

The End Times (Part 3)

The Restoration Of All Things

By Pastor Shane Vaughn, First Harvest Ministries

Tonight is part three. We've been teaching on the end times, and this will be our third week now, on the end times. I know many of you have studied the end times under various different teachers, but we feel like most of them get it wrong; not because they're bad people, not because they are not as smart as we are, but we feel like we have a set of glasses that are different than the Gentile church normally wears—that is our Hebrew glasses—where we understand all things that come from the Word of God, Yahweh, from the Hebrew mindset.

Why is that important? Because this Bible was written by Hebrews for Hebrews, to Hebrews. So if you're going to understand the end times of this Bible, where did Jesus Yahshua—let's do a quick recapitulation—where did Yahshua start teaching about Himself to His disciples? He started with what? What did He say, specifically? Beginning with MOSES. The problem with the modern Christian church is they do not begin teaching with Moses. They begin in the New Testament with the book of Matthew.

You need a proper understanding of the Book of Moses. The Book of Moses is the first five books of the Old Testament: Genesis, Exodus, Leviticus, Numbers, and Deuteronomy. Those are the books of Moses. We call that the Torah, or the Pentateuch. To understand the end times, you've got to get an appreciation for those five books. Tonight we're going to try to catch up real quickly for those who have not been here.

We have discovered that there are how many resurrections? Two. Who comes up in the first resurrection? The Chosen. Does the Church at large come up in the first resurrection or the second resurrection? The second. We were always taught that the Church came up in which resurrection? The first resurrection. But we found out that the Church and the Overcomers are two separate groups of people. The Church at large is a bunch of saved

folk. But the Overcomers are the *chosen* saints of Yahweh who have drawn closer unto Him, and earned the first resurrection.

The Christian church will teach you that you cannot earn anything with Yahweh. I need you to pay attention now. The Christian church that we all grew up in said that everything is free and it is all by grace. They were wrong. The only thing that's free is salvation. But rewards and positions in the Kingdom of Yahweh are all earned. Otherwise, why else would He say, "Well done," if you didn't have to do well? Can I get an Amen?

Why would He say, "Well done," if all I did was believe? He said, "Well Done," because you met the qualifications. What was the qualification? FAITHFUL. When you meet the qualification of faithful, you move out of the camp of Christianity, and you move into Overcoming. HalleluYah. Yahweh is looking for overcomers tonight. He isn't looking for saved folk; He's looking for chosen folk. There's a difference. This city's full of saved folk, while they're sitting there doing Hail Marys.

Everybody is saved, but there are some folks who laid down their religious traditions. How many of you in this room have laid down your religious tradition? How many can say it's the hardest thing you ever did in your life? Because it holds you. You want the family to like you. Nobody wants anybody to believe they're part of a cult, right? To keep everybody from believing that, we stay with Mama's cult, because nobody thinks her cult's a cult. Mama says she's going to die in her cult. Why are we going to be in Mama's cult? Well, it's a cult wherever you go. The point I'm making is that the hardest thing you will ever do is to leave what you understand and what you know.

Let me tell you why that is. Do you know what a man's greatest fear is? I'm going to teach you. Your worst fear and my worst fear is being wrong. Nobody wants to be wrong. Can I tell you why? Well, a woman never wants to be wrong, do they? They don't want to be. They're normally not, either. The reason we're afraid of being wrong is this: If I can prove you wrong about anything—if I can come and prove that you were wrong about

something—that just opens up the possibility that you could be wrong about everything, and that scares the life out of us. So to keep from being wrong about everything, we can't be wrong about anything. It protects us from that greatest fear that everything we ever believed was wrong. Why is that fearful? Because we are prideful creatures. Somebody can come to you and show you in the Word of Yahweh, what day the Sabbath Day is. They can show it to you in the Word of Yahweh. They can come and show you who the Son of Yahweh is: Yahshua the Messiah. They can show you these things, but if it goes against what you believe, you won't accept it as truth.

So I found out I had been wrong about the end times my whole life. Number one: The first thing that started me on my journey that I have been on for seven years now, was when I realized there would not be a rapture of the Church. That was the first thing that really shook me to my core, because I preached the rapture all my life. We preached that seven years prior to when Jesus returned, we were all going to get vacuumed out of here, and escape all the tribulations of the world. I have preached that since I was fourteen years old. I preached that. I believed that. I believed it with all my heart.

One day I messed up and listened to somebody. Everybody who fights me in this ministry, they do it until they come and sit in a chair, and take time to listen to me. Then they're in trouble. Why? Because truth has a way of working on your mind. So this brother asked me, "Where do you get a scripture that says there's going to be a rapture of the Church?" I said, "There just is; we don't need a scripture. There's going to be a rapture."

My preacher told me that all my life. My mama told me there's going to be a rapture. He asked me that and I was an ordained Doctor of Theology at this point, which means a hill of beans if you don't want to know truth. He said, "Where in the Bible does it say there's going to be a rapture?" I said, "Over there in one of those verses." He said, "Which one?" In First Thessalonians is the only one I knew, so I quoted it to him.

I Thessalonians 4:16-17 For Yahshua Himself will descend from heaven with a shout, with the voice of the malak gadol, and with the trumpet of Yahweh. And the dead in Messiah will be raised first, 17 Then we who are alive *and* remain will be caught up together with them in the clouds, to meet Yahshua in the air; and so will we ever be with Yahshua.

I'm trying to make a point before I get into this lesson tonight. That verse says nothing about a rapture. That says the Second Coming. There's no rapture in there. I know that's the verses they use, but there's no rapture in there. There's no rapture anywhere in your Bible, and you believed it all your life. Do you know when the rapture doctrine was created; do you have any idea?

About a hundred years ago, the rapture doctrine was created in a church called The Plymouth Brethren. Do you know who created it? A man by the name of Darby. His name was Darby, and he created the rapture doctrine. Do you know who liked his idea? Scofield; a minister named Cyrus Ingerson Scofield. Have you ever heard of the Scofield Bible? That's where the rapture doctrine became imminent; in the Scofield Bible.

Guess who preached the message around the world before anybody else did? Massachusetts evangelist Dwight Moody. Nobody had ever heard of a rapture before this. Go study your church history. I challenge you to find me one mention of a pre-rapture before Yahshua returned. You will never find it from the book of Matthew to the book of Revelation. But here's what you will find: Two comings of the Lord: one time in a manger, and the second time in the clouds of glory. But the rapture creates a third coming. There is no third coming of the Lord. There is a first and a second.

So the moment my mind made the mistake of listening to that brother, I knew I was going to have to tell my grandma because she believed in the rapture, and I didn't want to see grandma, because I didn't know what I was going to say to her. Some of you are more scared of your mama than your God, and that's a fact. So whenever Yahweh begins to bring you truth, He

chips away one layer at a time. It's the hardest thing you'll ever do: to leave Pentecost, to leave Baptist, to leave Catholic, to leave Methodist; to leave them all and follow the Word. Somebody asked what religion I am and I said I don't have one. *What do you identify as?* Nothing, but a believer in the Lord Jesus Christ: Yahshua the Messiah. That's who I am. My mama was Pentecotal, and I still act Pentecostal, but I *am* a follower of *The Way*, the original Way.

So tonight, we're going to chip away at some more layers of what you always believed about the end time. And we're going to start that tonight on the screen. This is part three. I want you to repeat after me: The restoration of all things, not the destruction of all things. All of you, say it. When you think of the coming of the Lord, we immediately think: Destruction. *Destroy it all and take us all to heaven.* I don't know how many visitors we have tonight, your first time, but I'm getting ready to blow you out of your seat honey, before you ever get seated. Not one of you in this room is going to a place called heaven. It's not in your Bible, from Genesis to Revelation.

It isn't in there anywhere, but I'll show you forty-two scriptures that say heaven's coming to you right here on planet Earth. Right here. So everytime you sing, *Goodbye World, Goodbye*, you're singing the devil's song, darling. Quit lying. You're not going anywhere. Heaven's coming here. That's the second thing I learned. I have a video on YouTube where I have offered a thousand dollars to any theologian who can show that anybody is going to heaven. Nobody has accepted my offer. It's been up there for four years. Why? Because it isn't in your Bible. So why is it in your theology?

When Yahweh brings you to this ministry, He's either going to mess up your head so bad that you run out of Babylon, or you'll get so confused that you run back into Babylon. Tonight is your night to say, "God, why did you bring me to this ministry? What do you want me to know? Who do you want me to become that I wasn't before?" Jesus Yahshua is getting ready to return, children. He is preparing a people right now to rule and reign with Him on planet Earth. If you've got your eyes on heaven, you've got your eyes on the wrong place. When we learn these things, all the cobwebs begin

to leave our minds, because the first thing you've got to learn tonight: Yahweh's not sending Yahshua back to destroy ANYTHING!

When they would preach and I thought of the Coming of the Lord as a little boy, everything was going to get uprooted, destroyed; it's going to be the end of the world. Can I get an Amen? Do you know what I'm going to teach you is the total opposite of that? When the foundation is wrong, everything is wrong. When we do not return to the Feast of Israel to understand the end times, we get everything wrong because the foundation of all the Word of Yahweh is in the Books of Moses. For some reason, we have the warped view that the end time is the destruction of all things.

But ladies and gentlemen, the end times are about the RESTORATION of ALL things. If you were an artist and you drew the most beautiful painting you had ever drawn in your life, let's say it's your best work ever and you come to me and you say, "I created it just so I could go out there and destroy it." I would say to you, "You need a mental checkup. That's your best work ever."

Do you know the EARTH was Yahweh's best work? Think about it. The Bible said when the angles saw it, they shouted for joy. It was His Masterpiece. Let me ask you a question. Why would He create a masterpiece with the intention of destroying it? It's not in your Bible.

Until you get this proper understanding, you'll always get the end times wrong. The worst mistake you'll ever make is listening to me teach one good time, because you'll either be hooked or you'll run. Yahweh is calling you tonight to get hooked into TRUTH, because He's raising up a people now who want the truth. Let's read Genesis 1:31.

Genesis 1:31 Then Yahweh saw everything that He had made, and indeed *it was very right*. So the evening and *then* the morning were the Sixth Day.

The earth which Yahweh created was very good or it was very bad, because according to modern day teachers, the earth is bad, and God is coming to destroy it. The earth is bad. It's all messed up, everything is corrupt, the whole earth is just bad. But what did Yahweh say about planet Earth in this verse? It was very GOOD, or right.

If God created something very good, do you think for one second He has any intentions of destroying something that is very good? No! He does have an intention of destroying something, but it's not the earth. If you've ever been told that there's an end of the world, you've been taught a lie. There will never be an end of the world! What will there be? An end of the AGE. We're now entering into the Age of Aquarius. Why? Because now the age is changing; the age is ending. We're getting ready for the Kingdom of Yahweh to come now, and the earth is all part of that plan.

Brother Vaughn, I've got to see it in the scripture. We're going to read some scriptures, but first let's be honest. How many of you can say that all your life you believed that God was going to destroy the earth and end the world? Don't act like you know something when you don't. I'm a fourth generation Pentecost, and I know what we believed: God was coming back to take us all to heaven and destroy all of this. The whole thing's a lie, and we're going to prove it right now. Let's read.

Psalm 37:29 The righteous shall inherit the land, and live in it forever!

Whoa, what? The righteous shall inherit heaven and live in heaven forever? No! Where are the righteous going to dwell forever? The Earth. End of discussion; case dismissed. I'm done. Where did you ever get that we were going anywhere? From your church: *streets of gold*. Read my book called *The New Jerusalem*. It's a pdf file, free of charge and you can download it. There's no such thing as streets of gold. It's not in your Bible anywhere. You think it is, but you don't know how to read it. It's BETTER than streets of gold. When you read that Book, you'll be shouting your hair down even if you have none.

Psalm 104:5 You placed the earth on its foundations, and it will not be removed forever and ever.

What did you just read? Yahweh set the earth on its foundations and it will NEVER be removed. I thought He was going to destroy it; burn it up, get rid of it. Satan wants you to believe that. Why? Because he doesn't want you to know who you are and what Yahweh is getting ready to do.

Ecclesiastes 1:4 One generation passes away, and another generation comes; but the earth remains *the same* forever.

The earth remains until God destroys it? No! The earth abides how long? FOREVER. Where did we get this mess from? Jeremiah said our fathers inherited what? LIES. We're here to correct the lies. We're here to mature you. We're not a baby Christian church. We're not for those who want the milk. We're here for the meat of the Word of Yahweh. Now let's turn to Isaiah.

Isayah 45:18 For this is what Yahweh, Who created the heavens, Who formed the earth and made it, Who has established it, Who did not create it in vain, Who formed it to be inhabited, says: I am Yahweh, and *there is no other source of power!*

He created the earth to be destroyed or to be inhabited? Inhabited. Why did Yahweh create the earth? So one day He could come show His temper and destroy it? No, no, no; stay with me saints. He created it to be INHABITED forever! That means all eternity. HalleluYah! Let's read Revelation.

Revelation 5:10 And have made us kings and priests to our Father, and we will reign upon the earth,

Whoa! Where are we going to reign? In heaven? Where do we reign? On the EARTH. How are we going to do that if Yahweh destroys it and takes us to heaven? You all better stick with truth if you want to learn this.

Revelation 11:18 And the nations were angry, and Your wrath is come; and the time of the dead that they should be sentenced, and that You should give reward to Your servants the prophets, and to all the saints—to those who reverence Your Name, small and great; and should destroy those who destroy the earth.

The rewards will come to the prophets and the servants of Yahweh. Sin is the invader on planet Earth. How many agree that had it not been for sin, things would be alright for us? So sin is the invader and has destroyed the earth. Yahweh said those who destroy the earth will be destroyed. Why would He destroy them for destroying what He's going to destroy? If His plans are to destroy the earth, why is He going to destroy everyone who is destroying it? He's going to destroy SIN, not the earth. He is going to destroy sin, because sin took this earth and made it what it is today! HalleluYah!

There is a RESTORATION coming! *Brother Vaughn, I know that God's going to come and restore the earth; God's going to do it. NO! Brother Vaughn, Jesus is going to come and restore the earth. NO! I'm getting ready to show you that those of YOU sitting in this room ARE going to restore this earth! Every one of you sitting in this room has a job to do. If your job is to restore the earth, and Satan can convince you to leave the earth, guess who's not going to get their job done? Brother Vaughn, Jesus is going to do it. No, He's not! Let me read to you who is going to put death and sin under their feet. Put your hearing aids on and listen now. Read.*

Romans 16:20 And the Father of peace will crush Satan under your feet shortly. The mercy of our King, Yahshua Messiah, be with you.

Under whose feet? Your feet. Not Jesus' feet? No. Not Yahweh's feet? No. Whose feet is Satan going to be crushed by shortly? YOUR feet. But how can that be so if you're not here to do it? If you got raptured to heaven, whose feet is He going to use? The sons of Yahweh are getting ready to take

over the White House, Buckingham Palace; every castle, every government. Every king, every kingdom on this earth is getting ready to BOW to the sons of Yahweh! Somebody, say “I’m not going anywhere!” HalleluYah!

Do you want to know the devil’s fantasy? Every time you sang *I’ll Fly Away*, you just turned the devil on! But you’re going to tell him, “I’m not going anywhere, you’ll have to deal with me. You’ve been putting your feet on me all my life, but I’m getting ready to turn this thing around and put my feet on you! “How are we going to put Satan under our feet? We have the FAVOR of Yahweh with us.

Satan wants every one of you to get raptured. He dreams of you getting raptured. He’s fantasizing. He’s having midnight fantasies about you getting out of here so that you’ll quit quoting the Word of Yahweh in his territory, so you’ll quit having faith in a faithless world, so you’ll stop believing in an unbelieving world. He’s wanting you to go, but I have news for him. He’s put me through hell for forty-eight years and I’ve never turned my back on Yahweh. I’ve never one time told the Lord that I’m through. Why? I’m getting ready to RULE this world! I’m getting ready to rule in this government of men!

I KNOW who I am, and Satan knows who I am! You’ve got to learn who you are; understand who you are. You’re not some little Christian where all they can all pray for you. We are the SONS of Yahweh! When we open our mouths, worlds move! When we open our mouths, kingdoms fall. Why? We ARE the sons of Yahweh. I’m not even the son of my mama anymore. I love my mama, but I’m not her son anymore. She gave birth to me, but He DELIVERED me, and because of Him I am who I am today.

You’ve got to learn who you are. I am not just some little Christian. I am the devil’s worst nightmare. Why? He’s tried to steal my faith. He’s had my lights cut off before. He’s tried to take food out of my pantry to show Yahweh that I’d turn my back on Him. But he doesn’t know I was filled with the Holy Ghost from the top of my head to the sole of my foot. I’ve got a power he never had. Did you hear me? I’ve got a power that Satan never

had: the indwelling presence of Yahweh Himself, living in me, speaking through me, walking with me. HalleluYah! Satan, I'm not going anywhere!

I'm staying here, devil. I'm staying here to take it all back; everything you stole from my Father. He's got an army of sons that are coming back to take it all back: every inch, every mile, every kilometer, every centimeter! We're taking it all back! Why? We are the sons of Yahweh. According to the verse we just read, that's going to happen under MY feet.

Here's the problem. Because we don't understand these things, we are looking to escape. Yahweh doesn't want you escaping. He wants you PREPARING for that Great Day. If you think for one second that Joe Biden just pulled off a fake election, you wait and see what's going to happen when the sons of Yahweh pull it off. Oh yeah, baby. Nobody is going to elect us. Yahweh is going to PUT US IN PLACE because He's got a plan for you and me. We're going to take dominion over Dominion Software. We're going to have dominion. Why? Because Yahweh is raising us up for a PURPOSE, and it's not to be saved!

Brother Vaughn, I just want to be saved. Okay, well come up here and let's get you saved. I'm going to baptize you and then we'll go in the kitchen where the Kool Aid is and I'll give you a cup of it and let you go to heaven and get saved. Hello? If that's why you got saved to just get out of here and go to heaven, there's a way to get you there. No. Yahweh saved you to begin your transformation from the son of an animal to a son of Yahweh. From the child of rebellion to the child of obedience. Yahweh is changing you from your way to HIS way. He does it when you hear the preaching of the Word tonight. There's nothing you've heard this week that's as important as what you're hearing at this moment!

Why? No Trump speech or a speech from anybody compares to the eternal words of LIFE. Yahweh is trying to prepare you for your change. Tonight I want to talk to you about why we've got to be changed. The purpose of the resurrection is for the restoration for all things on planet Earth. Let's all turn to Matthew twenty-five. We'll start with verse fourteen, the parables of

the talents, and I'm going to read this for you. Let's read this and see if we can understand what Yahshua is saying.

Mattithyah 25:14-30 *For the Kingdom of Yahweh will be like a man going on a journey into a far country, who summoned his own servants, and handed his possessions over to them.*

Now let's break that down. He said, "I'm going to teach you what the Coming Kingdom of Yahweh is like." He said, "Number one: it's like a man who left and took a journey into a far country." Who would that man be? You better wake up. The Coming Kingdom of Yahweh starts with a man who took a far journey. Who would that man be? Yahshua the Messiah, because He left and took a journey. How many would say it's to a far country? Alright. So this first verse is about Yahshua going to His Father. Before He left, what did He do? He called His servants. Many are CALLED but few are chosen. I'm getting ready to show you the Kingdom of Yahweh.

So before He left, He sent the Holy Spirit to call you. He calls you His servants, but there is a huge difference between being a servant of Yahweh and a child of Yahweh, and a son of Yahweh. You better learn the difference. You can be a servant, but that doesn't mean you're His son. You'll be saved and in the kingdom but it doesn't mean you'll be a son of Yahweh, ruling in that kingdom. So before He left, He called you. This is what He said His coming kingdom was going to be like. Let's read verse fifteen.

15 *To one he gave five talents, to another, two, and to another, one—to each according to his ability—and immediately went on his journey.*

It's saying here that to every man He gives a measure of faith.

16 *Then he who had received the five talents went and traded with the same, and made with them five more talents.*

He INCREASED. So, Yahshua gave you the Holy Spirit. That's the talent. He gave us all that measure of it. He said, "While I'm gone, I want to watch what you do with that measure I gave you of salvation, of the Holy Spirit. I want to see what you do with it. *Well, why Lord? All I need is salvation and I'm saved.* You better watch out for that word saved. It's a tricky word. Going back to verse fifteen, it said that straightway the master went on his journey. So now Yahshua leaves the earth.

17 He who had received two did the same, and also gained two more. 18 But he who had received one, went and dug in the earth, and hid his ruler's money.

Do you know what the one who hid the money said? Everybody, look at me. He said, "I'm saved. No more work. Nothing left to do. Hallelujah. I'm digging in my salvation, putting it in, and I am saved." Let's see what happened.

19 After a long time, the ruler of those servants came and settled accounts with them.

After a long time. Whew! About two thousand years! The Lord of those people He called the Church, returned to His Church. What does the word church mean? Called out. This is the Lord and His Church, and He reckoned with them. All of them had received the Holy Spirit and salvation, but not all of them are about to do something. Let's keep reading.

20 Then he who had received five talents came forward and brought his five other talents, saying; Ruler, you handed me five talents. Behold, I have gained five other talents above those.

He said, "Lord, You gave me the Holy Spirit and I added to that much more than just the infilling of the Holy Ghost. I've added faithfulness. I've added the Fruits of the Spirit. I've added long-suffering, and joy. I've added to what you gave me."

21 His ruler said to him; Well done, righteous and faithful servant. You have been faithful over a few things, I will make you ruler over many things. Enter into the joy of your ruler!

He's going to make him what? A RULER over MANY things. I'm going to paraphrase the rest of this chapter. You can read it when you get home.

The next servant came to Him and said, "Lord, You gave me two. I've doubled it. The Lord said, "Faithful servant, because you didn't just want free salvation, you'll receive a reward." The talents were free. They didn't do anything to earn them. They were free, just like grace and salvation, but Yahweh wants to see what you're going to do with *free*. He wants to see how you're going to respond to grace. Yahweh doesn't just want to give you grace, He wants to watch your response to grace. And so, to the second servant He said, "I'm going to make you a ruler over many people."

Here comes the other one. This man was just glad to be saved. *I'm still saved, Lord!* "Yes, but did you add any works to that salvation? Were you faithful in your obedience and your giving? Did you keep My Sabbath, did you obey My commandments? Did you add anything besides just the freebie? You just wanted the freebie. Did you do anything to respond to my freebie?" *Well, no Lord, I'm just saved.* The Lord said, "Take that servant who believed the lie of those preachers, and take away his right to rule, and cast him outside into outer darkness."

The problem is that we always thought that outer darkness meant hell. We thought that believer went to hell. I taught you last week that even though your works are tried by fire, you'll still be saved. So what is outer darkness if it's not hell.? Remember, it's a Hebrew Bible so we have to go back to the time it was written and see what outer darkness meant at the time. If you go to Jerusalem, once the sun started going down, the last place you wanted to be was outside the city. Think about it: no street lights: the prison of darkness, fear everywhere, weeping and wailing and gnashing of teeth—scared outside the city. That's outer darkness. You didn't make it to the government of Yahweh.

What He told that servant was: “Because you didn’t prove yourself worthy, you’re not going to hell, you’re not going to be lost; but you won’t make it into the first resurrection into government, this first resurrection of people who I’m going to allow to rule and reign over the earth.” **What I just taught you folks, you better hear me, is the most important parable Yahshua ever taught, and nobody understands it!** Very few. When you read that parable, you don’t see that, but that’s the meaning of it. If you hold onto salvation without adding to it the things of Yahweh, you will be saved, but you will not make that first resurrection. You will not be in that city. The only one who is going to live in that city is the BRIDE, not the Church.

When Yahweh laid Adam down on the ground, he was just a body, wasn’t he? But where did Yahweh go to pull out that choice part? His heart, right where his rib cage is. And what did He do? He pulled the bride out of the body! Oh my! Is anybody listening? When Yahshua—the second Adam—was laid down on Mount Calvary, where did they go and pierce? The exact same place; His rib cage. The second Adam; the same piercing. What flowed out of His heart was blood and water. That’s what gave LIFE to the bride of Christ. Not the whole body; the CHOICE part.

There are many Christians in the Body of Christ, but they are not in the Bride of Christ. They are not in the choice part. And until you understand that, you’ll live for Yahweh foolishly, like the five foolish virgins. They were virgins. Did you hear me? The foolish virgins were saved! If they had been sinners, they would have been whores, not virgins. Is anybody following me? The five foolish virgins were missing something, but they were still saved. But they weren’t allowed to come into the first gathering, HalleluYah. They had to wait until the second resurrection! Good God from Mount Zion!

It is apparent from this that not every Christian, not every overcomer will receive the same reward. The rewards will be according to your works. Repeat this after me: *Salvation is free. Rewards are not.* You will work for

your position in the Kingdom of God. The rewards come to those who are justified by faith. The Christian who hid the money entrusted to him will not lose his reward of immortality, for that's not based on works; but he certainly would lose the reward of being entrusted with rulership over many things. Let me tell you something. If you think Yahweh is going to trust you to rule in His government when He couldn't trust you to not steal His tithe, you've got another thought coming.

If you think Yahweh is going to trust you to rule when He cannot trust you to keep His Sabbath Day holy, you've got another thought coming. You see, these are all tests. *Brother Vaughn, do you think God needs ten percent of your money?* I don't think Yahweh needs a dime from you. Do you really think God needs your measly amount of money? Do you think God needs ten percent of it? No.

Then why is He so emphatic about the First Fruit? It has nothing to do with money. It has to do with TRUST. If Yahweh can't trust you to give up the most precious part to Him, how can He trust you in the Coming Kingdom of Yahweh, to rule over people when you couldn't even rule over your own greed? I need you to hear in the Spirit what I'm preaching. Yahweh is learning to trust you more than you're learning to trust Him.

Brother Vaughn, God knows. No, He doesn't! Here's why. I preached it last week. What did God tell Abraham? Do you remember what I taught you last week? When God told Abraham, "Go kill your son," and Abraham went to draw the knife back, what did God say to Abraham? He said, "Hold on. Now I know that you fear God. You just gained some trust with Me." Every time you do the right thing with Yahweh, you cause Him to know more and more who you are.

Brother Vaughn, how can that be? I'll tell you how. Yahweh never told Satan to go try Job to find out if Job was perfect. I need you to hear me before you go to sleep tonight. Yahweh tells Satan, "Go to Job, because Job is a perfect man." He didn't say, "Go find out." He said, "I want you to go and prove what I already know about Job."

Satan told God, “If you take the hedge of protection, he’ll curse you.” God said, “I know better.” Why? “I watched him his whole life. I know what he’s going to do before he does it because I’ve learned to trust him.” You better hear me tonight. Yahweh is learning to trust you, and the way He does it is in those moments when He leaves you and disappears out of your life and forsakes you. *My God, why did you forsake me?!* “Because I’m trusting you. If you’re going to rule over My Kingdom, My son, I’ve got to know that when I disappear, you don’t disappear.” That’s deep stuff and you better get it into your spirit! You better still be there when Yahweh isn’t there! Do you hear me?

Listen to what I’m saying in the Spirit. When Yahweh shuts up, you better not shut up. When Yahweh quits answering, you better not quit praying. When Yahweh quits responding, you better not quit praising. Why? Because there is a trust thing happening with you and Him. There’s a relationship that’s building. In the moments of your mess, in the moments of your mistakes, Yahweh will shut up to see if you will. Yahweh will go silent to see if you will. The Lord says to tell you that you passed the greatest test of your faith tonight. The Lord said to tell you that you passed a test tonight. He said, “I showed you My favor because you passed that test tonight.”

When you are walking with Yahweh and He goes silent and you do the same, you fail the trust test. How many of you have been married? *I don’t have anything to say! I don’t have anything to say, either. If you’re going to act like that! Well if you’re going to act like that!* That’s what we do with Yahweh. *Oh, You didn’t answer my prayer, so I’m not praying anymore.* See? But you get to a place in your relationship where you know your husband or wife is going to do the right thing. Why? They’ve always done it. And when the fight’s over, you know they’re going to come back and apologize. Well, the women don’t always do it, but the men need to do it. No, (chuckling) my wife does it every time. You’ve got to learn to trust Yahweh.

Let's go to the next screen' praise Yahweh! I want to talk to you real quick about why we're going to be resurrected. The Church today does not believe in the resurrection. The Christian church doesn't preach on the resurrection. Somebody said, "I was resurrected when I got baptized." Wrong! *I'm resurrected in the Spirit*. Wrong! Yahshua is your example of what kind of resurrection you are going to have: Just like He had! It wasn't spiritual, it was in the flesh, darlin. Now let's talk about that. I'm going to prove to you that the Church doesn't believe in the resurrection. *Brother Vaughn, my church believes in the resurrection*. Okay, let's find out.

I know they say they do, but let's find out. Most churches teach that when you die, you go to heaven or hell. That's a lie. You don't go anywhere; you go to SLEEP. You need to get these things out of your mind. There's not anybody dancing on streets of gold with Aunt Sally. Nobody is up there. Someone said, "My mama's up there and watching over me." I'm glad my mama isn't up there watching over everything I do. I go to the restroom, I take showers. *My mama's watching over me*. Please don't be. *My granny came to my bed last night*. I hope she didn't come to mine; she's going to get her eyes full. Praise Yahweh. HalleluYah. Whooo!

If you want to hear the most Christian lies, go to a funeral. *Mama's gone to heaven!* The Bible says that only the Son of Yahweh is in heaven. It tells us that in the book of Acts and John. So, if your mama is in heaven, then there is no need for a resurrection. Just think about this. The Christian church doesn't believe in a resurrection. They believe when you die, you went to heaven. If you've already gone to heaven when you die, what's the point of you coming back, getting back in your grave, and resurrecting? Nobody in the Church believes in the resurrection. The Bible said that the dead are asleep in the dust of the earth, just like an animal.

I hate to say it to you, but every night when you go to bed, you practice dying, and you practice a resurrection every morning. What did Yahshua say about Lazarus when he died? He said, "He's not dead; he's asleep." We don't know these truths because we're too busy having *good church*. You think when you die and if you go to heaven, on the resurrection morning

you've already been dancing on streets of gold, you've already been swimming in the river of life, you've already rode a few clouds; you've done all of that. You've been watching over your children. What a horrible thought. How can somebody be resting in peace if they're watching all the horrible things you go through?

Think about it: Rest in Peace. You don't think they're resting. You think they're watching over you. Let me tell you something. The only thing watching over you is evil spirits and the angels of Yahweh. That's all. Mama's dead, Daddy's dead, and you better leave them dead. The Bible said to have no communication with the dead, because it's not the dead you're talking to. It's those familiar spirits. If you want to destroy your life, put your hands on a Ouija Board. You'll destroy the rest of your life. Do you know why? Because you'll believe that you're talking to your grandma. I've been there; I've seen it with my eyes. I know what I'm talking about.

If you don't know this truth I'm teaching, you'll be deceived into watching the medium Jonathan Edwards on television talking to the dead. He's not talking to the dead! He's talking to demons! And God's Church is so ignorant! We sit there and partake of these things. When you die, you go to sleep. One day, there's coming a sound of a trumpet on that Great Sabbath Day, when the dead in Christ rise. It doesn't say they come back from heaven and rise. It says the dead in Christ shall rise. How do they rise if they already rose? There's not one scripture in your Bible that says the dead are in heaven or hell.

Brother Vaughn, what about Lazarus? It has nothing to do with death. I don't have time tonight to teach you that tonight, but there's a teaching that's on video on my YouTube channel called *The Real Truth About Lazareth*. You need to watch it. You'll never think that has to do with hell or flames of fire ever again, when you understand these things. Listen, church. We have churches filled with the Spirit of God, but none of the Truth of God. We need Spirit and Truth.

Why would we want to come back in a flesh body? I want you to think about that. When Yahshua was resurrected, the Bible said He told them, “Don’t touch Me.” Why? “Because I’ve not yet ascended to My Father.” He had not yet been changed. When He went to His Father, He was changed. He came back on the Eighth Day and He came to a room like this, but the doors were locked. The disciples were sitting around and He appeared out of nowhere. All of a sudden, they see Him, and He’s not changed one bit.

We’ve always thought that we were going to be like ghosts floating around when we die. You’re going to look exactly like you look now. Hopefully skinnier and prettier; perfect. Fat comes from sinning against your body and there won’t be any sin in the Kingdom. So we’ll all be skinny, how’s that? Alright. But Yahshua didn’t look like a ghost. He looked like He always looked. The Bible said they knew who He was. The Bible says that you will know as you’re known. So why come up in a flesh body? Paul explains it in the whole chapter of I Corinthians 15. You can read about it.

When you die, you’re going to go in the ground as a flesh body. When you rise, the only thing that’s going to change about you is your DNA makeup. This is important that you get this. Thomas felt the nail prints in Yahshua’s hands after He had been changed. When you come up out of the grave, the Bible said *You shall be changed*. You’re not changed in your composition, not in your appearance. We’re not all going to look like the walking dead: looking all alike. I need ten years to teach this stuff. I don’t have enough time.

When you get resurrected, we used to think we all came out of the grave and went to heaven, but you’re missing a whole day, a whole thousand years. What about that thousand years? When you come out of that grave, that’s when your ministry starts. That’s when you go to work with Yahshua to restore the earth. The Bible said the earth is groaning in travail waiting for you to be revealed; manifested. That manifestation happens, if you’ll read the next verse, at the redemption of your body; the change of your body. So when you come up out of the grave, you will no longer need blood.

I hate to get a little carnal here, but how many of you have watched *Superman*? Do you know what his father's name is? Joel, same as Jehovah in Hebrew. Superman is sent to the earth to save mankind. Superman has no blood. You've seen when he would cut his finger with Lois Lane and he wouldn't bleed. He didn't need blood. This movie was made, I believe, by divine inspiration, to teach us what our bodies are going to be like: just like Superman. Now, why? Because when your body is changed in the resurrection, you won't need blood anymore. The angels look just like you. Do you not know the angels are your brethren?

The angels were the first sons of Yahweh. The Bible said to be careful lest you entertain them unaware, because they look just like you. Do you remember when Abraham was standing at his tent door and the angels came to eat with him? He thought they were two strangers walking by. Do you remember when they went to Sodom and Gomorrah, and the men wanted to have sex with them? They were handsome men. See? Ladies and gentlemen, you've got to get ghosts out of your mind. We are all made in the image of our Heavenly Father!

Your body will change; you won't need blood anymore. *Brother Vaughn, how's that going to happen?* I'll tell you. When you die, there's one thing that does not die. When they put you in the grave and your body decays, there's one thing that will never die: your DNA. Go study DNA. It is a computer code. Literally, nobody has the same DNA. It's literally a computer code assigned to you.

When you die, they can burn you, they can put you in the ocean, your DNA lives on forever. What DNA? What do you think created you the first time in your mama's belly? That DNA. And what is it that causes DNA to come to life? FREQUENCY. What do you think the sound of the trumpet is going to be if it's not a frequency? When that trumpet sounds, that DNA that created you the first time is going to be reactivated, and that same person that it created the first time will come forth, but this time, in your code will be your CHANGE, where your body will not need blood to survive. And now, you can go anywhere you want to. You'll travel at the speed of thought.

Do you all know that the things I'm teaching you right now are harder for us to comprehend than the lies of the Church. We like those. Those are easier for us because some of you are brain smoking right now, so that's why we like the lies. Tell us the goosebumps right now. But I'm telling you tonight that Yahweh is preparing your MIND before He gives you your BODY. Stay with me. I'm almost done. The angels of Yahweh got their bodies before they got their new mind, and what did that cause them to do? Rebel.

This time, Yahweh created you and He said, "I'm going to give you a hundred years. My Spirit's not always going to strive with you." What does that mean? *I'm not going to beg you for a thousand years to obey me. I'm not going to strive with you, I'm not going to fight with you forever. I'm going to create you, but give you a hundred years to not kick against the pricks. I'm going to send My Spirit inside of your mind.* And that's why the Bible said, *by the renewing of your mind.* Yahweh says, "I'm going to watch your thoughts, but as you pray, the Holy Spirit and I are changing you.

How many of you can say that since you've come to Yahweh, you've changed the way you think? You used to hate everybody and wanted to get everybody back. Can somebody say, "I've been changed!"? That was your MIND. Now here you are tonight. Everybody sitting in this room is here tonight on Friday night when you're not supposed to be at church on Friday night. You're supposed to come on Sunday morning. You're not supposed to be in this weird church that has church on Friday nights. But you heard a Truth that started working in your Mind, and now you're Obeying that Truth.

If Yahweh can get you to obey Him right now, in a temporary body that's going to die, He can trust you in your eternal body. Do you know why Yahweh gave you a body? Out of mercy so that He wouldn't have to torment you eternally like He has to do to the fallen angels. The wages of sin is death. Listen to me. You're going to die like a dog, and if you did not change up here in your mind, you will die forever. But if you went through the

change, now our Heavenly Father says to the angels of Yahweh, “Watch them.” The Bible said they write down everything you say; every idle word.

See if their mind has been changed so much that I can trust them, so that I can give them an eternal body. Before you get the eternal body, you must get the ETERNAL mind. I know I’m boring some of you because I’m not screaming and hollering, but you better hear what I’m saying! The eternal mind is the CHANGED MIND OF OBEDIENCE! If Yahweh can get you obedient right now, He can trust you later. You folks drove all the way from Bush, Louisiana. That’s an hour’s drive at nighttime. You dove over here because there’s a change happening in your MIND.

Listen to me! When that change happens, and Yahweh says, “I can trust you,” now when He gives you that new body in the resurrection, your mind has changed first, and it will match up with your new body. Now Yahweh can use you in His eternal government. Why? Because a zebra never changes his stripes. Your character is being molded by the moments of your life when Yahweh seems so far away from you.

Please hear me. It’s easy to obey Yahweh when the money’s in your pocket and the bills are paid. It’s easy to obey Yahweh then. But when He digs it all, and you love Him and you trust Him, that’s something that will never change even in eternity: your character. Yahweh can create anything, but there’s one thing He can’t create. Please, if you haven’t heard anything I’ve said tonight, please hear this as I close. Listen to me. What’s the only thing Yahweh can’t create? Anybody want to tell me? He can create anything but this one thing. CHARACTER.

He cannot create your character. He can’t make you a good person. He can’t. He gave you free will. Why? So that when you finally get there, it can never be undone. How many can say that in this life you went from a con man to a God man? You have been changed. Why? Because Yahweh needs you for ETERNITY, and if He can’t trust your character in this life, how could He give you dominion over the nations of the world when He couldn’t trust you this go around?

So ladies and gentlemen, that's the purpose of the resurrection. It is there that it will be determined if you had your character changed. I don't know about you, but I've been serving the Lord since I was four years old, and I can truly say, I'm not the man I was ten years ago. There's been a change. There's got to be a CHANGE, so when that resurrection morning comes, Yahweh can say, "I can trust you to rule in My Coming Kingdom." Amen. Yahweh bless you tonight.
