

THE MISSING MANCHILD

Part 4

By Pastor Shane Vaughn, First Harvest Ministries

We're going to pick up on part 4 tonight of The Missing Manchild and try to bring it further than we brought it last week. I don't know if you remember last week where I explained the manchild, and that how the church is producing in this hour the manchild. So we're going to pick up at Revelation 12:1-3.

Revelation 12:1-3

1 And there appeared a great wonder in heaven, a woman clothed with the sun, and the moon under her feet, and upon her head a crown of twelve stars,

2 And she being with child cried, travailing in birth, and pained to be delivered.

3 And there appeared another wonder in heaven, and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads.

Let's go to Hebrews 9:9-14.

Hebrews 9:9-14

9 Which was a figure for the time then present, in which were offered both gifts and sacrifices, that could not make him that did the service perfect, as pertaining to the conscience.

He said in times past we did things that did not effect our conscience. In other words, they were doing the shadows but it didn't have the power to deal with them up here (in the head).

10 Which stood only in meats and drinks, and divers washings, and carnal ordinances, imposed on them until the time of reformation.

11 But Christ being come an high priest of good things to come, by a greater and more perfect tabernacle, not made with hands, that is to say, not of this building.

12 Neither by the blood of goats and calves, but by his own blood he entered in once into the holy place, having obtained eternal redemption for us.

13 For if the blood of bulls and of goats, and the ashes of an heifer sprinkling the unclean, sanctified to the purifying of the flesh,

14 How much more shall the blood of Christ, who through the eternal Spirit (Holy Ghost) offered himself without spot to God (Yahweh), purge your conscience from dead works to serve the living God?

Go back to verse 13. It says the blood of bulls and goats could sanctify the flesh, or clean the flesh. But in verse 14, how much more shall the blood of Yahshua, who through the Holy Ghost, offered himself to Yahweh, purge, not your flesh, but your conscience. Hallelujah. Amen. Praise God.

Father, without you, we're nothing but a sounding brass, a tinkling cymbal. But if somehow you could reach down and take a hold of this mouth and speak, then we would all be blessed for it. Father, I ask that you anoint the lips of the unprofitable servant as I stand before the most wonderful people in the whole world. Father, as I stand before this sacred congregation of the righteous, not just mere men, oh no, people that are being transformed into one new man. Father, as I stand before them, give me their eagle food that they may gather around the table of the Lord and be fed.

Hallelujah! Are you hungry tonight? Amen. Amen. Hallelujah.

We've got a lot of talking to do. I want to bring some things home to you. When we were in the book of Revelation a moment ago, we read about a woman. That woman is the church. That woman is the Overcoming Church. There are two churches. You already know this. There is the Church Carnal and the Church Spiritual. Always remember that, ok?

There's two churches in the earth. The Bible calls one the Whore. And one is the Virgin. You saw that whore this week whenever she approved blessing same-sex couples. That's the whore, ok? So anything that does not line up with the word of God is a whorish religion. And in the world that we live in, there's a whore church, and there's a virgin church.

The only church that will give birth to the manchild is the Virgin Church! That's the only one that will do it, amen? That other church will despise the virgin church. Now we saw this woman in a unique situation. First of all, the Bible said she was clothed with the sun. Keep that in mind. We know that by the Spirit and by the Word that the sun is a type of the glory of Christ. Because the Bible said that Yahshua is the "sun of righteousness". So we know that on the Mount of Transfiguration, the Bible said that his countenance shone brighter than the

noonday sun. So when you see this sun in this woman, literally she's so clothed with the sun that it's literally coming out of her pores. It looks like she's wearing the sun. But the truth is beloved, she has so much of the sun internally, that it's just coming out externally.

So he said I looked at the woman and I saw literally, she was blind, the sun was pouring out of her and that's the way that I saw her, brighter than the noonday sun. Now this woman the Bible said is *clothed*. What does that mean? When you look at me, you don't see nakedness. You see the clothing that I'm adorned with. He said when I looked at that woman I saw the sun. Or in other words, when I looked at her, I could have sworn I was looking at Yahshua because the sun was her garment and it permeated her very being.

The virgin church will be the exact duplication of Yahshua himself. Amen. And we must get some of you in this building and those watching me live, the sun inside of you so it can begin to clothe you in the garment that is the wedding garment! If ever you've wondered what the wedding garment is, it's the sun that's literally dressing you from the inside out. As you begin to live for the Lord, and you begin to become one with the son, as you begin to imitate him, and he begins to fill your life, people will look at you and they will be blinded by the Son of God, such coming out of your mouth, out of everything you do! That sun wants in you.

This overcoming church is filled with the life of Christ! *Brother Vaughn, what is the life of Christ?* Everything you read in the Bible about Christ, that's his life. If you ever saw a place where he was being crucified, and he looked down and said Father forgive them, you're looking at the life of Christ. If you've ever been reading about Christ and you read where they spat on him, and you read where he didn't spit back, you're reading about the life of Christ. Whenever you read that he prayed to his Father daily for strength, that's the life of Christ. If you're reading about Yahshua and you're not seeing yourself, you're part of the whore church.

I'm going to say it again. Only the virgin church is clothed in the very essence of what he was clothed in. The Bible says he spoke not a word. Did you hear me? He spoke not a word. If you're still talking too much, you might need a little more sunlight in your soul. Hallelujah. The life of Christ must take over your life from head to toe. It must take over your mentality and your mindset. Only a person who is producing the light can produce the son, the manchild, that's all.

But that's not the only thing we see here. We not only see her dressed in the sun, but we see something else very important. We see her standing on the moon. And that's where I've come to preach to you tonight as your pastor. You've got to be

careful to not get your feet stuck on the moon. What is the moon? Well if the sun is a type of Christ, remember that the moon is dead.

The moon has no light. It is a shadow of a greater light. And when that sunlight shines on the moon, it reflects what's shining on it. Now all of a sudden we see the bride. The only way that the sun can come through her—she has to plant her feet in a dead moon. I'm going to show you tonight the victorious church. I'm going to show you the only church that will bring forth the manchild.

So what is the moon representing? What is the moon? The moon is the outward, religious observances or rituals, the ceremonies, the programs, the doctrines, the sacraments, the baptisms, the Passover meal. This moon is those dead rituals that contain nothing within them. You can take a piece of communion bread and it is dead, there is nothing in it. You can eat it. As a matter of fact, you can eat 10 pounds of communion bread and there's nothing in it.

Do you understand? That's the moon. That is the dead letter of the law. The other churches will teach you whether we're going to get rid of the dead letter of the law. No you're not. No. Your feet have to plant in the dead letter. And I'm going to show you why. Because there is something shining on the moon! There's something shining on that piece of bread! There is something that is reflecting off of it—which is the life of the sun. It's in those elements. It's in those things that we have to plant our feet in.

And since that didn't go over, I'm going to try it one more time. That water up there (baptistry) is the moon. There is nothing in that water. It's possible to go in that water as a dead religious ceremony without seeing the light in the water. Someone's going to get this in a minute. That water is a "dead moon". But that moon is necessary to catch what's behind the moon and bring it inside of you!

Listen to me. I want you to hear what I'm telling you right now. God spoke to me today and said in my church you've got two extremes. You've got a moon church which is a Truth church. And then you've got a Spirit church which is a Sun church. He said this church wants to get rid of the moon, and this church wants to get rid of the sun.

Spirit and Truth doesn't want to work together. They want to get rid of all the rituals, get rid of all the commandments, get rid of those things! We just want the Spirit of God. But the Spirit of God is contained within those things! The moon is dead. You can come tonight and jump in this water, and get out that water, without one change. That (baptistry) is the moon. There's nothing there. I can say in the name of Yahshua, Yahushua, any of the names...it's still not going to help you any if you don't step into the water seeing the light, if you don't put your feet

in that water seeing that Jesus Christ, the son of God, is found in the water, he is found in the moon, he is found in these elements and these things that draw him to us!

As the woman is standing on the moon, there is a light coming up her feet. There is a light that is coming up her bosom, her face. And it's because her feet are firmly planted in the truth. And the truth is bringing Christ to her and through her! I knew this was a little too deep to preach tonight. I should've done it at Bible study, but I've got to explain to you tonight the value of what you have learned in this ministry.

There is a victorious church that can only be victorious with the sun *and* the moon. The sun is what everybody wants. That's the bright. We want a move of God. Come on, we want a revival. Bring the sun. But what you don't understand is as soon as you're done with the sun, if your feet aren't planted in the moon, if your feet aren't planted in truth, then the sun will leave you as quickly as it came to you. You've got to be a church of both!

Now you've got another church—a moon church. They keep Sabbath. They eat Passover on the 14th day of the first month. They wear their tallits. They've got the moon. They've got it down pat. They've got their feet in the moon. But brothers and sisters, you hear me. Until you see Christ and the Holy Ghost in all of that, then it's a dead moon for you. And it will do nothing for you. Nothing!

The goal is not for you to keep commandments. The goal is for the commandments to keep you! And you have to have Christ for that to happen! Without the Spirit of God, without the sun, the moon is cold. Religion without the Holy Ghost is cold darling. Now you can keep your feet in a dead moon if you want to, but the Bible said the Father seeketh such to worship him—those who will worship him in truth and in Spirit. There's going to be a church with their feet in the commandments and their head in the clouds! Hallelujah! The sun and the moon is going to balance her and keep her! You've got to understand that.

The moon is dead. It only has one purpose. And that's to reflect the light. When we hand you a piece of Passover bread, that bread is dead. The only purpose that bread has is this: for that to be the shadow that reflects the light, and that when you eat the bread, the light that it represents enters into you, and that's how you are clothed with the light. You must understand today, that we have a church that tries to get rid of all of that and hold onto the power of God. And then we have another church that wants the moon without the power of God. What you wind up with is a church that cannot overcome. I'm going to tell every one of you...you can keep the Sabbath, but if the Sabbath isn't keeping you, it's dead. Do you understand? It's all dead. It will not make you an overcomer.

The moon is the obedience of the church. The moon is the shadow of the light. The overcoming church cannot just keep the Sabbath day holy if the Sabbath is not keeping you holy. I'm going to say it again. If the Sabbath is a day of separation, then when you place your feet in that dead Sabbath, if you don't allow the meaning behind the Sabbath to enter your feet and to come up through your body, then it is all in vain. If the Sabbath is the day of separation, then that spirit of separation should enter into you every time you partake of the Sabbath!

If the Sabbath is reflecting the coming kingdom of God—if the coming kingdom is the light that the Sabbath is reflecting—if you put your feet on that Sabbath and celebrate it without seeing the coming kingdom of God, **THAT IS A DEAD DAY!** It will do you no good! You've got to allow the light of that Sabbath to somehow wind its way up until you're clothed with the Sabbath day. So many people are keeping the Sabbath day holy when there's nothing holy about them.

Oh, God spoke to me and said to tell my people that I despise their feast days and their Sabbath days. Why? Because they're doing it for the how rather than the why! *How do I keep the Sabbath?* No! It's *why* do you keep it? When you get that you get the light. When you get the WHY, you get the sunlight in your soul!

The moon is necessary. *You see, brother Vaughn, let's just get rid of that...* We have some churches that don't believe in water baptism. They believe in spiritual baptism. They're so spiritual. Everything's spirit. But what you don't understand is the things that Yahweh instituted for his people was the moon to give them their foundation. And as they plant their feet on the dead letter of the law, all of a sudden, there is a Spirit being reflected onto that moon from the sun out there which is Yahhsua. And you find Yahshua in the moon even though he's not in the moon!

Brother Vaughn, are you saying that I can find Yahshua in a piece of bread? Only because he's shining on the bread! That's the shadow, but what happens if you don't see Christ in that? It's dead. It's moon. It's cold. It must be baptized with the Holy Ghost! Every one of these dead rituals that you keep are all dead unless you see the light behind it, unless you understand what it's supposed to be doing inside of you. You've got to have the revelation of Christ in everything that you're doing in church.

Every one of the holy days are dead. *Brother Vaughn our church keeps all the holy days.* Oh, but has anybody received healing in their body? Has anybody received the Spirit of the Lord? Has anybody received the moving of the Holy Ghost? Oh, you keep all those feast days, and if you're still the same person you

were before you started keeping them, it was all moon worship. It's all moon worship.

Oh, but whenever you keep the feast of Tabernacles, and you know during those 8 days that there's a transformation of how you think going on in your head, you understand that what it's reflecting, the coming kingdom of God permeating you, it's transforming you to a KINGDOM MIND, that's when you've got it right !!!

There are some of you here tonight, and you're here to keep the Sabbath day holy. But I want to tell you my friend, my beloved friend, there is nothing magical about this day. The magic is in the sun, hallelujah. Do you understand me? The magic is what's behind this day, what this day reflects. And sister if you don't see what this day reflects, then you'll worship the Sabbath day. You'll be a moon worshipper. But when you know our Lord is coming back to earth again, when you understand what this day is, it'll get inside of you, it will transform you, it will change you from the inside out!

The moon is external. That sunlight is internal. Listen to what I'm telling you. The moon is everything you're doing external. But now do we stop doing the external things? No. No, no, no. Watch this. Your tithe is dead. I can throw money anywhere, do you understand that? I can bring my tithes to the casino. Do you understand? In other words, there's no power in your tithe. It's a dollar bill. Oh, but when the sunlight of the first fruit is shining upon it, and you take and give it, now you're not giving a dollar, you're giving a first fruit unto the Lord, and that is transforming you from the inside out.

God is looking for a church that's not just doing things. She's becoming things. And she's becoming that by what she's doing—do you follow me? I'll say it again. God's not looking for a church that's doing things, activities. You think we had a Hanukkah banquet because I wanted to and just because? I spent \$6,000 on that banquet. We took in about \$800 and I spent \$6,000. Do you think I'd do that because I think we just need something to do? No! I wanted you to see the light. Do you understand? I wanted you to see pagan destruction. I wanted you to see holiness in the temple. I wanted you to see a light growing brighter and brighter, and brighter and brighter. And I wanted to celebrate it !!! We don't keep it so our church can have a banquet! Oh no, darling, we aren't those people. Everything we do here sister has a purpose to show you the SUNLIGHT beyond the moon!

If you're not careful, you become so emaciated in the moon. And you get your feet stuck there, and before you know it, there is no sunlight coming up through you. Why? Because you're not seeing the sun on the moon. I don't know how else to say it. Hallelujah. Hallelujah.

Water baptism does you nothing. Do you know how many people I've baptized? It didn't do them anything. Nothing. Do you know why? They thought they were going in the water. They didn't know they were going into the light! Right now, if you've been baptized and you didn't see that light, let me do it again. That way you can look for the light when you go under the water. That way you can understand whenever you come up, you're a new creature literally. Not just a wet creature, but a new one! Water baptism does nothing to us if it doesn't come *through* us. Water baptism is an outward symbol of a reflected light. True baptism is when you know that you're a new creation now just like when that body comes up out of the water, you cannot "see the moon" — you can't see a body coming out of water. You've got to literally see a dead man floating in the water, and you've got to literally see the newness of life, the change of light transforming you by the Holy Ghost !!!

Somebody say you've got to see it. Don't become moon-based. I know churches that'll preach on water baptism all day, and I love water baptism, and I believe it is essential, but I will tell you this: water baptism itself is not essential. No, no, no, no. The death and the new life is what is essential in the water. So why don't we just get rid of the water and let's just be baptized *spiritually*? You can't. That means you'll float away. You've got to get your feet in the "moon". You've got to be planted on the physical so you can grow in the spiritual. Glory.

Millions today eat the bread and the blood, and it's a moon-based religion. Why? I taught you two years ago that the Bible said there are many sick among you. Why? Because you have not discerned the body. It didn't say anything about the blood. Everybody discerns the blood—oh that's the blood of Christ. But you'll reach down and eat that body not knowing that you're digesting every member of this church inside of you. That's the light behind the bread!

Don't chew the bread if you're chewing one another!

If you do, you're worshiping the moon! You've got to see every member of the Body of Christ when you eat the body! Otherwise it's dead. Eat another bite. Let's just eat Passover 24/7. It's not ever going to help you. You've got to see what it's reflecting. He said you haven't discerned the body. In other words, you ate the bread too quickly. Sister you just grabbed you a piece of bread like you did in the Catholic church. They pop it in your mouth. You didn't look for the "sun" in the bread. Therefore, with your faith, you think you've done the right thing. Your faith is in the bread. That's when you turn it into dead religion. I said that's when you turn it into dead religion.

We don't eat bread around here. We eat one another. Do you not understand? We don't drink Koolaid and wine. We drink the covenant blood of Yahshua the

Messiah! You've got to see what's behind it! If not, you'll become more worried about how long your tzitzits are than how long your tongue is. You'll be so worried about getting your tallit the perfect color blue while you're always blue and depressed. Take it all off. Why? Because you don't see when you look at that tallit, that menorah, and that blue, those fringes—you think that's some special piece of cloth, you're wrong. It's dead. But if you'll look at it and see a changed man, an Israelite, you'll see the reflection behind it...it will work for you!

It's just like the seven sons of Sceva. The Bible said they prayed in the name of the Lord Jesus, Yahshua, and nothing happened. Why? This isn't about pronouncing the name. This is about you being so identified with the name that the devil mistakenly thought you were him! Do you understand? Nobody heard what I just said. We don't say "in the name of Jesus" — no, no, no, no, it's not even about that. Listen, listen. I'm going to be careful now. It isn't about going around quoting the name. It's to where when the devil looks at you there's so much sunlight coming out of you, he thought you were the original Messiah! He thought that because of that same sun and coming in that same name!

Your name is your nature. The minute somebody says your name, everyone that knows you, immediately thoughts come to their mind about you. Your name proceeds you because your nature is bound up in your name. We don't pray in the name of Jesus, or Yahshua. We literally become the name of Yahshua when we pray. If that light is shining through you in that virgin woman, then the devil won't know if it's you or the one in heaven. You'll be hid. Did you hear me? You'll be hid! Sunlight is sunlight to him. Hallelujah.

The moon is the letter that killeth. The moon is the commandments. Did you know the Bible calls those commandments the commandments of death? Why? Because if you're keeping them by the letter without keeping them by the Spirit that's shining on the letter, it will kill you. Whew! But oh when you see what's behind it and what it's reflecting. The letter is the moon. The Spirit is the sun. Remember that. Millions keep Passover. They eat the lamb, but the lamb doesn't eat them. So many of them I know are worried about making sure the lamb's right on the right side of the plate and their little egg and this and that.

You listen to me and you listen well. Darling, I don't care if you get the lamb on there wrong—you can't afford for the lamb to get you wrong! You can't just eat the lamb, the lamb's got to eat you! Hallelujah. Until the lamb eats you it's all dead religion. Now what I just went through is the difference between the whore and the virgin. There is no church on earth with more rituals than the Catholic church. Honey if rituals will make you the virgin bride, they are ultra virgin. But it's not their rituals. Oh no, no, no, no, no. There must be something beyond the ritual. The virgin bride is being impregnated by the sun, the life of the son, until

her entire clothing is nothing but light. Her countenance is love. I said her countenance is LOVE.

Do you know if there is anybody right now in your heart that you have anything against, Christ is nowhere inside of you? He can't be. I said he can't be. If you're not forgiving your enemies 70 x 7, darling you're part of the whore church. Somebody say it's tight, but it's right. You know I'm telling you the truth—get over it. If you can't get over it, then get under the altar, and I promise you, if you stare at that sun long enough, it'll blind your eyes, you won't see anybody—all you'll see is the love of God.

God's calling you today to quit playing church. This sun-clad woman is pregnant with the Christ, and notice where the moon is. Under her feet. Because it's never about the moon. But yet she can't be without the moon because the moon is bringing in the reflected sun. Don't think you can do without the Sabbath day just because I said it won't...no, no, no...it's in the Sabbath that you see the sun! But if you don't see the sun, then you just wasted your Saturday.

Notice where she is. The moon is under her feet. What does that mean? That means that she's living in a realm above the moon. It's not the moon that's at her head. It's the sun. She has risen above the rituals. She has risen above the letter of the law. And like Christ, she has FULFILLED the law!

Do you know where Christ was? He said in Matthew 5, if anybody ever teaches you that I came to do away with the moon, or the law, you tell them they're crazy, ok? But here's what I did do. I did come to rise so high above the letter of the law that when you looked at me, you saw the fulfillment of the law. That's where God's calling this church. Don't get trapped in the shadows!

She's living above it. Above all the types and shadows. She's clothed with the splendor of the reality of Christ. Some of you keep Sabbath, oh, but Sabbath is not in you. You don't understand. We are not doing this for the Sabbath. We're doing it for the Lord of the Sabbath! Do you understand? We're looking for the Lord of the Sabbath, the Lord of the bread, the Lord of the blood, the Lord of the baptism, the Lord of everything we do! That's what we're looking for.

But do we stop doing it because...no! That's where we find the Lord! He's hidden in the shadows of things still to come. But Judaism got stuck in the shadows. Religion always gets stuck in the ritual. If the life of Christ is not in you—I'm talking about the love of people—if you're in this church and you don't love everybody here, you're a sad excuse for the Sabbath day. The Sabbath brings the Lord of the Sabbath in your life. And everyone that looks at you will see the sun shining. They'll see the love of God every day they see you. Why? Because the

moon is the letter that's killing the church. I'll give you an example from my own history.

Paul, when he spoke about women and their long hair, not to cut it as short as a man, not to look like a man—he wrote that for a reason. It wasn't so you would have a church full of long-haired women. It's so you would have a church full of *obedient* women. I don't know how some of you sit under my preaching, I really don't.

Some of the biggest Jezebels I've ever known had long hair and long skirts. You missed the point. That's the moon. You were trying to be saved in the moon rather than allowing what that represented to grow inside of you! Now, am I preaching against long hair and long skirts? No! Am I preaching against this or that? No, no, no. You can be carnal minded if you want to. What I'm telling you about that long hair is that the Bible said when a woman wears long hair it's because she's in submission to her husband. Baby cut it all off, cut every inch of it off if you have not become what that represents!

I've come to preach to you tonight—I'm sick of it all! Hypocrites in this church! We're either going to get it right or you need to go back to Babylon. I'm trying to build the end-time bride of Christ in this sanctuary. And the first mark that you're not is rebellion. When you don't know who your authority is you become like your father the devil. And I don't care if your hair's to the floor darling, till you learn yes sir, no sir—until you learn your place in God, then it's all moon-worship.

When you look at your godly attire, it's supposed to be matching your godly inside. And that's why we have churches filled with long skirts and long dresses, and sin everywhere! Why? Because your salvation is not in the moon! It's what that moon represents! We live in an age of rebellion. It creeps in the hearts of men and women. And God said to tell you tonight...if my Spirit is not making you humble, and if it's not bringing you low, then it is all in vain—in vain do you worship me.

I don't even need any help tonight because I know right where I'm at in the Holy Ghost. I fight this spirit everyday. God said he's going to come through this congregation, and he is going to make us become what we say we are. What we say we are! If we are Israelites, he's about to make us act like Israelites! Totally transformed. Totally changed from the inside out. We're not doing this to keep law, we're doing it for the law to keep us!

Do you know what? I know why some of your Christian families and preachers are begging you not to follow my ministry. Do you know what? I don't blame them because of what they've seen. Oh, he's going to bring you back to the law!

What they don't know about this ministry...we want the moon and the sun! That's the difference here! I don't want to bring anybody to the law. I want to bring them to the Lord of the law. I want to do it through the law so that you can see Christ in the law!

I get nervous when Messianic people come to this church. Because what happens is they've gotten so into the shadow. And look, it's not just Messianics, it's Pentecostals, it's Baptists, it's every religion under the sun. You're so into the shadow that you can't see the sun.

We do the same thing with prayer. Prayer's the moon. I know people who come and pray—they've never seen the sun. It's dead prayer. Yahshua said...don't pray repetitious prayers. The Bible said to pray in the Spirit and with understanding. Listen to me and listen well. You come down here for prayer meeting, and you're just here wanting to know how quick it's going to be over. Darling listen, you didn't do anything. You shouldn't even have come. Why? You're not getting anything out of the moon. You've got to see what's beyond it and go for that!

I see some of you come up to the altar and put your head in the little deal right here, and I know you're not praying any more than the man in the moon. You're not praying. That tongue ought to be filled with the Holy Ghost—Father I worship you. Why, why, why, why? Other than that, you're just going through a motion. But when you see those steps up there when you've really prayed, that's no longer steps. When you've really prayed, those are steps to the throne of Yahweh. And when you see it as such, and you come to it as such, you look beyond the steps and the carpet, and you see what that is a symbol of. You see that it is leading you to the sun.

Somebody asked brother Barnes one time, or was it Lester Sumrall...they said...how long do you pray? They were waiting on a big answer. He said...well, I don't reckon I pray over 30 minutes. And they were like...what?! Because he was a powerful man of God. But he said I reckon I don't go over 30 minutes *without* praying! Why? Because prayer can become as religious as anything else. Yes it can.

Fasting. If you don't see something past it, you are just participating in dead ritual. Washing the saint's feet. Don't even do it. Here's why. When you get up from washing their feet on Passover night, if you're not serving them the next day as well, don't even wash their feet. If you can't wash my feet anytime I call on you, anytime I need you, then you don't even know why you were washing feet. It's moon. It's the moon!

But when Passover night comes and you take a precious pair of feet in your hands, I want you to look beyond the feet and know that's the feet of Christ that you're literally cleansing and you're saying "I'm your servant, I will serve the Body of Christ. I'll serve you everyday!" Other than that it's dead religion. And that's why these churches that do all of these rituals are so dead when you walk in them. No Spirit. No Holy Ghost. No life. Somebody say we must have both.

This woman is a glorious church that's about to give birth to the manchild. She's not focused on the law and she's not focused on the Spirit. She's focused on being changed. And she does it with those two elements. The moon and the sun are faith and works. The sun is faith. The moon is works. This woman's got her feet in works and her head in faith. This is law and grace. The moon is the law. The sun is grace. Spirit and truth!

I want you to see this woman in Revelations tonight in a new way. A woman with her feet firm in works, but her head is in faith. And together they make a perfect marriage. The end-time woman of God must have both. If these things are not changing you, it is all in vain.

Can I show you another dead moon ritual? Here it is: three steps forward, three steps back. That's a dead moon ritual. And it does you no good until while you're dancing you all of a sudden think how good God is. And then all of a sudden, now, now, Spirit has met Truth! I watch some of you dancing. I sat in the back tonight on purpose during the praise. Why? Because I'm looking to see if you've even turned the dancing into a ritual. If that dancing is not filled with thanksgiving unto your God...if it's not 'thank you Father, I rejoice because you're so good to me', then it's just a dead ritual. When you're dancing the 3-step dance or whatever you're doing, that's obedience, that's the law. But it's dead until the Spirit meets it. And your spirit is your mind. Your mind has to connect with your feet.

Do you understand? You've got to know why you're dancing. Are you up here just to move? No, we're not trying to move. We're all fat, we're not trying to move. Hallelujah. Oh yeah. I'm not trying to dance. But the minute I start, it's not long before I start thinking... do you know what?... he woke me up this morning. Do you know what? My arms are working. My legs... thank you Lord! All of a sudden, my dance turns into a victory dance. And all of a sudden, Spirit connects with Truth! Obedience connects with faith.

The moon is everything you're doing external. And there's nothing wrong with anything external. I hear churches preach against external. God looks on the heart. You better get out of that church. Here's why. Because the reason Yahweh

looks on the heart is because your actions are telling on your heart. He sees your heart through your actions. Hallelujah.

Whenever you say Shabbat Shalom, that's a dead religious ritual unless when you say it, peace be upon you my sister. Shabbat Shalom. Aaaahh that's when Spirit and Truth connect. The next time you say Shabbat Shalom check yourself. Why did you just say it? Dead ritual or did you truly speak peace on your brother and your sister? And how are you going to speak peace on somebody when you don't even like them? Don't be shabbat'n people you don't like. No, no, no. Don't do any rotten shabbat'n. No! If you truly don't want me to have peace, don't shabbat me. Why? It's a dead ritual. When I say Shabbat Shalom, I'm releasing from my mouth something more than two words. I'm releasing... nothing is broken, nothing is missing, nothing is gone. And it connects!

Blessed be God. It's got to be more than words. I hear people say... God is good all the time. You don't even believe that. Ohh, but when you say God is good, oh then you say ALL the time! I've come tonight to encourage First Harvest to move beyond the moon. Rise above. Don't be bragging that we keep the Sabbath and we do this and we do that. We don't have anything to do with it if he's not doing anything in us! Whew! The only thing that we're doing is putting our feet in the moon so that we can see the sun.

There's a vast difference between someone who settles into being a disciple about the teachings of First Harvest Ministries and someone who's actually being apprehended by God to become what these teachings are all about. I'll say it again. Disciples just want to learn this knowledge. It's dead. Listen. Let me tell you something. You can tell me every doctrine I teach. I know what happens to the dead, and I know who Yahshua is. You can go through all of it, but until you know enough about Yahshua that I can't tell the difference between you and him, the ministry's done you nothing. Until your words start sounding like his. Doctrine will mess you up if it's not mixed with faith.

The Bible said the children of Israel's problem was they didn't mix the word with faith in the word. You've got to mix faith with the moon. You see these shofars you all blow? Don't turn it into a dead tradition. Oh, no, no, no. Let that be the voice of the end-time message coming out of your vocal chords every time you blow it! Why? Because if not, you're just making noise! Oh, but when you believe what you're blowing—I said when you believe what you're blowing, all of a sudden the sun meets the moon, and you meet the moon, and all three of you connect!

Revelation 12:1, right at the last line...

Revelation 12:1

...and upon her head a crown of twelve stars.

Her crown. I want you to notice something before I go to the crown. Please don't refuse unclean food going in your mouth if unclean words come out of it. You might as well eat your sausage. If you're spitting out "sausage" you might as well eat sausage. You think we're not eating unclean food because that in and of itself is doing anything to us internally. No! But whenever you refuse to take it, something's supposed to trigger in your mind why you're not doing it, and it's to be pleasing to your Father, and that's when the sun meets the moon! And stay out of my Lucky Charms!

She had a crown of 12 stars. I want you to notice that word *crown*. It's the Greek word *stephanos*. Do you know what a *stephanos* was? This is not a king's crown she's wearing, keep in mind. This is not a queen or king's crown. She's not there yet. She doesn't get a crown. Her son does. What she's got on her head is a *stephanos*. It's not a crown. It's a garland. In the Olympics, in the games of those days, whenever you overcame your opponent, they brought a garland and wrapped it around your head. That was a *stephanos* crown.

This lady here has no kingly authority yet. Not at all. What she's got is the proof that she's an overcomer. That crown is an overcoming crown. It is being formed over every victory in her life...every victory! But notice it's composed of stars instead of a garland of flower and leaves. It's a garland of 12 stars. Imagine in your mind 12 little twinkly stars all garlanded together with popcorn string. And look at her head and see these 12 stars sitting on her head.

I'm going to show you how she's going to bring forth the manchild. Because number one, she put her feet in the moon. She didn't forsake the law of God. But she put no faith in the law of God. She put her faith in the son of God! Planted her feet in the law, in the moon. And then she saw the sun and now she has power to overcome.

How do we know that this church that we're looking at right now is wearing the proof that she's pregnant and about to deliver the child? Here's the proof. The number 12. Twelve is the number in biblical numerics that gives you the absolute end of time. The end of God's plan for the ages is one word. Sonship. Everything from the garden of Eden until right now has been all about getting a woman pregnant, producing the men and the women that will rule the world. And the reason she has the number 12 in that crown is because she is the *final church*!

You see, you've got 60 seconds in a minute, 60 minutes in an hour, 24 hours in a day, 7 days in a week, 4 weeks in a month, 12 months in a year, and that's the end of time. There's nothing bigger than a year in time. When you've come to 12, you've come to the end of time as we know it. It takes 12 months for the earth's circuit around the sun (sorry flat-earthners...they know I love them!). Whatever's doing what, it takes 12 months, hallelujah, to complete that time cycle.

At 12, you come to the highest denomination of time as we know it.

Revelation 10:6

And vowed by Him Who lives forever and ever, Who created heaven, and the things that are in it, and the earth, and the things that are in it, and the sea, and the things which are in it that there should be time no longer,

This woman is the church that has brought time to the end and she's wearing the number 12 to prove that this is the *perfected church*. Spirit and Truth. Sun and moon. The church that gets the sun and moon right will get the stars and produce the child!

At First Harvest Ministries, we don't throw the moon away. And we don't throw the sun away. We don't have so much moon that we don't have Holy Ghost. And we don't have so much Holy Ghost that we don't have moon. Do you follow me? That's the difference in this ministry.

The crown of 12 stars also represent that she has come under divine government. Do you know what that number 12 means? Not one ounce of rebellion left in her. That's why she's doubled over and crying in pain. God's whipped her so hard. He chastises those whom he loves. This woman's doubled over in pain, but she's wearing 12. This is a woman who has become a wife and not a whore. She has come under submission to headship, and here she is under divine government.

And the problem with so many messianic churches out there today, the reason God cannot use them to birth the manchild—they have no government. None. Everybody in the church doing their own thing.

The moon that this woman is standing on signifies that she's been lifted up to a higher place in God. She doesn't have kingdom government. The church will never get kingdom government. Only the manchild will get that. The church gets church government. That's why you have 12 apostles, 12 tribes of Israel, 12 foundations to the New Jerusalem, 12 gates, 12 pearls, 12 messengers, 12 angels. The city measures up to 12 x 12. There's 12 stones in the high priest's breastplate. There's 12 people...kings and priests that all make up this divine government.

And as soon as an earthly church comes under submission to a heavenly 12, she will get the crown of the overcomer and produce the manchild!

Brother Vaughn, what realm is she under? Listen, God's authority operates different in every order, every realm. There was an order for the patriarchs. There was an order for Israel under Moses. There was an order for Israel under Joshua. There was an order for Israel under judges and kings. Each was God's order for that day. And if I read my Bible right, the woman you just saw in Revelations is a woman that read and understood Ephesians 4:11-13. And he gave some pastors, prophets, evangelists, apostles and teachers. That is the government the church must come under!

Now watch this. Be careful. See what I just said...the five-fold ministry? That's also the moon. You've got a lot of churches that have pastors. Ha ha. But if the sun doesn't have them, ha ha, do you hear me? You've got to see beyond the man, and hear the voice, and see the sun, and know that what you're listening to is not the words of a human! It's not the authority of a human! It's the working of the sun shining on that moon!!!

Now the modern church says...*well let's just do this*. They want to do the same thing with the ministry that they want to do with the bread...just get rid of it. Now you see? The Spirit is working in the bread. The sun is shining through the bread. And guess what else the sun is doing. Speaking through the men of God, and the women of God. Do you see it? Does anybody see it?

I'm the moon. I'm dead. I'm cold. There is nothing I can tell you that will give you life. But the minute I start reflecting the word, the minute I start speaking the word, all of a sudden, you receive the sunlight of your soul!

We're living in a day and an hour where we want to get rid of the moon. *Those things don't matter, we can go to God for ourself*. Darling, that 12 will make you go through the moon. Hallelujah.

Sometimes it's difficult for me to preach because it's so deep what the Lord reveals to me. And I wonder sometimes. My time is short in this world, and I know that I've got to leave behind a message for the end-time bride. I believe with all my heart that we're living at the very end. I truly believe Yahshua is about to return. And he's not coming back for a church that's been playing church. He's coming back for the real deal. Glory.

She was a virgin. Don't ever think that this scripture, which many think, is Mary giving birth to Yahshua. Oh, no, no, no. In the book of Revelation, the Bible said it was given to John to show him what's to come hereafter. Mary and Jesus had

already come way before. And it was written to the churches. Why? Because this woman was not a vision of the virgin Mary. Mary was a shadow of this woman. Mary was the moon of this woman. Do you understand? Mary was history. The revelation is written to the church, and here the church is portrayed as a woman. This is the woman that Paul spoke of in 2 Corinthians 11:2. I want to show you this woman tonight.

2 Corinthians 11:2

For I am jealous for you with Yahweh's own jealousy; for I betrothed you to one husband, that I may present you as a chaste virgin to the Messiah.

I'm jealous over you with godly jealousy. Why? Paul said I presented my church to one husband. One husband. His name is Yahshua the Messiah. Watch this carefully. The only church that's going to be wearing that crown is the wife of one husband. I want you to hear me now because this is so very important.

God is raising up an end-time church that will know who her husband is. And watch this. I'm not your husband. I'm the friend of the bridegroom. Hallelujah. I'm to point you to the husband. That's what the friend of the bridegroom does. He points you to the sun. He's the moon and he points you to the sun.

But brothers and sisters, I want to ask you this question tonight. If Yahshua is to be the husband of the church...who is Yahshua...he is the Word of God! Watch this. This Bible is the husband of the church just as the Constitution is the husband of America. This is the husband of the church. If you obey any husband that adds to or takes away from this Word, you've got the wrong husband! The bride will only marry the Word!

Read Galatians 4:26. The virgin Mary is not the greatest mother. I want to show you our mother. She's giving birth to a boy. We're not talking about the virgin Mary. We're talking about the Virgin Church.

Galatians 4:26

But Jerusalem which is above is free (Mt. Sion), which is the mother of us all.

Who is the mother of us all? New Jerusalem. Sarah. The church is the *mother* of us all. That mother does several things. She brings you to the altar. She gets you to know who Yahshua is. And then, mama brings you to the water. And then, what does mama do? Then she sits your behind down in a chair. You don't need to be speaking in tongues, we'll do that later. I've got to train you. No, I don't need you casting out devils. I need you to sit down and shut up.

I'm going to send a pastor and an evangelist. I'm going to send an apostle and a teacher. And they are going to teach you what you need to be in that manchild company. That's the role of Mama Church. Mother church births you. Her womb, her belly, is the water, you see? That's the birthing sac. That is where we put you into the womb of the church is in water baptism. We plant you in Mother Church. Even Mother Church can be the moon if you don't see Christ in his church! Do you understand? If you don't see the sun in the moon.

Listen, if you don't see Christ in his church. I'll tell anybody watching me and anybody in this room, if you think you can go to Christ without having his church, you are mistaken. He can only be found in his church! *Brother Vaughn, I'm going to go to another church.* You better go to the one where the husband is right! Don't get mad at me. Go wherever you want. Just make sure you find the right husband, do you understand? You make sure they're not adding to or taking away. Because if it is, that's a moon church. You need a church that says this is the true word of God, indisputable, undefeated.

You've got to be in the church. The apostle Paul said...stay in the ship, don't get out. Why? Oh it may get hot around here sometimes, oh yeah. Isn't it funny, half of you want to move down here, half of you want to move away. Isn't that the funniest thing I've ever seen. Half of America wants to move down here and half of you all want to move. Why? The fire's too hot. You thought I was professor Toto. You thought I wore little round glasses with bowties. Boy did you have a rude awakening! Why? No, no, no. That was all a setup.

Do you know the reason why some of you don't have any money? God's afraid you'll move away if he gives you money. Do you know why some of you are broke? So your behind will sit right there. Until you fall in love with this message, he isn't going to let you leave darling. He's got you right where he wants you! The minute some of you get a little money, you're gone! And I pray every night...God don't give them a dime until they get the message in their heart. Why? Because God's trying to build something and we need you to help us build it. Hallelujah.

The greatest mother ever placed on the earth by God is the Virgin Church. Now I'm getting ready to say something that's going to require everybody to get your carnal mind and to set it aside. Yahweh chose a young girl's womb, the first Mary, to plant a human seed. But he did it by his Spirit. I need you to hear everything I just said! He borrowed a virgin womb to plant a human seed by his Spirit! The overshadowing and the working of the Holy Ghost did all the work! And he does the same thing today!

The womb is your mind. The seed is this human voice. And it's all done by the Holy Ghost! Hallelujah! And what grows in you is of the Holy Ghost! But how can

you hear without a preacher!? Now does it all make sense to you how it happened? All your little questions got answered that quick on how it happened. God used a virgin womb, planted a human seed, and did it by the power of the Holy Ghost! One day God found you, and planted a seed in your mind through this human mouth and created within you a *Manchild!*

When you're a man of God, the one closest to you can't get what you're saying. I want you to hear me tonight. Yahshua's own mother and family couldn't listen to him because they didn't know it wasn't him talking. Don't play with these things! God sent a message to Waveland, Mississippi that's beyond your own understanding. That's why I don't get close to anybody. *Brother Vaughn, why don't you hang out with us?* I can't. *Why?* Because you'll start thinking I'm just a man. *Well aren't you?* Oh you poor foolish child. Have I been so long with you?

Have I been so long with you that you don't know who you're listening to? This message is bigger than even I can understand. God gives me revelations that even drive me insane! This work he's built is supernatural. And any man that touches it will die like Ananias and Sapphira. It's not my work, it's his. And he's raising up a church that will understand that what's walking among you is not a man. It is the revelation of the hour. It is the message for the end-time bride of Christ. Hallelujah. Boy I feel when he takes over. Hallelujah. Glory to God. It'll wear you out. Hallelujah.

God placed that human seed by the power of the Holy Ghost, and turned a girl into a mother. God's turning some of you into the mothers that's carrying this end-time bride, this end-time son, this end-time man of God. Hallelujah.

Mary said, *how can this be seeing I've not known a man?* She didn't understand. She didn't have to know a man. God just had to find a man that would know her. Hallelujah! To impregnate her with the seed of sonship by the Holy Ghost, to bring forth the manchild from among those who make up the church of the living God, who is clothed with the sun and has the moon under her feet. Hallelujah.

I've come to tell you tonight—we're not virgins. Listen carefully. You're not virgins before God because you have personally remained pure all your life. None of you qualify for virginity before God because you've been a virgin. No, you're considered a virgin not because of your life, but because you received the pure word of God that is virgin! Oooh, that was deeper than you got!

You're not a virgin because of your purity, but you took in a seed of virgin word!!! And that makes you a virgin before God! Glory! Yea, you all feel that? That's that deep river. Yea, somebody live just came out of your chair, hallelujah, with the power that just came through that camera.

Listen carefully! The word that you allow yourself to receive...I'm ready to tell you something now...will determine if you're a virgin before God. It's not...*how does a pregnant girl be called a virgin?* Because it's not about the girl. It's about the seed she received and how she received it! Do you understand me? You're not a virgin because of you. You're a virgin because of how you received the pure word of God!! THAT MAKES YOU A VIRGIN.

Some of us were married, not virgins. Some of us were married in our past to Assemblies of God. Some of you were married to Church of God. Some of you were married to Methodist. Some of you were married to Baptist. Some of you were married to Catholic husbands, you were married to Presbyterian husbands. And they all, every single one of them, have their own seed, and it's not pure. And if you're married to those husbands, you're bearing those seed! Who's your husband?

Brothers and sisters, I want to ask you a question. If you're married, do you think you're going to be married to somebody you aren't laying down and receiving from? Darling, you've had so many seeds put in you from every religion under the sun and all, but I said the minute the pure word finds you, it'll drive out from your mind all the other creeds and seeds and doctrines of men! Whew! There's nobody hearing me now!

Everyone here, when you turn on a preacher—you can call me anything you want, you can call me a cult leader, I love that. You can call me anything you want to call me. There's a reason I try to keep you off of every YouTube channel out there. There's a reason I don't give links to other ministries. I don't want anybody depositing seed into you that won't produce the manchild! People in this ministry on Telegram everyday—I get one after the other—*pastor have you seen this video?* And I look at some of the places that some of my people are wondering into and I'm like—*do you not understand where the pure word is? What are you looking for? And you haven't watched one FHTV video all year long!*

Everybody asks me about the book that brought me to the Sabbath day that I found in prison. It's not that I'm trying to hide it. But as soon as I say Herbert Armstrong wrote it, everybody goes looking for Herbert Armstrong. And I love brother Armstrong, but he missed it on a lot of doctrines. He got a lot of them right, a lot of them. So when I send someone there, then they come back more confused than they were to begin with.

Why don't I share Rod Parsley stuff? Now I listen to him because I'm mature in the Lord. I know how to discern. I know the truth. But for some of you, you're going in places and picking up seed that's messing your minds up. I'm going to say it now, but there's a reason that I don't jump on every bandwagon. Do you

think I've not seen every little video you think the person is so smart. I've seen. Baby, my full time job is doing YouTube. That's how I got so fat. I did sit there and watch where our people are going. I'm getting off now, but I was putting it on because I was just sitting there. Why? My job is to know what's out there.

The other night, brother posted an article of somebody saying why Christmas is not pagan. And my heart sunk. And I said oh my God, brother's new to the ministry and when you read these things, they are so enticing what they say. And then what happens now...all that pure word that we planted in you...you now got all this other seed swimming in your mind, your spirit mind. And now we've got to start all over again.

I've come to tell you saints God's brought you a pure word. He's brought you a pure word. There's other books and sister knows what I'm talking about. I love the author of some of those books, very knowledgable, but no Holy Ghost. They don't believe in the gifts of the Spirit. They don't believe in the power of God. And if I send people to read those books, I mess them up. So now we're trying to teach more than the Mazzaroth, do you understand? We're trying to teach the whole word of God, from front to back, spirit and truth!

Be careful with the seed you're receiving. Look at their fruit. Half of them can't get along half the time, jumping out and fighting. Well, look at the fruit. God is raising up a virgin bride that will only lay down with one husband. Truth. One husband! Every seed you ever get outside of the truth will always bring you back to who the daddy is.

Brother Vaughn, I was married to a Baptist husband. I believed what the Baptists said. Well let me explain something to you. Did they believe in Trinity? Then the Baptists weren't your husband. It was the pope of Rome that was your husband. Did they believe in incarnation? Did they believe in all of these false doctrines? You weren't married to a Baptist. You were married to the pope because all of this false doctrine started with the pope of Rome.

Now watch this if you don't believe what I'm telling you. You watch how many Catholics that do not believe in same-sex couples will bow down now and accept it because they've got the wrong husband! They're all over my Facebook page. Good Catholics. Do you know what they're telling me now? *Well the Holy Father's just trying to show love.* No, the holy father is of his father the devil. Do you understand me!! Get that serpent seed out of you!

Get that serpent seed out of you !!!

If it originated from Catholicism, it's the seed of the serpent! If you join to them, read 1 Corinthians 6:16. I want to show you what happens. Anybody you take seed from. What do I mean by seed? Words. Doctrines. Allow your children to be taught. When I married my wife, I'd walk through the house and hear Joyce Meyer on the TV playing. Just ask my wife. I'd get so angry I wanted to throw something at the TV. Do you think I hate Joyce Meyer? No. I hate serpent seed. And I heard it, and then I'd turned over to Creflo Dollar and I hear him say that the commandments are done away with. Serpent seed.

But they mix it with so much good motivational stuff. And they get you pumped up, and my God, you're shouting saying Amen, the commandments are gone! And you don't even know what you said. Why? You're laying down taking the seed. And you'll never produce the manchild. Read what happens right there when you lay down and take the seed.

1 Corinthians 6:16

What? Know ye not that he which is joined to a harlot is one body? For two, saith he, shall be one flesh.

He said every time you sleep with a harlot, you just married her. Whoever's seed you're taking, that's your husband. Who's your husband? I want to tell you this tonight. Paul said whoever's seed you're taking, you become one with them. I don't know about you, but I found a good seed, and I don't mind becoming one with that seed. Hallelujah. Hallelujah. Hallelujah. That's the seed I want to become one with. And then these two shall become one!

Now you know why Yahshua said I and my Father are one. He was taking his Father's seed. He said... I say nothing that I don't first hear my Father say. He was taking the Father's seed and now I and my Father are One! I come to tell you tonight that you did not go looking for this word. This word of truth came looking for you! And it was the purity of this word that makes you a virgin. It is the purity of this word that takes all of your old lover's seeds and washes them out of your mind, and clarifies your mind, and brings you to perfection, and brings you to final glory!

Stand on your feet if you're thankful tonight for that seed!! Hallelujah!!
Hallelujah!!

And these two shall become one. This woman had the moon, the sun and the seed. I've called you tonight that have been called here to understand. You have been called to plant your feet in the moon. Don't get lost in the moon. Plant your feet there. And find Yahshua your husband, the word, behind everything we do. And it will transform you. It'll transform you from the inside out.

Play Holy Ground for me real quick. I want to talk to you before we go home tonight. I've come with a burden on my heart. The Bible said that when you take the seed of Christ...what it does...it creates a new man. What does that mean? All your old lovers, all your old husbands, all your old seed, gets pushed away by the Virgin Seed, the pure word of God.

I want to say this to you. You listen to me carefully. The only thing that will stop you from receiving the virgin word is your old husbands. Let me prove it to you. I can take the word and show you where the dead know nothing. That's virgin word. I can show you from the Genesis to Revelation where nobody's in hell right now. Everybody's asleep. I can show you. Nobody has ever been able to debate me on it ever. And do you know what people will tell me when I show them the virgin word? *Well that's not what I believe.* Do you know why? Your husband you were married to. Your Baptist church, or Catholic, whatever it was, they have more power over you than the virgin word of God.

Lest I pick on them, it was no different for some of you when I came to you and showed you you had to dance before the Lord. Oh see, you were ready to make fun of all them people, but when I showed you in the word, some of you still don't dance. Do you know why? You're still in bed with the wrong husband. I showed you in the word when you come into my presence, you've got to do it this way. You don't care. It's not what you believe.

You will never bear the manchild. You'll never wear the crown. You will never be what God wants you to be. When your pastor shows you truth in the word, get rid of that old doctrine. Get rid of that old thinking. Let it go. Let it be overcome by truth. And it's not always easy. You've got to make yourself receive the word of God. Remember what I said earlier. It's not your pure life that makes you a virgin. It's how you receive the virgin word of God.

Turn it up brother. Let's all gather for a few minutes tonight, and let this message that we've heard fill our hearts right now. Let's just stand in his presence.

When I walked through the door I sensed His presence.
And I knew this was a place where love abounds.
For this is a temple Jehovah God abides here.
And we are standing in His presence on holy ground.

We are standing on holy ground.
And I know that there are angels all around.
Let us praise Jesus now.
We are standing in His presence on holy ground.

In His presence there is joy beyond measure.
And at His feet peace of mind can still be found.
If you have a need I know He has the answer.
Just reach out and claim it.
For you are standing on holy ground.

We are standing on holy ground.
And I know that there are angels all around.
Let us praise Jesus now.
For we are standing in His presence on holy ground.

I want you to pray right now...

Father, remove every seed out of my mind that you didn't plant there. Fill me with your word. Fill me with the pure word. Transform me by your word. Fill me with obedience to the word that I might be what you called me to be.

Hallelujah. Oh, blessed be the name of the Lord. Let's worship him.

Oh, surely the presence of the Lord is in this place.
I can feel His mighty power and His grace.
I can feel the brush of angel's wings.
I see glory on each face.
Surely the presence of the Lord is in this place.

Hallelujah. And we don't want him in just this place. We want him in our homes. When you go home, all of your reaction and how you carry on in your homes, how you're to gather, that's so important. We're to love each other. Amen. Husbands and wives as our pastor's teaching tonight makes all the difference. That's what makes up a church when we congregated together in our minds individually, collectively and how we handle it.

What's on the inside of you will come out. It'll always represent itself somehow down the line. And you've got to always be ready to attack it. Amen? I've had to fight my "old man" a lot of times. Amen. Because he'll try to rise up above my "new man". Amen. He has a tendency to do that. He wants to reign. Amen. Hallelujah.

Who we are is so important everywhere we present ourselves, on an airplane, if we're at work, wherever we are in life, we're who Yahshua is working in our lives.

Aren't you thankful he can work when you let him? Hallelujah. He's powerful. He wants to go with us, amen, wherever we're at. Not just in church. It's easy to do it here. It's easy to get up and jump up and down and all the different things. But when we get home, when we're on the job, wherever we're at, how you represent him is so important.

I LOVE HIM! I'm thankful that he's brought me through so many different things. Amen? Hallelujah. God takes care of us wherever we're at when we're depending on him. He'll do it. Amen. Wherever you're at, amen, just depend on him, and he'll bring you through it! No matter. And he'll remind you of those places that he's brought you through to bring you to a higher place. How many believe it? He's here! He's not going to let you down. Amen. Amen. God is so good. Hallelujah. Praise God. Thank you pastor for the word of God! Amen.
