

THE HEAVENLY SCROLL—The Mazzaroth part 7

PISCES (part 2)

By Pastor Shane Vaughn, First Harvest Ministries

Let's read Ezekiel thirty-seven, and start with verse fifteen, and we'll read it together through verse twenty-three.

Yechetzqyah 37:15-23 The word of Yahweh came to me again, saying:

16 Also, son of man, take one stick and write upon it; For Yahdah and for the children of Israyl associated with him. Then take another stick and write upon it; For Yahseph, the stick of Ephraim, and all the house of Israyl associated with him.

17 Join them together into one stick, so they will become one in your hand.

18 And when the children of your people speak to you, saying; Will you not show us what you *mean* by this?

19 Say to them; This is what Father Yahweh says: Behold, I will take the stick of Yahseph, which *is* in the hand of Ephraim, with the tribes of Israyl associated with him, and will put the with it—with the stick of Yahdah, and make them one stick; and they will be one in My hand.

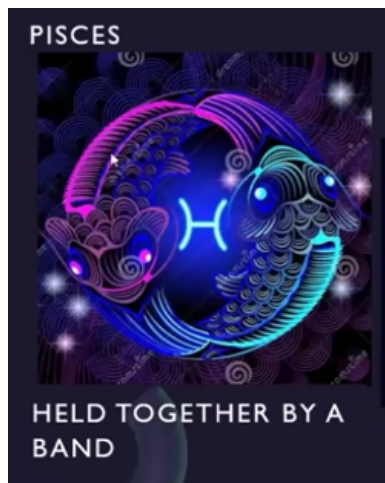

20 When the sticks upon which you wrote are in your hand before their eyes,

21 Then say to them; This is what Father Yahweh says: Behold, I will take the children of Israyl from among the heathen, wherever they have gone, and will gather them on every side, and bring them into their own land;

22 And I will make them one nation in the land upon the mountains of Israyl, and one king will be king over all of them. They will no longer be two nations, nor will they ever be divided into two kingdoms again;

23 Never again will they defile themselves with their gods (elohim), nor with their detestable things, nor with any of their transgressions; but I will save them out of all their dwelling places where they have sinned, and will cleanse them. So they will be My people, and I will be their Father.

Now if you'll look at the picture below, there is the fulfillment of Ezekiel's prophecy: They will no longer be two, but they will become one. Pisces is the prophecy in the stars that these two sticks—these two nations—would no longer be two, but would become one.

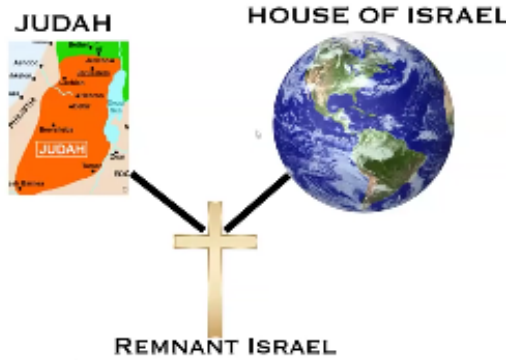

I've got a lot of teaching to do today to help you understand about the word *Gentiles*. I'm going to read you a scripture that the Christian Church loves to use to try to contradict what we're teaching here. We're going to go to that scripture in a minute, and break it down for you. When Paul

talks about Israel, it can get very confusing. When he talks about Israel in his writing, he is actually talking about the House of Judah. I know that's confusing, and let me explain why.

You have two different things. You have the House of Judah and the House of Israel, but then you have the LAND of Israel. So anyone that lives in the land of Israel, in that small area, like they did in the New Testament, is from the House of Judah. The only people that lived in the land of Israel in the New Testament was the House of Judah. So when Paul is referring to *Israel*, he is referring to the inhabitants of the *land* of Israel. The inhabitants of the land of Israel are the House of what? Judah.

Stay with me everybody, because I really want you to grasp this. It's going to get very confusing when you go into Paul's writings if you don't have this

basic knowledge, this basic understanding. I want to pull something up for you as a refresher in all of your minds. Keep this in mind as we study. Don't forget this; it is vital to your biblical understanding. Without this basic truth, you will always be confused.

Look at it one more time. We are so thankful to Brother Anikewich for this rendering. Do you see that little land of Israel? Judah is the only tribe living in that land in the New Testament time when Paul is writing his letters.

Remnant Israel is not the same as the House of Israel, or the House of Judah. Remember the words *Remnant Israel*. That includes you and me, but the only people who will be in Remnant Israel, are those who are in one of these two houses. Those are the only people who will make up Remnant Israel. Don't ever forget that, for that is vital to your biblical understanding.

Now that you understand that the House of Judah was living in the land of Israel, just like today, what do we call those people that live in Israel? We think of that as Israel, but really that is just the land of Israel. Let's just take for example that I live in Mississippi but everybody in Mississippi, the original Mississippians, were driven out of Mississippi and we were forced—God forbid—to go live in California. While we're gone to California, the other side of the family—the Hatfields and the McCoys—that we were in a war against, moved into Mississippi. Now people refer to them as Mississippians when we are the Mississippians.

We're not in our land. Whoever is living in the land of Mississippi are called Mississippians, but the true Mississippians are not living in the land. I hope that is making sense for you. You have to understand who Paul is

referring to in his letters. He is referring to the House of Judah that was living in Israel at that time. He refers to the Jewish people—the House of Judah—as Israel, but the House of Israel does not live in Israel any longer, when Paul is writing his letters. Where does the House of Israel live when Paul is writing his letters? *Throughout the world*. Amen. They have been dispersed among the nations of the world. Put this in your notes: **The House of Israel was not in the land of Israel during New Testament times. And guess what? They're not there today either.** They are still scattered throughout the nations of the world.

Remember that they were brought into captivity through Assyria, modern day Iraq. They traveled across the Caucasus Mountains, then to the Islands of the Sea, and then to America. They've been dispersed to all the nations of the world. However, the House of Israel—the True Israel—is now referred to with what word? *Gentile*. There you go. So now the true Israelites are called Gentiles. Why? Because if you move into the land of Mississippi, you become a Mississippian, do you not? When Israel moves into the land of pagan Gentiles, they acclimate and become known forever as Gentiles. It gets a little confusing, but that's because of the false teachings of Christianity.

The reason it takes me so long to teach, is because it takes me thirty minutes to simply unteach you what you've been taught before I can teach you the truth. The longest part of my sermons is the unteaching, not the teaching; that part is easy. It's getting you to understand that what you've been taught is not true. Understanding the New Testament is impossible to do without understanding the prophets in the Old Testament, and the Torah. The problem with most Christians today is they don't even know the word Torah or what it means, and they never read the prophets of the Old Testament. Without those two, you will butcher the New Testament.

Remember this: Paul was an expert in those two things—Torah, and the Prophets. Don't ever forget that Paul was a lawyer. He came from Gamaliel's feet. He was an eloquent speaker. This is why Yahshua chose Paul to preach even what the apostles did not understand. Because of his

ability to teach the Torah and the Prophets in a more wonderful way, he was called as a lawyer to take the Torah and the Prophets and to explain it, even to the apostles. Remember, the apostles did not believe what Paul was teaching. Originally there were accusations against Paul, that he was bringing Gentiles from the pagan world, and telling them that they could have the covenant blessings of Abraham.

They knew that wasn't right. They knew that only the House of Judah and the House of Israel was being dealt with in this hour, so they called Paul on the carpet, if you will. After Paul got through with his articulation, he explained to the apostles what even they did not comprehend from the Torah and from the Prophets. You need to be careful listening to preachers that teach you the New Testament, but they cannot teach you the Torah or the Prophets.

When Paul is describing the Jewish people, or the House of Judah, he says, *until such a time as the number of the Gentiles come in*. Paul calls the House of Israel Gentiles, while he calls the House of Judah, Israel. The word Gentile simply means *non-Jewish*. That's what it means if you look it up in the dictionary. Gentile means a person who is not Jewish. Yahweh only recognizes ONE nation right now. Only one nation has Yahweh's attention. One! It is the nation of Israel; the Lost Sheep of Israel. Any other nation mentioned in the Bible was only their connection, or their dealings with Israel.

Until Yahshua returns, He has no other interest except the Lost Sheep of the House of Israel. If you don't get that, you will not be able to get the message we preach. Until Yahshua returns, this is His only focus. That's why when you hear someone preaching about a worldwide revival, I give you permission to laugh at such a statement. There is no worldwide revival going to happen, ever! Not until the Evangelist shows up to preach that worldwide revival. His name is YAHSHUA THE MESSIAH.

Until He returns, He's not interested in the WORLD. That is something you will have to get out of your Christian mind: that God is trying to save the

whole world right now. He is NOT, because He has a plan for them. It's spelled out in the Holy Days. As we keep the Holy Days, we know the Plan.

Now we're going to go to the book of Hosea chapter one, and we're going to pick up at verse number ten. Before we read it, remember this and put it in your notes: **There is a difference between Pagan Gentiles, and Gentiles.** Remember that. I'll explain more. A pagan Gentile is not of the bloodline of Abraham, Isaac, and Jacob. If you are of the bloodline of Abraham, Isaac, and Jacob, you may be KNOWN as a Gentile, but you are not a pagan Gentile. There are those who are called Gentiles but they are *not* Gentiles. Guess who that would be. YOU.

If you go to your church tomorrow, those of you who still go on Sunday, here is what you're going to hear: *This is the Age of the Gentiles. God is calling all the Gentiles to salvation, and that we are in that time right now.* They teach that He is reaching for them, and this is their day of salvation.

This is not the Age of the Gentiles. This is the Age of the So-called Gentiles. It's just like Biden. He thinks he is a president, but he is not. He is a so-called president because he is not a legitimate president. You have two groups of Gentiles: the so-called Gentiles and the real Gentiles. You have the pagan Gentiles, and you have the so-called Gentiles. There are two different groups of Gentiles in the world today. We are going to read about that in Hosea today.

Hosheya 1:10-11 Yet the number of the children of Israyl will be as the sand of the sea, which cannot be measured or numbered. But in the place where it was said to them, You are not My people—there it will be said to them;

KJV Yet the number of the children of Israel shall be as the sand of the sea, which cannot be measured nor numbered; and it shall come to pass, that in the place where it was said unto them, Ye are not my people,

Hold on. It will come to pass *in the place*. What place? The PAGAN Gentile land. The sons of Israel are going to be like the sands of the sea. We know that's not talking about the Jewish people because the Jewish people are not like the sands of the sea. You could probably count every one of them in existence today. The tribe of Judah is a small group of people. If you go to New York, there's just a handful of them. That does not fulfill this prophecy. This is talking about the so-called Gentiles: the sons of Jacob. They'll be all over the world like the sands of the sea, to where they cannot be numbered or measured because there are so many of us. *In the place* means the place where they're going to be living. Read.

You are the sons of the living Father.

there it shall be said unto them, Ye are the sons of the living God.

Continue reading.

11 Then the children of Yahdah and the children of Israyl will be gathered together, and appoint for themselves one head, and will come up out of the land for great will be the day of Yezreel!

Listen to me carefully. You've read your Bible all your life. When you read that verse: *then the sons of Judah and the sons of Israel will be gathered together*, did you have any idea of the difference between those two? Most people would say, "What do you mean by the sons of Judah and the sons of Israel? They are all Jews." But no, they are not. This is a prophecy of a coming day where these people went into foreign lands and they were told, "You are Gentiles. You're not My people." In other words, they were convinced that they were Gentile, that they were not the people of Yahweh.

They were convinced that they were black, or white, or Chinese, or that they were whatever. They were CONVINCED that they were not Israel—not MY PEOPLE. There is only one group on the earth that's *My People*, and that group is called ISRAEL. You are not a Christian. He said that they would be

convinced they were Christians. Christians are not *My People*. They're Rome's people. Christianity is the Pope's people. He said you're going to be driven into the lands convinced that you are not Israel. *No, brother. You're not Israel. You're a Gentile saved by grace.*

They're going to convince you of that. But He said, "There's going to come a day when you no longer will believe that! No longer will you just listen to them, because something inside of you is going to tell you that it's not true." And then He's going to send a message to you, and it will wake up that seed of Israel that you were born with in your bloodline. All of a sudden, you are going to discard your Christianity. You're going to discard your black identity, your white identity—and you are going to discard it all and you're going to become an Israelite! HalleluYah! Read that prophecy again. I want everyone to memorize this prophecy!

Hosheyah 1:10-11 Yet the number of the children of Israyl will be as the sand of the sea, which cannot be measured or numbered. But in the place where it was said to them, *You are not My people*—*there it will be said to them; You are the sons of the living Father.*

11 Then the children of Yahdah and the children of Israyl will be gathered together, and appoint for themselves one head, and will come up out of the land for great will be the day of Yezreel!

Does it say anything about the Gentiles being gathered together? No!

The day is coming when I am going to find those two houses and bring them through Yahshua, and make One New Man out of them. That One New Man is called Remnant Israel.

It's important that you get this because when Paul starts writing about this, he literally quotes Hosea chapter one word for word when he writes about Remnant Israel. When Paul writes about Remnant Israel, he is talking about those Israelites that are scattered across the Gentile nations that have

lost their identity. You know; the ones that Yahshua said He came for in Matthew 15:24 and 10:5-6.

Mattithyah 15:24 But He answered, and I said: I was not sent, except to the lost sheep of the house of Israyl.

Mattithyah 10:5-6 These twelve Yahshua sent out and commanded them, saying: Do not go into the way of the Gentiles, and into the cities of the Samaritans, do not enter;

6 But go rather to the lost sheep of the house of Israyl.

He told them: DO NOT go to the real Gentiles, because they are pagan. *The way of the Gentiles* is a euphemism for paganism. He told them not to go to the pagans because this is not their day, and He told them not to go to Samaria. Do you know why He told them not to go to Samaria? That was the House of Judah that was living in Samaria. Many of them had broken away and were living there. He said, “I want you to go and find the so-called Gentiles, but don’t go in the Way of the Gentiles.”

I have to tell you something that I have been wrong about all my Christian life, and I didn’t realize it until a few days ago as I was studying for this lesson. I always thought that the Jews rejected Messiah. But ladies and gentlemen, they have not rejected Messiah any more than the house of Israel has. In fact, Remnant Israel came out of the house of Judah. Who do you think the first disciples of this message were? The House of Judah.

It was not Judah that rejected Christ. The HOUSE of Judah did, but not Remnant Israel. Listen to me as I teach you something. Remnant Israel was in the house of Judah and they heard the message. Anytime Remnant Israel hears the message, they come. They can’t help it. They are predestined for this message. When they hear it, they come OUT. When they hear it, they KNOW it. When they hear it, they FOLLOW IT! HalleluYah! The Jews did not reject Christ, the House of Judah did. Remnant Israel accepted Christ,

even among the Jewish people. That's why we need to understand that Remnant Israel will always come out of either Judah or Israel.

Next we're going to read Matthew fifteen. We're going to start at verse twenty-one. I want to show you something. Yahshua makes it clear that **He came the first time as Messiah ben Joseph**. Write that in your notes. *Ben* is the Hebrew word for *son*. Messiah son of Joseph. Messiah ben Joseph is the First Coming of Christ. It is not Messiah ben Judah. He came the first time for the Scepter Blessing: the right to rule. This means He is the Messiah to the Lost Sheep of the House of Israel. When He comes the second time, He will come for the WHOLE WORLD. You need to really understand that.

He returns as Messiah ben David, which is the same as Judah. It is a euphemism. But remember the first time: ben Joseph, son of Joseph. The next time He comes as son of David for the House of Judah. Why did He come as Messiah ben Joseph the first time? Because what tribes come out of Joseph? Ephriam and Manasseh. Oh my, my. Are you picking up what I'm putting down?

The First Coming was only for Ephriam and Manasseh, the Lost Tribes of Israel. The next time is for the House of Judah, which will be the Jewish people. That's why when I see people trying to evangelize the Jewish people, I wonder what they're doing.

The only ones that will ever come out of the Jewish people is the Remnant Israel. You're never going to win the House of Judah to Messiah. Only Remnant Israel will come out of the Jewish people. Like Sister Debra Boggs. She's a member of the tribe of Judah, but yet she is with us today. Why? Because she is Remnant Israel. We have to understand that. Okay, let's read Matthew 15:21-26.

Mattithyah 15:21-26 Then Yahshua left here, and went into the region of Tyre and Sidon.

22 And behold, a woman of Canaan came out from that region and cried out to Him,

Hold on. Who is this woman from Canaan? She is a pagan Gentile. She is not from the house of Judah, she is not from the house of Israel. She is a pagan who lived in the area. She is not a lost sheep. Keep reading.

saying; Have mercy on me O Ruler, Son of David! My daughter is suffering terribly from demon possession!

23 But He did not speak a word to her. Then His disciples came to Him, and said; Send her away, for she is crying out behind us.

24 But He answered, and said: I was not sent except to the lost sheep of the house of Israel.

25 Then she came and worshiped Him, saying; Ruler, help me!

26 But He answered, and said: It is not right to take the children's bread, and cast *it* to the dogs.

My, my, my. He's not interested in the world, and there's your proof. How many of you read that scripture your entire life and thought, "What? Why would Yahshua call her a dog? Why would Yahshua not be willing to cast demons?" That's why I'm not into the whole casting demons out thing. Unless you are an Israelite, you can't be free from demons. Only Israelites walk free from demons. You can't cast demons out of a Canaanite. You can't cast demons out of a Gentile. That's exactly where they're supposed to be dwelling.

The only reason Israelites walk free from demons is because we are walking in a covenant of obedience. The children's bread is why I don't have prayer lines for sick people. That's why I don't believe that everybody I pray for is going to get healed. That's why the Bible said to lay hands on no one

suddenly. Make sure who they are first. Discern if that seed is in them! They call these prayer lines where nobody gets healed, and it makes God look like a liar. It looks bad on God, Yahweh—our Heavenly Father. The Bible says when talking to Israel, “If there are any sick among you, call on the elders of the church that the prayer of faith might save the sick,” because only Israel has a covenant for healing.

People think I’m crazy for saying the exact words that Yahshua just said. People act like I wrote this Book. I’m just reading it and agreeing with it. All these Commandment breakers, these pagans, go to a Benny Hinn meeting and they *feel it*. Let me tell you something. When the rain falls, it falls on the covenant keepers and the covenant breakers.

Do you understand? The Bible said that the rain of the Spirit falls on whoever is in the room. So, yes, you will feel the little whoo. But the problem is this: when you have 35,000 people in an auditorium and only five get healed, if those are even real healings, then it turns the Word of Yahweh into a lie because He promised healing to His children. Ladies and gentlemen, you must understand that the Church has made a mockery out of the Word of Yahweh. Go ahead Sister Caly; your hand is up.

Good morning Pastor. We have a lot of people who belong to the Lost Tribes of Israel, including our brothers and sisters. Is it possible that someone who is Remnant Israel can reject the message and not follow it?

No, ma’am. The word is predestination. Sister Sandra, go ahead.

Would it be accurate to say then, that the indwelling of the Holy Spirit is only given to Israel?

That’s right. If you have it, that’s the proof of who you are. That is the seal, that is the sign. I’ll talk more about that as we go through the next few scriptures. By the way, before I move ahead any further, let me say this: I am going to tell you something today that I’ve been wrong about all my life.

Last night the Holy Ghost gave me the revelation of it and I'm going to correct it for all of you. Go ahead, Sister Strang.

Where we just ended was about not taking the children's bread and casting it to dogs. She's a pagan Gentile. When you go down to verse twenty-seven and twenty-eight, that's a contradiction, so I'm confused there because her daughter was healed because of her faith.

Yes. That's called grace and mercy. She did not deserve it. It's not in the covenant for her. It's not hers, and she has no right to even ask for it. But because our High Priest is touched by the feeling of our infirmities, He granted her mercy that she did not deserve as a covenant Israelite would. That's how loving He is. That's how kind He is. In His grace and His mercy, He gave to her at that moment, what she didn't deserve. He did it as a lesson for all the Israelites to see the kind of faith that pleases Him. Amen.

Let's go now and talk about the Apostle Paul's dilemma. He was commissioned to take the Gospel to the pagan Gentile NATIONS, not the pagan Gentiles, in order to call out of those nations, the House of Israel that was lost among them. But there was a problem. Paul understood things the apostles did not understand, so he had a lot of explaining to do.

Why do you think that Paul wrote so many letters and the Apostle Peter said that they were hard to understand? Because this concept of Remnant Israel was brand new to the apostles, but it should not have been. If you remember, in the Old Testament it said that only a remnant of Israel would be saved. But they didn't grasp the remnant part. They knew that one day, they would all be saved, but right now was for the remnant. That's why Paul wrote so many letters trying to explain to the Jewish people about Remnant Israel.

They were called lost sheep, but Paul needed a way to identify them. How would Paul identify these lost sheeps once he gets among the Gentile nations? It's about to get really good. What would he see? What would be the sign of who these people are? We know from Deut 32:26 that up here in

their brain, they have completely forgotten who they are, but only in the brain. Read.

Deuteronomy 32:26 I said that I would scatter them, and make them, and make their remembrance cease from among men,

He is saying, *I'm going to cause the memories of who they are to cease. They will be forgotten. They will not even know who they are.* So now Paul has a job to go out and find the lost tribes who don't even know they are lost. They don't even know who they are. Paul has a job that is elephantine in its scope. He's got to go into the pagan Gentile nations to go find the so-called Gentiles. Read in Jeremiah 16:21, what Yahweh promises to do through the ministry of Paul.

Yeremyah 16:21 Therefore behold, I will make them to know—this time I will teach them My power and might; and they will know that My Name is Yahweh!

Listen. *Here's how you can know that they are MINE. Because Paul, when I start the Age of the Gentiles, and you go among them, and you say My Name: Yahweh, I'm going to awaken the seed that they were born with by the mentioning of that Name! They will know immediately who they are when you say the Name! I will cause them to know the Name Yahweh.*

Christians won't know that name. Christians will prefer Jesus, but Israel when they hear the Name, something inside of them—their bloodline—will rise up and say, "WHAT did you say?!" Something will rise up in them and say, "What was that name? Something moved inside of me and I don't quite know what that was, but there was something. What did you say?!!!"

PAUL, I'M GOING TO CAUSE THEM TO KNOW MY NAME! Not My Son's Name.

Oh no! He didn't promise to make them know His Son's Name. All of Christianity knows *that* Name. He said, "They're going to know My Name;

the Name Yahweh.” If you are born an Italian, you may have grown up in a Mexican home, but let somebody bring you a plate of spaghetti and you’ll know you’re Italian. HalleluYah! You can take a Mexican baby, a Latino baby and raise him in an English house, but bring him a burrito and he’ll know something isn’t right because he wants the burrito. HalleluYah to Yahweh! Why? It’s in the bloodline! You were born with it. It’s in your BLOODLINE. It is in your DNA!

There is something in the House of Israel that Yahweh has placed there for them to know when they hear the Truth. When they hear the Truth, they’ll let you know who they are by responding to it! I’m about to lose my mind here! Whoooo! HalleluYah! HALLELUYAH! They’ll hear it and they’ll KNOW! They’ll say, “That’s who I am!” Glory, Glory, GLORY!

Intercessors Arise just made a wonderful statement. She said it was like Moses. He was raised in the house of Pharaoh. He didn’t know who he was. He didn’t know he was Israel. But one day, that seed couldn’t be kept down any longer. HalleluYah! Go ahead, Sister Elizabeth Brody.

I was talking to my sister about what you’ve been teaching us. Of course, she disagrees with everything. But she did not know the name Yahweh, and we come from a Jewish home.

Does she know Adonai ? Yes. That’s a sad story among the Jewish people of how they robbed Yahweh of His Name, and replaced it with Adonai. What a breaking of the Commandments that they try so hard to keep. How sad that they don’t know their Father’s Name. We’ve always been a Fatherless Church, but that day is changing. Sister Sandra, go ahead.

And no other voice will they follow. C’mon! C’mon! I was kept most of my life from the voice. Now I have found the voice. HalleluYah! HalleluYah! Another voice they will not follow. Oh yes! Brother Enrique Arteaga.

I am a missionary from Ecuador. This is the first time I am here. In I Peter 1:1-2 there were people spread around to different places. Could you read it please? I will read it for you.

I Kepha 1:1-2 Kepha, an apostle of Yahshua Messiah, to the sojourners scattered throughout Pontus, Galatia, Cappadocia, Asia, and Bithynia,

See the word *scattered*? That's the word we're looking for. They are strangers to the covenant; strangers to the promise, because they have rejected the covenant throughout Pontus, Galatia, Cappadocia, Asia, and Bithynia. They are the ELECT.

2 Elect according to the foreknowledge of Yahweh the Father, through sanctification of the Spirit, to obedience and sprinkling of the blood of Yahshua Messiah: Love and peace be multiplied to you.

Who is the elect? The Scattered Strangers according to the foreknowledge of Yahweh the Father. In other words, He knows every one of them by name, their hairs that are numbered on their head. He knows where they are scattered. They are going to be sanctified by the Spirit. They're going to come to obedience and the sprinkling of the blood of Yahshua. It's a prophecy of the scattered tribes. That is a wonderful scripture. I'm glad I'm one of them. I'm glad I've been sanctified. I'm glad I've come through the Cross. I'm glad I've been called for this moment! Brother Anikewich, go right ahead.

When my Lord speaks through the Torah, He says, "Israel!" We identify because we hear His voice! Yahshua said, "When My sheep hear My voice...when my sheep hear My voice: Remnant Israel."

HalleluYah! That's what they heard when Paul went among them. They heard *the voice*. That's how he knew who they were: they responded to the voice. **MY SHEEP WILL HEAR MY VOICE!**

I'd like to say one last thing. When Solomon built that temple, he said He would put His Name there for Israel—YAHWEH.

Yes. Glory, Glory, GLORY! HalleluYah! Sister Jan Meadows.

I was just thinking that Yahweh right now is a tuning fork for the people who have ears to hear; aligning with the frequency of the seed to come into all of the world. That tuning fork where people line up.

That vibration is what gives LIFE to the seed. I've always said, and my Mother in the Lord, Ruth Heflin, told me and wrote in her books, "You can always hear in the voice of a man or woman that the anointing is on the voice. It is the Voice of the Word that brings forth the seed. Not the Word, but the VOICE of the Word. That's why the Bible said, "How can they hear without the voice?" So the voice is what gives life to the SEED. Amen. That tuning fork. HalleluYah!

I need to get back to the lesson, but I will take a few more hands real quick. Sister Sandra.

Concerning the remnant of Judah that comes out of Judah, the ones who were Judah and refused were those who had adopted the Babylonian religion. Is that correct? Correct. So the ones who actually heard it became the remnant? Exactly right. They became Remnant Israel. Sister Jill.

You were talking about the vibration of the voice. That's why it's the voice of one crying in the wilderness. Exactly. It's all about the voice. As you lift up that voice, you're lifting up the shofar. We have a shofar in our voice. That's why when you come to church, you are to lift your voices and shout. I don't know how we got a quiet church; where that came from. It didn't come from the Bible. The Bible says to lift your voices like trumpets.

Let's go to Isaiah 54:5-8. To me, this is one of the most beautiful scriptures concerning me and you.

Isaiah 54:5-8 For your Maker is your Husband; Yahweh of hosts is His Name; and your Redeemer is the Holy One of Israhel; He will be called the Father of the whole earth.

6 For Yahweh has called you, like a woman forsaken and grieved in spirit; like a wife of youth when you were refused: says Yahweh.

7 For a small moment I have forsaken you, but with great mercies I will gather you.

8 With a little wrath, I hid My face from you for a moment; but with everlasting kindness I will have mercy on you: says Yahweh your Redeemer.

That's the day we're living in. He's gathering us back. He hid His Face from us, but when the Apostle Paul went to the Gentile nations, that is when this prophecy started to be fulfilled. *I will gather you back unto Me with great compassion. You don't deserve it because you had forsaken the Commandments, just like that Canaan woman didn't deserve it. But I am going to have compassion for you.*

Now I want to tell you something that I've been wrong about, even these last eight years as I've been walking in this Way. There is a scripture that I have misunderstood and mispreached before today. We're going to correct it together right now. There is a scripture that I want to show you: Jeremiah 31:33. Then we will go to Romans 2:12. I'm going to show you today how to know that you're an Israelite from birth, by the seed of Abraham, Isaac, and Jacob. We're going to close today with some of the scriptures where people think that Paul is saying the opposite of what I'm teaching you. Let's turn to Jeremiah.

Yeremyah 31:33 For this covenant is the same covenant that I will renew with the house of Israhel: After those days, says Yahweh: I

will put My Law in their inward parts, and write it in their hearts; minds, and I will be their Father, and they will be My people.

So where was I wrong about this scripture, because I always preached and believed that this was a prophecy about the infilling of the Holy Ghost? I always believed like most people do, that this was a prophecy of when people received the Holy Ghost that He would write the Law on their hearts. Brothers and sisters, I was wrong. He did not say, "I will make this covenant with those who receive the Holy Ghost." He said, *I'm going to make this covenant with the whole house of Israel. I'm going to put something within them; in their very mind from their birth.*

I'm making a covenant with the house of Israel. From the moment they are born, they are going to be different. From the moment they are born there is going to be something written in their hearts that is not written in anybody else's heart in the world. I'm going to put something in them that is going to drive them to find the voice. I am going to place My Law deep within them. They won't even know how to articulate it, or what it is. I'm going to put My Name inside of them as a seed in a flowerbed.

I'm making a covenant that after those days... What days? Days five and six. I'm going to put a seed within them, and as soon as the voice pours the water on the seed, because it's already in them; because they've been different since the day they were born.

Yahweh didn't write this in you when you received the Holy Spirit. He wrote this IN you when you were BORN! He made a covenant with you that has made you different all your life. You weren't perfect, and you may have been acting like a Gentile. You may have been out there with the pigs, but somewhere you still loved the Lord. You didn't even know why you loved Him. You didn't even know why you loved Him, but somewhere deep, deep inside you longed for Him. That's why you found Him in drugs. That's why you found Him in sex. You were looking for this your entire life!

He made a covenant with you from your birth. He made a covenant with Abraham. You didn't know who you were but you knew you were not them! You knew that you were not part of this world, but you didn't know what you were part of! You were always left out of the cliques. You were always left out of the religious structure. You were always left out of being accepted. That's because somewhere deep inside of you, a covenant was written on your heart: *You are My people and no matter what you do, or wherever you go, I will FIND you and I will send My messenger to reveal WHO you are. When you hear it, that seed will come alive in you because it's a covenant I've made with the whole House of Israel.*

I want you to hear me today. There was a covenant given to you. Now I'm getting ready to prove it to you from the New Testament, from Paul's writings. Let's go to the book of Romans, chapter two. verse twelve. I'm going to show you that Paul talks about a group of people that are doing the Law of Yahweh without even knowing the Law of Yahweh. I'm going to show it to you right in the Word. He said that right now there is a people that didn't even know the Law, but it was written in their conscience. Let's read about it.

Romans 2:12 For as many as have sinned without the Law, will also perish without the Law, and as many as have sinned in the Law, will be judged by the Law.

13 For not the hearers of the Law *are* the righteous in the sight of Yahweh, but the doers of the Law are the righteous.

14 Indeed, when the Gentiles who do not have the Law,

Hold on. *For when the Gentiles* is referring to the lost sheep AMONG the Gentiles. He said, "There are a group of Gentiles that do not know the Law like the Jews did. Now read what it says.

do by nature things *required* by the Law,

By their very nature; by their BIRTH, by their conscience and disposition, they are DOING the Law of Yahweh by their very birth. They are hidden among the Gentiles. Keep reading.

they are a law for themselves, even though they do not have the Law;

15 Since they show that the requirements of the Law are written in their hearts, their conscience also bears witness, and their thoughts now accuse or else *try to defend them*—

There's a group of Gentiles where the Law is already in their conscience. That's why when they hear the truth, they have no problem accepting the Law. It was already written in their conscience! My God from Zion, do you not see it?! He said that nobody taught them the Law, but the minute somebody did, they said, "Oh yeah! That's what I believe, right there! That's it. I already believed it; I just didn't know what I believed." Christianity can never accept the Law! It's not written in their conscience. It is only written in the conscience of The House of Israel who were scattered among the Gentiles. That's why they love Sabbath, because Sabbath was written in their conscience before they were born!

I don't know how anybody can hear this and even contain themselves. There are a group of Gentiles that have a law unto themselves, meaning they are unique! These people have never been taught the Law, but all their life they have longed for the Law. There was something in there that was longing for holiness while they were living in sin! It was so deep in them, that when somebody told them the truth, they KNEW it, they STOOD on it, they BELIEVED it because Yahweh had already put it in their conscience.

HalleluYah to Yahweh! Oh, HalleluYah! Listen to me, everybody. This is not talking about all Gentiles. All Gentiles don't keep the Law of Yahweh. They don't love the Law of Yahweh. But He said, "There is a group of people among the Gentiles that have never been taught the Law, but yet they LOVE the Law. The minute they hear it, they love it because I already put it inside

of them.” That’s why you need to quit getting discouraged when Christians won’t follow the Sabbath. It’s not in them. Don’t you understand? They will come up with every excuse in the world not to keep it. It’s not in their conscience. They were not born to be Sabbath keepers. What a lesson from Yahweh’s Holy Word! Go on, Brother Aguon.

Hello brother. I wanted to say that the message on Jeremiah 31:33 brings a whole new level of why the push of abortion.

There you go! You said a mouthful. That’s why in the days of Herod, Satan tried to kill the seed. He did it in the days of Yahshua, and in our day because it was predestined that there is an elect seed inside that is going to keep the Commandments of Yahweh and serve as a witness at Satan’s trial. That great cloud of witnesses is in some mama’s belly right now; that great cloud of Commandment keepers. Somebody needs to raise some Commandment keepers, some Sabbath keepers. Nick Willerd.

I just have a confirmation on this last bit. One night I was sitting next to my son and the Lord spoke to me and said, “What I have placed in you, I have also given to him. He will hear My voice.”

Whooo! Claim your children! If you are Remnant Israel, your children are sanctified by you. What does that mean? It doesn’t mean they are automatically Remnant Israel just because they are of the House of Israel. But the Bible said that because they are your child, they are set apart to hear the message that the rest of the world won’t hear. So brother, you are exactly right. Your child is the heritage of Yahweh. Fight for him! HalleluYah!

Sister Franceen just said in the chat that her siblings should be Remnant Israel also. Let me straighten something out. Your siblings are Natural Israel, but that doesn’t mean they are Remnant Israel. Keep this in mind, everybody: Remnant Israel is a PREDESTINED CALL by Yahweh. He chooses Remnant Israel out of Natural Israel. So if you’re in Remnant Israel, that doesn’t make your family Remnant Israel. That makes them

Natural Israel. The Remnant is only a small amount that comes out of Natural Israel and Judah. So if you've been called to be Remnant Israel, that means all your siblings are Natural Israel, but that doesn't make them Remnant. That is a calling by Yahweh by the Election of Grace.

There is one scripture that Paul wrote that seems to contradict everything I taught you today. You need to be prepared for when someone shows you that scripture, how to understand it. Sister Shaina Ellis.

If the Holy Spirit is supposed to lead us and guide us into all truth, there are a lot of people I know of who claim the Holy Spirit because they operate in the gifts. Do the gifts equate to having the Holy Spirit or are they separate?

That's why I call Initial Evidence the most dangerous doctrine in the world today. It is so deceptive and it's the same thing with Gifts of the Spirit. There are very few Gifts of the Spirit that I truly believe are Gifts of the Spirit. There is a lot of learned behavior. The only thing I trust is the FRUIT of the Spirit. It's the only thing that Satan can't imitate: loving kindness, gentleness, patience, long suffering.

Those things are the genuine PROOF of the Holy Spirit. If it's a gift of healing, Satan can heal. If it's a gift of prophecy, Satan can prophesy. Immature believers are very infatuated with gifts. They are infatuated with miracles, signs, and wonders. But as you mature you become infatuated with Truth. That's the difference in a mature child of Yahweh.

Don't you receive the Holy Ghost at baptism?

It depends whether it falls on good ground or bad ground. The Holy Spirit is the seed, and it is sown. It comes at baptism, but that doesn't mean that you receive it. Let's put it to you this way: I'm a gardener. In my front yard I planted wildflower seeds about two months ago. Those wildflowers have sprouted up to be as high as trees. I've never seen anything like it. These wildflowers are six feet tall and they're blooming beautifully in my front

yard. I took the exact same seed and planted it in my backyard in the exact same way. I can't get anything to grow. Nothing! Exact same seed. It doesn't have the right faith to receive it, or the true repentance—no more Commandment breaking—to receive it from the Holy Spirit.

So here's what the Bible says: Some seed falls on stony ground, some falls on thorny ground; but once in a while it will fall on good ground. Do you know what good ground is? Remnant Israel. When a true Israelite comes up from the water, truly Remnant Israel with that conscience already in there that Yahweh has put in there from birth, it will connect with that seed and grow to be Remnant Israel.

Just like John the Baptist, they had it from birth. I believe that Jeremiah the prophet had the Holy Spirit from birth. I believe in the predestined seed of Yahweh. Let me tell you why I believe that. What is one of the gifts of the Spirit? It is the gift of faith, correct? And yet, you cannot receive Christ without faith. So how do you even receive Christ without the Holy Spirit?

We see in the Old Testament, people who kept the Law without being taught it.

There you go! You just nailed it! What did David say? David said, "When I was in my mother's womb You formed me, and you placed this within me." He goes on and says, "Don't take Your Holy Spirit from me." The Holy Spirit had not even been poured out yet. There is a group of people who received the Holy Spirit at birth. Why do you think Yahshua was astounding people in the temple at twelve years old? He was born with something that set Him apart.

I don't know about you, but I can say for me, that has been my story from childhood. There was an innate love for God. I'm not saying perfection or that I lived for God. I'm saying it always came back to that core. It was in there. I don't know where it came from. My mother doesn't have it. I can go down the list. But I had it. Who put it in there? I believe the elect seed of Yahweh was there from the very beginning. Amen. Praise Yahweh!

There is no one that can sit in this class for three hours every Sabbath if you're not Remnant Israel. Christians desire church. They desire music. That's wonderful, but they don't desire TRUTH, not in their inward parts. For you to sit under this teaching for this many hours, is the evidence of who everyone is. Sister Strang, go ahead.

I want to ask about fighting for your children, and if they are set apart to hear this message.

They are. It's very simple. The Bible says that the believing parent sanctifies the child. We always thought that meant the parents saved the child. That's not what it means. It means that of all the children who live on your street, of all the children who go to their school, your child is set apart. The word sanctified means *set apart*. They are set apart because they are your child; they are born of Natural Israel. Now your job when we say to fight for them, is this: Pray to your Father in Heaven everyday to call your children to be part of Remnant Israel.

The Bible said to pray for all men. Your job is to pray for your children, and petition your Father that they will be called and chosen for Remnant Israel. I want to tell you what will begin to happen. As you pray for them, it will not be today or tomorrow, but before you leave this world you're going to see them begin to ask you questions. You're going to see them begin to get irritated at your lifestyle, because the Holy Spirit is already starting to deal with them. If people aren't irritated, it's not bothering them.

It's bothering them, and you see that in their irritation as you show them the Fruits of the Spirit, as you love them though they're living like a Gentile. Don't push them. You don't have to do Yahweh's job. You don't have to get in their face and tell them they're pagans for keeping Christmas. You don't have to go into their house and knock their Christmas trees down. You love them and PRAY for them, and let Yahweh do His job. I give you my word that He answers prayer. That's a fact. Sister Vicky Baker.

I have the simplest question ever. Who in the world was the Bible written for then? Was it just for the elect or was it written for everybody?

Your Bible tells you who it was written for: *He that hath an ear; only let him hear what the Spirit is saying to the Church—Remnant Israel.* The Bible is written to Remnant Israel. The only people who will ever hear it are those who are born with those seed ears. You were born with that seed ear to hear. That's the only people it was written for. That's why you can't force the Bible on anybody! You just can't do it. If they have those seed ears, they will hear it and run to it. Everybody else will have to wait for the Millennial Reign. HalleluYah! Amen.

Let's get ready to read Romans 9:6-13 and let Paul take apart everything I just taught you.

Romans 9:6-13 However, it is not as though Yahweh's plan had failed. For it is not everyone who is a descendant of Israyl who belongs to Israyl.

Now hold on. This is what they like to tell me: *Paul just said that Remnant Israel is not just those who have descended from Israel, like you're teaching.* I'll take care of it in just a minute. Go right ahead.

7 Nor, just because they are his descendants, are they all Abraham's children; but: In Isaac will your seed be called.

See, Brother Vaughn? You're telling us that only the seed of Abraham is Remnant Israel, but Paul said that it is not just the children of Abraham who make up the remnant. Okay, I'll take care of you in a minute. Read.

8 That is, it is not those who are the children of the flesh who are Yahweh's children;

See, Brother Vaughn? See? It's not the physical, fleshly children of Abraham that make up the remnant. It's all of the Gentiles that have been grafted in. I'm going to take care of you in a minute. Read.

but it is the children of the promise who are regarded as Abraham's seed.

See, Brother Vaughn? Only those that come to Christ from the Gentile nations are the seed of Abraham. Do you see how the Christian Church thinks? They get it all from Paul's writings, but I'm getting ready to straighten it all out for you. Read.

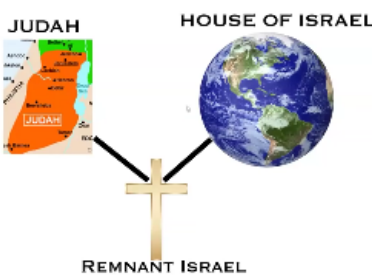

9 For this is what the word of the promise said: At this time I will come, and Sarah will have a son.

10 And not only that, but Rebekah's children were conceived by one man, our father Isaac.

11 Yet, before the twins were born, or had done anything righteous or evil, in order that the purpose of Yahweh according to election might stand—not by works, but by Him Who calls—

12 It was said to her; The older will serve the younger.

13 As it is written: Yaaqob I have loved, but Esau I have hated.

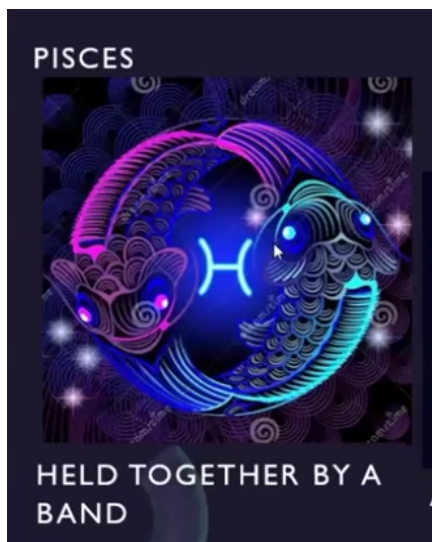

Brother Vaughn, I'm sorry, but your doctrine won't work because Paul said that it is not the natural descendants like you're teaching. That picture is what Brother Vaughn is teaching. That's not what Paul said. Paul said it had nothing to do with those natural descendants. He said it was those that believed that received the promise. They are now Abraham's seed.

That's NOT what Paul said, and as a matter of fact, Paul is teaching in this verse exactly what I'm teaching! I'm going to show you how to read your Bible. The best way to read your Bible is to read the whole thing because otherwise this is what I call sound bite theology. I call this the Roman rockets because Christians pull these rockets out and they shoot you with them. I call them drive-by shootings with their Roman rockets. They won't give you a chance to explain anything that I've explained to you today. Let's find out what Paul said. Let's read it again, and I'm going to explain it as we read it.

6 However, it is not as though Yahweh's plan had failed. For it is not everyone who is a descendant of Israyl who belongs to Israyl.

Here in verse six, Paul says that the Word of Yahweh has failed. What Word of Yahweh? The Prophets. We've read those words in Jeremiah 16:21 and 31:33. We read them in Hosea chapter one and chapter nine. We read the

promise of Yahweh. What is the promise of Yahweh that Paul says has never failed? I'll show you. Let me show you the promise that has never failed. Look at this image. That was a promise made in the stars, and then it was made in your Bible.

Remember the two sticks of Ezekiel? Paul said that that promise has never failed. Then he says they are not all Israel who have descended from Israel.

7 Nor, just because they are his descendants, are they all Abraham's children; but: In Isaac will your seed be called.

And then he says that not all are Abraham's descendants. That violates everything I've taught you IF that is what Paul is saying. But no, that is not

what Paul is saying. In the very next line, Paul is going to clear it all up for my dear Christian friends.

8 That is, it is not those who *are* the children of the flesh who are Yahweh's children; but it is the children of the promise who are regarded as *Abraham's seed*.

Here's what Paul is saying: *Through ISAAC, your descendants will be named. NOT through ISHMAEL which is the natural seedling of Abraham!* Though Isaac is the natural seedline of Abraham, the promise is not through Ishmael. Only through Isaac will the remnant come forth. Let me break this down. I really need for you to understand. What he's saying is that Abraham had many sons, but Remnant Israel will ONLY come through the descendants of JACOB.

Ishmael is the natural descendant of Abraham, but he's not part of Israel. Why? That's Hagar's son. Do you remember Hagar? Guess what? Her children are all natural descendants of Israel, but they are NOT SEED. They're NOT REMNANT. Paul said in verse eight that it is not the children of the flesh who are the children of Yahweh.

What is *the children of the flesh* a euphemism for? Who is this referring to? Ishmael! Ishmael was born because of fleshly activity instead of the promise. The promise was Isaac. It is so simple! I don't know how people get it so messed up. Ishmael was the flesh, Hagar. But Sarah, Isaac was the PROMISE.

So what Paul is saying is that just because you are naturally descended from Abraham, does not make you Yahweh's children. But guess what he is saying in that verse? If you are a descendant from Isaac, that DOES make you the children of Yahweh.

9 For this *is* what the word of the promise said: At this time I will come, and Sarah will have a son.

10 And not only *that*, but Rebekah's children were conceived by one man, our father Isaac.

11 Yet, before *the twins* were born, or had done anything righteous or evil, in order that the purpose of Yahweh according to election might stand—not by works, but by Him Who calls—

Paul goes on to talk about in verse nine, that this is the word of promise: that Sarah will have a son. And not only this, but there was Rebecca also when she conceived twins from our father Isaac. Even though the twins were not yet born, this was all about the twins.

Paul is saying here exactly what I've been teaching you: that the descendants of Isaac are the children of Yahweh. They are all His children, but the remnant is going to come from among *those* children. Not everybody descended from Abraham is qualified for this remnant calling. Only those through the Natural House of Israel. Do you understand now? Don't let them shoot you with those Roman rockets. Shoot them back with the WHOLE Word of Yahweh.

In closing, let's go to Romans 9:27, and we're going to close up Pisces in a minute.

Romans 9:27 Isayah also cries out concerning Israyl: Though the number of Israyl be as the sand of the sea, only a remnant will be elected.

That's what I've taught you. ONLY A REMNANT WILL BE DELIVERED. Only a Remnant. Ladies and gentlemen, if you have been delivered, it is because you are part of that remnant. One final scripture in closing. Let's go and close out with Ephesians chapter two. Everyone of you that is under my ministry should underline the scriptures in Ephesians 2:11-19. I will read this final scripture and emphasize a few things.

Ephesians 2:11-19 Therefore, remember that in times past you *were as Gentiles; who are called The Uncircumcised by those who are called The Circumcision made in the flesh by hands; that is, the Yahdaim—*

In other words, the Jewish people were calling you—Israel—Gentiles. So is the Christian Church. There was a time in your past when even the Jews and the Gentiles called you a Gentile.

12 Remember that at tha time you were without Messiah, being aliens outside the citizenship of Israyl, strangers to the covenant based upon promises, having no hope, and without Yahweh in the world.

At that time you were without the Messiah, meaning you were lost in exile in the nations. You were aliens, meaning you were in strange pagan lands away from the commonwealth of Israel, or the descendants of Jacob, to which you belong. You were strangers to the covenant of promise that Yahweh made to His people through the bloodline of Jacob, having no hope without Yahweh in the world. Why? Because you were divorced from Yahweh; separated because of rebellion.

13 But now, in Yahshua Messiah, you who were once far off, have been brought near through the blood of Messiah.

Oh Oh. Watch this. Now in Messiah, you who were sometimes afar off—meaning scattered in the nations—are restored again to your inheritance of the commonwealth of Israel through the blood of the Messiah!

14 For He is our peace. Who has made both one, and has broken down the dividing wall *separating us—*

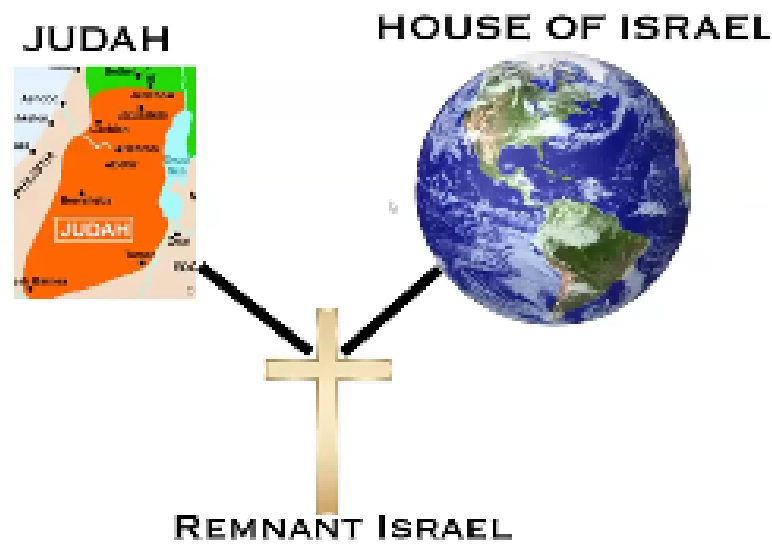

Yahshua is Israel's peace. He has made BOTH Houses—Israel and Judah—ONE. He has made both, one, and has broken down the wall of division between Judah and Israel.

15 Abolishing the enmity; *the hatred and opposition*, to the Law, the Commandments, and the Ordinances, through His own flesh, in order to create in Himself one new man *from the two*; making peace,

He has abolished in His flesh, the ENMITY, or the hatred, the rebellion between Judah and Israel; even the Law of Commandments contained in ordinances. Why did He do this? To make in Himself of Two Houses, ONE NEW MAN—Remnant Israel! He has taken TWO nations and called them to the Cross, and made a NEW Creation—Remnant Israel! And He made PEACE.

16 That would reconcile both in one body to Yahweh through the sacrifice—having killed the enmity through Himself.

Yahshua will reconcile both Houses back into One Body through the Covenant, or through the Cross. Below is the picture of what He did!! He took two nations and made a new nation called Remnant Israel!

17 And He came and preached peace to you who were afar off, as well as those who were near.

Yahshua came and preached peace to Israel who were afar off, and to Judah who were near. They were in Jerusalem. Yahshua came to them and brought them peace, and He came to us and brought us peace. He called out of all of them a small remnant, brought us to the Cross, made a new nation: One New Man—Remnant Israel.

18 Because through Him we both have access for the Father by one Spirit.

Through Him we both—Israel and Judah—have access by ONE Spirit!

19 Therefore, now you are no longer strangers and foreigners, but fellow citizens with the saints and members of The House of Yahweh;

No more strangers! No more foreigners in pagan churches! You are fellow citizens with the TRUE saints of Yahweh which is The House of Israel!
