

The Ministry of Satan

(based on Pastor Vaughn's video teaching #1542)

You say you are a child of God
and are trying to do your best.
But what happens in your mind
when you're put to the test?

Satan was created to test you-
and prove who you really are.
Yahweh gave him permission
for every battle, every scar.

He has been commissioned
to get your mind right,
to prove your faith in Yahweh
is not limited to sight.

Don't focus on the bad that happens TO you,
that will only make it worse.
Instead, look what Yahweh's doing IN you
to free you from the curse!

Thank Yahweh with a grateful heart
and give Him joyful praise!
He'll make a way to bring you through
with strength for all your days.

You'll learn what's really in your heart
when you walk through the "fire".
Let him purge away impurities
and lift you even higher!
