

THE HEAVENLY SCROLL—The Mazzaroth part 5

In Search of the Throne

By Pastor Shane Vaughn, First Harvest Ministries

Let's go now to the Word of the Lord, and we're going to pick up with part five of the Mazzaroth. I would like to run back through the signs again, which speak to us of *The Heavenly*. Before Satan perverted this, it was the original Gospel that Yahweh wrote in the *Stars of Heaven*. All of the stars are preaching to us. The Bible says they speak to us day to day. Yahweh named these constellations. Don't ever let the enemy take what belongs to Yahweh. It's not his Zodiac; it is Yahweh's Mazzaroth.

Psalms 147:4 He counts the number of the stars; He calls them all by name.

I want to ask you a question. If Yahweh doesn't want you looking at the stars, why was He so focused on naming them? Why was He so focused on laying them out, and literally naming them? Because within those names, within those signs is the original Gospel in the stars. When you look up to

the heavens, this is the CLOCK that you will see. It is a *Divine Portrait*; the whole Gospel to all mankind. We know that Satan perverted it. I've already taught you those things. We've read the book of Enoch. We showed you how Satan perverted it. We showed you the meaning of the word Mazzaroth, which means *The Way*. That's why Yahshua said that He was the Way. He was the

fulfillment of the Mazzaroth.

I'd like to deal with something real quickly about the Mazzaroth and the pre-existence of Christ. Many people are confused by a few verses in the

Bible where Yahshua seems to say that He pre-existed. One verse that comes to mind is when He says that the Son of Man came from heaven. The problem with that is that we have found out that the word *heaven* does not always mean heaven. In fact, it means *where the stars dwell*.

If you look at the Mazzaroth, you will find Yahshua from the Beginning to the End. He is the *manifestation in the flesh* of what was written in the stars BEFORE the world was ever created . That's why He said, "Before Abraham was, I AM." In other words, you don't see Abraham in that heavenly scroll. You don't see the Jewish people in that heavenly scroll. All you see is YAHSHUA from beginning to end. He was in the Heavenly Scroll before He ever came to earth.

Sister Shaina Ellis. Your hand is raised. Go right ahead.

Yes, sir. There is one scripture that I just can't seem to reconcile when it comes to pre-existence. It is Proverbs 8:27. It says: When he prepared the heavens, I was there: when he set a compass upon the face of the depths. Then it goes on to say, "I was forever rejoicing in his presence."

Yes, but it is not speaking about Yahshua. It is speaking of WISDOM. Go back and read the beginning of the chapter. The Church loves elevating Christ to a position that He never claimed. He claimed only one thing: that He was the SON of God. That's all He ever claimed. I always have taught my students to go back to the beginning of a chapter when trying to understand a verse. Sister Shaina, please read the first two verses of Proverbs, chapter eight.

Proverbs 8:1-2 Does not wisdom cry out? Does not understanding raise her voice? 2 She stands on the top of the heights beside the way, where the paths meet.

If you continue to read, you go down to your verse. It talks about verse fourteen. Now read verse fourteen.

14 Counsel: *advice, is mine, with sound knowledge and judgment. I am understanding, and I am the power that goes with it.*

There are your Seven Spirits of God. *So he is counseling with himself?* Yes. Absolutely. If you have not seen my teaching, *The Seven Spirits of God*, that is the wholeness of WHO Yahweh is.

Right there in that verse is the *Spirit of Counsel*, which is one of the Seven Spirits. There is the *Spirit of Wisdom*, which is one of the Seven Spirits. There is the *Spirit of Understanding*, which is one of the Seven Spirits. There is the *Spirit of Strength, of Might*, which is one of the Seven Spirits. In the beginning, all seven of these Spirits of Yahweh were working in unison in the whole counsel of Yahweh, and THAT is what was in the beginning with Yahweh.

Sister Holly Edmonds. *Just real quick. So, in my KJV, I was talking with a sister about how it says, "Let us make man." In The Book of Yahweh it doesn't say that, but do you feel like when He says "Let us make man," that what we thought was the Trinity, maybe it's referring to the Seven Spirits of Yahweh?* Amen. The whole counsel of Yahweh.

If you've not watched my teaching on *The Heavenly Counsel*, you should. Just go to fhtv.tv and type in *heavenly counsel*. You need to watch that teaching. Everybody needs to understand WHO was with Yahweh in the beginning at Creation: the *elohim*. That is something that everybody needs to watch.

I'm going to open up the floor right now. I've not gotten to today's lesson yet, but I'm going to open up the floor for anyone to show me anywhere in the Bible where Yahshua ever said that we had to believe that He was Yahweh, or that He was Divine, or that He was pre-existent. Why do I want you to do this? Because I want to prove to you that the Christian Church—the Catholic Church—has created a red herring. At the end of the day, what must you believe to be saved? What must you believe to believe in the correct Christ and the correct Father?

According to the words of Yahshua, you must believe two things. You must believe in Him Who sent Me, and Him Who was sent; that I AM THE SON OF GOD. If there's any place else where you can show me today in front of the whole world where He said you have to believe that He is this or He is that, then I'll stand corrected. Go ahead Sister Shaina.

It's not me saying anything against your teachings. I had a preacher that I was explaining why I believe as I do, and he came back to me with typical oneness scriptures. He gave me the Colossians 2:1 that we already know the explanation of, and then he came back with John 1:3.

They love John one. I don't have time to explain John one today, but I will refer you all to a teaching called: *Shane Vaughn Teaches From Biltmore Estate The Pre-Existence of Christ*. We have corrected that verse. It is a mistranslation. It was made *on account of Him*, not *by Him*. The word *by Him* is a gross mistranslation, and I know that because Yahweh said NO ONE was there with Him in the beginning. Yahweh said, *I ALONE stretch forth the heavens*. So if we've got Yahshua doing it and Yahweh doing it, we've got a major problem here in the translation.

It was all created *on account of* Christ, not *by* Christ so that Yahweh could give it to Yahshua as an inheritance. The problem is in the mistranslation of that verse, and the Book of Yahweh corrects that. I taught this in the video entitled *The Logos*. The Christian Church stays with the Queen James Bible because it gives them a cop out. But the Bible says, *STUDY to show yourself approved unto God*. They don't want to study, they want to read. There is a huge difference between reading the Bible, and studying the Bible. It doesn't take a rocket scientist.

Let me show you how hard it is to do these translations. The word is *dia*. This isn't hard at all. When we go down to *dia*, that word is translated in many ways. Fifty-eight times it is translated *for*, instead of *by*. Could we say that the world was created FOR Christ? Of course we could. What about *for the sake of*, which is forty-seven times? *For this cause* is used fourteen

times. *Because of* is used fifty-two times. The second meaning is: *for the reason something is done*. So you cannot tell me when the Bible says that Yahweh created everything, the New Testament cannot say that Yahshua did it. It's a contradiction. Praise Yahweh! It's that easy. If a verse doesn't make sense, study it.

In the original text He said, "I created it because of Christ, that I might have an inheritance to give My Son." What is Yahshua's inheritance? The nations of the world. You have to create a world to have nations. So if you saw that in the Mazzaroth; if Yahweh wrote that in the Mazzaroth that Leo the Lion was going to have the nations of the world, He might want to go create a world to make that happen, right? Amen. Praise Yahweh!

There is no question that is off limits here. We don't hide from questions. We ANSWER questions from the Word of Yahweh in this ministry. If someone can prove me wrong, I'll be the first to say, "Okay, we will have to undo that and get it right." We'll search the scriptures together. Don't leave the class with questions because then the devil will get in your mind. Let's get back to our lesson now.

We found out that the Tabernacle was created after the Mazzaroth. The Tabernacle has all the same symbols that the Mazzaroth has. All of THE TWELVE TRIBES are created in accordance with the Mazzaroth. We found out that Daniel was the greatest astrologer of his day. We found out that they found baby Yahshua because they were able to read those stars. They knew when He was coming.

Then we found out: where you start reading the Mazzaroth is with Virgo, and you end it with Leo. Then we started going through the signs: Virgo, Libra, Scorpio, and last week we were on Sagittarius and Capricorn. If you missed any of those, go back to those lessons. We explain the meaning of every one of these symbols. Today, we start on AQUARIUS. That is the next sign in the Heavenly Scroll.

Let me do a quick test. Someone tell me what Capricorn symbolizes and what this message is saying to us in the stars. *Life comes from death*. And this is a sign of what event? *Atonement*. Amen. This is Yahshua in the goat; in one of the two goats. Capricorn represents the death of Christ and the birth of the Church.

Why do we get the death of Christ and the birth of the Church together? Because Yahshua is the second Adam. What happened to the first Adam? In order to give birth to his Church or his bride, which was Eve, what had to happen to the first Adam? He also had to die. He was put to sleep. Yahshua was put to sleep for three days and three nights. Adam literally was put to sleep, and what came forth from his sleep? His Church, or his bride.

Yahshua is the second Adam. On the Cross of Calvary when His legs were broken, do you all see the broken legs of the goat? That was a symbol that He was damaged but not defeated. From His damage comes forth the bride—this second Eve. This second Eve comes directly from inside of Yahshua. Where did they pierce Yahsha? In His rib cage. Where did Eve, the first bride, come from? *The ribs*. Get your spiritual ears open now. The first bride came out of the rib. You came out of Christ. You were in Christ when He died on the Cross.

Brother Vaughn, I don't believe that. That's okay. Where was Levi when Abraham paid tithes to Melchizedek? *His loins*. The Bible said Levi paid tithes through Abraham, and yet Levi had never been born. But because he was in the loins of Abraham, Yahweh knew he was in those loins. Yahweh knows the sperm count of every man. He knows everyone in the sperm bank of Adam! He knows you! That's why He told Jeremiah, *Before you were born, I knew you; I formed you. I designed you to be there. I designed that sperm cell to find that egg with your name on it.*

RESURRECTION POWER! And this is why abortion is such an evil. Because Satan knows that every sperm cell has a name on it! And on that sperm cell is the PRE-DESTINED of Yahweh. You were in Christ on the Cross! The Bible said what came out of His ribcage? Blood and what else? What is always present at a birth? BLOOD AND WATER. When Yahshua, the second Adam died, you flowed out of Him to the earth. He left you here in His place as His proxies. He released you unto the earth to CARRY FORTH His Ministry! That's why He said, "Greater things than I've done, will you do."

No, that doesn't mean you were going to be more powerful than Him. It didn't mean that you were going to raise more dead people than Him. It simply meant that what ONE man was doing on the earth, now BILLIONS of men would do greater works. That fish coming out of Capricorn is you, beloved. That's the fish; that's the LIFE. Remember *fishers of men*. He caught you! You were swimming in the wrong direction and He dropped a net down and caught you. HalleluYah! He caught you by the preaching of the Gospel. Amen.

It's imperative that we understand that the Church came forth right there. Now, what is the next thing that the Heavenly Scroll prophesied is going to happen after the BIRTH of the Church? It's real easy. The OUTPOURING of the HOLY SPIRIT is next. Ladies and gentlemen, look at the Scroll. After the birth of the Church, the Church needs power! The Church needs an anointing from heaven, and the Heavenly Scroll prophesied to us that the Holy Spirit

would come upon the Church. There it is in the stars! Do you not see this story unfolding in the Heavenly Scroll? It's so perfect, so beautiful. After the Church is born, then the Holy Spirit would be poured out upon the Church.

Let's go to the Word of Yahweh, and let's prepare now to bring the revelation of Aquarius. Let's turn to the book of Numbers.

Numbers 24:7 Water will flow from their buckets; their seed will have abundant water. Their King shall be higher than Agag, and His Kingdom shall be exalted.

KJV He shall pour the water out of his buckets, And his seed shall be in many waters, And his king shall be higher than Agag. And his kingdom shall be elated.

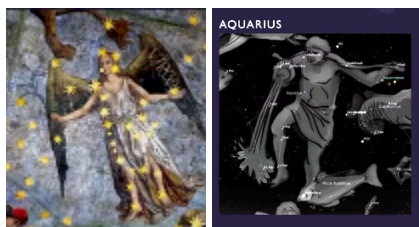

Read it one more time. This is talking about Yahshua.

He shall pour the water out of his buckets,

Let's hold on a minute. Let's go back now and look at the promise that Yahshua will pour the water out of His BUCKETS. Did you know that Aquarius was in your Bible? He is going to pour the water out of His buckets. I know you probably can't see it in the picture of Aquarius, but in that stream of water there are many stars which look like seed. HalleluYah! What is going to be in that water, according to this prophecy? His *Seed*.

And his seed shall be in many waters.

His sperm; His SEED is going to be in the water! HalleluYah! That's why the Bible said *If this same Spirit that was in Christ, also dwells in you, it will be the SEED of Yahweh!* The Seed is in the Holy Spirit. When you went to the waters of baptism last night Brother Lutz, that water was poured upon you and the seed came in the water. What seed? Let me show you. What is in Virgo's hand? *The Seed*.

The Original Seed. Yahshua is the SEED SON, but He's not the only son. When the water pours out, the Seed packet is going to be poured out on the earth. HalleluYah! The Seed is going to be poured upon the earth in the

water that comes out of a bucket. Isn't that marvelous what Yahweh says in His Word? Sister Strang, go ahead.

I just got confused because in The Book of Yahweh it says that water will flow from their buckets. The word their is referring to the elohim, which is the plurality. It is the correct rendering of the word Elohim.

Do you know why Satan doesn't want you to know this Mazzaroth? He doesn't want you to know that the seed is in the water. He doesn't want you to know that you received the very SAME seed as Yahshua did, orchestrated by the Holy Ghost. He doesn't want you to know this! He wants you to think you are just an old human with no power over sin. But my beloved friend, I don't know if you know the power of that seed, but if it ever falls on good ground, it will drive out the weeds, it will drive out the addictions, it will drive out the strongholds. All you need is a SEED! Someone ought to put that on a t-shirt.

How many of you have that Seed which has been poured out on you? HalleluYah! When you receive the Holy Spirit of Yahweh, you receive the Original Seed! HalleluYah. Praise Yahweh! That's what Aquarius is; it's the POURING OUT. Someone said, "I received the Holy Spirit." No, you received the Holy Seed! There is POWER in the seed that you cannot imagine. But if that Seed falls on bad ground, it will never bring forth the son of Yahweh. You will always be just a man. But if that seed ever falls on WORD ground—a mind that is in the Word—then all of a sudden, the LIFE that was in Christ will be in you! Oh, HalleluYah!

That's why I preach so hard against the Divinity of Christ in the flesh. It ROBS the Seed's power. It robs the Holy Spirit's overcoming power. Yahshua was born like you were! He fought every devil in hell, like you did; and He did it with the same Seed of Yahweh that you received when Aquarius poured out His Spirit on the Day of Pentecost! HalleluYah! All you need is in the Seed! There's nothing in a loaf of bread that isn't in the grain of bread. All the nutrition in the loaf is in the grain.

People have a problem with: *that same seed*. They can't handle it when I preach on that. *But surely Yahshua had a better seed than we have*. When you're preaching that, you're preaching Satan so you can live defeated all your life! You've got power over gossip. You've got power over tale-bearing. You've got power over the lust of the flesh. You've got POWER because it's in the SEED!

Now what happens when you plant the seed in the ground? It's got to have two things: water and the sun. As long as you are nurturing that seed with water, which is the Word of Yahweh, and it has the sun, which is the Presence of Yahweh, it will cause that seed to give you EVERYTHING it gave Yahshua. Amen. Sister Nicole.

This is really cool. It says under this constellation that there are 108 stars in this sign, and each of the names of them are significant. For instance, the star Alpha Aquarii in the right shoulder is called Sadalmelik which means "Luck of the King." The other shoulder is called Beta Aquarii or Sadalsuud which means "luckiest of all of them." The last one I'll share is the star Gamma Aquarii in the right leg is known by its Hebrew name Sadachbia, which means "who goeth and returneth." Their blessings are insured by the blessings of living waters poured forth for the redeemed.

Someone has been doing their homework. I'm so proud. The truth is: I can't get to all these stars in these lessons. I can only get to the constellations. But if you start studying the names of each of the stars in the constellation, it will show you the majesty of Yahweh and the depth in that with which He speaks to us. Amen.

Okay, let's move along and read our next scripture: Isaiah 32:1-2.

Isaiah 32:1-2 Behold, a King will reign in righteousness, and rulers will rule with justice.

KJV Behold, a king shall reign in righteousness, and princes shall rule in judgment.

I need everybody to hear that. Everyone talks about Christ coming to rule, but that is not what it says! It says *princes* (rulers). How are you a prince? You've got to have the SEED of royalty. You've got to have Aquarius pour out those seeds of ROYALTY in your life so you will no longer be just a man, but a prince. Do you know what Israel means? Prince of God. So everyone of you watching me now, the first seed you were born of was human seed. But now you've got to be BEGOTTEN AGAIN of Royal Seed, or else you're not a royal nation. So keep in mind, it's not just Yahshua coming to rule. It's the Princes, or the Seed Sons. Amen. Read.

2 A man will be as a hiding place from the wind, and a covert from the tempest, as rivers of water in a dry place, as the shadow of a great rock in a weary land.

Here's the deal about Aquarius. It was not fulfilled on the Day of Pentecost. It BEGAN on the Day of Pentecost. When the Holy Spirit was poured out on the Church, unfortunately the modern Church does not understand the Millennial Reign, so they believe the Holy Spirit was poured out on the Day of Pentecost. No! A LITTLE drop fell. Aquarius, Yahshua, began to pour out that spirit for a chosen few. It was just *a dab will do ya*. But this is a promise of a COMING Day.

They have just been dribbling it out; here a little, there a little. Isaiah tells us when they're going to take the bucket and turn that thing upside down, and that water is going to come out like a deluge. According to him, it's going to become Rivers in the Desert! The whole earth is going to be filled with the Holy Ghost. EVERYBODY is going to be baptized in what you have already been baptized in.

Just like John the Baptist was a forerunner of Yahshua, you are also a forerunner of Yahshua. You are the voices of Elijah. You are the forerunners of That Great Day! You have now what they will get then! Rejoice in the Lord your God, and KNOW who you are, and why He filled you with that little drop of water right now. HalleluYah! Praise Yahweh! Praise Yahweh!

That's a long term plan that started on the Day of Pentecost. But the Pentecostal Church thinks it ended on the Day of Pentecost. They don't understand the Feasts of Yahweh. They don't understand the Heavenly Scroll. Therefore, they think the Holy Ghost fell at Pentecost. Pentecost was *a dab will do you*; here a little, there a little. A former rain is not a latter rain. That was a FORMER RAIN; a springtime rain. But the deluge is coming! Praise Yahweh!

He's poured a little of that Millennium river on you! When you come to the Feast of Tabernacles, He will pour a little bit more on you. Praise Yahweh! You're living in a dry land. Everything around you is evil, so He'll pour a little bit more on you at each Feast. He pours that water on you to keep the fish alive. Don't you know you're a fish? You've got to have that LIVING water in the dry desert. Go ahead, Sister Sandra.

I need clarity. I think of all the blessings that you're speaking of, that are coming down on us. Everybody that we see in the world worships differently, but I'm thinking that the power is in the seed. It's not our expression of joy and shouting. That's where I need clarity.

Joy and shouting is not the power. It is our RESPONSE to the Outpouring. You can pour water on a dog and he will act the same way a human acts. It doesn't mean you have the seed. It doesn't mean you have the power. But if you do have the seed, when the Spirit of Yahweh will come down upon that seed there always will be a response—tearfully, joyfully. There will always be a response from the seed saying, *Thank you Abba for that water. I needed that outpouring of the water.*

Some of you are getting rained on right now. That rain will fall on everyone of you from the preaching of the Word of Yahweh. The seed within you is receiving the water from my mouth. The Word of Yahweh brings LIFE to the seed. If you don't feel that, you probably don't have a seed in you, because the seed responds to the Word. It turns you on. It literally excites you, it literally stimulates you, and brings you alive!

The seed is born AGAIN in the Resurrection! Don't believe the teaching in the Christian Church that you are born again. If you are born again, you don't need rain anymore to grow. You've been begotten again. Learn the difference. Go watch my teaching: *No One is Born Again*. Go ahead, Brother Joseph Anikewich.

I just wanted to add something. I am an Aquarius, born under that sign. Years ago I prayed over that I would have a filling of the Holy Spirit. If I have just a droplet right now, I can't even imagine what it will be like to have the full pouring. It is amazing what God is doing in my life! He brought me to your ministry and He is bringing full clarity that I might go forth as an evangelist and really do my job. I praise Yahweh for you.

You're a carrier of the river, Brother Joseph. And the Bible calls this little drop that we've got, the downpayment or the earnest of our inheritance. What does that mean? That means you have a river coming. What you have now is a drop of the river. That peace you feel now does not compare to what you're going to have. People don't know WHAT our inheritance is. They think our inheritance is heaven. Why do we need more of the river if our inheritance is heaven? Our inheritance is going to be the nations of the world!

Our inheritance is going to be when the WHOLE world is covered with the glory of Yahweh like the waters of the ocean, the Bible said. That river is going to fall on your mama, your daddy, your neighbors. If there is anyone that you are praying for who is not coming to repentance, chill out! They will come! I promise you they're coming. They're coming on that GREAT DAY! He's going to get them ALL! Satan, you don't win! You're nothing; you're a loser! It's going to get them all back from the hold of Satan!

Right now He's getting you back so when He gets them back, someone in the government can teach them the ways of Yahweh. Come out of Babylon folks! They are lying to you! The Bible said you've got to walk in Truth and sell it not. I know people who have sold this Truth and gone back. Yahweh

help them! There is no other way but the NARROW WAY! *Come out of her My people!* Cross over that Nile River. Yahweh is calling many of you to cross that Nile River. He is drying it up for you so you can walk across it roughshod. HalleluYah!

Do you know why you're getting more of this river? Because you're absorbing when it's poured in. You're becoming an open vessel for the outpouring of the Holy Spirit. When we throw our hands up we're saying, "Give me more, Lord; pour the river!" HalleluYah! Ladies and gentlemen, if you think you've got something now, you haven't seen anything yet! We're going to teach you about the Eighth Day in a few weeks, on the Last Great Day of the Feast. Brother Nick, go right ahead.

I just wanted to comment on when you said that just a little was poured out on Pentecost. I heard Him say, "Had I poured out the whole bucket at Pentecost, I would have washed away the seed. But as the seed takes root and it grows, I then can pour out more upon it!"

Wow! Did you hear that prophetic word right there!? God have mercy!! That was powerful: *I would have washed the seed off of the earth if I had poured out the whole river.* HalleluYah! All He had to do was SET the Seed. What does the Spring rain do: it just sets the seed. What is the first thing you do as a gardener when you plant your garden? You've got to set the seed with a little water, not a whole lot.

That was good Brother Nick. He set the seed on the Day of Pentecost, and that took off with Miracle Grow. HalleluYah. The weeds will begin to come in with it. That's the Catholic Church. Simon the Magician, Marcion; they begin to grow with it. So what He said is, "I'm going to let it all grow up together, but when it becomes harvest time, I'm going to pull out the weeds and separate the tares from the wheat. That's the hour we're living in right now. Praise the Lord! Let's read Isaiah thirty-three.

Isayah 33:17,20,21 Your eyes will see the King in His beauty; they will see the land that is very far off.

This is a promise to all of you that you are going to see the King in His beauty. Why does it say, *in His beauty*? Because we saw Him in His death dying as a bloody animal, when He was not beautiful to look upon. We saw His body, but the Father is going to show off the beauty of His Son.

20 Look upon Zion, the city of our appointed Feasts; your eyes will see Yerusalem a quiet habitation, a House *which* will not be taken away; not one of its stakes will ever be removed, nor will any of its cords be broken.

21 There Yahweh our Heavenly Father will be. It will be to us a place of broad rivers and streams. No boat with oars will ride them; and no mighty ship will sail them.

In other words, the river that is coming is a SPIRITUAL RIVER. It's not for boats. It's not for ships. There is coming a day when we are going to live in the River of the Spirit of Yahweh. Brothers and sisters, listen to your pastor: You are already there! The Church is not there yet, but the First Harvest is already living in the river. That's why at my church we sing about the river so much. That's why during worship I cause our singers to sing about the river. *The River of Yahweh makes GLAD the cities of Yahweh.* You are the CITIES, and that river makes us glad.

That is why Satan doesn't want us coming together in an assembly. That's why he doesn't want you coming to Tabernacles. He doesn't want you at Passover. He doesn't want you at Pentecost. Why? THE RIVER WILL BE FLOWING and you are going to leave there with another dose of the river. And what's in the river? More of the SEED! HalleluYah! That's why Yahweh told the people to gather together. The priests couldn't even stand up to minister because the GLORY of the River was upon them. I don't understand a church where people are not falling under the Power.

I don't know about a church where that river begins to flow and there's no response. There's something wrong with your seed! Something's wrong;

you've got the wrong seed! Because this seed will make you respond to that river whether it's tears of joy, whether it's rejoicing—there's going to be a RESPONSE! And when the man of Yahweh lays hands upon your head, he is merely being a conduit of More of the River of Yahweh. HalleluYah! Learn to love the river! Sing about the river! Bask in the river! Become river rats. HalleluYah! Go ahead, Brother Sidock.

Pastor, on the Millennium: I see our great harvest that's going to be there. My question is: what about the Jeffrey Dommers and the Adolf Hitlers, and the vile people. How do you see that playing out?

Such would have been some of you but for the grace of Yahweh. Do you not believe Brother Sidock, that Pharaoh was an evil man? *Absolutely*. And yet, what did Yahweh call Pharaoh in the New Testament? My Servant.

I know the waters of baptism can wash away all sin. Yes, sir! It's coming. It's going to wash away Adolf Hitler's sin as well. So that spirit is going to be gone? Of course. Who do you think it was that was operating in Adolf Hitler? Do you think it was Mama's little boy who gave birth to Adolph? No. I just finished reading "The Dream Team," and I look at humanity differently now. I see we've been deceived. We are blind.

Yes, we are. Were it not for the grace of Yahweh, do you know what I would have become? Exactly what all psychologists say I should be today. But I defied all odds. I became a loving father, and I love a woman. I became everything that they said I shouldn't have become, because of the grace of Yahweh and the seed that was poured into my life as a four-year-old boy, that only the love of Yahweh drew out of me.

I want you to hear me and understand: Adolf Hitler has the same opportunity for that grace that I had, and he's going to get it on the Last Great Day. There is going to be an outpouring of the Baptism! Everybody is going to get baptized! ALL THINGS WILL BE MADE NEW! The Old Man will be DEAD, and the saints of Yahweh won't be mad about it. We won't be

huffing and puffing about it. We will be REJOICING over the POWER of Water Baptism. HalleluYah! It's coming, children!

David said that His mercy endureth forever. Doesn't it! We like His mercy as long as WE are getting it. But we don't like it when He shows mercy to our enemies. We don't like when He shows mercy to *bad* people; like you're not bad, or something. Amen? Now let me show you something about Adolf Hitler while I've got you all here. Let me explain this. Thank God for Truth. The day is coming when the Father is going to get it all back. Jeremiah 16:16. Let me show you Adolf Hitler in the Bible. Are you ready for this? Let me show you Adolf Hitler in the plan of Yahweh. This is talking about the end time Israel.

Yeremyah 16:15-16 But, it will be said; As surely as Yahweh lives Who brought up the children of Israyl from the protected place and from all the lands where He had driven them! For I will bring them back into their land which I gave to their fathers.

How will you do it, Lord?

16 Behold, I will send for many fishermen, says Yahweh: and they will fish them; and afterward I will send for many hunters, and they will hunt them from every mountain and every hill, and out of the holes of the rocks.

In other words, I'm going to send a hunter, and that hunter is going to make their hearts turn back so that they long for home again. It would never have happened without Adolf Hitler! You don't have to like it, but it's the Word of Yahweh. *Yahweh's right hand, and His left hand.* There you go, Brother Morgan.

People can't accept this because they want a God that gets everybody else but them. Let me show you something else. I want to show you that what I preach, I can back up with Yahweh's Word. HalleluYah! You all have to learn how the Lord works. Did Yahweh agree with Adolf Hitler? No; no

more than He agreed with you when you were a sinner. But He used all that for His Glory! Let's read Romans 9:17, and see what it says about the most evil man that ever lived.

Romans 9:17 For the Scripture said to Pharaoh: Even for this same purpose I have raised you up, that I might show My power in you, and that My Name might be declared in all the earth.

Now go tell that to Israel when Pharaoh was about to kill the babies, that Yahweh raised Pharaoh up. I might as well do this today. I'm going to make you all think today. Let's go back to Israel right now. Go back to how Pharaoh treated the people of Yahweh. Then go tell them, "Don't worry, Yahweh raised him up for this."

I'm going to let you think about that and let it simmer a bit. If you don't quit looking at your enemies as your enemies, and see that Yahweh raised them up in your life so He could show His power through your enemies, you'll live with offenses, you'll live in heartache and heartbreak. Yahweh raised them up for your good and His glory! All those things throughout your life brought you to this class! It brought you to this place. Amen. Brother Don Robbins.

I have a question regarding The Last Great Day. Is that also the time in which a hundred-year message from Yahshua would occur? Yes. Could you elaborate on that and one more? Last night you mentioned that you felt that with Queen Elizabeth's death, it was the start of the Tribulation.

Yes. When Great Britain falls, that is one of the end time nations of Israel. America is connected to Great Britain. The fall is beginning. Both nations are falling. It takes their fall seventy years on the throne. The Queen, no matter what you think of her, was the last Christian leader of the world. She was the last one professing Christ. She was the last one who was not afraid to say the Name of Jesus. She was a defender of the Church. She was the last Christian leader of the known world.

She's gone. The voice of Christianity and her defense of it is gone. This is also part of Babylon falling, because her church was part of Babylon, as well. So you have a seventy year opportunity that was given to Great Britain and America to get it together. Her death will be the beginning of the birth pains of the Great Tribulation that is coming to correct end time Israel, and bring us back into obedience to Yahweh. It will not work. We already know that. But Yahweh does it in spite of it not working, to be fair to mankind. I will discuss the hundred years when I teach on the Feast of the Last Great Day, brother.

Brother Keith Marron, go ahead. *Pastor, my comment goes back to the water in baptism. I was talking to Brother Joseph and telling him what happened during worship over Pentecost weekend at one of the services. When I look back on it, the worship time was a rushing river! It was a raging river going through our congregation. I kept being pushed back under the water. If that, as you say, is just a drop, we're in trouble. That was a beautiful time of worship.*

That's beautiful and why I push so hard to get people into the river. They don't want to go. It's amazing how they don't want to go into the river. Do you know why? Because no flesh is allowed. I've got teenage boys that don't want to take a bath. I don't know what it is about teenage boys that they don't want a bath. They would rather go without bathing, and I literally have to force them to. Our carnal nature doesn't like that bath; that water. But how many of you know that once you're in the bath, you'll say, "I like this!"? It's the same way. You've got to work to get into the presence of the river.

When you come to Tabernacles, don't think I'm just going to sit there and let you just sing *Amazing Grace* two times. We're going into the river! Just call me a river rat. Amen. Sister Sandra, go ahead.

I have a comment about the seed. Once the seed sprouts in the natural, it follows the sun everywhere the sun goes. Yes, I've watched that in my garden. Then, years ago I read about the story that the Christian Church

teaches about the Wise Men. What I read was that they were Phoenicians. But when they looked at the stars—the Mazzaroth—they knew it was time for the King to be born. Is that correct? Were they Israelites?

They were descendants of Daniel's school. Daniel was the wisest astrologer. Daniel never married. He was dedicated to the art of astrology. Daniel was wealthy because he was the right hand of the Pharaoh; the kings. The gifts that they brought to Yahsha were gifts from Daniel that had been passed down through the Magi. The wealth of the prophet Daniel is where this wealth came from. People don't know these things, but they must know it. Now when we look at the stars, we will know when He's coming the next time. It's all in the Heavenly Scroll. Amen.

Sister Dot, go ahead. *What about Judas?* Let's talk about that real quick. I am one of the few preachers who believes that Judas repented, and Judas did the same thing that we did. It would have been better for us not to have been born when we were in our SIN. But remember what Judas did. Let me show you something from the Word of Yahweh. Let's go to Luke 22:3. Do you believe that Judas would be traveling with Yahshua if he was a bad man? I don't.

Luke 22:3 Then Satan entered Yahdah, called Iscariot, who was numbered among the twelve.

Satan entered Judas! There was a point in time where Yahweh ALLOWED Satan to enter Judas. What does that tell you? Before Satan entered him, was he a bad man? He was an APOSTLE. Satan had to use someone because Yahweh had already prophesied that He would be betrayed through the prophets. It had to happen. If you read John 13:27, it tells you when Satan entered Judas. As soon as Judas took the bread. Yahshua wasn't even mad at him now. What He tells him is, "Whatever you're about to do, do it quickly."

In other words, Do what you were born to do. Satan—the left hand of Yahweh—has entered you to bring My death to pass, so let's get it done

quickly. Here's my question. The moment that Satan LEFT Judas, what did Judas do? He said, "MY GOD, WHAT HAVE I DONE?! What did I do? I LOVE this man!" Then he threw the money back. That's called REPENTANCE. Do you know what he did next? He took his own life because he loved our Lord so much, he didn't want to live after Satan got done with him.

That's the way you'll be when Satan gets done with you. You won't even want to live. I believe that the Father saw his heart, and I believe at The Last Great Day, Judas will come up in the second resurrection and stand before that Judgment Seat, and that water will pour upon him, and he will be declared holy and righteous. I believe it with all my heart. Otherwise, Yahweh is unfair.

Judas didn't do anything any worse than what you've done. *Brother Vaughn, I don't believe that.* Well hold on; let's see what the Bible says. *Brother Vaughn, I don't believe I am as bad as Judas was.* Oh really? Go read Hebrews 6:6. Everytime you fall away from Christ, do you know what you have done? You have crucified the Son of Yahweh all over again, just like Judas did! But you think Judas ought to get more trouble than you get. Amen.

Sister Dot, did that help?

I have another scripture that says that no fornicator or liar can enter into the Kingdom. That's true. There is a difference in the Kingdom; that's the first resurrection. Amen? But they will be in the outer court where there is weeping, wailing, and gnashing of teeth. You've got to all understand that 30, 60, and 100 fold: outer court, inner court, holy of Holies. The Kingdom of Yahweh is not the outer court. It's not outside of the city where the nations of the saved are walking. Remember, these people are not going to be fornicators. They are not going to be adulterers on the Last Great Day. They're not coming up in the first resurrection, but in the second resurrection they will come up where the Spirit will be poured out on everybody.

But in the Kingdom of Yahweh, the first resurrection which is the government, no liar is coming up in that resurrection; no fornicator. Judas will not be in that resurrection. No, ma'am. He will not be in the Kingdom of Yahweh. The problem is that we don't know the difference between the Church of Yahweh and the Kingdom of Yahweh. The Kingdom is the ruling government—the 144,000.

Let's read these last few scriptures so we can finish up. First, Isaiah 35:1,6.

Isaiah 35:1,6 The wilderness and the solitary place will be glad for them, and the desert will rejoice, and blossom as the rose. 6 Then the lame *man* will leap like a deer, and the tongue of the dumb; *silent, will sing. For in the wilderness, waters will break out, with streams in the desert;*

HalleluYah! AQUARIUS is not through! Aquarius is not done. Did you hear those verses? Did you get what's coming to our planet? Those words were so beautiful, I want you to read them again, Brother Morgan. I just want to listen.

The wilderness and the solitary place will be glad for them, and the desert will rejoice, and blossom as the rose. 6 Then the lame man will leap like a deer, and the tongue of the dumb; silent, will sing. For in the wilderness, waters will break out, with streams in the desert;

RESTORATION! That is when everybody is going to be healed. The problem with faith healers today is that they think these verses apply to now. Do you know why? Because they don't keep the Feasts of Israel. They don't understand the Seventh Day or the Eighth Day. They think that everything is for now. That's why people get deceived and quit going to church when they didn't get healed. That's why people lose their faith when they didn't get healed. They say, "The Bible said that the lame are going to leap and I'm lame. Why am I not leaping?" Tick Tock. If it happens now it's

just because *a little dab will do ya*. We see the sick healed on a very small scale because we are under a very small dab-will-do-ya right now.

But we pray by FAITH. We pray for everybody, hoping that little dab will touch them. HalleluYah! We don't quit praying for people, and I've seen many where that dab touches them. But then when it doesn't touch them, that's okay because we know there is coming a day when it will touch everybody. That's where our faith is. Amen. Let's read Isaiah 44:2,3,6.

Isaiah 44:2,3,6 This is what Yahweh says, Who made you and formed you from the womb, Who will help you: Do not be afraid, Yaaqob My servant and Yeshurun; Beloved Yisrayl, whom I have appointed.

3 For I will pour water upon him who is thirsty, and floods upon the dry ground; I will pour out My Spirit upon your seed, and My blessings upon your offspring.

6 This is what Yahweh, the King of Israyl, and Redeemer, Yahweh of hosts says: I *am* the first, and I *am* the last, and except for Me *there is no source of power!*

Oh, HalleluYah! He said, "I'm going to pour rivers on the seed." I don't know about you today, but because of Yahshua, guess who is NOW the seed of Abraham? That promise is for YOU, beloved, and He has already poured a little of it on you! But there is coming a day when you're going to get the FULL MEASURE! Yahweh bless you. That is AQUARIUS, and that is the meaning of Aquarius.
