

The Sheaf and the Scepter, Chapter Five

(Pastor Vaughn, May 2025)

The Unfulfilled Feasts Exposing the Lie and Restoring the Shadow

For years the church has taught us
the Feasts have been completed
by the first coming of Christ
and need not be repeated.

They say we are legalistic
when we keep the Holy Days.
They call us enemies of grace
and cultic in our ways.

But what they are blinded to
is Yahweh's divine plan
of types and shadows
for the salvation of all men.

Yahweh designed these Feasts
as a road-map to redemption,
as shadows to a reality
of a holy transformation!

The Feasts are prophetic rehearsals,
they are shadows of the real.
Yahshua was only a part of
the truth He came to reveal.

These Feasts have not been fulfilled.
They have not been done away.
Until then we'll keep rehearsing
and preparing for that glorious Day!
