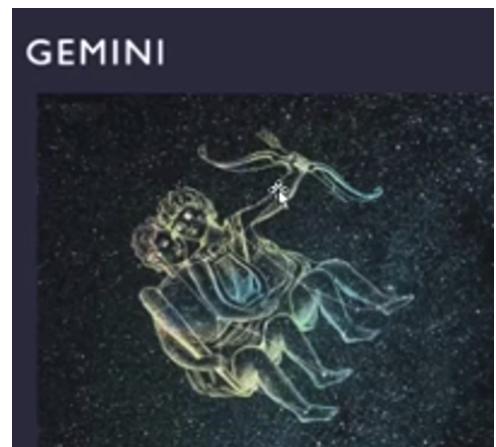

We are going to pick up today again with Gemini. There are ten previous parts to this Mazzaroth lesson.

We found out last week that Gemini represents The Two Witnesses. When you look at the Heavenly Scroll, you always have to remember that you're looking at a clock. This clock is ticking off a prophetic story. That story started with Virgo and went on through Libra and Pieces, and on and on and on through Aquarius, and Taurus. Now we are coming up to another sign. We've come into Gemini. Remember that

Gemini and Taurus are connected in the timeframe so that they are both working in tandem together.

When we get to Gemini we come to The Two Witnesses. Just before the Bull comes rushing in to bring Judgment on the earth, there will be a Two Witness Ministry. For those of you who consider yourselves ministers in this fellowship, you have got to learn the doctrine of the Two Witness Ministry. We have many doctrines in this ministry that are different from any other churches. For example, we have the Two House doctrine, which is the two houses of Israel. We have the Third Temple doctrine. We have all of these doctrines,

but one doctrine that you *must* understand is The TWO WITNESS DOCTRINE. Put that in your notes.

Why do you need to know that doctrine? Because that is the very IDENTITY of First Harvest Ministries. We are in fact, part of Gemini on the earth today. Every one of you who have found this ministry are part of the Two Witness work that is happening in the earth today. Remember this: the Two Witnesses are not coming. The Two Witnesses are not a future event. The Two Witnesses are happening right NOW.

There are those of you that have begun to notice in your own boldness, in the way you speak truth, an anointing. If you've noticed a new anointing on your life in the past year to all of a sudden speak truth when you may not have had that before, that is because the anointing of the Two Witnesses has come upon you, and you have been called for this hour to be part of the many-membered Two Witnesses.

Let's find out today why there are two witnesses instead of one, and what these symbols mean. Let's go to Deuteronomy chapter nineteen, verse fifteen, and then we're going to go over to John chapter eight, seventeen through eighteen, and we're going to find out about this.

Deuteronomy 19:15 One witness is not enough to convict a man accused of any crime or offense he may have committed, or offense he may have committed. Only by the mouth of two or three witnesses may the matter be established.

What Yahweh is doing on the earth today can only be established by two witnesses. We learned last week that these Two Witnesses are Moses and Elijah. We learned that they are Spirit and Truth. We learned that they are Philadelphia and Smyrna. We learned that they are the natural olive tree and the wild olive tree. We learned last week who these two witnesses are.

Before we go to the book of John, I want to show you another scripture about these Two Witnesses. That way you can know that it is not Enoch,

and it is not Noah, and all these people. Let's go to Matthew chapter sixteen. I want to show you something that you need to be aware of so people can't trip you up. We'll start at verse twenty-six, and go through twenty-eight. I am going to show you who the Two Witnesses are, and that it was always in your Bible.

Mattithyah 16:26-28 For what has a man profited if he gains the whole world, yet loses his own life? For what will a man give in exchange for his life?

27 For the Son of Man will come in the glory of His Father with His malakim; and then He will reward every man according to his works.

Let's pause for a minute. Here Yahshua is telling them that the Son of Man is going to come in His glory, or His Kingdom. He's telling them that He doesn't have His glory or His Kingdom right now, but there is coming a day when He will come in His glory. Right after that, Yahshua makes a stunning statement that seems to be a failed prophecy. As a matter of fact, if you ever talk to an atheist or a Muslim, this is one of the scriptures they will go to in order to prove to you that the Bible is junk and cannot be trusted. Let's read this next verse.

28 Truly I say to you: There are some standing here who will not taste of death until they perceive in a vision the Son of Man coming in His Kingdom.

He is telling His disciples that some of you are not going to die until you see the Son of Man coming in His Kingdom. How many of you know that didn't happen; that they all died—every single one of them—without seeing His Kingdom? When you talk to an atheist they will point to that scripture and say, *See? Those people died and never saw the Son of Man coming in His Kingdom.* All you have to do is go to the next verse: chapter seventeen, verse one, and you'll find where it was fulfilled to the letter.

17:1 After six days Yahshua took Kepha, Yaaqob and Yahchanan his brother, and brought them up onto a high mountain by themselves,

Now watch this carefully. He said, “There are some of you standing here—not all of you, but there are some of you—that are not going to die *until* you see Me in My future Kingdom.” Notice what happened. He waited for six days. I wonder why. I wonder why He waited for six days. *After* the sixth day which is the Sabbath Day, the Seventh Day, the Seven Thousandth Year, what does He do? Read.

2 And was transfigured; *His appearance changed, before them.* His face shone like the sun, and His clothing became as white as the light.

What did He tell them two verses earlier? “Some of you are going to see Me in My glory; you’re going to see Me in My Kingdom glory. You’re going to see what I am going to look like in My new body; in My terrestrial body. You’re going to see that.” Then He brings three of them on the Seventh Day, representing WHEN He will be changed, WHEN He will be in His Kingdom. But for that to be established, there had to be two witnesses to show up, for the Kingdom to be established. He said, “There’s a coming day and when you see the next two men, you’re going to see Me in My Kingdom.” Read the next verse.

3 And behold, there appeared in their vision Mosheh; *representing the Law, and Yliyah; representing the Prophets, talking with Him.*

Who did I tell you The Two Witnesses are? Moses and Elijah, or the Law and the Prophets, or Spirit and Truth. They had to be in the vision for His authority to be established. According to Deuteronomy, for the work of Yahweh to be established on the earth, there must be two witnesses. The Law must show up and the Spirit must show up. The power of Elijah along with the ministry of Moses must be there—Torah and Power must be there

or it is not the work that is going to precede the coming of Messiah. Go ahead Sister Sandra Brolliar.

All week I've had this on my heart. Yahweh is showing me that what is happening right now with this ministry is that you began as a little preacher in Mississippi, and then Yahweh Himself brought you that day in the vehicle, to the political side of this and He has ordained us as priests and kings. Those two things are also what you're speaking of.

Yes, yes, yes! Moses would represent the KING ministry because he was literally the King of the nation of Israel, and Elijah represents the Prophetic Priestly ministry. So once again is the Two Witnesses. Brother Don Robbins.

Correct me if I'm wrong, but was this transfiguration event a vision?

That's all it was. I'm going there now. Yes, sir. That's why they didn't die. Many people say, *See Brother Vaughn? That proves that Moses and Elijah didn't die and they did go to heaven. They are alive because they showed up on the Mount of Transfiguration.* Let's knock that devil in the head. Let's go down to verse number nine and read that.

9 And as they came down from the mountain, Yahshua warned them, saying: Tell this vision to no man until the Son of Man has been raised from the dead.

So did they actually see Moses and Elijah, or did they see a Vision of the Future? A vision. *Tell no man the VISION that I allowed you to look into.* When people say that Moses and Elijah showed up on the Mountain of Transfiguration, no they didn't. The Father took them into the future and let them see exactly what Yahshua told them they would see: Him in His glory.

We're talking about the Two Witness doctrine today. You've got to know what ministry you are part of. You've got to know why you're here. We're in

the moment now of the Two Witness ministry, and we're going to talk more about that. Now let's read John chapter eight, seventeen through eighteen.

Yahchanan 8:17-18 It is also written in your Law: that the testimony of two men is true.

18 I am One Who gives testimony on My behalf, and the Father Who sent Me gives testimony on My behalf.

So there must be how many men to establish Truth? Two. There must be two parts of a legitimate End Time ministry. There must be Spirit, and there must be Truth. You cannot have one without the other or that is not a Two Witness ministry. We'll talk more about that as the morning continues. I want to show you the pattern.

Yahweh has never left Himself without a witness in the earth that speaks on His behalf: Noah, Enoch, Elijah, John the Baptist, the Apostles. Here in the book of Revelation, Yahweh has two specific witnesses. These Two Witnesses are powerful. They are great, they are important, and they are powerful. Let me show you what they are going to do as they rise. Let's go to Revelation chapter ten, and I'd like to read to you verse eleven. Before we read that, I want you to remember that John the Apostle has been preaching the Gospel for many decades by this time. I need everyone to zoom in and listen, because I'm getting ready to show you something.

John the Apostle, the beloved of Christ, preached the Gospel for decades. He's been prophesying. When you see the word prophesying you have to be careful. It means to speak under divine utterance. It doesn't mean to tell people their addresses necessarily. When there comes a moment while a man is preaching and you begin to hear that divine utterance coming out of his mouth, that is true prophecy. John has been prophesying for decades, but something very strange happens here on the Isle of Patmos. Listen to what happens.

Revelation 10:9-11 And I went to the malak, and said to him; Give me the little book. And he said to me: Take it, and eat it up; and it will make your stomach bitter, but it will be sweet as honey in your mouth.

Let's hold on a second there. Here's John the Revelator who is an Apostle! He has been preaching the Gospel and he sees an angel in the vision, and this angel has a little book in his hand. John tells the angel to give him the book. The angel says he is willing to give it to him, but tells him what is going to happen when you get this message.

The angel says, You've been preaching all your life, John, but there's an end time work that's about to be done, and that's going to bring forth not a big book, but a little book. Turn your spiritual ears on, children. Not a big book, but a little book. He said, There's an end time work to be done when I feed you this new revelation; when I feed you this new understanding. I know you've been preaching all your life, and I know you're Pentecostal. I know you're Baptist, and you think you have this all figured out, but I'm getting ready to feed it to you in a new way.

Two things are going to happen when I feed you that book. Number one, when you taste it, you're going to love it. It is going to be so sweet to your lips, and you are going to tell everyone, "I tuned into Brother Vaughn's teaching and you won't believe what I heard! I found out I was an Israelite. I found out that I wasn't going to heaven. I found out the Kingdom is coming to earth. I found out that I'm going to be a king and I'm going to rule over the nations! I found it all out!"

It's going to be sweet to your lips. You're going to LOVE this new Truth that you found! But the angel said, John, when you eat this truth and it starts digesting inside of you. and you realize it is more than a cute new little revelation and it's not a fad that's running through the church; when you find that out, it's going to change your whole LIFE! It's going to become bitter to your stomach and your inward parts. There's going to be times

when you wish you could even give it back because it is changing you so drastically from the inside out!

Listen. He said, You're going to love this message the first two or three times you hear it, and you're going to study it, but here's what's going to happen: things are going to start working on the inside of you. It's going to start messing with your holidays. It will start messing with your schedule. It is going to start messing with your food. It's going to start messing with your lifestyle. It's going to start messing with everything you love, including your mama and your daddy. It's going to mess with you!

Where is it going to be sweet? ON YOUR MOUTH. You can't wait to get back to Tabernacles. But it's not about you getting to Tabernacles. It is about Tabernacles getting to you!! Do you understand me? It isn't about *One day when I get to the Kingdom*. The Kingdom is trying to get to you right now! Listen to me. You better get a hold of this. He said, *It is going to be sweet to your mouth, until come Christmas time, come time for the crawfish boil, come time for loving your enemies and your own family who are not listening to this new truth that you fell in love with. Until this message changes you to love everybody, even those that despise you; until it starts messing with you, you don't have it yet.*

The book starts right here, children. You eat up this message every Saturday morning, but come Sunday morning, it will start eating you up. Listen to me carefully. I want you all to listen. You're eating this message up today, but tomorrow it's going to eat you up. This is not for children! Do you understand? This is not for those who love Babylon. You must vomit Babylon out of you. This message is going to meet what is left of Christianity inside of you, and there is going to be a WAR.

There is going to become a war in your belly. I'm talking from my heart. When you get this message, it's going to meet what's left in there. I'm not just talking about holidays and food. I'm talking about your very love for PEOPLE. Your old religion lets you fake it until you make it. This ministry

won't let you fake it. You've got to *really* love people! People don't like to hang around me because I won't get involved in their drama. I won't run people down. It's working on the INSIDE. It's CHANGING me; REARRANGING me!

There's times I want to get it out of me and be like them, but then I remember how sweet it was to my mouth! I remember when I first heard this truth how sweet it was, and I say, "Yahweh, let me get it all out. Don't let me throw the message up! Let me throw the mess up!" This message is going to work on you! Some of you won't be here next year. You'll be at the deliverance tent because it's more exciting. But some of you the message has gotten a hold of you and it won't let you go! HalleluYah!

I have a warning for you all, but especially the local church. If I was out there and knew there was a ministry like ours, even if I was a hundred miles away, I'd come everytime the doors opened, even if it was every night. Yet some who are here locally in the church are so lackadaisical, so lazy. Yahweh will take away from you what you don't appreciate. I hope every local member of First Harvest just heard me. Yahweh will take away from you what you don't appreciate. You better get it together. I'm worried about some of you.

Local church, what you have here is what over a thousand people would give anything for—just like the people in Jerusalem who had Yahshua, didn't know what they had. They had John the Baptist, and they didn't know what they had. They were squabbling over unimportant things and Yahweh took it away from them. Get it together. Quit squabbling. Love this truth! Nothing else matters! Don't listen to people. If someone comes in your ear talking about your pastor and you don't shut them down, you're not a member of this church. Let's keep reading.

10 And I took the little book out of the malak's hand, and ate it up;; and it was sweet as honey in my mouth. And as soon as I had eaten it, my stomach was bitter.

I took the little book. I took Brother Vaughn's message. I took the angel's message. I ate it up. Read.

11 And he said to me;

Now hold on. AFTER the belly gets bitter and you begin throwing things up—after you've thrown up your Pentecostalism, after you've thrown up your Baptism-ism. John had been preaching for decades and he had to throw some things up because of the little book. The angel said, *After you've thrown it all up; after you've thrown your Christmas decorations up, you've thrown this world up.* Listen to what he tells John next. Read.

You must prophesy again before many peoples, and nations, and languages, and kings.

Now John, I don't care what you've been preaching for the last seventy years, you've got to go re preach everything you ever preached. Now you've got to prophesy what was in the little book. You are not going to prophesy what you were prophesying. Your message is going to change. Now you've got to preach as a WITNESS to many nations; many tribes and many tongues.

Now let's read Revelation 11:9.

Revelation 11:9 And they take out of the people, and tribes, and tongues, and the nations into The House of Yahweh, turning them to Yahweh for three and one-half years, because they will not allow this body of believers of The Two Witnesses to be placed into the tomb.

We are getting ready to go back to The Two Witnesses in a minute. Last week I taught you in Zechariah about the two olive trees, and you need to understand that these Two Witnesses are not separate witnesses. These are not two separate men. It is a GROUP of people who will speak through Himself. The Two Witnesses are *you*. Yahweh is looking for a WITNESS in

the earth who will let Him speak through them about Himself. For example, He's looking for somebody who will open their mouth and say, "My Father's Name is Yahweh." Now Yahweh is speaking through you *of* Himself. He's revealing Himself to the world through the WITNESSES.

Remember the lampstand had two elements—the Light and the Oil. However, that is not two SEPARATE elements. A Church UNITED in Spirit *and* Truth, Grace *and* Works, Law *and* Grace, producing the Light of Yahweh's Word with Power *and* Demonstration. You need to understand who these Two Witnesses are.

I'm going to scroll down and talk to you in a minute about this Two Witness Company. I want to show you exactly the timeframe that we're living in so you can grasp it in your mind. Let me show it to you like this: In the early 1940s there was a Moses type ministry that began to emerge from the denominational churches. Back in the 1940s there was a great revival that was a coming out of religion. Many great men such as William Branham, Jack Coe, A.A. Allen, Oral Roberts, Tommy Hicks were all being used by Yahweh outside of mainstream religion.

William Branham was non-denominational, and everywhere he went he was calling people OUT of their religions, their denominations. He was calling Pentecostals out of Pentecostalism. Nobody ever knew what church Brother Branham belonged to. Matter of fact, he didn't belong to a church. He had a small building sort of like ours, in Jeffersonville, Indiana and it was called Branham Tabernacle. It was their headquarters church. But he had a world-wide ministry. He never associated with any denomination.

Brother A.A. Allen, Jack Coe, Tommy Osborn, and all these great, great men went out into the tents. Does anyone remember the big revival tents of the 1940s and the 1950s? Why the TENTS? I want you to think about it. Because that was a symbol of SUKKOT. We were coming into Tabernacles! That was a symbol of Yahweh leaving the mainstream churches and coming into those tents, calling His people out of religion at large.

Those men were part of the MOSES Ministry. What did Moses do? He CALLED Yahweh's people OUT of the religions of Egypt, or Babylon if you will. So those ministries were filled with what? POWER! Those ministries were filled with Divine Healing. People were healed by the thousands. This was DELIVERANCE Ministries. It was a great move of God, calling the people out.

But let me tell you what it was not. It was not a TEACHING Ministry, and therefore, the Moses Witness has already happened. Now what we are coming into is the SECOND Phase of the Two Witness Ministry. This is the ELIJAH Ministry which is not a Deliverance Ministry. Listen to me carefully. The Elijah Ministry is a Divine Quickening. Remember what Elijah prayed. He said, "Answer me by FIRE." The Elijah Ministry destroyed the prophets of Baal.

Moses didn't deal with Baal. Moses was just calling the people out. That was the First Phase of the Two Witness Ministry in the 1940s—calling the people out. The Moses Ministry was calling the people out, but then Elijah follows the Moses Ministry and does what? He calls the paganism out at Mount Carmel does he not, and exposes the modern Church for paganism? And in order to do it, he demands that they dig a ditch around the altar and they add works to their faith. He demands that the fire falls on that ministry. The Elijah Ministry is the Voice of Yahweh speaking to His people. It is the Revelation of Truth as never before.

The difference in the Moses Ministry and the Elijah Ministry is that Moses was a Beginning; a calling out. Elijah is a PERFECTING or a Finishing Ministry. It is a KINGDOM Ministry. It will have the following traits: As the Two Witness Ministry Rises, it will BURN everything that can be burned! Now you might understand why The Two Witnesses have Fire coming out of their mouths! Stay with me. The First Witness of the End Time had Power, but no Revelation. The Second Witness will have Revelation *with* Power. The Elijah Ministry is designed to break the RELIGIOUS BONDAGE in Yahweh's people. I want you to write that down.

The Elijah Ministry is designed to break the religious bondage in Yahweh's people. These are the most subtle of all bondages, so Yahweh has caused His Chosen People to turn away from all their Idols. For Yahweh has come in the Power of His Spirit and He has answered by FIRE. We are in the age now of the BURNING. We are going to talk about that burning in just a minute. We are in the burning. If any of you have heard me preach, some people say, "He just burns me up when he preaches." Good. GOOD!

There's a fire that is going forth throughout the world and it is burning out everything in you that's still in that stomach. Do you know what's in your stomach? Everything that was fed to you in Sunday School, what was fed to you on Sunday morning church services, what was fed to you by TBN. What was fed to you! Your stomach is full. But when this little book comes in, things start churning and burning. HalleluYah!

*Churning and burning in my soul;
That fire from Yahweh took control,
And now there's churning and burning,
churning and burning in my soul.
I feel that churning and burning in my soul.
I feel that churning and burning in my soul.
The fire of Yahweh has taken control.
I feel that churning and burning in my soul.
Whoooo! HalleluYah!*

I feel that churning and burning in my soul. Oh HalleluYah! Does anyone feel that churning and burning? Go ahead. Sister Chelsea.

I wanted to share a couple things about the Two Witness Ministry. It was mentioned how many came to our ministry through Professor Toto. You came into our lives as Professor Toto, teaching us the law of this worldly land and how through our forefathers, Yahweh brought His heavenly ordinances as protection over His people. But now you're in our lives as Pastor Shane. You have taught us Yahweh's Laws and ordinances. Now you have taught us Spirit, and Truth which comes through Yahweh's Law

and the Prophets. So we are a Two Witness Ministry. We have been eating this word up for three years.

I see that. And when you start regurgitating, throwing all those past teachings up, then you won't eat that food anymore. This ministry is unique because we will make the Bible make sense. That gives people faith and hope in Yahweh. Let's move on now and turn to Revelation 11:5. Let's find out in these end times, what power this ministry is going to have.

Revelation 11:5 And if any among them determines in his mind to commit sin, the every word of Yahweh; the Law and the Prophets, like the two-edged sword of fire, proceeds out of the mouth of the spokesman of them, and he devours his enemies; and if any among them should *continue* to commit sin, in this manner it is binding for him to be destroyed.

The first power that we see that these witnesses have, is the DESTRUCTION of their foes; of their enemies. Here is the problem with that. Carnal minds think, "I want that ministry. I can breathe fire and kill all of my enemies." But here's the problem: the enemy of these Two Witnesses is not human beings. The enemy of these Two Witnesses is not other people. But rather, the enemy of these Two Witnesses is anything besides the truth. If they are witnesses of the truth, what is their enemy? RELIGIOUS LIES. The foes and the enemies that will come against the Two Witnesses is RELIGION.

I'm getting ready to prove to you that the enemy of the Two Witnesses are the old religions that you came out of that will try to destroy you and try to bring you back to Babylon. Something is going to happen with these Two Witnesses. Don't be carnal. Don't be childish in seeing fire coming out of their mouths. Surely you don't believe anymore that that is real fire. Do you think the day is coming in this ministry when we are going to open our mouths and fire will come out of our throats? Some would love that ministry and that's why they will never have it—because He can't trust you with that fire.

He cannot trust you with that kind of fire unless you are like these Two Witnesses. Let's read the scripture about these Two Witnesses being dressed in sackcloth.

Revelation 11:3 And I will give to My Two Witnesses to perform their prophetic offices, and they will foretell events about the three and one-half years, those cast about with darkness.

KJV And I will give power unto my two witnesses, and they shall prophesy a thousand two hundred and threescore days, clothed in sackcloth.

He's saying, "I'm going to give My authority to an End Time Ministry that is dressed in HUMILITY, that is dressed in constant REPENTANCE, that is dressed in BROKENNESS. That way, when I put this fire in their mouth, it will not be Strange Fire. It will be Holy Fire. I am going to give them authority over their enemies or their foes." In other words, when they hear a lie, they are going to have so much power in their mouths, that the lie will never bring them back to Babylon.

When they are confronted by Christmas—when Christmas comes calling, when pagan worship comes calling—immediately there will be a fire that comes out of their mouths and the Word of Yahweh will be so sure inside of them that their enemies will crumble at the spoken word that comes out of their mouths. But only for those dressed in sackcloth. Only for those who say, "I'm not worthy of that, but Yahweh if you give it to me, I won't speak evil to any of my enemies. I won't try to burn them up, but I will speak truth to every lie."

The only enemy of the Two Witnesses are the lies that are in your mind that cause you to doubt your calling as a member of these Two Witnesses. Our God is a consuming fire. Our Bible says that. In the book of Daniel it says that a fiery stream comes forth from Yahweh. What's coming forth from these Two Witnesses is a fiery stream. There is a wheel in a wheel. I am the

wheel and He is the wheel inside the wheel. If He's breathing fire, I've got to breathe fire. If He issues a fiery stream, you've got to issue a fiery stream: against your emotions. The enemy of these Two Witnesses is their emotions; to give in just a little! Just a little! Don't be so brazen and so bold.

Why do you have to post recipes instead of truth? The enemy of The Two Witnesses is themselves; the lies that they choose to believe, and anything that takes that truth away from them and says, *Don't say that name Yahweh so much*. Open your mouth and declare the scripture: My Name is YAHWEH! That's Fire! You'll destroy the lies, you'll destroy the emotions, you'll destroy the desire to turn back if you'll just read one scripture. If you'll just read just one word from Yahweh, you will destroy the enemy of the Two Witness Ministry.

Yahshua is compared to a fire. The Bible says He is like a Refiner's Fire. The Holy Ghost is a Fire, and ones that want the Holy Ghost are told to be baptized. Let's read Hebrews chapter one, verse seven, and let's find out what the true worshipers are.

Hebrews 1:7 Now of the malakim He says: Who makes His malakim spirits, and His ministers a flame of fire.

What are the ministers of Yahweh; the true ministers? What are they? FLAMES OF FIRE! Get in their way with false doctrine and see how fast they'll move to put out that lie; to burn it down! We come up to pagan altars and we breathe on them! It's getting hot up here! Anytime you declare, *I won't back down, I won't give in, I won't turn around, I won't back up*, that's fire, Fire, FIRE burning down anything that exalts itself against the knowledge of Truth! Read Jeremiah 5:15.

Yeremyah 5:15 Behold, I will bring a nation against you from afar, O house of Israyl, says Yahweh. It is a mighty nation, it is an ancient nation, a nation whose language you do not know, nor can you understand what they say.

Your words are not meant to make people happy. They are meant to BURN.

They will run from the fire, lest they get burned.

Say it my sister. There's a few of us who, like the three Hebrew children, say, "Put us in the fire. Turn up seven times hotter so we can meet the man in the fire. Please burn us!" HalleluYah! There's a churning and a burning. Read Jeremiah 15:14.

Yeremyah 5:14 Therefore this is what Yahweh, Father of hosts, says: Because you false prophets speak this word, behold, I will make My words in your mouth fire, and this people wood, and it will devour them.

Preach sweeter Brother Vaughn. Love people. Be kinder! Don't be so hard!

My Bible said that when I speak the word of Yahweh, that I will be the fire and you will be the wood! Unless that wood is wet, it will burn. I'm telling you today that somebody in this room when they heard this message, caught on fire today. Use that same message of fire. You'll notice that message of fire coming upon you! You'll notice that same boldness in your mouth, because there's a fire burning! There is a wheel in a wheel and it's turning in me! The fire is burning on the wood! HalleluYah! Glory to Yahweh! Is there any wood in the house today?

Do we have any wood here today? Is there any wood? Is there anyone who says, "Burn it all out! I don't care who doesn't like me anymore. I don't care who thinks I'm crazy. Set me on fire so that I can be one of those Two Witnesses so that when I open my mouth, lies will be destroyed."? Every lie will be destroyed! Everything not of Yahweh will be brought to nothing! The Bible says that everything that can be shaken will be shaken. I feel the fire burning everyday of my life. The fire is burning it all out until my mouth becomes the same fire that burned me up. HalleluYah!

Somebody needs to catch on fire. I love that verse; Jeremiah 5:14. My Word is Fire. The people are wood. It's so funny; sometimes in my church I'll be preaching and that fire is coming out of my mouth, and I look at some of the people and they aren't trying to burn. They're putting a little water on their wood. They're putting up their defenses. But then I see that for some, the fire just burns them up. HalleluYah! Put fire on the wood. Jeremiah 23:29. I feel a little fire burning.

Yeremyah 23: 29 *Is not My word; the Law and the Prophets, like a fire, says Yahweh: and like a hammer which breaks rock to pieces?*

Calm down, Brother Vaughn! Quit hitting so hard. Everyone is not on your level. Be patient.

I've never seen a hammer be patient. We've got work to do. If you're part of this Two Witness ministry, there's work to do! When you post truth, you are going to make everyone on your timeline angry because nobody wants to burn. Nobody wants to burn. But those who are meant to burn, they're going to burn! HalleluYah! Now I want to show you another power we have as The Two Witnesses. Revelation 11:6. I'm going to show you the power of this End Time ministry.

By the way, somebody was asking me about how many days these witnesses are going to testify. Don't get caught up in the semantics. Notice what those twelve hundred and sixty days represent: The Great Tribulation. As tribulation begins against the Church as it's doing right now, that's when the witnesses begin to rise, so this is representing tribulation. Read.

Revelation 11:6 *These hold Yahweh's authority to shut the heaven, in order that rainfall does not rain the days of their prediction; and Yahweh's authority they have over the waters, to turn them into blood, and to strike the earth with every plague—as often as, provided, they should will.*

I'm getting ready to show you another power that this End Time ministry has. Remember, it was Moses who brought all the plagues on the earth. That's how we know that Moses represents one of The Two Witnesses. But guess what Elijah did. He shut up heaven so it didn't rain. That's how you know that this is Moses and Elijah. That's how you know that it's the TRAITS of their ministries, not the man themselves. Just like John the Baptist was Elijah, but it was not literally Elijah. It was a man in the Spirit of Elijah, or that operated in the characteristics or traits of Elijah.

In The End Time Witnesses we see two kinds of characteristics. One: shutting up heaven; the other one—turning water into blood. Who did that? Elijah. The plagues, who did that? Moses. So just look at the characteristics and the traits, and you will see who the Two Witnesses are. Now let me show you what these Two Witnesses are going to do. They are going to shut up heaven, and they are going to turn water into blood. Get out of your carnal minds. Come out of the outer court, get out of that 30-fold, and come in deeper with me now. Let's go to Zechariah chapter fourteen, sixteen through eighteen.

Zechariah 14:16-18 Then it will come to pass that everyone who survives of all the nations which came against Yerusalem, will also go up from year to year to worship the King, Yahweh of hosts, by keeping the Feasts at The House of Yahweh.

Now listen. There is the scripture that tells you that during the Millennial Reign that every human on earth will keep the Feast of Tabernacles, not just you. Remember, you are the first harvest, the prototype. You're setting the example of what the whole world is going to do one day.

17 And it will be *that* if any families of the earth will not come up to Yerusalem to worship the King, Yahweh of hosts, then upon them will be no rain.

18 If the family of Egypt will not come up and present themselves, *they also will have* no water; **they will receive the same**

plague with which Yahweh of hosts strikes the heathen who will not come up to keep the Feasts at The House of Yahweh.

I've got to preach to you now. Remember that your experience in Yahweh starts at Passover. Then it progresses to Pentecost. Listen to me carefully now. For those who refuse to come into the end-time message, which is represented by Tabernacles; for those who stay stuck at Pentecost, or at Passover, here's what you're going to see happen in those ministries: Because they have rejected the next move of Yahweh, you are going to see The Two Witness Ministry STOP the rain. When these Two Witnesses rise up, you're going to see the so-called Revival that all those churches are having. You're going to see a REPLACEMENT of the Glory, with the Glitter. You are going to see a replacement of the Power, with Smokescreens and Fog Machines.

You're going to see the RAIN STOP on the whole Church— those that don't move into the end-time message. Those churches will have holiness, but they will deny the POWER, and the rain will stop. The message of The Two Witnesses will shut up heaven on those out-of-order churches!! Their message will stop the charade, or expose the charade. It will show you that what you thought was the moving of God was the moving of EMOTIONS. What you thought was the move of God was nothing but leftovers! It was nothing but leftover crumbs from a FORMER move of God. The anointing in those churches has lifted.

I don't know if you've noticed it or not, but those old order churches that are not moving into this Tabernacles message—the anointing has lifted! It's all a SHOW because The Two Witnesses are shutting up heaven over RELIGIOUS movements in the world! Have you been to a church lately where they say, "Where are the miracles?" That's because the Two Witness ministry is literally shutting up the Miracles! Why? Because Elijah is shutting up the RAIN! Where are all the signs and wonders? Gone, because This Ministry has shut it up! Elijah shut up the ministry so it wouldn't rain. Why? So the people in Israel wouldn't be deceived into thinking they were

having a move of God. He said, “Stop it! STOP IT! Let them keep having church, but stop the rain because they won’t hear the message.”

In this ministry you are going to see real, supernatural miracles. It will not come from show. It will not come from theater and theatrics. It will come from OBEDIENCE among the members. We are seeing miracles. I’ve seen a miracle in my feet. They have not swollen one time. Supernaturally, not because we’re out blowing on people, not because we’re spitting on people, not because we’re running a theater; but because the healing is the children’s bread when you’re in covenant with Yahweh.

Notice what it said. It will only rain on those who keep Tabernacles; those who move from Passover to Pentecost, and they come into the Tabernacle message, which is the last message. Those people will have rain. You’ll walk in their services and see that they are alive, and they look happy to be there.

Brother Vaughn, regarding that scripture that you read about the hammer, the Lord says that their stone is not their stone, and so that hammer will destroy that stone that is not our stone.

It will chisel the real stone, but it will break into pieces that other stone. HalleluYah! This rock is Yahshua. I’m in the Rock; the Rock of Ages. That stone will be chiseled and perfected and matured by the hammer of the Word. That other stone will fall to pieces. Isn’t that wonderful?

Listen brothers and sisters, when those Two Witnesses begin to speak, what are they speaking? Law and Grace. They’re speaking Holy Ghost Power and Sabbath Keeping. They brought together the Torah with Pentecost. They didn’t leave Passover. They brought it with them. They didn’t leave the true Pentecost; they brought it with them as they marched to Tabernacles. Those who are moving into the THIRD Message, you’re going to have RAIN. You’re going to feel that even though you don’t have a church to go to, you have more rain in your life than you’ve ever had! Why? Because it was all fake! The rain from heaven was shut up over those churches. The rain was

shut up in those places. You hear good music and you see the pastor looks nice, and the church is beautiful, but where's the rain?

When the Father calls you out of that building into this tent, don't you know Tabernacles is all about TEMPORARY Dwellings?

Brother Vaughn, I don't have a church to go to.

TEMPORARY DWELLINGS!

I don't have a system, Brother Vaughn, to put my children in.

Then come on to the TENT!! Come on to Tabernacles, and gather in that temporary dwelling with us right here on Zoom. You'll find more rain!!

This is a WORD! I know when a RIGHT-NOW WORD is coming out! A right-now word is being released! There is a RAIN over Tabernacles. Those in the Tabernacle message, what is the Tabernacle message? The Kingdom of Yahweh will be established during Tabernacles. Those preaching the Tabernacles message are going to have rain. Money is going to rain. Blessings are going to rain. Healing is going to rain. Revelation is going to rain. I FEEL the RAIN! HalleluYah!

He said, "To all the rest of them that didn't come, shut off the rain." Is anybody hearing this right-now revelation? I've never preached this before. I didn't plan it. It's coming as I speak to you. It's COMING! Those who won't leave their false church, they won't have rain anymore. You used to have rain. But there is a NEW message. The Two Witnesses are rising and they shut off the rain everywhere else except Tabernacles. I feel the angels! HalleluYah! My God, have mercy! Elijah stopped the rain over those false churches.

You know what? You didn't know they were false churches until you found the true church. You didn't know they were false. You thought you were in the rain. But when you hear The Two Witnesses and you start running to

Tabernacles, you will find the rain. Anybody listening to me, if you are not already booked for Tabernacles next year, you don't know this message. It's not in your heart. Tabernacles is the next move of Yahweh; the PRESENT message on the earth. The Coming Kingdom message is Tabernacles. If you're not saying, "Is it next year yet?" you don't have it in your heart. Tabernacles is bringing us into maturity. Any enemy of the End Time Witness will not have rain.

As I close today, there's another power we have. We're going to turn water into blood. Read that verse. I've already talked about the first two powers. Fire is going to come out of our mouth. We're going to shut the rain off over anyone anywhere not keeping Tabernacles. But there's another power. I want to show the third power, and then we're going to go. I don't have time now to even show you when they are lying dead in the streets. I imagine we'll have to do part three of The Witnesses. Go ahead and read verse six again.

Revelation 11:6 These hold Yahweh's authority to shut the heaven, in order that rainfall does not rain the days of their prediction;

Notice that the rain doesn't stop until they start preaching. The rain keeps falling in all those old order churches until this message rises. Then all of a sudden, there will be a notable difference in those churches. Read.

and Yahweh's authority they have over the waters, to turn them into blood, and to strike the earth with every plague—as often as, provided, they should will.

Now we have power over WATER, to turn the Water into Blood. What does that mean? Don't be 30-fold right now. Don't see water, and don't see blood. See the Spirit of the Word; what is BEHIND the water and what is behind the blood. It's really simple. Water symbolizes LIFE, but blood that has been released from the body symbolizes DEATH. Even though life is in

the blood, the minute you see the blood, life is gone because now you have blood which symbolizes death.

That's why there is power in the Blood. It's a testimony that the Life of Christ was in that Blood, and when it was shed, that life is now gone back to heaven. So if water symbolizes life and blood symbolizes death, then The Two Witnesses are going to have authority to take the waters you have been drinking—doctrines and teachings. You have been lapping like a dog in those worldly church systems that have given you life all your life. Water gives you life, and as you drink the kool aid; as you drink what they're teaching you, that water has been giving you life, or what you thought was life all these years.

But when you hear this message, what looked like life, you're going to see it as death. This Witness Ministry is going to turn your water into BLOOD! It is going to KILL everything that you ever believed. Every false sermon you've listened to is going to turn into Death. Everything you thought was right, was really an error—blood! What you thought was spiritual truth was lies—blood! The Spiritual Truth of those messages will come from the Ministry of The Two Witnesses.

I don't know about you today, but MY WATER has turned into Blood. What I grew up thinking was Life, was really Death. But when I heard the truth, I spit out that blood and began to drink from that little book. I began to drink from the True Living Water which is Yahshua our Messiah! This ministry will turn your water into blood. It's not that we turn it into blood; we expose it to you. It was always blood, but you thought it was water.

I want everyone to remember something before we go. When we went to that mountain to pray, the poll numbers had turned against the Republicans. There was never going to be a Red Wave. Does anyone remember when the Red Wave was over and the tide had turned to the Democrats? The Democrats had taken over. Do you remember that? I want you to know that from the moment we left Tabernacles, those polls began to change. Call me what you want to call me, but when this Two

Witness Ministry goes on a mountain to pray, there is rain. Did you hear me? There is RAIN. I think it was Sister Vicky Baker who told me this on the way to pray that morning. Sister Baker, what did you tell me? There was something burning in your spirit that morning.

It's what Israel prays, not what just anyone prays; but Israel. That's when the move of Yahweh cannot be stopped. It was the Lord's Prayer. There's nobody that can say the Lord's Prayer like Yahweh's people can. He's been waiting all this time for us to step up and pray.

Because there's rain when we pray, Sister Baker. There's rain when we pray! We are those Tabernacle people!

It's raining! It's RAINING!

I receive it! I believe it! We need to sing a song that says:

*We're those Tabernacle people; da da da da da da da
We've moved in the Spirit, we've left Pentecost behind.
We're those Tabernacle people; we're moving on, we've left it all behind.
To sing a brand new song we turned our water into blood;
Every one of us is moving out of Babylon.
We're those Tabernacle people, we're moving on.*

Thank you Father that we're those Tabernacle people moving on this morning. Amen. Yahweh bless you.

I feel that rain; I feel it falling down on me. It's the latter rain, the former rain together. No, I'm not talking about the weather. It's the Holy Ghost rain that's falling down on me. HalleluYah! Praise Yahweh.
