

The Sacred Simplicity of the Sabbath

Pastor Vaughn, Chapter Three

Why the Adversary Hates the Seventh Day

There's a war in the spiritual realm
against the Sabbath Day.
Satan condemns and confuses
those who choose this way.

He knows it represents
the day of his dethroning,
and the manifestation of Yah's sons
for which all creation is groaning!

The Sabbath carries the original crown
Yahweh displayed in rest.
When we follow His example,
we are passing the test!
