

**ISRAEL 101**  
**Part 12**  
**“Jezreel: Mercy Defeats Judgment”**

By Pastor Shane Vaughn, First Harvest Ministries

Well for 12 weeks I've tried to teach you who Israel is. I've tried to help you understand who you are. Last week I told you that we could not finish this series without going to the book of Hosea. Because Hosea, the entire book, is about you. That's right. It's not about the Jewish people. The entire book of Hosea is about every one of you that lost your identity. You didn't know who you were. You'd been lost for thousands of years, but Yahweh found you and re-identified you. And the story is so beautifully told in the book of Hosea.

We started there 2 or 3 weeks ago. I explained to you that Gomer was actually the name of? *Israel*. That's correct. And later after the Assyrians captured Israel what was Israel referred to from then on in the historical record? *Ghomri*. That is exactly right. Now why did we lose the Israelites? Because they were renamed and therefore history lost them. So in the story, Hosea represents Yahweh. Gomer represents Israel.

Now this is a love story. Yahweh told Hosea 'I want you to marry an adulterous woman' because Hosea was about to experience and display in the physical what Yahweh experienced with Israel. Yahweh knew that Israel was a whore before he married her. Amen. That's the grace of God. He knew she was a prostitute. He knew that she was a loose woman before he married her. And yet he married her anyway and he called her *My Beloved*. He told Hosea 'I want you to do the same thing'. 'I want you to go marry a woman who you know is going to be unfaithful because I want your life to be a parable'. And at the same time Hosea becomes king of Israel, not the prophet Hosea, but another Hosea, literally living out parallel to the parable of Hosea's life.

So now today we're going to pick up in the next verse in Hosea 1 where we left off in the last lesson. Amen. We're going to go to Hosea 1:4. It took two weeks to teach two verses, ha, ha. So now the story is going to continue beyond Hosea and Gomer. Now the story is going to continue with their children. We're going to discuss three children who were born to Gomer and Hosea in verse number four. Actually lets go back to verse three so you know who we're talking about here.

**Hosea 1:3**

**3 So he went and took Gomer the daughter of Diblaim, which conceived, and bare him a son.**

**4 And Yahweh said unto him, Call his name Jezreel, for yet a little while, and I will avenge the blood of Jezreel upon the house of Jehu, and will cause to cease the kingdom of the house of Israel.**

**5 And it shall come to pass at that day, that I will break the bow of Israel in the valley of Jezreel.**

Alright, so let's make sense of all of this today because if you don't know what that verse is talking about you will read right over it without realizing that that verse is talking about you. This is so important.

So Hosea and Gomer are going to have their first child. His name? Jezreel. He said he was going to punish the house of Jehu for the bloodshed of Jezreel. What is that referring to? He said 'I will put an end to the kingdom of the house of Israel'. Now notice he's not putting an end to the house of Israel, but he's putting an end to the kingdom (or the government) of the house of Israel which was who? The house of Jehu.

I'll tell you that all of the kings who were over Israel from the house of Jehu. One that you may recognize quickly would be Ahab and Jezebel. Ahab was of the house of Jehu.

Now what is he talking about here—the bloodshed of Jezreel? Why does he want to name the boy Jezreel? Do you remember the story of what the house of Jehu did, Ahab, to a little man named Naboth? Does anybody remember that story? Alright, Naboth was called Naboth the Jezreel-ite. Naboth was a man who owned a vineyard. We'll get in more detail in a moment. King Ahab had the man killed. And you would think—what would God care about a little man being killed?

Oh but the Bible says he knows every sparrow that falls and so this entire prophecy is on what looks like evil that got by with it. I want to explain something to you. The evil that you're seeing in America right now, I give you my word that Yahweh is keeping a record and he never forgets what's being done to this nation. I give you my word that he will bring vindication for this great nation. It's coming.

And so here in this chapter we have a man by the name of Jezreel who's born, and the reason he's born is to bring forth a prophecy about Jezreel. Now the name Jezreel (if you want to write this in your notes) has two meanings. "Yahweh scatters" is one meaning and the other meaning is "Yahweh sows". So Jezreel has a dual meaning. Yahweh scatters and Yahweh sows.

What does it mean? This is a prophecy. Jezreel is a boy who's being born. Hosea is a prophecy. Gomer is a prophecy. Now the child is a prophecy of what Yahweh is going to do to Gomer (or Israel). It is to scatter her. The name Jezreel means "Yahweh scatters". But the beautiful part of that name is that you have to scatter seed in order to sow seed! Hallelujah. Amen. Ha, ha, ha.

So here's a prophecy in the name Jezreel saying God's going to scatter you to the whole world. But don't worry—in a few days we're going to the land, and the reason we're going is to plant beautiful wild flowers all over our property. Do you know how you plant wildflowers? You take a bucket of sand and you put your seed and mix it with the sand. And then you reach in and you grab handfuls.

And what do you do with it? You scatter it across your good topsoil—you scatter it. While you're scattering what looks like wasting, what looks like you're just throwing it, you're actually "sowing" it. Why? Because what looks like a scattering is a sowing for a harvest.

Yahweh knew that in order to have an end time harvest of Israel he would have to take her out of the land of Judea and literally scatter her across the whole world so that he might have a worldwide harvest in the end time. So that is what Jezreel means. Now the purpose of the sowing is to have a great, great harvest.

Now the valley of Jezreel is in the northern part of Israel where King Ahab built a palace for Jezebel. I want you to hear me and hear me well. It is always the spirit of Jezebel who seeks to destroy the work of God. Fani Willis, Letitia James, Hillary Clinton—all of these spirits of Jezebel rise up to destroy the man of God. In the valley of Jezreel is where Jezebel lived. I want you to notice why God is raising up this little boy named Jezreel. It is a prophecy against Jezebel in the end time.

Listen to me carefully. Let's go quickly to the book of Revelation. I'm going to show you what the end times scattered seed of Israel is going to have to deal with. Revelation 2:20.

### **Revelation 2:20**

**Notwithstanding I have a few things against you, because you suffer (allow) that woman Jezebel, who calls herself a prophetess, to teach and to seduce my servants to commit fornication, and to eat things sacrificed unto idols.**

What church do you know of that allows people to eat anything they want to eat? *The Catholic Church*. Well yes but not only them but the whole Christian church. Even the Muslims don't do it. The Jews don't do it. It's the Christians who tell you

you can commit fornication, you can eat what you want, you can do whatever you want to. He said you've allowed this woman Jezebel to teach my people that they can have grace and do whatever they want to do. Listen to me carefully.

The house of Israel has always been the enemy of Jezebel.

We start in the valley of Jezreel where her house was. Listen to me carefully! The kingdom of the house of Israel had been taken over by that woman Jezebel. Now think about the house of Israel. These are Yahweh's people being governed and pastored by that family of Jezebel who have set themselves up as the governing body of the people of God. I want you to hear me and hear me right now.

All your life, as a Christian, you were stuck under the kingdom of the house of Israel which was that false kingdom, that false government, that exalted itself in the house of God. Jezebel is still teaching the house of Israel and seducing them. But the people of Yahweh, the scattered seed, will be set free from Jezebel's power in the end time. We will run and defy her and watch the dogs lick her blood. *Hallelujah. Amen.*

Jezreel was the child that would bring the end of Jezebel because Yahweh would scatter his seed and sow it into the earth and then everybody would forget about the seed. Watch this. I recently gave sister a box of heirloom seeds that we're going to be planting very soon. We're going to scatter that seed and guess what's going to happen. You're going to forget that seed exists. You're not going to see the seed. You're not going to hear the seed. You are going to forget about all that seed, the lost seed, it's gone, you don't see it. It's not in the box we bought it in. It's not blooming anywhere. It's forgotten!

No, no, no! It's been sowed into the earth. And at the appointed time, come spring, oh right when you've forgotten about it, God said...

"I'm going to raise it up to deliver my people from that woman Jezebel who's been ruling over my people all these years."

*Oh amen pastor, hallelujah.* Hallelujah. We are being delivered from the spirit of Jezebel. Jezebel is a rebellious spirit. Jezebel tries to control and be in authority over the work of God. That's what Jezreel, that son, was born for. He was born as a judgment against Jezebel. Why? Because what happened in the valley of Jezreel? Jezebel had Naboth killed.

Who was Naboth? He was remnant. Do you know why Jezebel hated Naboth? Because he refused to sell the truth. He refused to sell his vineyard. He refused to

give an inch! Are you hearing me now? I'm trying to tell you in your life Satan will always come to you making you an offer—always. Look. By the way, that wasn't Ahab who killed him; that was Jezebel. That wasn't Ahab who tried to steal the field; that was Jezebel. She was trying to take from Israel what Yahweh, the precious truth, had given to them.

Now what did Ahab offer? He said...Naboth, just compromise with me. You know, let me give you a fair price. But what he didn't know was that an Israelite can never sell their land. Hallelujah, did you know that? *Hallelujah*. Oh hallelujah! That's why the Bible said...

Buy the truth and sell it not !!!

It's not for sell!! This revelation of who I am will never be for sale to go back to Jezebel, to go back to Babylon. What I have is precious to me!! It's our inheritance. Hallelujah! And brother listen to me. Jezreel was born as a judgment against what Jezebel did. And here's the judgment: I'm going to scatter my people. I'm going to bury them in the earth. I'm going to hide them from the world. And when my shofar sounds in the late 1990's and the 2020's, that seed will begin to rise against Jezebel!! They will redeem my people from her strongholds !!! *Hallelujah! Whew hallelujah!!*

He said the only thing I've got against the church...you've let that woman Jezebel seduce my people. Hallelujah. Oh the one's she cannot seduce—every one of us in this room were seduced by her. Revelation 12:9. Satan has deceived the whole world. Oh but there's a Jezreel-like company—yeah—hallelujah. I said there's a vindication coming for Jezreel—the valley of Naboth—God's looking today for men who'll put a fence around their field, fight for their pea patch and never sell out to Jezebel no matter how she seduced you. *Amen! Amen.*

Israel is the natural enemy of Jezebel. Why?! We won't sell. Why does Jezebel love the church? Because the church sells; they give it away to her. They sell out. But it's that little Naboth, oh my God. It's that Naboth. They offered everything. They offered to make him famous if he'd sell out. They offered to fill his church up if he would just sell out. They offered everything in the world to him. They offered to send people with money to the church. They offered everything. Just sell!!

But Naboth said...what I've been given in the Spirit is my treasure. *Hallelujah*. It's more precious to me than any offer. It's a pearl of great price. It wasn't bought with money. Therefore money cannot buy it! It came from a heavenly revelation. Brothers and sisters, I'm calling on you today. Put a fence around your field, and then put watchmen on your wall. And let the world know, let the church know...I

love you but I'm never going back. I'm never selling this truth!! Jezebel can't have it. Hallelujah. *Amen, it's not ours to sell. Hallelujah. It belongs to Yahweh.* It's ours to protect! Or either go down trying. Hallelujah.

Naboth was killed. Oh that's the story. Hallelujah. But here's what Yahweh said about Naboth. I'm going to vindicate what the house of Jehu did. You would've thought Yahweh had done forgotten about little Naboth. Hallelujah. Oh he never forgets about the seed! Did you hear me? Oh NO! He never forgets where he planted the seed. Whew! Ha, ha, ha!

Brothers and sisters, when I plant seed, do you know what I do? I will go and literally put a chair out here in my yard where I planted my seed everyday and just look at the ground. I just keep waiting. Did you hear? I just keep looking for one little sprig to come up. And I get so excited over the first little bud. I get so excited. Why? Because that seed was forgotten. That seed had to climb up through the soil. It had to climb up through the rocks. It had to climb up and fight it's way to the top.

But I knew that the life that was in the seed was more powerful than the dirt covering it up. I knew the life in the seed was more powerful than the asphalt you laid over it because you can put asphalt over it, and it'll come up on the side of that asphalt! Why? The seed can never die. *That's right hallelujah! Glory. Oh hallelujah. Amen. Amen. Hallelujah.*

I want to tell you something. You can leave this message, but this message cannot leave you. Did you hear me? It will creep up in your mind when you lay down to sleep at night, and you'll think...my God what have I done? Why did I get so seduced by Jezebel? What have I done? What have I done because that woman has taunted you! Oh, but I give you my word, and I want you to hear me now. When this seed gets in your mind, you can run from it, you can try to go back, you can do everything you want to. But late in the midnight hour when you're laying down trying to go to sleep, your identity will keep challenging you. It'll keep coming back to you that **YOU'RE NOT OF THIS WORLD !!!** Glory to God.

*Even the smallest seed, even the small one. Even the small one. Pastor is that why we were never settled all these years in going from church to church trying to find something? That's why you were a trouble maker. Amen. All of us.*

I got kicked out of a church. I had a pastor one time, I'm not going to call his name because some of you might know him. I had a pastor who was my pastor for many years. And he found out that I believed a certain way on a certain subject, and God as my witness (I put my hand on the book of Yahweh if this did not happen). He stood in the pulpit. He was so angry. He stood in the pulpit and

said...if you believe (and I was the only one in there that believed it and everyone knew it). If you believe this (and I'm going to tell you what he said without saying it). He said...*you can get your a-s-s out of this church right now*. And I got my a-s-s out. Hallelujah. Why? He said the word honey. He said the word in the pulpit. *Yahweh dragged you out*. He was forcing me out. He was pushing me out. He had to get me out.

You see, the only reason you're hated of all men is so you won't fall in love with being men. Hallelujah. If you're hated of all men, you've got to run to the foot of the cross. You've got to run to the hiding place. Glory, glory, glory. *Hallelujah*. You can't run from this seed children. Every one of you in this room are more messed up now than you've ever been in your life. Hallelujah. Why? There's no going back for you, not if you've got that seed in you.

Now if you just came because somebody invited you or you just came for whatever, but if you were dragged here, oh no. I love you but I'll see you in ten years from now and you'll still be hanging around. Why?! Because that seed is in you. I said that seed is in you.

You allowed that woman Jezebel, who calls herself a prophet—see that's why you need to be real careful throwing your titles around. She loves to call herself a prophet. Let other people call you what you are. Amen? Hallelujah. The truth is my ministry is that of an apostle, but you'll never hear me call myself that. I don't have to call myself anything. I just have to be what Yahweh's called me to be. And then others will notice, and others will say who you are. Amen? Hallelujah.

Alright let me move on. I'll stay there all day long. Let's read about that story if we can. 1 Kings 21:1. Now I am surprised that all these years later Yahweh is remembering Naboth. Nothing but a little farmer. That's all he was. Not really a farmer but a vine dresser. And here we are with Hosea and Gomer.

Oh thank you Holy Ghost. Why did Yahweh name that boy Jezreel? Because he was going to get vengeance on Jezebel. And he said...I'm going to let Jezebel rule my kingdom until I bring forth this seed. I'm going to scatter it and sow it. And when it comes up, it's going to defy—I'm going to have vengeance on the teachings of Jezebel through the end time house of Israel. I hope you heard what I just said. He said...I'm going to scatter you Gomer, but your children are going to destroy Jezebel. Hallelujah. Let's read about it.

### **1 Kings 21:1-13**

**1 And it came to pass after these things, that Naboth the Jezreelite had a vineyard...**

Now what is he called? The Jezreelite? And what did Yahweh tell Hosea to name his boy? Jezreel. Why? Because Naboth was a Jezreelite. Naboth was remnant Israel. Hallelujah. Read.

**...which was in Jezreel, hard by the palace of Ahab king of Samaria.**

It was mixed in with the government of the church. Naboth's vineyard was connected to the teachings of the false church, the false government that had set itself up over the church, the Roman Catholic pope. Come on now. What you have is Yah's people. By the way, the Catholic Church is filled with Yah's people.

Let me tell you, Catholics—not talking about part-time Catholics, but committed Catholics are some of the greatest believers in the world. Oh you convert a Catholic and you've got a good church member. Why? These are Yahweh's people. And that have gotten trapped under Ahab's government. Jezebel is the beast that feeds the antichrist who is Ahab. Is anybody following me; I can't explain it all, but... *Amen pastor.*

The beast that feeds the antichrist is the religious system. And by the way, I'm going to teach you, hopefully next super Sabbath—I'm going to break down Napoleon and how he brought in the Rothschild family to finance the pope. I'm going to get into that one of these days and I'm going to show you the beast that has empowered the antichrist. Lord if you only knew. Do you know it was Napoleon Bonaparte who gave the mortal wound to that beast system in the Napoleonic war. And I'll show you where the Federal Reserve started which is the beast system. But anyway, that's another story for one day. I'll get there one day.

Hallelujah. But anyway, Jezebel is that system that empowers Ahab. Ahab did nothing but what the beast gave him power to do. Now read what happened there.

**2 And Ahab spoke to Naboth, saying, Give me your vineyard, that I may have it for a garden of herbs....**

Oh I want you to be part of the ministry. I want to use you as a minister. You're going to be part of the herbs I'm planting. You're going to be part of the church.

**...because it is near to my house, and I will give you for it a better vineyard than it...**

So here's what I'm going to do If you will give me that, I'll give you something better.

**...or, if it seem good to you, I will give you the worth of it in money.**

Or I'll give you money.

**3 And Naboth said to Ahab, Yahweh forbid it me, that I should give the inheritance of my fathers to you.**

Hallelujah! Ha, ha, ha! Yahweh has forbidden it in the Torah. I'm sorry sir. He said in the Torah that was the inheritance of Israel. You can never sell it, ever. What was Naboth? Naboth was a covenant keeper. He was a Torah believer and he was faithful to the word of God. That's the difference in a Christian and an Israelite. Christians are faithful to the church of Jezebel. Israel is faithful to the Torah. Do you understand the difference? *Amen.*

They will offer you everything in the world to join the church by their house. Go to the church of your choice, come on it's right here by my house. Oh no, I've been given an inheritance and it's not for sale.

**4 And Ahab came into his house heavy and displeased...**

Ahab was fine with it. Ahab was a coward. Ahab was not a mean man; he was just a puppet on a string.

**...because of the word which Naboth the Jezreelite had spoken to him, for he had said, I will not give you the inheritance of my fathers. And he laid him down upon his bed, and turned away his face, and would eat no bread.**

**5 But Jezebel his wife came to him, and said to him, Why is your spirit so sad that you eat no bread?**

But, but Jezebel.

**6 And he said to her, Because I spake to Naboth the Jezreelite...**

I spoke to a Torah keeper. I spoke to a believer that could not be moved. I seduced, I tried, I offered everything in the world. If you want to make Satan go to bed, stand on the Torah. Keep the covenant and you'll put the devil to bed! Do you understand me? He will go and literally be depressed because you would not sell out. Come on now. Listen to what Jezebel said.

**...and said to him, Give me your vineyard for money, or else, if it please you, I will give you another vineyard for it, and he answered, I will not give you my vineyard.**

**7 And Jezebel his wife said to him, Do you not now govern the kingdom of Israel?**

She said...I thought you were in control of (the church) of Israel. I thought you were the man. You're the leader. You're the pastor (the fake pastor). You're the (fake) king of the house of Jehu. You're not even part of the Davidic line. You're the fake leader. You're the fake president. I thought you were the man. Come on!

You see, Jezebel will always try to tell you that you are just as equal, or try to tell you your power, to try to build your ego always.

**Arise, and eat bread, and let your heart be merry. I will give you the vineyard of Naboth the Jezreelite.**

**8 So she wrote letters in Ahab's name...**

Oh yeah, that's a usurper.

**...and sealed them with his seal, and sent the letters to the elders and to the nobles that were in his city, dwelling with Naboth.**

Uh huh. Started sending inbox messages ready to kill the man who wouldn't back down. She started sending out messages, saying...if he will not run away, if he will not leave, we will kill him.

**9 And she wrote in the letters, saying, Proclaim a fast, and set Naboth on high among the people,**

She's religious. She always comes like this because they're trying to serve the Lord. Listen, they want to do a fast now to get rid of Naboth, ha ha! Oh yes! We want to have a little Zoom meeting. We're only doing this because we're concerned about the church and all. Come on now.

I'm talking to you all. I'm trying to tell you through the Holy Ghost how Jezebel operates. *You've got to dress it and make it look holy.* Come on now. You've got to act like it's only out of concern. I just need you to pray with me a bit about this. Hallelujah. She told them: let's fast, let's pray! You all better watch that spirit of Jezebel. It will seduce you. *Amen. Speaks in tongues and everything.* Oh yes sir.

**10 And set two men, sons of Belial, before him, to bear witness against him...**

Awww. Take this good man Naboth who has done no wrong and put him on trial, and bring up false accusations, false witnesses. She said...don't worry. We're only doing this for the good of Israel. We're gonna bring down a good man who will not sell out. We're gonna make it so bad on him that if he won't sell it, he'll run away from it so we can take it.

**...saying, You did blaspheme Yahweh and the king. And then carry him out, and stone him, that he may die.**

Oh we're going to false-accuse you. We're going to say that you are violating God. We're going to make it look like you don't deserve to have that land. We're going to bring false accusations, and then we're going to bring witnesses that will verify what you did. We're going to do it all. We've got the whole thing setup so that you will either get so stressed out that you'll leave that field for us to destroy. Or we're going to stone you and we're going to do in the name of God after we fast and pray about it.

*Wow, wow. This is an on-time message today pastor. Bringing false witnesses. That's exactly right. Oh but they'll make it look like truth to who? To simple minds. They never ever go to the strong ones. They go to the simple ones.*

**11 And the men of his city, even the elders and the nobles who were the inhabitants in his city...**

The church leaders. Did you hear that? Do you all know that those people knew Naboth? Do you know they all knew that he was a good man? Do you know they knew it and yet!!!

**...did as Jezebel had sent to them...**

That's always the spirit behind destroying the man of God. Jezebel. Ahab hides behind her. The elders hide behind her. Notice who's not out there accusing him. Notice who's not out there. Jezebel's back at the castle hiding (behind her screen name). Hiding! And working all the other elders, working everybody up against Naboth. *My, my, my*. She never shows her face. She just runs her mouth. *That's right, that's a coward. That's that horn*. That's that horn that makes war against the saints in the background.

**...and as it was written in the letters which she had sent to them.**

## **12 They proclaimed a fast, and set Naboth on high among the people.**

Oh yes. Now Naboth we just have a few questions for you. We just have a few concerns Naboth because Jezebel wrote us letters (and got our minds while they were weak, and caused us to wonder if there's any truth to this). So Naboth we've been praying and fasting. We love the church and we just want to protect Israel Naboth.

Well who gave you the ideas elder? Who gave you the ideas? Well we got an inbox, we got a letter. *Wow. The Book of Yahweh says they set Naboth up for an ambush.* That's all it was my brother. An ambush.

## **13 And there came in two men, children of Belial, and sat before him, and the men of Belial witnessed against him, even against Naboth, in the presence of the people, saying, Naboth did blaspheme God and the king. Then they carried him forth out of the city, and stoned him with stones, that he died.**

I want to ask you a question. How do you blaspheme God when he said the very reason I'm not selling is because God forbids it? Jezebel's so good you can hear the truth from Naboth himself and still hear something totally different. Naboth said...I will not sell because of God. And the accusation now is he blasphemed God. That spirit is so good that if you don't know the truth in your heart—no no, I take that back. I'm sorry.

You've got to do more than know the truth. You've got to love the truth. *Amen pastor. Hallelujah.* If you don't love the truth you'll fall for a lie every time. Every time.

## **Then they carried him forth out of the city, and stoned him with stones, and he did die.**

He died. *Oh brother Vaughn, how unfair. Why didn't God protect him?* Oh that's where we are today in Hosea. Oh yes, they got by with the momentary evil, but it was that death of Naboth (ha, ha, ha!!) that created the scattering and the sowing! Hallelujah! Jezreel means to scatter and to sow. **IT WAS THAT DEATH THAT CAUSED YOU TO COME FORTH.** I want you today to understand. Jezreel was all because of that story we just read. Amen.

Now let's go back to Hosea and now you'll understand who Jezreel was. And Yahweh said to him...name him Jezreel for a little while, and I am going to punish what it looks like Jezebel got by with. And I will put an end to that fake government. And I'll break the bow of Israel in the valley of Jezreel. Who was the

bow of Israel? It was Jezebel. Who was the bow that was destroying Israel? It was Jezebel. Hallelujah. Ahab had usurped the vineyard just like Biden had usurped. They have usurped the vineyard with a symptom of a spiritual problem.

The king of Israel, Ahab, had usurped the kingdom by ruling according to his own will and his own law. Let's see who this vineyard was that Jezebel stole. Let's find who this vineyard was that was near to the house of Jezebel.

Listen to me. The house of Israel is so close to the church that you almost can't tell the difference between the wheat and the tares. I'm going to show you who the vineyard was. You've read this story a million times about Naboth, but you never understood it. Why? Because you didn't know that the vineyard was not a vineyard at all. This was a model of *the* vineyard that would be governed by the Catholic Church and all her daughters. Read Isaiah 5:7.

### **Isaiah 5:7**

**For the vineyard of Yahweh of hosts is the house of Israel, and the men of Judah his pleasant plant, and he looked for judgment, but behold oppression, for righteousness, but behold a cry.**

I want everybody to get that first line. The vineyard of Yahweh is the house of Israel. There was a man who had a vineyard. Do you know who Naboth was? He was the prefigure of Yahshua. Come on now. The vineyard is Israel, the house of Israel. Amen? Jezebel sought to destroy the word or the Torah in flesh that was protecting the house of Israel from selling out! Glory.

Do you all see? The vineyard was being governed by Jezebel. The Bible said the vineyard was right up against her house. That's why the Bible said in the book of Revelation: Behold I stand at the door and knock. If you will let me come in, I will bring you out. That's why Yahweh still goes to these churches on Sunday and pours his Spirit out on them because that's him standing at the door of Jezebel's house knocking. Anyone in there who can listen past her teachings and hear his knocking, he will come in, sup with you, feed you his truth, and then pull you out! I wish you could hear me.

Every one of you was in her church because the vineyard is right up to her house. But he said...if any man will hear my voice, I'll come in to Jezebel's church and I'll pour my Spirit upon the whole church just because of you because I have to water the seed so therefore, they get the water too. Hallelujah. *Amen. Amen. Hallelujah.* Why does Yahweh pour out his Spirit on the false church? Because the real seed is hiding in the false church and the rain has to fall on the just and the unjust. It has to fall on the wheat and the tares. They have to grow together until Yahweh separates them.

*Brother Vaughn, I went to church Sunday and I know you all believe it's on the Sabbath, but I'm telling you the Spirit of God was moving, people were getting saved. That's good. That proves to me Yahweh still goes to church on Sunday. Why? His little seed is in those churches and he's knocking on the door by pouring his Spirit out so that he can find the seed.*

*The field is the world. That's exactly right and he pours out his Spirit on the whole field. Why? Because if he's going to get the wheat to grow, he's got to get the tares to grow right along with it. Don't be deceived children. Just because someone called you out and told you your address—don't you be deceived. Just because someone told you your mama's name. Don't you be deceived darling. That's the rain and it falls on everybody darling. The gifts are without repentance. Look, look.*

*Awww but there's somebody in Jezebel's house. He said...behold I stand at the door and knock. I'm knocking by luring you. I'm showing you my goodness so you'll follow me out. Hallelujah. I just gave you all more understanding than you understand. I'm helping you be not deceived in the last days. Thank you, thank you. Amen. Pastor that's why those believers got cast out from Yahshua—he says 'depart from me'. They believed like you said. They believed and they even did miracles, cast out demons and healed, but they really didn't receive truth in them or they were not Israelites. Were they not Israelites?*

*Keep in mind they would not have been in the remnant Israel. No sir. Because they did not obey the Torah. No. They will come up in the second resurrection, but they will not be in remnant Israel. No sir. They were not chosen for remnant Israel. They may've been natural Israelites, but not remnant Israel. They don't love truth. You have to love truth. You can't just know it, you have to love it because anything you love you'll fight for, anything you love you'll defend. Hallelujah?*

*I want to point something out in that story about Naboth. The word Jezreel is mentioned in that story 22 times. Now if you're a numbers person like I am, you understand that 22 is an eagle number that identifies with the sons of light. Jezreel was a prophetic in the numbers that those who were born under the Jezreel anointing, they will be the sons of light that will fly as the eagles in the end time.*

*Let me clarify something. I said earlier that Naboth is a type of Yahshua, but in truth he's a type of the number 22. He's a type of the sons of God. So Naboth not only represented Yahshua, but every son who would rise up after Yahshua that would protect the vineyard. Now you understand what I'm saying? There would be a Naboth vineyard. There would be a company of Naboths after Yahshua*

leaves the earth. They would not sell the vineyard. That's us. That's you. I hope you picked that up what I was trying to tell you there. Naboth represents the sons of God.

Yahweh said he was going to punish the house of Jehu. I've come to tell you he is going to punish the false Babylonian pastors and leaders. Their punishment is coming on the whole earth for selling the vineyard, not loving the inheritance. Why did the Bible say...Jacob have I loved, but Esau I have hated? Why? Esau didn't care about the inheritance!

There are some of you who love salvation, but you don't care for the inheritance. The inheritance is to rule and reign with Christ. Hallelujah. Glory, glory, glory. The birth of Jezreel tells us the fate of Israel. What is that fate? Jezreel tells us the two sides of Yahweh concerning our destiny. God scatters. God sows. What does that mean?. One is the judgment of God or death. God scatters. He's going to scatter you. You're losing your home. You're going to be scattered. That was a judgment. That was the end! They were about to leave. This was judgment upon Israel.

Oh, but don't you love how the judgments of God are not eternal. They are remedial. They are corrective. And oh don't you love that once he pronounces judgment he turns around in the same name and says God sows! He said...after your judgment, I'M GOING TO SHOW YOU MERCY because that's just the kind of God I am. Oh I wish people could hear what I'm saying. God scatters and God sows. You're going to be judged. You're going to suffer.

But I've come to tell you. In the same name when he gets through judging, when he gets through correcting, when he gets through rebuking, HE WILL RESTORE! Oh I love that about Jezreel. Oh brother the Bible says in the book of James 2:13, we've got to read it. I've come to tell you about the true God I serve. He's not like the God you serve—the one who sends everybody to a boiling, belching hell to burn for all eternity just because he scattered them, just because he judged them. Because according to James 2:13...read what the Bible says.

**James 2:13**  
**For he will have judgment without mercy...**

Now listen. I want you to hear that. If you read that first part of that verse, you'd say...*see brother Vaughn, he's going to have no mercy*. No, no, no. Darling you missed it. The judgment will seem like it has no mercy. For three years that I was in a prison I was having judgment with no mercy. I couldn't get a break. There was no mercy in the judgment! But you all need to read the rest of that verse. Read it!

**...that has shown no mercy, and mercy rejoices against judgment.**

Come on! When mercy always triumphs over judgment! Oh God have mercy. How's that supposed to work if you're all going to burn in hell eternally? How would mercy ever triumph over judgment?! It's Jezebel who teaches you a God of judgment, that his mercy doesn't overcome his judgment! Quit letting that woman Jezebel teach you! Quit letting the pope create Dante's Inferno to keep you scared!

*His mercies are new every morning.* Oh they're new every morning! And eternity's going to have a lot of mornings, if you will. Hallelujah. Whew-hoo! Somebody say mercy trumps judgment. *Mercy trumps judgment.* And the next election with Trump mercy trumping judgment for America! *Oh hallelujah. Thank you Lord!*

You're not picking this up! I'm in the Holy Ghost right now. This God is about to trump judgment with mercy. *Oh brother Vaughn, but the end is coming for America.* There is never an end with Yahweh. There is always a judgment that mercy triumphs over unless God has changed. Oh elder unless God has changed. But the one I read about—he said that my mercy trumps my judgment. However, when my judgment comes you'll feel like there's no mercy with it. Hallelujah.

Can anybody testify that when God's whipped you before it didn't look like there was any mercy? Awwww, but good morning mercy. Good morning mercy!! It's a new day. It's another day! God's mercy! He scatters, but then he sows!! *His mercy endures forever, forever.* His mercy endures forever and ever and ever and ever! I've come to preach to you today you can serve—if you're a sinner, if you're a backslider—you listen to your pastor today.

Your heavenly Father is not looking to destroy you. He's finding every way in the world to restore you. He's finding every way in the world to recreate you. He may break you, but you'll be beautifully broken. He may cause you to fall, but it's only so he can put you back together again! Fall in love with your Father. HE LOVES YOU MORE THAN YOU LOVE HIM.

Every day you wake up I want you to say...good morning mercy. I know I deserve judgment today, but good morning mercy. GOOD MORNING MERCY !!! Here I am again. Yesterday I had judgment without mercy, but good morning mercy. Hallelujah. Oh, if you all don't quit putting everybody in hell, the whole world's going to hate your God. If you all don't quit putting people in eternal torment, the whole world's going to hate your Father. And it's not his fault. It's Jezebel's fault. She said he was unfair. She said that he was looking to vindicate and kill everybody. She said that about your God.

But I know some ministers of reconciliation who are declaring to the world that our God is an awesome God. He's got a plan not comprehended. Hallelujah! My message is not hell. My message is restoration. God's going to finish what he started! *Hallelujah. Praise Yahweh! It's a minister of freedom!* The apostle Paul calls them ministers of reconciliation.

*Oh brother Vaughn, you're going to preach that everybody's going to live the way they want to live.* Oh, but they'll suffer judgment without mercy. Did you hear me? Did you hear me?? I never said God's letting anybody by with anything. By the time he gets through with you, punishing you, he will cause you to cry mercy. You get into a hand-wrestling match with Yahweh—you try to push against the pricks Paul, kick against them if you want to.

But I promise you: When he slams that hand down, you'll cry mercy, and then mercy will show up. Hallelujah. Mercy will show up when you cry mercy! Hallelujah. Mercy will come running—you just have to call out for it. Mercy will come running. Oh my. Oh I'm so thankful that mercy comes running.

*Who will be in hell?* Satan and his angels. Hallelujah. Brothers and sisters, it was only created for Satan and his angels. An all-knowing God knew who was going there. He didn't make a mistake and create it for Satan and his angels and say... oops now I need to send all my creation there. He knew in the beginning who was eternal. You cannot have an eternal hell for temporary humans who would burn up in a moment.

Brothers and sisters, God's going to put every sinner in the lake of fire. Listen to me. Listen to me! They're all going into Gehenna. Why? Because what is Torah? The Bible said it is a fiery law. You are going to come under the judgment of that law. And when you are finished, and your flesh has burned up, then your soul will be saved! You will cry mercy and every knee will bow and every tongue will confess that Yahshua is Lord to the glory of the Father! My, my, my. *Amen. Hallelujah.*

Yahweh is the fire. And God's going to throw you into judgment honey. Every one of you are going into judgment if you don't walk this narrow way. Judgment begins in the house of God in the first harvest. That's why I tell you—some of you can't get by with things that your neighbors get by with. They can go steal a million dollars and you'll go to jail for stealing a blade of grass from your neighbor's yard. Why? Judgment begins with us. Oh hallelujah.

I'm going to read you a verse and find out who's got the Holy Spirit. I'm going to read you a verse and I'm going to see if the Holy Spirit will reveal it to you like he did to me.

### **Hosea 2:22-23**

**22 And the earth shall hear the corn, and the wine, and the oil, and they shall hear Jezreel.**

Oh my God from Mt. Zion. The earth is going to respond to Jezreel. The Bible said that the whole earth is groaning, waiting for the manifestation of the sons of light. Jezreel is mentioned 22 times which means “sons of light”. The Bible said one day the whole earth, when I sow the corn, when I sow this in the earth, the whole earth is going to respond to JEZREEL !!! *Hallelujah!* Hey, hey, hey, hey! *Hallelujah. The three harvests.* I just found out who’s got the Holy Spirit because if that didn’t light you up, you don’t have any Holy Spirit.

There’s coming a day when — somebody say “the whole” — the whole world is going to respond to the ministry of those who have been scattered under his judgment and then sown under his mercy !!! *Whew hallelujah.* The lost sheep of the house of Israel. But read verse 23 now. Whew!

**23 And I will sow her unto me in the earth, and I will have mercy upon her that had not obtained mercy, and I will say to them which were not my people, Thou art my people, and they shall say, Thou art my God.**

I’m going to sow her, Jezreel, for my purposes because I told you all my purposes in the beginning. I told you in the beginning the earth is mine and the fulness thereof! If you think I’m giving up one inch, oh you don’t know me! What I started I will finish! I’m planting Jezreel in the earth to bring my purposes to pass. I’m going to scatter her and I’m going to sow her! What looks like her judgment, it’s really my mercy. WHEW!! *Hallelujah! Hallelujah!* Glory!!

Oh it looks so cruel when God let the Assyrians take Israel. Oh how dare he do that. That was his judgment without mercy. Are you with me? That was his judgment without mercy. Oh it looks so horrible. But what they didn’t know, if they would endure for a little while, if they would submit to the fire, the fourth man would show up. If they would submit to the flame, they won’t even smell like smoke. You’ve got to know that his judgment is not only destroying you, but it’s also planting you in his will.

You better fall in love with the judgment without mercy. Has anybody in this church been under that judgment without mercy where you couldn’t get any mercy no matter how hard you tried? That was God killing you!! My God. I wasn’t planning on this. I was planning on teaching, but oh, *hallelujah.*

*Then the fire fell.* Hey, did it ever! Hallelujah. Why? Because I've been under that judgment. Don't you all understand when my enemies make fun of my past, don't you know that's because they're too foolish to know that had it not been for that judgment without mercy, you would've never heard this message? I would've never known it. It was that judgment without mercy. God wasn't scattering me to prison, he was sowing me in prison. He wasn't scattering me. He was sowing me so that he could give me mercy. *Amen pastor, he is so good.* Yay! He's so merciful!

When they all share my mugshot, they don't know that man got destroyed. Ha, ha! That man got sowed in the earth. That man cried mercy when nothing else would do. I remember I would kneel down beside my cot and put my blanket over my head so nobody would think I was weak in prison. You couldn't afford to cry in front of anybody. I would cry under that blanket and I would cry out for mercy. And I want you to know that mercy came running. He gave me a wife no man deserves. He gave me a ministry that's reached the world. Why? Because when he gets through destroying you, he's about to lift you !!!

Brother you hear me right now. Right now you are in the fire of God. Right now you are in what seems like judgment without mercy. But God said: What I'm trying to do is shuck the corn, I'm trying to pull the husk away from the corn because when I'm done with you, when you've gone through this fire, no one will recognize you. I'm raising you up, free to serve the Lord! Your moment of mercy is right around the corner. *Yes sir, thank you pastor. I love you. Thank you for the fire. I love this message. I will never leave.* Hallelujah. Glory! Whew!

*So we have this perfect representation of judgment without mercy. The seeds require fire in order to crack the seed open so that it can grow. And so it has to be completely destroyed in order for it to become the seed that is allowed to grow.*

Why don't we read about that in John 12:24, the exact same thing you just said.

### **John 12:24**

**Truly, truly, I say to you: Unless a kernel of wheat falls into the ground and dies, it remains alone. But if it dies, it brings forth much fruit.**

Jezreel: Yahweh scatters and Yahweh sows.

When a seed goes into the ground, what dies is the outer shell around that seed to release the life. Hallelujah. Paul said in 1 Corinthians 15:42 that so also is the resurrection of the dead. It's sown a perishing body, but it's raised imperishable.

It's sown in dishonor, but it's raised in glory. It's sown in weakness, but it's raised in power. It's sown a natural body, but it's raised a spirit body.

So Jezreel literally means death and resurrection. Scattered (death), sowed (resurrection). Death and resurrection. Death is the judgment. Resurrection is the mercy. While many people think death is an end, that's a false narrative. Because, in the end, mercy always triumphs over judgment. God's judgment always serves a good purpose in your life. If it didn't, we would have reason to doubt that he's going to restore all things.

God bless you. My time is gone for the day. Thank you for joining me. I pray that you understand Yahweh's purposes for your life.
