

The End Times (Part 1)
As Understood Through the Feast of Israel
By Pastor Shane Vaughn, First Harvest Ministries

Tonight I'm going to start a series of lessons because I want to teach you to understand the end-times like you've never understood them before. Ladies and Gentlemen, I'm here to announce to you tonight, the end-times are not coming. It's no longer a future word; it's no longer a future tense. The end-time is the day that you were born for. You are living in the end-times tonight. You are living in the end-times.

Tonight I want to break down what that means. Number one, remember this: If you ever hear anybody teaching about the end of the world, there will never be an end of the world. Always remember that. This world is never going to stop spinning; it's never going to be done away with.

When I'm teaching like this, we allow questions, so if I say something and you don't understand it or you don't agree with it, we're doing an open forum class tonight. It's different from preaching. We will answer your questions as long as they are on the subject. We're not going to answer questions about corns on your toes and how to get rid of them.

So I want you to change your terminology. Instead of saying *the end of the world*, I want you to start saying, *the end of the age*. There are ages of time. Two thousand years make up an age. We have just finished living through the Age of Pisces, or the Piscean Age. That's a period of 2,000 years. Now we are entering into what age? Aquarius. We're moving into the Aquarian Age, which is a different epoch of time.

In every age, the Bible refers to that as the *Spirit* of the Age. Every age carries with it a spirit. For example, you don't understand why the world is changing before your eyes. You don't understand why there's no more monarchies in the world. What happened to the kings? What happened to a strong, conservative government? What happened to all these things? Why

do we no longer have schools that are strong? Everything seems to be falling apart now, because the spirit of the age is changing.

Everything is becoming really watery because the Piscean Age was an age of structure. The spirit of that age was the age of order and organization; structure. But as we move into the Aquarian Age, that age is a watery age with no boundaries. Why do you think that men don't know if they're men anymore? We've moved into the water age where everything is fluid now. The Spirit of the Age is operating on the earth.

Now the Church of the Living God, which is you, has a hard job: to find a way to walk in the Spirit of the Lord, rather than the Spirit of the Age. The spirit of the age tells you to do it *your* way. It tells you, *Everything's okay, everything's accepted so just move into that acceptance of everything. Get into the spirit of the age.* But John said, "I was in the Spirit of the Lord." You've got to learn to get into the Spirit of the Lord so you won't be affected by this age that we're entering into right now.

Listen to me. Everything you've ever seen is over; it's changing. Every structure you ever believed in—democratic government, republican government—it's over. Society is over as we've always known it. Yes Ma'am and No Ma'am is over. Why? We're now in the spirit of the end of the age: no respect, no order, lawlessness. Where are our streets today? They've been burning the cities down even after Biden was elected. They are back to burning cities down again. Why? There's a spirit loose. If you're not careful, that spirit will get in your mind.

Tonight we're going to learn about the End of the Age. How many of you have heard anybody teaching about the end-times? Let me see your hands. Alright. I've heard about it all my life. They all have good intentions, but their foundational structure is flawed. If your structure in dealing with the end-times is messed up, your interpretation will be messed up. I've heard so much junk concerning the end-times. If you've ever read the book *Left Behind*, you need to throw it in the garbage and burn that garbage can to pieces.

Left Behind teaches of the most demonic doctrines that ever touched our planet. Why? Because it's a construed image of the end-time. Satan wants you unprepared for what is about to happen in your world, so when it happens, you will lose your faith. Some of you who are giving me *the look*, bear with me for a moment and hang tight. The fact is, when I get through with this lesson tonight, you will never look at the end-times the same way. You've got to get your glasses right. Watch this: I can take this Bible and I can read it with no glasses, exactly for what it says, but if I pick up my Catholic glasses and I read it, I'm going to read the Catholic version of it.

Stay with me. If I go over here and pick up my Baptist glasses, I'm going to read it the way they told me to read it. I can go over here and pick up my Pentecostal glasses, and I'm going to read about the end-times the way they told me to read it. But this ministry takes the glasses off, and we say that we've got to get back to everything that is true, and let the Word of Yahweh be true, that every man be a liar. So what is the problem? Here's the problem: When you read about the end-times from a New Testament perspective, you've got the wrong glasses on.

You can *never* understand the end-times from a New Testament teacher, and mostly that's all anybody in the Church knows anything about is the New Testament. Until you come to learn to trust in Torah, you can never understand the end-times. *Brother Vaughn, I don't believe that.* I'm going to prove it to you. *I don't believe I have to know that to understand the end- times.* If you don't understand the Feasts of Israel, you will get the end- times messed up every time.

I said all that to say this: If you want to understand the end-times, you've got to go back to the Feast of Israel. I'm going to prove to you about the glasses you've been wearing. Many of you can't put those glasses on because you've been taught that the feasts were done away with. Okay now, can I get an amen? You were taught that was in the Law, and God did away with all that, and now here I am telling you that you can't understand your Bible without understanding the feasts. Now you've got to decide if your church is

telling the truth or if Brother Vaughn is telling the truth. Actually, I'm going to make it real simple for you. Let's go to the book of Hebrews. We're going to dig in.

Hebrews 2:8 You have to put all things in subjection under his feet. In putting everything in subjection under Him, Yahweh left nothing that is not subject to Him—but at this time we do not yet see all the things put under Him.

That sounds like a big riddle to me. That sounds like a whole bunch of riddles, right? That verse I just read to you is the secret of the end-times, and very few churches know anything about that verse. Here's what was just said: There's coming a time when *everything* is going to be put under the feet of Yahshua. That's Jesus. But then the next part of the verse said it's already been put under Him. And the last part of the verse says that nothing has been put under Him.

Let's read it again, just so you understand where I'm coming from. ***You have put all things under his feet.*** Let's stop reading right there. *Pastor Vaugh, the Bible says that God has put all things under Jesus' feet.* No it doesn't. You stopped on the wrong line. Go to the next one. ***In putting everything in subjection under Him, Yahweh left nothing that is not subject to Him—but at this time we do not yet see all things put under Him.*** Now, nothing is under Him... not yet. That *YET* is the secret to the end-times.

God's put all things under Jesus' feet! No He hasn't. He's *going to*. At this point, only the Church is under Yahshua's feet, not the world. Here's the problem when you hear the *Kingdom Now* preachers—and I love every one of them—they will quote that verse and tear it apart, and say that everything is under His feet. But the Bible said that *nothing yet* is put under His feet! Let's follow that up with the second one in I Corinthians. Never believe anything I teach if it doesn't line up with this Book from cover to cover. You need to learn these things tonight.

I Corinthians 15:27-28 For *Yahweh* has put all things under His feet. But when it says that everything has been put under Him, it is clear that this does not include *Yahweh* Himself, Who put everything under *Yahshua*. 28 When He has done this, then the Son Himself will be subject to Him Who put all things under Him, so that *Yahweh* may be *acknowledged* as the Supreme Head over all.

The first verse, 27, said He's already put everything under His feet, and the next verse says *when* He does put everything under His feet. What's it going to be? Come here Brother LeBeouf. Come here Brother Ricky. Stand right over there next to each other. All things are under Your feet (Pastor speaking to Brother Ricky). One day, everything will be under Your feet (Pastor speaking to Brother LeBeouf). Which one is Truth? BOTH!

This is the secret to the end-times that I'm going to be teaching you about. *Yahshua Hamashiach* at this moment, even death is not under His feet at this moment. Did you know that? I'll prove it to you in a minute. The Bible says that at the end of the Millennial Reign, then death, the last enemy, will be put under His feet; but not yet. The problem with Kingdom Now teaching is that they put everything in the *now*. Here's the problem with Future Kingdom teaching: they put everything in the future. The Bible puts everything in the *now and* the future. You've got to learn not to be just focused on the now, but you must be looking for the future.

Listen to me. If you're a Christian and you are not adamantly looking for the Coming of Messiah, you're not a Christian. I'm going to say it again. The Bible said, *that he who is watching and waiting*. You can't look for the Coming of the Lord because you believe He already came. You better find out He came, He come, and He is coming; and you better learn all three of those in your life.

Tonight we've got to find out *when* all things are going to be put under *Yahshua's* feet and we learn that from the Word of *Yahweh*. Please turn to

the book of Luke and I'm going to show you that if you believe the feast days have been done away with, you can never understand your Bible.

Luke 24:27 And the beginning at Mosheh; *the Law*, and all the Prophets, He expounded to them in all the Scriptures the things concerning Himself.

This is Yahshua talking to His disciples. They are asking Yahshua about His soon return. They're asking Yahshua, "When are you coming back?" They're asking Him, "Are You really the Son of God?" Do you know where He went to give them an understanding of the end-times? You just read it in verse 27: beginning with Moses, which is Torah. Yahshua began at the place that we run away from. He began with the Feast of Israel. He began explaining it to them from the Feast, that His Church will try to convince you that it has been done away with.

Jesus, how do we understand Who You are? How do we understand when You're coming back? I love what Yahshua said: Beginning with Moses. And yet the Church tells you not to worry about going back to Moses' books: *Stay in the New Testament*. Yahshua didn't follow their advice. He began with Torah. HalleluYah! He began with the first five books of the Bible, and He showed them the mysteries of Yahweh from the Old Testament.

Tonight, what's wrong with the Christian Church, is we're ignorant of the books of Moses. We are ignorant of the Old Testament and therefore, when we come to the end-time discussion, we wind up going out on all kinds of limbs because we're not bringing it back to where Yahshua brought it back to. Somebody say his name: MOSES!

That's where Yahshua started explaining the end-times, and that's where I'm going to start explaining the end-times to you tonight from the book of Moses. Now go read Luke twenty-four, verse forty-four and verse forty-five. I'm going to show you how Yahshua taught from the book of Moses.

Luke 24:44-45 And He said to them: These *are* the words which I spoke to you while I was still with you: All things must be fulfilled which were written in the Law *given through* Moshes, in the Prophets, and in the Psalms concerning Me. 45 Then He opened their understanding, that they might understand the Scriptures,

How did He help them to understand the Scriptures? He opened the Torah. He opened the books of Moses to them. He didn't open Matthew or Mark's commentary. He didn't open the new NIV (New International Version) version. He went back to Moses and He said, "I'm going to open your understanding." Tonight I've come to open your understanding about the end-times, by bringing you back to the books of Moses.

What's in those books of Moses, Brother Vaughn, that explains the end-times? The Holy Days. Why do you think that Satan took them out of our churches and replaced them with pagan Easter and Christmas, and replaced them with all kinds of paganism? Why do you think that Roman Catholic priests came in and took away the Holy Days from Yahweh's Holy Church? Why do you think that Pope Gregory told the Church, "No more will you keep those detestable Jewish practices." He said, "We're going to create new ones by my authority." Excuse me, but you have no authority outside the Word of God.

The Pope said, "By my own authority." Sir, you don't have any! You don't even have the authority to keep kids from being molested in your church, much less try to interpret the Word of God. He said, "By my authority." You all know I can prove this. Just type this into Google. It's all there. The enemy of God's Holy Church was the unholy Catholic Church. It came against the Word of God, and it took out these Holy Days, and guess what else it did? It turned God's true Sabbath Day to the first day of the week. I've come to preach tonight. I don't care if you like it or not. I'm going to help you understand something.

So dressed in a white robe, he took the Holy Days out by the hands of Satan himself. Why did Satan do it? Because without the Holy Days, you are clueless of the workings of Yahweh in the end days. You can never understand the workings of Yahweh at a Christmas tree or an Easter egg hunt. Do you want to understand the mysteries of Yahweh? It won't ever be in a rabbit that lays an egg. You're lying to your children worse than the schools lie to them. I can go point my finger in this Bible and show you where Yahweh said to observe the Holy Days. Can you do the same? If you can't, then who's following *The Way*, and who isn't? It's a tight way; it's the right way.

We must get to the point where we understand that Yahshua went back to Moses, which is the Holy Days. And now we must go back to Moses to understand. We're not doing Scripture tonight the regular way; we've got to look through the lens of Moses. Tonight I'm going to break down the end-times for you, through the glasses of the Holy Days, and I'm going to show you where we are and what we're doing.

Number one: If you're here tonight and you truly believe that the Holy Days were done away with, I love you and I'll talk to you all night long. You can even lift your hands and say, "I believe they were done away with." But before you do, please let me explain. When Yahshua died, if He did away with the Holy Days, there's a major problem, because sixty years later, I'll give you New Testament proof where the Church was still keeping the Holy Days. If they were wrong, then I'll be wrong right along with them. *Brother Vaughn, what are you talking about?* I'll make it real simple.

Paul is in a town called Macedonia preaching a great revival sixty years after Yahshua supposedly did away with the feasts. Do you know what Paul told those people? He said, "I've got to shut this thing down." *Why, Paul?* He said, "I have to get to the Feast." He said, "I've got to go. I *must* keep this Feast." *But Paul, we don't have to keep them anymore.* Somebody's gotta tell Paul. And then, if Yahshua did away with the feasts, somebody forgot to tell all His disciples and all of His Church. Do you know why? Because the day after He died, why wouldn't they go and put any oil on His

body? Because it was a Feast Day. *Go on in there; Jesus did away with it.* It's a bunch of fools is what it is.

It's a lie that's been transposed to us on catholicity, and Yahweh's people are now coming out from it. So tonight, I want to show you the beauty of these Holy Days. Number one, there are seven Holy Days; Yahweh's favorite number. There are seven, and they happen every single year. The first set of Holy Days happens in the springtime. We spruce things up and make a big deal out of these feasts. People come from all over to keep the Passover with us. It happens every year. Why? Because for me to understand the end of the story, I must, every year, RECREATE the whole story; and live through it every single year.

The new year, according to Yahweh's Word, is not December 31st. It is March 25 this year (2023). Why? Yahweh's new year begins not when everything's dead, but when everything is new. The whole world is backwards. The spirit of the age is backwards. Watch this: Yahweh said, "On the 14th day of the first month, I want you to keep Passover; every year." I'm going to ask you something. He said to do it on the first month, 14th day, right? What if they had done it on the 15th day? Would that have been Passover? No. What if it had been the 16th day? That wouldn't have been the Passover.

Let me tell you something. Yahweh is teaching us in these numbers when Yahshua is coming back. Yahweh is teaching us in these numbers, the end-time. He said, "I want you to count fourteen days in the first month and I want you to come and gather and celebrate the death of our Lord, Yahshua Messiah. Then, the resurrection of Messiah happened right on time, according to the waving of the sheaf of First Fruit. That is another festival. Then, we have the Counting of the Omer. Those three feasts typically happen in early April.

Why does it matter that we keep them? Because if you don't, you have no idea what's next on Yahweh's calendar. But something happens during the spring festivals: everything goes quiet for four months, until we get to the

seventh month of Yahweh's new year. That's called the fall festivals. We will celebrate the fall festivals in Lake Guntersville, Alabama. Let's go read in Exodus. You're going to understand the end-times by keeping these festivals.

Exodus 40:17 In the First Moon in the Second Year, on the First Day of the Moon, the Tabernacle was raised up.

Notice that He told them a specific day. The problem with the New Testament God is that He doesn't look anything like the Old Testament God. The Old Testament God was very specific. He said, "The first day of the first month. Not the second month, but the first month." Why? It's a test of your character. He said, "I want it done when I say I want it done." Why? Because if you'll learn to obey Me, you'll know when I'm coming back. He told Moses what to do. Now let's read the book of Numbers.

Numbers 10:1-10 Yahweh spoke to Mosheh, saying: 2 Make two silver trumpets; *chatsotserot*, of hammered silver, and use them for calling the congregation together, and for causing the camps to set forward. 3 When both *silver trumpets* are sounded; Teki'ah; *an extended, unbroken note*, the whole community is to gather together in front of you at the entrance to the Tent of Meeting.

Hang tight. Have you ever wondered why I go to church so much? Have you ever wondered why we all have to get together? We could do Covid and sit at home, but any time you read Yahweh's commandments in the Church, it's always about gathering together. Yahweh loves the gathering. Yahweh doesn't want you in your homes tonight; He wants us in this building, together.

Brother Vaughn, I can watch from over there. I know you can, but we're not doing it your way. He said, "I want you to bring the whole community together." Some of you drove from Lafayette, Louisiana to get together. The Modern Church wants you to think you can sit at home, but Yahweh says,

“You aren’t to be sitting at home. Get together.” All of His festivals He commands you to gather together.

4 If only one *silver trumpet* is sounded; Teki’ah; *only* the leaders, the heads of the clans of Israyl, are to gather together in front of you. 5 When you sound the advance; Teruah; *short, sharp, separate notes*, the camps that lie on the east side; *that is, Yahdahf along with Issachar and Zebulu*, shall then begin their journey. 6 When you sound the advance; Teruah; the second time, then the camps that lie on the south side; *the tribe of Reuben along with Simeon and Gad*, shall begin their journey. They shall sound the call; Teruah; for them to begin their journeys. 7 And when the congregation is to be gathered together, you shall blow the Teki’ah, but not sound the Teruah. 8 The sons of Aaron, the priests, are to blow the trumpets. This shall be to you as an ordinance forever throughout your generations.

How long are they supposed to gather, does verse eight say? That this is to be a lasting ordinance, but just until Jesus comes? Is that what it said? So it doesn’t say when Jesus comes back, that it would stop? I’m just making sure I heard it correctly. How long? FOREVER! Why? The secrets are in the FEAST.

9 When you go to war in your land against an enemy who is oppressing you, then you shall make the clarion call on these trumpets, and you will be remembered by Yahweh your Father, and you will be saved from your enemies. 10 Also in the day of your gladness, in your Appointed Feasts, and at your clarion call on the trumpets over your burnt offerings and over the sacrifices of your peace offerings. And it will be a memorial remembrance for you in front of Yahweh your Father. I am Yahweh your Heavenly Father.

This is called the Feast of Trumpets. It’s the next festival that happens after the first three festivals. Listen to me carefully, and listen well. I’m getting ready to prove to you that Yahshua kept the Passover perfectly on time.

What day was He crucified? The fourteenth day of the month. Did He rise at the waving of the sheaf on time? Did He do it? Yes. Stay with me. When did the Holy Spirit get poured out? On Shavuot, also known as the Feast of First Fruit or Pentecost.

Notice in the book of Acts, when the Holy Spirit fell. Why did Yahshua tell those disciples to go to Jerusalem and don't leave? Why? Because He was telling them to go keep the feast that was coming up. He knew they were going to Jerusalem to keep the feast. Now if you are getting ready to die and do away with the feasts, why would you tell them to go keep the feasts? He said, "Go to Jerusalem and wait." What were they waiting for? The Holy Spirit. So they go and get to Jerusalem ten days later. Why when they got to Jerusalem, didn't they get the Holy Spirit the next day? It WASN'T TIME. They would have known when the Holy Spirit was coming, had they known what keeping the Feast of First Fruits meant.

So they get to Jerusalem ten days later and nothing happens. They're still waiting. Do you know what they're waiting for? The 50th day. Why? Because Yahshua, when He was teaching about Himself, where did He bring the disciples back to? Moses; the Feasts. So, if you want to understand when the Holy Ghost is coming, you have to understand the Feasts. In Acts 2:1 it says, "And when the fiftieth day was *fully come*." If you're not counting these feast days, you don't know what time it is, and you don't know what Yahweh is doing.

That's why the Pope took them away from you. They want you dumb and ignorant! But I'm so glad I saw a marvelous Light! Yahshua knew when He was going to return to them in the form of the Holy Spirit: Rauch HaKodesh. If you go read the book of Moses, it says, "On the 50th day (after Passover), they would wave that sheaf and that's when the end of First Fruits would happen." Yahshua knew that you've got to wait, but if you know what you're waiting for, it isn't a weight. Do you hear me? If you know what time it is, you don't mind waiting. If you're in the doctor's office and you know he's going to see you in 35 minutes, you don't mind waiting. The

reason the Church is tired of waiting is because they don't know what they're waiting *for*, because they're not keeping the festivals.

Notice what He said, "In the seventh month—that's what she just read about—there's going to be another festival. *I was on time for Passover. I got out on the fourteenth day of the month, on a Wednesday.* No, Yahshua did not die on a Friday. That's a Catholic lie. Yahshua died on a Wednesday. Do not challenge me because I promise you I can prove it. He died on a Wednesday; another Catholic lie! There is no Good Friday; there's a Good Wednesday. All are lies! And do you know why we believe them? Because we don't know the Holy Days. Yahshua died on the fourteenth day of the month; the Holy Ghost came on the fiftieth day. I wonder if His next Coming will be right on time! Woohoo! Yahweh keeps up with timing!

You may not, but there's a few of us that are! Every seventh month we come into these buildings and we blow the trumpet. But I want you to notice something about the Feast of Trumpets that we didn't know before. We were always focused on this trumpet, the shofar, but we just read something totally different in the book of Numbers. It said Yahweh told Moses to make *two* trumpets made out of silver. Why?

I want you to make two trumpets; not just a shofar. Why? It's in those verses. The first trumpet that you are going to blow is not for *all* of Israel. Listen! He said, "The first trumpet is only for a certain group of Israel: the leaders." The first trumpet is not for the whole Church. The single one that is blown, is not for the whole Church. Let's go back and read verse four again.

4 If only one silver trumpet is sounded; Teki'ah; only the leaders, the heads of the clans of Israyl, are to gather together in front of you.

This verse is talking about the 144,000 Overcomers! The remnant! Those who have been training for reigning, and schooling for ruling. When the first trumpet is blown, it's not for the whole Church; it's for the LEADERS.

But the Church doesn't teach this; they say we're all equal. Let me tell you something: If you're not a servant of Yahweh, you're not equal with the man who gets many stripes. Yahweh said in the Bible, the first trumpet when Moses blows it, "I want the leaders to rise up."

Yahweh told Moses, "You tell the rest of the Church that they don't rise up yet. They will rise in the second resurrection." He said, "When you blow the first trumpet, I want those whom I can trust to rise. I want those who have proven themselves to be leaders in the House of the Lord to rise up, and then we'll blow a second trumpet after that." Who does He say He wants to get up in the second trumpet? Who does He want to rise up next? Read.

6 When you sound the advance; Teruah; the second time, then the camps that lie on the south side; the tribe of Reuben along with Simeon and Gad, shall begin their journey.

This is the Church. The leaders come up first. Who are those leaders? I'm trying to train you to be one of them. You all thought we were coming up together? That's Christian Kool-Aid. There is one group of people being prepared by Yahweh to come up FIRST when the first Trump of Yahweh sounds. But to understand that, you would have to read the book of Numbers, and you are scared to read it.

But we're already saved. I'm so sick of hearing that. *What could be better than us being saved?* You better believe it has something even better than that! It has something to do with you being SELECTED and becoming rulers and reigners with Yahshua Messiah, our Lord! HalleluYah! The problem is that the Church does not preach about this first resurrection. If they did, people would live for Yahweh harder and better. *You don't have to earn anything!* You better quit listening to that, or you're going to miss the first resurrection. He said, "Those who earned it, will come up when the first trumpet sounds."

Revelation 20:6 Blessed and holy is he who has part in the first resurrection; on such the second death has no power, but they

will be priests of Yahweh and of the Messiah, and will reign with Him a thousand years.

I want to be in that number. I want to be in that number where they are going to come up in the first resurrection, and they're going to reign with Yahshua. They're not going to Heaven. They're going to work to restructure this planet; to restore this nation, this world. They've got a job to do, and Ladies and Gentlemen, you can be in that number!!

What do I have to do, Brother Vaughn? You have to give up your LIFE. Not your physical body, but you have to give up YOUR OWN AGENDA—your life—and serve your God! This is not an easy walk. This is a walk of the CRUCIFIED way! You must be willing to be crucified. You who are here tonight on the Sabbath. You've crucified your own desire to stay home, and you obeyed Yahweh. That's the power of the first resurrection!

Not all Christians will come up in the first resurrection. The Bible said that the rest are not raised until the end of the thousand years. I want to ask those of you who are here tonight: When do you get up if you make that resurrection; before the Millennial Reign or after the Millennial Reign? *Before.* But there are many Christians who come up after the Millennial Reign. Why? They don't qualify for this resurrection.

Think about this, children, those of you who were told to just have faith in Christ and live like you wanted to live, and that was all you had to do. If they told you that, they were robbing you of the first resurrection! *Brother Vaughn, are you saying I'm going to Hell?* I'm saying if you miss the first resurrection, you'll *feel* like you're going to Hell for what you missed out on. Yahweh wants you to strive for the best, to be everything He wants you to be; to obey the Word of God whatever it says. I said, WHATEVER IT SAYS! I want to prove that all Christians do not come up in the first resurrection. Let's go to the book of John.

Yahchanan 5:28-29 Do not be astonished at this—for the hour is coming in which all who are in the graves will hear His voice, 29

And will come forth. Those who have practiced righteousness will be resurrected *in order to live*; and those who have practiced wickedness will be resurrected *in order to be damned*.

This is Yahshua talking. Everybody is going to hear the trumpet. There's coming a time when everybody's going to hear it. Now I'm going to prove something to you that you never would have believed was coming out of that verse. Pull yourself tight. Do you know what Yahshua Messiah just said in that verse? He said that the *majority* of Christians are coming up in the second resurrection.

Brother Vaughn, He didn't say that. He said, "There is coming, a resurrection where *everybody* is coming up." We just read a verse in Revelation where everybody is not coming up in the first resurrection. In the book of John, He said, "There is a resurrection where EVERYBODY is coming up." We would have thought, in times past, that was referring to the unsaved. No. What did Yahshua just say? The good and the bad are coming up together in the second resurrection. What I just told you is a bomb. When are most Christians coming up? After a thousand years. Everybody will come up in that one. Maybe you, if you don't make the first one.

Do you think I read into what Yahshua said there, or did Yahshua say in the general—second—resurrection that you're going to have people who were good and will have eternal life and some sent to damnation, all in the same resurrection? We were always taught that Christians come up in the first resurrection and the sinners come up in the second resurrection. It's a lie! The Church comes up in the second resurrection with the sinners! The remnant comes up in the first.

HalleluYah! The LEADERS of Yahweh's Church come up in the first, and I'm not talking about pastors. Many of them will be in the second resurrection. I'm talking about SOLDIERS SOLD OUT for YAHWEH! The Leaders in the Work of Yahweh. Did you know your Bible said these things?! The reason we don't know it is because we don't want to come to a

ministry like this that is focused on more than just having *good church*, and are trying to teach you the Word of Yahweh.

I want you to make that first resurrection! I don't want thirty minutes of silence in Heaven. Do you know that thirty minutes of silence is going to be there? When you realize that you were duped out of your inheritance of the first resurrection from blind preachers! Your Life will tell if you're wanting the first or the second resurrection. Your life will tell what you're wanting. Did you hear what I'm saying? Your LIFE will tell what resurrection you'll be in. Brothers and sisters, Yahshua said that everybody is getting up in the second resurrection; the Church and the sinners. He talks about the first resurrection being Totally Different. Everybody ought to go Whoohoo!

Acts 24: 14-15 But I confess this to you, that after the way which they call heresy—so I worship the Father of my fathers, believing all things which are written in the Law and in the Prophets. 15 I have hope toward Yahweh, which they themselves also accept, that there will be a resurrection of the dead, both of the just and the unjust.

Who is coming up in that resurrection of the dead? The just and the unjust. That's the second resurrection. The Church is *the just*. The people who have been saved and baptized in Jesus' Name are the just. People who have received the Holy Ghost are the just, and they're coming up in the second one if they don't make the first resurrection. Let's go to the book of Phillippians. This is going to tie it all together for you.

Philippians 3:11 If, by any means, I may attain to the resurrection out from among the dead.

Wait a minute, Paul. What do you mean you *may, or might* attain the first resurrection? You're saved. He said, "I don't know if I'm going to make the first resurrection." He said, "It's my desire. I want to make that High Calling." *But Paul, you're saved. Of course you're going to make that resurrection.* But Paul knows what we do not know. He knew there were

two resurrections. He wasn't worried about that second one. Salvation means you've made that one. But He said, "My desire is that I attain that BETTER resurrection." I don't know about you, but I want that better resurrection! Read about it in verse twelve.

Verse 12 Not as though I have already attained, or were already perfect, but I *keep on pursuing after it*, that I may take hold of that for which Yahshua Messiah has also taken hold of me.

Hold on! What did I preach on Sunday night? Perfection. What's going to get you up in the first resurrection is PERFECTION! What did Paul just say? "I want to get that resurrection, but to do that, I've got to be perfected, not saved." Saved is free. Perfection is a process, and you're going through it tonight sitting under my preaching. You're going through it. The Holy Spirit is going in your heart, causing a desire for you to be in perfection for Yahweh. Why? Because if you don't desire perfection, you don't desire the first resurrection.

Paul said, "I don't know if I'm going to make it."

The Church said, "Paul, you're saved."

Paul said, "No I'm not. I know better. I'm going to make that first resurrection."

Read again what he said: *I keep on pursuing after it, that I may take hold...* He's saying, "I must live like Messiah, and He obtained that better resurrection, so if I want to obtain it, I must lay hold of what He laid hold of. He said, "I don't think I'm better yet, but I'm striving. I'm forgetting those things that are behind me, and I'm pressing forward to a HIGHER calling. I don't want the low calling of salvation. I want the higher calling of CHOSEN. Many are called, but FEW will be chosen.

Verse 13 Brothers, I do not consider myself as having yet taken hold of it; but one thing *I do*: Forgetting those things which are behind, and reaching forward to those things which are ahead.

I want it all Lord! Paul said, “I want it all Lord. I’ll say Yes, Lord! I’ll say yes to Your will and Your way. If you want me to keep Your Sabbath, I’ll keep it. If You want my tithe, I’ll give it. If You want me to gather, I’ll do it. Just tell me what to do and I’ll do it!”

Paul said, “I haven’t yet taken hold of it.” What did Christ get hold of? *I don’t do anything unless My Father says it.* He learned how to obey his Father. Yahshua didn’t learn how to get saved. He learned how to OBEY. If there’s going to be a people in that first resurrection when they lay my dead body under the ground, will there be the day when they’re among us?

In closing, I hope and pray that I will live the life of reaching for MORE. What are *you* reaching for tonight? What are you reaching for? Most people are reaching for Heaven. Most people are reaching to be Saved. But there’s another group of people who are reaching for what Messiah was reaching for: Obedience. Paul said, “I must lay hold of what Christ lay hold of: Total Surrender”

Tonight you’re here, Brother Ricky. I’ve watched you over the years totally surrendering to your Heavenly Father. I believe with all my heart and my mind that you’re going to be in that first resurrection, sir. I believe you and I will be there, and you’ll be carrying that shofar from out of the grave. HalleluYah. You and I are going to be dancing together saying, “They made fun of us. They mocked us. They said we were a bunch of wheels going back to the Law, but no matter what they said, we said, *If it’s in your Word Lord, we’ll obey every word of it.*” HalleluYah.
