

ISRAEL 101
Part 4
“The Unfortunate Word Gentile”

By Pastor Shane Vaughn, First Harvest Ministries

I want to teach you today about the unfortunate word “Gentile”. You can never understand Israel until you understand what a GENTILE is, and what a Gentile is not. It’s very important that you understand what a Gentile is. How many of you always believed that you were a Gentile? Amen? We were always taught that we were Gentiles.

I want to explain, before I continue, the problem that you have when you are trying to witness to your friends and your family. They have a mindset that they are Gentiles, and therefore, anything “Jewish”, “Israeli” does not click in their mind because the Christian church has aborted them. If you didn’t watch the sermon last night, you will not understand what I just said.

The Christian church has aborted people by convincing them that they are Gentile. And then convincing them that Paul was their apostle who was writing to them, the Gentiles. If you don’t get this subject clearly in your mind, you will never comprehend what an Israelite is.

So, today we’re going to journey into this subject, and I believe that by the end of today, you will never make the same mistake again of not understanding what a Gentile is and what a Gentile is not. So it’s very, very important. Amen, alright, let’s continue.

JEWS AND GENTILES

We’re going to talk about the Jews and the Gentiles. The Christian church has so long believed this error. What error? Jews and Gentiles. Listen to me. That statement...Jews and Gentiles is false, that is fake news. That is the two categories that all of the religious world has created. Two buckets. You’re either a Jew or a Gentile. And the Christian church has taught this for so long that when you teach people the truth, it’s an arduous task. It is a challenge to bring people out of the mindset of Jews and Gentiles.

You will literally today have to retrain your mind on this subject. You will have to get delivered from Christianity. It is Christianity that created these two buckets—the Jewish bucket and the Gentile bucket. If you fail to do so, if you fail to change the way you think about Gentiles, every time you read your Bible and you see the

word *Gentile*, you will not be able to properly understand what you're reading and you will be creating false doctrines that take away the exclusivity of Israel, alright? Let's continue.

The Confusion of it all

- +We are in the age of the GENTILES !!! They will tell you
- +Oh that is for the JEWS but we are GENTILES
- +All God is dealing with now is the Gentiles not the Jews

Here's what the church teaches today. If you go to a Baptist church, to a Pentecostal church, whatever church you go to, they all have taught you that we are all now living in a dispensation of grace for the Gentiles. Or they will teach you...well that's for the Jews and this is for the Gentiles. The Sabbath day was for the Jews, but we are Gentiles. Or they will teach you that all that God is dealing with right now are the Gentiles and not the Jews. Only the Gentiles. That is what is taught in mainstream Christianity. It's utter confusion, it's Babylon.

So let's talk now. Let me teach you the first lesson you need to learn. Write this in your notes, write it in your mind, and never forget what I'm about to tell you. You've got to know this! It's paramount, it's foundational.

ISRAEL is NOT JEWISH !!!

- +The common teaching is

THE JEWS ARE ISRAEL and the GENTILES ARE EVERYONE ELSE – or everyone that is NOT JEWISH

- +Nothing could be further from the truth and yet this is what all of Christianity believes

Israel is not Jewish! I want somebody to repeat after me...Israel is not Jewish. So my question to you is this: You've only got two buckets you can fit in. Jew or Gentile. So if Israel, which is the third bucket that nobody's ever talked about, is

not Jewish, then we can't put you in the Jewish bucket. So our only option in Christianity is to put you in what bucket? *The Gentile bucket*. You've got to grab this children because without knowing this you will get in the wrong bucket! And guess what that will do? That will make you live like a Gentile. It will exempt you from all of the commandments. It will exempt you from all of the covenants. It will exempt you with this phrase: *awww that's not for the Gentiles*. Do you know what? They're correct by the way. All of these commandments and all of these things are not for the Gentiles. They're correct. It is only for Israel.

But the problem with that is Israel is not Jewish. I know sometimes I belabor the point, but I don't think people grasp it. Israel is not Jewish. I pray sometimes that this church grasps—Israel has nothing to do with Judaism or the Jewish people. Now they are our family naturally by blood, but we are not of them, and they are, not yet, of us. Now they will be, but that's coming down the road. But right now Israel is not Jewish. We have to comprehend that in our mind.

The common teaching that you grew up with is that the Jews are Israel, and the Gentiles are everyone else, or everyone who's not Jewish. Brothers and sisters, nothing could be further from the truth. The Jews are part of Israel, but the Jews are not Israel as a whole. And the Gentiles are not non-Jews. How many, before today, believed that Gentiles meant non-Jews? Ok. That whole teaching has been wrong in your mind, and that's why the Christian church is aborting the birthright holders. Because the birthright holders are not the Jewish people. The birthright holder is Israel.

If the Christian church can convince you that you're not Israel, then what happens is they take your birthright from you as one of the Ephraim-ites and the Manasseh-ites. They take that from you and get you to re-identify. You see, transgenderism, re-identification is nothing new. The church has been re-identifying you for 2,000 years. They're having you, an Israelite, to identify as a what? Gentile. They have caused you to re-identify yourself and give up your birthright position.

What is your birthright position? It's simple. The first will be last. But the last, which was the lost tribes of Israel, will be first, meaning what? They will come to the birthright, they will be the first of many brethren. It's imperative that you comprehend this today because lying within this lesson is your deliverance of your mind to bring you from Catholicism into the covenant of Israel.

Now I'm going to teach you something real quick that if you go right now and call your old pastor and ask him this question. Was Israel ever referred to as Gentiles? His answer to you will be no, Israel is not Gentile. But I'm about to

teach you the total opposite. I'm about to prove to you that Israel was called Gentiles in the scriptures. It's important that you know this.

Even Encyclopedia Britannica knows it. Here's from Encyclopedia Britannica. It says Gentile is a person who is not Jewish. Now that part is correct.

The word stems from the Hebrew word *goy* which simply means *nation*. It was applied both to the Hebrews and to any other nation.

Israel was called GENTILES in the scriptures

Gentile, person who is not [Jewish](#).

The word stems from the [Hebrew](#) term *goy*, which means a "nation," and was applied both to the [Hebrews](#) and to any other nation. The plural, *goyim*, especially with the definite article, *ha-goyim*, "the nations," meant nations of the world that were not [Hebrew](#).

Category: [History & Society](#)

Related Topics: [Jew](#)

[See all related content](#)

The only time it is referring to a non-Israelite nation, is when it uses the plural *goyim* with the definite article *ha-goyim*. Then it means "the nations" outside of Israel.

Now, ladies and gentlemen, you may not think you just learned something. What I just taught you every Christian you know would deny that the word Gentile ever applies to the children of Abraham. Amen. Now I'm going to prove it to you because I love to do that. I'm going to prove it to you from the word of Yahweh.

Everything written is engrained with this mentality...

All your Bible commentaries and study guides have been so trained with this mindset that you can hardly read them concerning this subject, it only leads to more confusion.

To be delivered from this mindset, you must know the story on the picture to the left. You must know it emphatically. It is the story of the divided kingdom of Israel, ok? Very important! In this picture is the key. You're looking at the key to all Bible knowledge. Ladies and

gentlemen, before you were in Christianity, you did not have this key.

This ministry brought you this key that unlocks the entire Bible for you. That key that I just showed you will unlock from Genesis to Revelation. Without the key,

you're not even qualified to teach the scriptures. And yet every pastor, every church, every bit of Christianity, knows nothing about that key. I mean it's sad.

That is the key to proper Biblical interpretation for the whole Bible. I was 40 years old, a doctor of theology. Do you understand? I knew a little bit about the Bible, right? Ten years ago I found out I knew nothing about the Bible. It was mind blowing. It was embarrassing. I went through a time of anger, I'm over that now. I was angry at the church for not teaching me this key. This is the key that unlocks every door in your Bible! Every single door. Without this key, you'll think the dry bones in Ezekiel's vision is the Jewish people, alright?

So anyway, I know I'm going slow today, I realize that, but I feel like I've got to ground you in these principles so that you can truly understand who you are today. So let's talk about the key. The key is that graphic above.

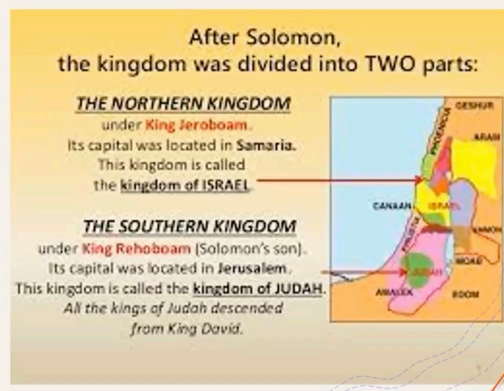

After Israel's third king, King Solomon, the kingdom was divided into two parts, the northern kingdom called Israel, and the southern kingdom, called Judah. (I know some of you already know this, but we have new people.) The term "Jew" was slang for Judah. I want you to look at this graphic and grasp it in your mind. From that day forward, Israel had a king by the name of Jeroboam. The Jews had a king by the name of Rehoboam. Rehoboam is Solomon's son. Jeroboam is not.

Now watch this. You now have two separate people groups. One is the Jews, the other is Israel. Once the nations split, the northern kingdom lasted for 200 years. The Jewish nation lasted 350 years. Brothers and sisters, those two nations in this picture you're looking at—they went to war against one another. They are not the same people. Yes, they descend from Abraham, all of them, but so do the Muslims. But it doesn't make the Muslims Jewish. Israel is not Jewish.

I'm going to repeat it over and over and over until we grasp it.

These two HOUSES
will be continue to
be vexation to one
another

+ Isa
11:13 Eph
2:11-14

After Solomon, when that kingdom was divided into two parts, the northern kingdom relocated their capital away from Jerusalem. And listen to me brothers and sisters. Any false religion will move their capital from Jerusalem. I just gave you a mic drop moment. Any false religion will move their capital from Mt. Sion in Jerusalem—they'll move it to Rome, they'll move it to wherever the Baptist headquarters are, they'll move it to wherever the Pentecostal headquarters are. They'll all move their headquarters just like Israel did. I'm teaching you something.

They'll all move their headquarters anywhere but where? Jerusalem. We have people in our area where we bought the land...they ride by and see the flags of Israel. They don't get it. They're Baptist folks. We're a foreign nation to them because our capital is heavenly Jerusalem with Sarah. That spiritual New Jerusalem is what we identify with. We don't identify with the Holy See in Rome, we have no connection to that. And all of the symbolisms in Christianity came from Rome, all of it. So you have to understand that today.

Now the southern kingdom stayed in Jerusalem. That's called the Jewish people. These two houses have been a vexation to one another all these years and they still are. Let's read Isaiah 11:13. Now did you know, before you read, that the Jewish people to this very day, many of them do not even recognize that there are lost tribes of Israel? There is such animosity between the Jewish people and the Israeli people.

Boy, could you imagine if someone had said that to you years ago—there's animosity between the Jewish people and the Israeli people? Ha, ha! You would've been like...what are you smoking?! But this animosity is real. Let's read about it in the book of Isaiah.

Isaiah 11:13

The envy also of Ephraim shall depart, and the adversaries of Judah shall be cut off, Ephraim shall not envy Judah, and Judah shall not vex Ephraim.

I'm going to break it down for you all. Ephraim and Manasseh is the United States of America and Great Britain with all the commonwealth nations. Judah is the Jewish people. The day is coming when the regathering will begin to happen among the Jewish people and the house of Israel. They will be gathered together in the cross of Messiah, in the New Covenant. And that's happening as we speak. That is the dry bones that Ezekiel saw.

But that is not the ultimate fulfillment of that gathering. Right now there is still animosity between the two. Where does that animosity come from? Listen

carefully. The Christian people have animosity towards Judaism because of all the laws and the commandments, and the “works”, ok? The Jewish people have animosity to Christianity for claiming a Jewish Messiah and taking his Jewishness away from him, and recreating him into a Greek God, Iesous, recreating the Messiah of Israel into a law-breaking Messiah. Now do you understand the animosity? (Is anybody with me today? Ok. Just making sure I’m getting it clear to you.)

The Jewish people look at our Christ, the one that was created in Rome, and what do they see? They see the antichrist. They see lawlessness. They see a Messiah with no commandments, just love, ok? That’s antichrist. We’re talking about the animosity. What did we just read in Isaiah? There’ll come a day when the animosity will be removed between these two nations, Jews and Israel.

That animosity is beginning to be removed right now. A perfect example, we have a Jewish lady here today. At one time she could not listen to a Christian preacher preach. Why? There was animosity there between what? The Torah and the New Testament. Amen. There was animosity with the commandment...(shema) here oh Israel the Lord our God is one and you shall have no other Gods besides Yahweh. Well the Christian church is telling her she’s got to have another God who’s equal to Yahweh. She was taught as a Jew that if anybody teaches you to worship a man in the same office as Yahweh to reject.

Now we honor, reverence and we can give obeisance, just like we bow before the queen of England. That’s not what people think is worship. No, no, no. That’s reverence to your office. But the worship of creation goes to Yahweh alone. When you give creation glory to a man—I don’t care if that man was the son of God, I don’t care if he was the firstborn son of God or who he was—when you take the Father’s glory of creation and give it to another, the Jews will cut you off. Do you know why? They know better, they have the Torah.

They know that Moses spoke about Yahshua and said these words...that God would raise up another prophet likened unto me. We’ve never made Moses a God. Now he was a god, if you will, if you know what the word god means. It’s very confusing, I’m not going there today. God is the word divine or the god-kind. But there is one Creator Yahweh God. Now Moses said he would raise up another one like me from among the brethren.

So the Jewish people, when we bring them a man that is God, that reignites the what? The controversy or the animosity. When we bring them a flesh man and say...look at Yahweh...awww...we just asked them to commit blasphemy because Yahweh said in his word I am not a what? A man. Neither indeed can I be. Did you all know your Bible says that? Yahweh said I am not a man, neither am I the

son of man. So if you bring to the Jewish person a son of man and say behold Yahweh—their Torah tells them to do what? To reject that as antichrist. That's why this ministry—I don't care what you believe or what you think—Yahweh has raised up our voice to reintroduce Christ to the world as who he truly is, the firstborn son of Almighty Yahweh. And this Messiah points you never to himself. Did you know that?

Did you know when he said pray...do not pray to me? I mean folks, you were in your church all your life, did you ever question why he said when you pray, pray "Our Father" if he was our Father? In other words, what didn't click in our minds with the Trinity doctrine literally making Yahshua equal...literally making him equal to a God that commanded you to never do that? Yahweh says in his word... never will I share my glory with anybody else. And yet we come and take his glory and we literally turn Yahshua into the Creator because of Colossians 1:16.

If you see something in the New Testament that violates the Old, there is a problem Houston, and you've got to work that problem out. If Yahweh of old said I alone stretch forth the heavens, me, there was no one with me when I did it, and yet we come to Colossians and we say...*see it says right here pastor that by Yahshua was the worlds created.*

I don't have time today to go there, I've done it many times in these classes. Because of the mistranslation of the Greek word *en* (Strong's G1722), which means many different things and primarily it means "because of" or "on the account of", Yahweh created everything because of Christ because it was going to be given to Christ as an inheritance.

But we turned Christ into the Creator, that man that walked this earth, we turned him into the Creator. And now that's where the animosity between the Jewish people and Ephraim comes into play. And that's why this ministry everyday we hear from Jewish people who say...who are you and where have you been all my life because you're taking away the animosity between the Torah and the New Covenant! Is anybody hearing me, hallelujah! That's what this ministry is doing. We are bringing the message of Yahshua to those who will never violate Torah, and introducing them to who he truly is.

Now, that animosity is breaking down as we speak. But I give you my word, it will finally be broken forever when Yahshua returns. And the Bible tells us that he will reveal himself to the Jewish people, and they will know then that he's not there to take the Father's glory. Why? Because he's telling them...I'm here for a thousand years to restore everything so that together we can give it all back to my Father in heaven and he shall be all in all!

Hallelujah. It's so simple. Oh don't let your religious mind make it difficult, it is so very very simple. Yahshua will be king of kings for that thousand years. He will restore the Father's creation, and then just as the Father gave it to Yahshua as an inheritance, Yahshua, like a good tither, will turn around and give back to his Father (he's a tither, do you see it? He's a giver just like you are!). Hallelujah! Amen. What a beautiful truth! If you can just ever walk in it, you would know that this ministry is unique in the earth today in the fact that that animosity is being dissolved between these two houses.

Let's read Ephesians 2:11-14. And Paul is going to say the same thing that Isaiah just said.

Ephesians 2:11-14

11 Wherefore remember, that ye being in time past Gentiles in the flesh...

Paul is writing to me and you and here's what he says. Don't ever forget you were a Gentile. *Now brother Vaughn, I thought that I wasn't a Gentile, I thought I was a member of the lost tribes.* That's where the confusion comes in. That word Gentile. We're about to dive into that word.

"In times past you were a Gentile." (I'm going to prove to you today that the Bible refers to the lost tribes of Israel as Gentiles. I'll prove that in a few minutes.) So therefore, Paul says that one time you were the lost tribes, you were lost, alright?

...who are called Uncircumcision by that which is called the Circumcision in the flesh made by hands,

So you in times past were not even circumcising yourself anymore because you were not in the covenant. You were a Gentile in your mind, in your thinking, you were a Gentile in how you identified yourself. By the way, do you all know that he's writing this to you? Every one in this class, Paul says...in times past you were in the wrong gender, you were in the wrong identity, you were in the wrong mindset, you didn't even know who you were.

...who are called Uncircumcision by that which is called the Circumcision in the flesh made by hands...

Alright, the Jewish people were calling the lost tribes "the uncircumcision".

12 That at that time ye were without Christ, being aliens from the commonwealth of Israel...

See, there it is. You were aliens from the commonwealth of Israel. Here's what he's saying. In your mind you were an alien to your natural heritage as a member of the lost tribes. You were an alien to the commonwealth because you thought only the Jewish people were the commonwealth.

But he said there are 12 tribes joined together in a commonwealth. Just like the commonwealth nations of Great Britain today. They're joined together, different nations, by a commonwealth.

...and strangers from the covenants of promise...

You were a stranger from the covenant. Why? You did not know there was a covenant for you, you thought you were a Gentile.

...having no hope, and without God in the world,

So now that proves to me that if you're not an Israelite, you have no hope. You are without Yahweh unless you are an Israelite. Paul is speaking here 60 years after Christ dies and said anyone who's not in the commonwealth is without hope. That's why everyone in the world one day will have to come into the commonwealth and they'll do it by what? Circumcision. They will do it by the infilling of the Holy Spirit that will circumcise their flesh body, their carnality. Israel was a condition before it was a nation, an overcomer with God of the flesh. Paul said until you come into the commonwealth you're without hope.

13 But now in Christ Yahshua ye who sometimes were far off are made nigh by the blood of Christ.

Notice that word "far off". He never said you were not Israel. He said you were far off from the commonwealth of Israel. What did Jeremiah say about the lost tribes? He said that they were afar off. That was the terminology used for those that had gone into the northern kingdom.

Let me try to clarify this real quickly before I lose you. Look at this screen one more time.

Anything in the yellow was afar off. Anything in the orange there, was in the covenant. Why? They were at Jerusalem. They were in the temple. They were keeping the Sabbath day holy. Everything in the yellow quit keeping the Sabbath. It lost it's identity. Then Assyria came in (there in the yellow) and took all those people under an iron yoke and moved them all to Assyria.

And then I taught in Tracking the Tribes* how they wound up in the United States of America and Great Britain. These are those that were afar off. *Prodigal sons*. That's what we were, prodigal sons. That's why the parable of the prodigal son is so misunderstood. People think that's an altar call for backsliders. But it's not. It's the story of the lost tribes coming home after eating pork all their life with the pigs after not knowing who they were. Amen.

14 For he is our peace, who hath made both one, and hath broken down the middle wall of partition between us.

What did I just tell you? The middle wall of animosity between these two houses is broken down in Christ. Now that's a strange statement. Think about that statement. It is actually Christ who is causing the animosity. Listen to me now. Paul said Christ came to tear down the animosity, to tear down the flesh. It was working until what? Until the Catholic Church created the doctrine of divine flesh incarnation, until they took the Messiah and changed him into a demigod.

Now the animosity is stronger than it was before Paul wrote that. The true Yahshua? You've got to come to him, and in so doing, he will break down the animosity between the two houses because he will be teaching two things whereas the Jewish people will be teaching works alone, he will teach grace. Whereas the Christian church is teaching grace alone, when they come to the true Yahshua, he will teach them works.

Did anybody follow me? Do you see the cross (crossing)? You see, to the Jewish man he will teach grace. He will tell them your works are wonderful, but they won't save you, only my blood. That's beautiful. To the Christian church he'll say you need more than my blood, you need the works of obedience. Oh hallelujah. When you come to the true Messiah he will tear down that wall of animosity between these two houses.

Brother go right ahead. *Ok, I wanted to clarify something. In the beginning of the scripture Ephesians 2:11 when he says you were as Gentiles. Is that the plural with the definite article?*

*firstharvest.tv/video/2340

No. That's a total different Greek word. I'll be getting there in a moment. The Greek word there is actually "ethnos" which is a different word. You can only apply the definite article in Hebrew which would be the Old Testament. Because Goy is Hebrew, there's an equivalent of Goy in Greek and it's ethnos and I'll get there in just a moment.

Let's keep going this morning. I'm trying to get you all into Israel 101 part 4 so you can comprehend who you truly are. One day you'll be so grateful to know this knowledge.

THE ORIGIN OF THE WORD GENTILE

Let's talk about the word Gentile where it started at. It does not start in Hebrew or Greek. The word Gentile is a Latin word and it comes from the Latin Vulgate which is what is shown in the photo on the right. That is the Latin Vulgate, the official Bible of the Catholic Church. The first time you find the word Gentile is in a Catholic Bible.

The Vulgate is a Latin version of the Holy Bible and largely the result of the labors of Saint Jerome or Eusebius who was commissioned by, oh there he is, Pope Damasus I in 382 A.D. which is 200 and some odd years after Christ died. See there's that Simon the Sorcerer, there's Simon Magus, there's that movement—antichrist was already working in the church to make a revision of the old Latin translations.

By the 13th century, this revision had come to be called Versio Vulgata which means "the commonly used translation". Ultimately it became the definitive and the officially promulgated Latin version of the Holy Bible in the Catholic Church.

What I'm about to prove to you today is that the concept of Gentiles was created by Catholicism. I'm going to prove that in the next few slides. Here's what you need to grasp right now. The mindset of Jews and Gentiles was created by the whore of Babylon. And only until you leave the mindset of Jew and Gentile have you truly left Babylon. Ok. Amen. Thank you Father.

The Catholic Church believed that they were in fact the New Israel of God and that the natural Israel had been replaced by them, the Catholic Church. Pope Pius XI says these words: "Spiritually we Christians are Semites". Now the word semite there is the word for Jews. The pope believed that there were no more Jews in the eyes of God. If there were no more Jews in the eyes of God then there's no more lost tribes of Israel.

In other words, the Catholic Church supplanted the Jewish people and now they are the Semites or the Jewish people. Now why am I pointing this out today? Because maybe now it will help you to understand why the pope said they wanted nothing to do with those detestable and "Jewish practices". What was he referring to? The 7th day Sabbath. They needed to make a departure from Jerusalem. What did I tell you about false religion? They'll always move their capital from Jerusalem.

So if we're going to replace Jerusalem and create another Jerusalem called the Vatican or the Holy See (no there ain't nothing holy about your holy see, you see?). Listen. They have to create another Jerusalem, and that's what they have done with the Vatican. Why do you think the Vatican is a nation unto itself? Do you know that no one can arrest the pope? Do you know the pope is over every government of this world? Did you know the pope has the largest army in the world?

Do you understand, brothers and sisters, what God has delivered you from? *Oh I wasn't Catholic*. Baby, baby, yes you were. *Oh no I was Baptist*. Baby, baby, baby, you were Catholic. If you were baptized in the name of Father, Son and Holy Spirit, you are Catholic. If you believe Yahshua was Creator, you are Catholic. If you believe God became a man, you are Catholic. If you believe in the torment of eternity (Dante's Inferno) you are Catholic.

Every one of your doctrines can be traced back to the Catholic Church. Not one of the doctrines we teach at First Harvest can be traced back to the Catholic Church. They all go back to Jerusalem. *Thank you pastor!* Isn't it wonderful to know this?

Sister go right ahead. *I was looking at a video explaining that the present pope wants to pass a law (yes the Sunday law) . They said they would have to kill everybody who doesn't observe the Sunday Sabbath instead of the Sabbath.* That is correct. The pope's desire for the Catholic Church is to have a Sunday law. I'll be honest with you. There was almost a Sunday law in America because I remember the days when if you went to town, and a business was open on Sunday, you would look at it in shame because there was an unwritten Sunday law that everybody stop working.

Now the funny thing about that sister is this. Every one of those very people that believed in shutting all the businesses down on Sunday will tell you the Sabbath was done away with, that they don't believe in a Sabbath. Then why do you care what happens on Sunday? Ha, ha! They all believe in the Sabbath. Every Christian that you know of believes in the Sabbath day—they believe in the pope's Sabbath day.

Would you all just let that get in your brain, what I just said. Every Christian believes in the Sabbath day. If you don't believe me, miss church on Sunday and you will get a call from the pastor, and the pastor will say...well where were you at Sunday? If you have a good pastor he will. And where were you at Sunday? Well um, you know, I just didn't feel like coming. What's the next thing he's going to tell you? Brother we're not supposed to forsake the assembly of ourselves together.

Really? So you do believe in a weekly assembly of the saints is required? Is that what you're telling me Christian pastor? Is that what you're telling me pastor? I'll tell you what. I've decided to come to church every three Sundays, I'm going to come once a quarter. Well no sister, you need to be here every....oh, so you need me to tithe every Sunday, huh? Ok, I gotcha ya.

In other words, it's all lies. The Christian church believes in the Sabbath day. And do you know what else they believe in? They believe in the holy days. Christmas, Easter, try not to keep one of them, they believe it's required, ha, ha, ha!

So pastor do you believe they will succeed with that law? No, no, it'll never happen. It's good to talk about, but it'll never happen. The governments of this world will never allow it. But the pope does desire it, but he also desires for me to take mass and that's never going to happen either. So amen. Brothers and sisters, the whole Christian church believes in the Sabbath.

Go ahead brother. And I used to be one of them. You hear so many Christians talk about the coming persecution that's coming. Would it be fair to say that since you are a Sunday worshipper, and since the Catholic Church considers you a Catholic because you honor Sunday worship, is it fair to say that the persecution they are waiting for is never going to come? Not to them anyway.

Oh I see what you're saying. You know the Catholic Church is the system that gives power to the beast. That church will work with the antichrist. You see, people have a hard time whenever I tell them the Catholic Church is the power behind the antichrist. They can't comprehend that. But I'm like...there's nothing to comprehend because if you will look at the antichrist today (which is another Christ), guess who was the power behind the current antichrist which is the false

Messiah? The Catholic Church. They are what gives this false Messiah that Christianity has his power over the people.

So many Christians are looking for a coming antichrist. Do you know why everybody preaches about a coming antichrist? It is a magician's trick so you won't recognize you're serving the current antichrist. Oh my, my. Amen. I don't think anybody grasped what I just said. Because what I just said—there is a current antichrist that's been here since the days of the apostles, ok? Because the current antichrist you have set him up in the temple of Yahweh for 2,000 years. He's been sitting there. Why do you think Yahweh said...my people come out from among her? Because my temple is where the antichrist's been sitting for 2,000 years.

And how was this antichrist empowered? By the Roman Catholic Church! Any Christ that makes himself equal to Yahweh, makes himself the second person of the triune godhead—is antichrist. That's why you must be baptized in the name. If you were baptized in the name of three coequal Gods, you were baptized into the antichrist. I don't think anybody understands that. Oh my. That's why you've got to go down in his name to come out of Babylon. You've got to go down in the name to get out of antichrist because when they baptized you brother, they baptized you into anti-Christianity. Get re-baptized.

Has anybody in this room, in that past ten years, ever heard me preach one sermon about the antichrist coming? Never. Every other Christian church, that's all they talk about...ooh he's coming. I preached you were distracted at end-time prophecy that's so into when he's coming that you were serving him the whole time. Now, will there be a final fulfillment? Quite possibly, but God told his people to come out of her now. Do you understand that I couldn't care less about a coming antichrist? I couldn't care less about a mark of the beast. That's all Christians want to talk about while they're sitting there wearing the mark on their forehead every Sunday.

I ain't gonna take no low-down mark of the beast! It's the authority of the beast that gives power to the antichrist. There's going to a beast that gives power to the antichrist and you're going to wear obedience to the beast and wearing the opposite of the Shema. You're going to wear that mark and they've been wearing it for 2,000 years.

But right before the coming of Yahshua, I read in the book of Revelation where he said hold on, before you pour out wrath, go and mark those that have come out of her, mark those who have called me God, Yahweh, only. And don't hurt them. You put them in the ark, don't hurt them. They're not appointed to wrath, I'm

going to protect them from the wrath. Now not the wrath of the world, but the wrath of Yahweh.

Carnal minds want me to teach on the coming antichrist. *Tell me what it's going to be like.* Oh beloved. Yes there's coming a time that's going to wreak havoc on the world. I know that. That is to get you to become servants to him now. Hallelujah. The beast will give power to the antichrist. The antichrist is not against Christ. It means another opposite Christ. He doesn't hate Christ. He's not going to teach you to hate Jesus. No, they're going to teach you to sing...yes Jesus loves me, yes Jesus loves me. They want you to love Jesus. They want you to love their Jesus. Amen.

Go ahead sister. *My oh my oh my. That's big with the Catholic Church. They teach...don't read the word for yourself. Go and follow the routine. When I was 13 years old, I left the Catholic Church because for me it was a dead church, it was a religion. My heart was after Jesus and who he was. And how much blindness do we have that we follow a cult leader? Now the cult leader in the Catholic Church is the pope and everything in the Vatican, and all of them are just following this cult.*

And you realize the pope last week had a special lunch at the Vatican, and do you know who was invited to the luncheon? A busload of transsexual men and women on there way to have lunch with his holiness. I hope you don't think I'm making that up, go google it. It was a busload that he invited into the "Holy See". Because he wanted to understand them better.

He's planning on marrying them, right? Yeah they're that close because now they can be godparents, they can attend baptisms, and now they can be "blessed" I believe. It won't be long.

Pastor I just posted on the group chat that a Catholic women's college is to accept men who identify as women now. (brother): men nuns! Wow how twisted is this? They're so blinded.

And do you know why sister? I'm going to show you how the antichrist works. When they approve this, and they've already approved a certain amount of it, the pope said he was doing it because of Jesus' love and his inclusion of all people. Brothers and sisters, the beast is giving power to the anti-Christ — the other Christ.

Now if you or I say anything about the transgender, all of a sudden, we're not acting like Christ. *You're haters!* We're haters. We're not acting like Christ. You're right—not the Christ you preach. You're right I'm not acting like him. Amen?

Now, before anyone thinks that we're Catholic-bashing, no, no, no. We're not talking just about the Catholic Church, we're talking about every denomination that has their allegiance to the Catholic Church. Amen.

Ok brother. *It's so interesting that we were taught that the coming of the lawless one, the antichrist, is coming, but in the Bible in 1 John 2:18 it says...children it is the last hour as you have heard antichrist is coming. I remember reading that maybe four years ago, I was like...so the antichrist is coming, when was this book written, thousands of years ago, so that means he already came and we're living today...then they'd teach he was coming and I'd be like...isn't there already another verse that says he is already here?*

He's already here. And if we can get you, brother, looking for a future coming, then you will ignore the present coming of antichrist. You've never heard me preach in all the teaching I've done on the end-times how bad it's going to be with the antichrist. I've never. I have no interest in it because I'm too focused on getting rid of the current antichrist out of the church. Amen. Amen.

Sister go ahead. *I was raised Catholic and went to a Catholic school all through high school and was familiar with the ecumenical counsels. It's interesting there have been seven ecumenical counsels. And the whole concept of ecumenical is the one-world religion, that's what it's all about. (Universal) I'm ok, everybody's included. And it's not by coincidence because Yah is in control that this pope is a Jesuit.*

The first Jesuit pope in the history of the Catholic Church. Now the Jesuit order is a very intellectual order and they're very in tune with the environment. That's why this pope is into global warming. If you look at the mission of the Jesuit order, it's to work toward reconciliation everyday with God and all humans and with the environment. That's exactly what the mission is, the statement of the Jesuit order. And they're into this greater good of all people which is where now we include the transgenders.

This is the first pope that has been pro-abortion. That has never happened, it's never happened before in the Catholic Church. At least that was the one thing you could depend on in the Catholic Church...they loved life. (They kept that standard) The last two elections, Catholics have gone against what the Catholic Church always preached, and voted for abortion. That's why your message on abortion is so important and what Trump is doing with his concept of abortion and how to realize the alternative if we don't...

Sister I'm sorry to interrupt you, but I was not aware that they had supported abortion. *Oh yeah. Ok. And the pro-transgender, the marriage of transgenders,*

all of that, that comes into that Jesuit mentality, very carnal intellectual mentality. And it's not by accident that it's the first Jesuit pope. Wow, I'm surprised that the Cardinals voted on a Jesuit because isn't there some kind of animosity between the Jesuits and them? Yeah, and you know it was this pope that fired the Cardinal or the Bishop in Texas. Yes, and I read there was another one I think yesterday or the day before, so that's two.

Yeah his stand on life, and to be fired for being pro-life? We're not talking about being reassigned, but getting excommunicated. Yeah he was kicked out of his apartment, he worked his whole life for the church and doesn't even have a home to live in, a place to live. That's some anger, there's something from the pope there. Everybody knows we're close to the coming of Yahshua!

Wow, you know, I thought it was so strange how that Pope Benedict just resigned. In other words, that's sort of anathema, a pope's not really allowed to resign. It's something like the Queen, a lifetime, and it was weird how he just up and disappeared off the face of the earth really—for this Jesuit pope to be able to come in.

And there's so much pedophilia that's been hidden in the Jesuit order which is criminal, very criminal. Send me any information you have on the Jesuits. I've never really studied on the subject, I've heard things, but anything you come across email it to me. Thank you for sharing that.

(Another sister): *Can I say something? I know you've preached on it before, the Sabbath that we all celebrate, is actually THE sign of who the people of Yah are, you know, the true people, and I just love that. It is a demarcation, a shift from the one-world order to the true church, and the sign, the actual sign is the Sabbath.*

I call it the “True World Order”. We went from the new world order to the true world order because this will be the order of the world very soon! Amen? That is so important. I preached a message called Signed, Sealed and Delivered.* You need to know what the sign is. You know sister, when we gather for the holy days and to many of you all it's just a trip, getting in your car and going. Well, I'm to the age now where I don't need any more trips, I'm pretty good at home, so you know, I'm not needing to take a trip.

But, if you understand that you are moving in a rhythm of a true world order, that you are literally identifying with a new rhythm of your life, that you are driving

*<https://firstharvest.tv/video/1975>

not to Guntersville, not to Waveland, you're driving to destiny. You are literally driving to identity. You are coming together as commanded. That's why I tell anyone who does not come to the holy days (unless you cannot, I shouldn't always have to say that, but I'm preaching to most), I tell you you're not an Israelite. Why? Because you don't have the sign. Those are Sabbaths.

Israel, just like sheep sister, we don't tell a sheep to produce wool, we don't have to remind them...are you going to be at church Sabbath? Are you going to be at the holy day? You don't have to remind a sheep—they just grow wool naturally. Israelites—we keep Sabbath because it's natural. It comes to us without thought, without question. All of you here today, let's see, we have 200 people here, most of you have more than one in your house, that's about 700 believers that have gathered together today to be part of the sign of another group of people.

Go ahead sister. *When you say that we are not born again, we're just begotten, so therefore, we've just begun that little seed, so therefore, the present antichrist is the abortionist, for when you first believe, he wants to take that away from you and send you somewhere else.*

I wish I had thought of that one first! Sister you just tapped in to a much higher level of thinking because that is a revelation that Yahweh plants the seed, they abort it, and—wow, wow, wow, that's good. May we all be delivered from the hands of the abortion doctor. Amen. That we may come forth not as Christians but as Israelites. Hallelujah.

Alright, I'll come back, I still need to cover a few more things.

Ok, so this is where we get the word Gentile from. The Catholic Church believed that they were in fact the New Israel, that the natural Israel had been replaced by them. Alright, so they think that they are the new Jews, ok? That's why John spoke about a group of people that says they're Jews and they're not. I just identified them for you.

There's the pope that says "we are the Jews". There's his quote on the screen, Pope Pius XI. He said the Catholic Church is the Jews. Amen.

Do you know why they had the inquisition? They believed if you were not of Rome you were worthy to die, you were a Gentile. The believe anyone outside of Rome was Gentile if

The Origin of the word "GENTILE"

- + THE CATHOLIC CHURCH believed that they were in fact the NEW ISRAEL of God and that the NATURAL ISRAEL had been REPLACED by them
- + POPE PIUS XI – Says "Spiritually, we Christians are Semites"
- + Anyone who was NOT OF ROME – were considered GENTILE or OUTSIDE OF THE HOLY SEE
- + However, in the ENGLISH translations and the PROTESTANT influence – the same CONCEPT was used for any NON JEW – was GENTILE

you were outside the Holy See. I was just thinking about something sister when you were just talking about the Jesuits. I will not lie. There was a time when I had respect for the Catholic Church on a certain level. They kept a stance more than the Protestants on the culture of life. But there was something that caused me to lose even more respect for them recently, and it might be under this pope and I'm just realizing it.

At one time the Catholic Church believed that their church was the only church. They don't believe that anymore. The pope stated that they were removing that terminology of one true church out of their vernacular, to be more inclusive. So that brings me to that Jesuit mindset. That exclusive church wouldn't fit that mission of the Jesuits. So, literally, the pope said that recently, that they're removing the one true church from their catechisms. Anyway, that just came across my mind. So they're gearing up for their one-world religion, there's no doubt about it.

Alright, now the English translations of your Bible comes from what? The Latin. The English translations comes from that. And anybody who was not Catholic were Gentiles.

What Gentile DOES NOT mean

- +Contrary to all teachings – it DOES NOT MEAN "NATIONS"
- +The Latin NOUN - "gen" means A NATION
- +BUT – the word "Gentile" does not come from THE NOUN but rather the adjective "GENTILIS" which means "*Belonging to A Nation*"

The [Latin](#) versions of the [Bible](#) translated *goyim* as *gentes* (singular *gens*) or *gentiles* (an adjectival form of *gens*). In modern usage,

Now, let's look about what Gentile does not mean. Contrary to all teachings, Gentiles does not mean nations as we've always been taught.

The Latin noun "gen" means a nation, but the word Gentile does not come from the noun gen, but rather the adjective which is *Gentilis*.

And the adjective does not mean nation. The adjective means "belonging to a nation". So the word Gentile in Latin does not mean nation. It means belonging to a nation. The Latin version of the Bible translated *goyim* as *gentes* the singular or *gentilis* which is the adjective.

So, in other words, you have to determine, when you're saying Gentile, it is Gen or Gentilis, if it was translated from Latin or Greek and Hebrew. That's what makes all the difference. It is imperative, when you get to Paul's writings, that you understand Paul is writing to the Gentiles. In your mind, that automatically means he's writing to the what? The nations because you've been taught Gentile means all non-Jewish nations. So you will believe, if you're not careful, that Peter was preaching to the Jews and Paul was preaching to everybody else.

There is where I'm trying to get you to today. I'm about to blow up the false teaching that "Paul was called to the Gentiles" if the word Gentiles is understood as all other non-Jewish nations. Not to worry, I'm going to prove it to you.

He is not writing to the nations. He is writing to Gentilis which means people that belong to a nation, not the nation itself. He is not writing a letter to the nation of Galatia, but rather he's writing a letter to a people who belong to the nation of Galatia.

Now I'm going to break it down for you even further.

You've got to understand, he is writing to what? Gentilis in Latin. And he uses a Greek word *Ethnos* (I'll show you that in a minute). When referring to this group of people that belong to a nation, he calls them ethnos. Why? Ethnicity?

Paul's Writings

- +This is IMPERITIVE to understand
- +Paul does not write to NATIONS
- +He writes to CERTAIN ONES that BELONG or have been dispersed inside of those NATIONS. He writes to *Genteles* – He uses the GREEK WORD – ***Ethnos*** when referring to them because they are HIS NEAR KINSMEN of another nation besides the LAND OF ISRAEL

Oh man, I just gave it to you. Paul uses the Greek word ethnos for Gentiles because these are people of the same "ethnic" background! *Those are of the lost sheep of the house of Israel pastor.* That's it. You just heard me. Thank you. Paul writes to an ethnos in Galatia, and ethnos in Philippi. He's writing to an ethnos. They're called Gentiles, but they're ethnos.

They are kin to Paul, but they belong to another nation. They don't belong to Jerusalem, they've lost that identity. But in your Christian mind he was writing to everybody in Galatia to try to get all these non-Jewish people saved!

It would be like if he wrote a book called the Book of Scotland brother and sister from Scotland. Paul writes a letter to the Scots. No, no, no. Paul wrote a letter to this brother and sister who belonged to Scotland. Glory to Yah. But they are the same ethnos as Paul is! They are the same ethnicity, race, bloodline, the stock of Israel, as Paul is.

Quit thinking that Paul went to the world. He went to the ETHNOS who belonged to the world rather than Jerusalem. Help me Lord. That belonged to the nations that are not Jewish, that belongs to the nations that are not Jewish, but there is an ETHNOS in there that he's writing to.

Let's talk about the true meaning of the word Gentile.

The TRUE meaning of Gentiles

+HEBREW –

+**GOY or GOYIM** "A foreign Nation"

+**Ethnos** "A race of similar habit and tribe"

+THAYERS LEXICON – breaks it down further "A Multitude of the same nature"

LUKE 7:5 – notice the words that can be used

Luke 23:2

The Hebrew word *Goy* - a foreign nation, the Greek word *Ethnos* is a race, not a nation. Oh watch carefully, you better get me now. Ethnos is a race of similar habit and similar tribe.

And if you think I'm making it up, go to the Thayer's Lexicon. Thayers said that ethnos is a

multitude of the same nature. The same habits, the same race. Let me prove it. Luke 7:5. See they'll have you think that Paul was writing to all the Gentiles.

Luke 7:5

For he loves our nation, and he has built us a synagogue.

Alright. He loves our nation. Is there any doubt that this is speaking about Israel? He built us a synagogue. You'll only find synagogues in the land of Israel, is that correct? Alright. He loves our nation. The word nation is used right there. But here's the thing you've got to recognize.

Look at the same word that Paul uses when speaking of the so-called Gentile nations. Nation = Ethnos (Strong's G1484). Look up ethnos in your Blue Letter Bible. It refers to a "multitude associated or living together, a multitude of individuals of the same nature, tribe, people group". Ethnos comes from this Greek word. Are you ready? (Strong's G1486) Guess what that means. A race of people.

Paul wrote to the ethnos, a race. It's a race of people that goes back to the same father Abraham. He was writing to ethnos, but there, that is a Jew calling the Jewish nation ethnos. I don't want to lose you, but you've got to follow me. Go to Luke 23:2 now. Same thing. Watch this.

Luke 23:2

And they began to accuse him, saying, We found this fellow perverting the nation, and forbidding to give tribute to Caesar, saying that he himself is Christ a King.

Ok, there's no doubt this is talking about the Jewish nation, is that right? I mean there's no doubt, ok? We found this fellow perverting the nation, but here's the thing. According to the Christian church, when you see this word ethnos (nation), that's referring to Gentiles. And yet here's the Jewish nation using the exact same word to describe their nation. Ethnos.

So, we're going to have a problem when you try to convince me that when Paul says he was going to the nations, that he was going to everybody that's not part of the ethnos. Because the Jewish nation is ethnos and the lost tribes of Israel are ethnos. No one else is ethnos. No one else is of the ethnicity of the tribes of Israel and the house of Judah.

You've got to know who Paul was writing to children. You've got to know who he was writing to, ok? Now let's investigate the word "Goy". *Brother Vaughn, Goy means Gentile nations.* Alright, we're about to take a look in the book.

Investigating the word "GOI"			
Gen 12:1-2	Gen 17:5	Gen 25:23	Gen 48:19
Gen 46:3	Jer 31:36	John 11:48 – 50	Acts 10:22

We're going to take a little look in the book and see what Goy really means. Oh it's about to get good you all. I promise you, those that's believed the Christian lies will be like...slap me silly, are you serious? You're not going to believe what the Bible says.

Genesis 12:1-2

1 Now Yahweh had said unto Abram, Get thee out of thy country, and from thy kindred, and from thy father's house, unto a land that I will shew thee.

2 And I will make of thee a great nation (goy), and I will bless thee, and make thy name great, and thou shalt be a blessing.

I will make of you a great nation. Now how of many of you would agree, it wouldn't be a Gentile nation, correct? It would be the holy seed of Israel. But the problem here is look at the word he uses for the Israelite nation. The word *goy* (Strong's H1471). Now I thought goy, sister, meant all the other nations, what we always taught—goy means Gentile, that's all nations that are not Israel.

But according to what he told Abraham...I'm going to make you Abraham a great goy! That's why when you see Paul writing to the "goy" or the ethnos, he is writing to what Yahweh promised Abraham...a goy! My Lord have mercy. You've

got to see this children, you've got to know this, you cannot doubt, you've got to know. Now brothers and sisters, you see that word goy? You go ask any Christian what that word goy means. *Oh that's the Gentiles.* Is it? *Yes, that's everyone who's not part of Abraham's seed.* That's funny. Where did you make that up? Because I'm looking at goy with a promise from Yahweh to Abraham—I'll make your seed the goy. My God, help us Holy Ghost. There's more to come.

Genesis 17:5

Neither shall thy name any more be called Abram, but thy name shall be Abraham, for a father of many nations (goy) have I made thee.

Interesting. I wonder what word they used for nations right there. Well I'll be a monkey's uncle. Goy. Isn't that something? I'll make many nations (or goy). So when Paul writes to the goy—whoever told you he was writing to people outside of Israel don't know what goy means. You all don't know how rich this is. Go watch any Messianic teacher, Hebrew roots, they'll all tell you goy means Gentiles. Who made that up?

Now, if it has a definite article—the nations outside of the goy, then we can talk. But the word goy is referring literally to the nation of Abraham. We're just getting started. Whenever someone tells you...*yeah but Paul was writing to the Gentiles,* say yeah he was writing to the goy, the ethnos, you're exactly right. He was writing to Abraham's seed that belonged to other nations. My Lord it's so simple, how did we not see it? Thank you Lord for end-time understanding. Hallelujah.

Genesis 25:23

And Yahweh said unto her, Two nations (goy) are in thy womb, And two manner of people shall be separated from thy bowels...

Now surely this is not talking about Gentiles. Surely it's talking about Jews and Israel. So we can't use the word goy for two nations. And I'll be a monkey's uncle if it ain't goy. And we're just getting started. Don't ever believe what I teach ever. Go look it up.

Genesis 48:19

And his father refused, and said, I know it, my son, I know it, he also shall become a people, and he also shall be great, but truly his younger brother shall be greater than he, and his seed shall become a multitude of nations (goy).

I'll be two monkey's uncles...look at that. Goy. Interesting and yet somebody told me that goy means Gentiles. Interesting how we just believed it. Ok some great teacher said goy means Gentile. And every reference to Israel I have read so far is

goy. We might as well have some more fun with it. This truth will stand darling, this truth will stand.

Genesis 46:3

And he said, I am Yahweh, the God of thy father, fear not to go down into Egypt, for I will there make of thee a great nation (goy).

Alright so, brother Vaughn, surely...ok let's just see. I'll make you a great nation in Egypt. Look at that. I'm going to turn you all into Gentiles. Look at that, you're going to be GOY.

Go ahead sister. *See if I'm wrong, but I believe this truth is also maligned by the Jewish religion. They call the whole world Goy.* That's correct. That's the animosity I was teaching about early between them and their lost brothers. You're right. They believe the whole world is goy. So, that's why I tell you all that I'm against Judaism as much as I am Catholicism. They've got it as wrong as the Catholics do. They believe anybody that's not Jewish is goy. But that's not what Yahweh said. Come out of Judaism. If you're going to come out of Catholicism, baby, don't jump over there and become a Judai-ite. Come out of all of it and find the truth and know who you are.

Sister go ahead. *Ok, I'm trying to get an understanding because in Acts before the council, if he knew that the Gentiles are actually a part of the people, the Israelites, why didn't he insist that they become circumcised, and why didn't he just do that.*

Well the main reason he didn't is number one, he was bringing them to the cross, he was not bringing them to Judaism, and therefore, he knew that circumcision had been replaced by the Holy Spirit circumcising our heart, so he's not trying to bring them back to a false religion. He's trying to bring them to the Messiah, so therefore, upon them it was not required.

Now, here's another thing that so many people who were there at that time he did not insist for the Gentiles to keep the feast days. Why didn't that continue with them?

Oh actually he did. The way that they worded their ruling at the Jerusalem council was this. They said...look, you go teach them now to refrain from meats that they're not supposed to be eating and he gave a few things. And then he finalized it by saying these words. Let them go to the synagogue where the law of Moses is being taught. In other words, we're telling you...go to the synagogue—because we're not going to tell you we're not going to give you your whole religion here with this ruling. But hey, quit eating that food you're not supposed to be

eating, this and that. And then get to the synagogue on the Sabbath—by the way that was a Sabbath command to go to the synagogue and listen to the Torah where you will learn about the holy days, you will learn all the things you're supposed to know.

Sister I want to give you Acts 13:42. When people say there's no New Testament command to keep the Sabbath, read Acts 13:42.

Acts 13:42

And when the Jews were gone out of the synagogue, the Gentiles besought that these words might be preached to them the next sabbath.

Paul is coming out of the synagogue from teaching. And here comes Gentiles that want him to teach them the next Sabbath. Now this is 40 years after Christ supposedly replaced the Sabbath. So why didn't Paul tell them....well I'll tell you what, I'll just teach you tomorrow on Sunday, we'll just meet...no, no. He would not teach them except on the Sabbath. And that was 40 years after Christ supposedly replaced Shabbat.

Alright let's get right back. Let's go to Jeremiah 31:36.

Jeremiah 31:36

If those ordinances depart from before me, saith Yahweh, then the seed of Israel also shall cease from being a nation (goy) before me for ever.

If these ordinances depart from me then the seed of Israel also will cease. There you go. The seed of Israel will cease from being a nation. And what's the word? Goy. It's calling the seed of Israel the goy. It's imperative, and I know I'm driving the point, and I don't have to go through all of these scriptures, and I know I'm overdoing it. But you need to know what your Bible says.

Now, let's go to the New Testament.

John 11:48-50

48 If we let him thus alone, all men will believe on him, and the Romans shall come and take away both our place and nation (ethnos).

So we're talking about the Jewish nation right there, correct? Let's see what word is used right there. Aww, the Greek equivalent of goy—ethnos (G1484). Now according to the Christian church, when you see ethnos, it's not talking about the

Jews or Israel, it's talking about the Gentiles. But right there the Jewish nation is called ETHNOS. Ok, keep reading.

49 And one of them, named Caiaphas, being the high priest that same year, said unto them, Ye know nothing at all,

50 Nor consider that it is expedient for us, that one man should die for the people, and that the whole nation (ethnos) perish not.

Alright we know he's referring to the Jewish nation. One nation perish not and surely he's not going to use the same word as Gentiles. But he does. So anybody that told you that goy and ethnos means Gentiles, they have no authority to make that up. I'm sitting there reading about the Jewish nation— and is ETHNOS. I'm reading everywhere in Hebrew it's goy. But you act like you created this 'law' that anything goy and goyim and ethnos is not referring to Israel.

Sister go ahead. *So verse 51 refers to Jesus dying for the nation, and in verse 52, it uses the word nation again.* That's correct. And it says that not for that nation only, but watch this. Not speaking of just that Jewish nation, but that also he should gather—now where have we heard that word 'gather together' before? That's in the dry bones when they gather together and Ezekiel tells us that the dry bones are the whole house of Israel. So it's not only for the southern nation, but it's also for those who will be gathered together in one—the children of Yahweh that were what? *Scattered abroad.*

So who is that?! Ha, ha, ha! *Israel.* Notice it did not say he died for everybody, but as kinsman redeemer, he died for that nation, the Jews, and the other nations that were going to be gathered together that had been scattered! You all got to look at that. Let's pull that scripture back up. That is a powerful scripture. Read verse 51.

51 And this spake he not of himself, but being high priest that year, he prophesied that Yahshua should die for that nation (that ethnos).

But not for that "ethnos" only. But also he would die to gather together in one new man, ha, ha, the children of Yahweh who were scattered abroad. Folks! Folks, that's who he died for! Remember those who are not the children of God—Israel was always—he said "I'll be your God, you'll be my people". That's the only one's that's been called the children of God.

So when Michael Jackson sings "We are the world, we're all the children of God", no they're not! *Not yet.* Not yet. You're not a child of God unto you're an Israelite. Yahshua called them children of the devil. No, everybody's not a child of God.

We're all the creation of God. Pinocchio was the creation of Geppetto, but he wasn't a child of Geppetto until he became a child. Pinocchio was not his child, he was his creation while he was dead—ooh hallelujah—while he was dead in sin. Hallelujah! Oh glory to God. While he was a dead creation, but as soon as he received “dry bones” and received life, he was all of a sudden now his father's son. Not father and creation. Come on now! While you're dead you're not his child. You're his creation.

I've always said that movies—Yahweh speaks through movies in ways that you can only pick up by the Spirit. God takes what Satan means for evil, uses it for his good. The Superman movies are inspired by the Holy Ghost. Pinocchio is inspired by the Holy Ghost to show you that you're nothing but a lying Pinocchio. You're not the children of God unless you have the life of God, the seed-life of God. And no human has that except for those that are “transgendering” — going through the change! Hallelujah. They are being transformed. Hallelujah. Amen.

Let's go to Acts 10:22 now and let's keep on this same vein.

Acts 10:22

And they said, Cornelius the centurion, a just man, and one that fears Yahweh, and of good report among all the nation (ethnos) of the Jews, was warned from Yahweh by an holy angel to send for thee into his house, and to hear words of thee.

Ok, so here's Cornelius. Everybody loves to call him a Gentile. My beloved friend, Gentiles don't have the ability to fear God, and they don't have the ability to be just men. They don't have the ability to receive the word. Cornelius was not a Gentile. Cornelius was an Israelite living among the Jews without knowing he was an Israelite. As a matter of fact, he had re-identified as an Italian! Hallelujah. The Bible said he was of the Italian band. He thought he was Italian, but the Holy Ghost knew he was Israel. I said the Holy Ghost knew!

Why, of all the people in Israel that were “supposedly Gentile” — why go to that one? Why bring the gospel to him? Because God knew who could receive it! One who already feared God internally, one that was born with a nature that fears God and can receive the word! Glory, glory, glory, glory! Whew! We've got to know these things children. We've got to know the truth and the truth will make us free.

Now let's keep going. Here's what we have proven so far. Goy and ethnos can mean Israel or non-Israel. You have no authority to continue saying goy means the other nations. Therefore the argument that Gentiles are not referring to Israelites is so very wrong. You must now rid yourself of that mindset to properly understand the scriptures.

Now, the apostles had no way of distinguishing who the Israelites were that were living in non-Israelite nations. So if they don't know who the lost tribes are—the apostles aren't God—they can't look—if you were in Jerusalem you'd see everybody wearing tallits—you would know who Israel was. But out in the world, for a thousand years, they had quit keeping the Sabbath.

So we couldn't tell what day they are going to church on to identify them. We can't tell if they're keeping Passover instead of Easter because they don't know, they had forgotten about all of this. So the apostles had no way of knowing who they are! So what did they have to do? That have to do something that confuses all of Christianity. They have to go into all the world to find them. Because guess where the ethnos are hiding? In all the world!

And it is that very scripture that people will use to prove to you that right now God's trying to reach everybody. He said...go into all the world, preach the gospel!! *Only a certain few*. Come on now! That means we've got to get them all brother! We've got to go into ALL the world!! That's right. In all of the world is all the ethnos. Hallelujah.

Why do you think I put all my videos on YouTube? Oh baby, I'm not doing that to reach the world. Ha, ha! I'm not doing that so my church is as big as TD Jakes. He's going after the world. I'm going after the ethnos. Amen. That's all I'm going after is the ethnos.

So since the apostles had no way of distinguishing who the Israelites were from the non-Israelites, they had to go into all the world to find them. So do we find them? Oh God where are they? How are we going to know if they are Israelites? He said I'm going to give you a little key—it's called the Gospel. When you preach it Israel will respond. Hey, hey, hey! Glory, glory, glory!

If they had the capacity to believe the apostles's message—that was the evidence of their identity! He said if they don't respond, that's a non-Israelite. Hallelujah! Preach the word and you'll find Israel! Glory! Go into the world, preach the gospel and you will find Israel!

He said if they have the capacity within them to believe the apostle's message, that was the evidence of their identity. Hang tight, the Lord's giving me a revelation as I sit here. Let me make sure the word backs up that revelation before I give it. I don't believe in revelations unless the word can back it up.

We put the message out there and all Israel responded. Absolutely sister, you just said it. We put the message of the house of Israel out there, and when we did it, those that had the capacity would receive it. Let me show you how they

received it. You have to receive the gospel by what? By faith. *And the true gospel at that.* Absolutely. I'm going to show you in Revelations 2:13. I'm going to show you what the Lord just gave to me. I'm going to show you how you can know if you're an Israelite.

Revelation 2:13

I know your works, and where you dwell, where Satan's seat is. And you hold fast My Name, and have not denied My faith, even in those days in which Antipas was my faithful martyr, who was slain among you, where Satan dwells.

I want you to hear me and hear me well. God just revealed something to me. So if it takes faith to believe the gospel—the Bible says that all men do not have faith.

We just read there that it's "my faith". It's not your faith. It's MY FAITH. God said...I have faith, you don't have faith. I have faith in myself, and I have to give you my faith for you to have faith. Hang tight, I'm getting somewhere.

Now let's read 2 Thessalonians 3:2. Oh we're going somewhere.

2 Thessalonians 3:2

And that we may be delivered from unreasonable and wicked men, for all men have not faith.

That is ALL MEN. That is the ethnos of the whole world, the goy. All men don't have faith. But we're running into a problem because the Bible says somewhere else that every man has the measure of faith. Do you see the confusion?

We read in Revelation that it's his faith. He said you have kept my faith, you held it in trust. I gave it to you because you're an Israelite. Faith, I gave to you, it's yours. All men don't have it. But we're running into a problem because another verse says every man has faith. Let's read it.

Romans 12:3, 1

For I say, through the grace given unto me, to every man that is among you, not to think of himself more highly than he ought to think, but to think soberly, according as God hath dealt to every man the measure of faith.

Now the other verse said that all men don't have it. This verse says every man has faith. No darling. It says...to every man that is among you. Who's he talking to?

1 I beseech you therefore, brethren...

The house of Israel! Every one of you have been given supernatural faith to hear the gospel, to respond to it! Nobody but you can respond!! THAT CAME STRAIGHT FROM THE THRONE! That came straight from the throne as I sit here among you. Paul is writing to the house of Israel and he says to not think more highly of yourself than you ought to, don't go around saying "I'm an Israelite, I got saved!" He said you didn't have the faith to get saved. You would have never gotten saved, but you had his faith, he gave it to you, he told you to keep until the end. Oh hallelujah. I feel that flying man! Hallelujah! Whew! Flutter, flutter, flutter. Glory, glory. Yeah!

Do you see how the Bible looks like it contradicts itself? How can you have one scripture say every man has faith and another scripture says all men don't have faith. Whew! *Only if the Father draws us*. Oh he has to give you faith to come darling. No man seeks after God. The Bible said no man's looking for God. None!

Pastor I don't know where the verse is, but "by grace are you saved through faith, that not of yourselves". Ephesians 2:8. I was typing it in as you were speaking sister!

Ephesians 2:8

For by grace are ye saved through faith, and that not of yourselves, it is the gift of God, not of works, lest any man should boast.

By grace you've been saved. IT IS NOT YOUR FAITH. It is a gift from Yahweh! Your faith is my faith he said. I'm about to lose my mind. Hallelujah! *It is given to his people*. He said don't think more highly of yourself, you didn't do anything special—you know, "I believe" — know you didn't believe, I believed for you and I transmitted that to you, and now that proves who you are and who you always were!

That's why Paul backed it up in Romans 11 pastor. Say it. He said don't think of yourself so highly because you're going to get grafted back in. They are the root right? They are the root—the tribe of Judah. The house of Israel—we're going back in by faith because we can't do it by works, it has to be by faith. Hallelujah.

Let me tell you who has faith in himself. That's Yahweh! He has faith, he's never lied. He knows what he can do. He said...I'm gong to loan my faith to you. Your job is to keep the faith! It's not your job to find the faith, it's your job to keep the faith! *That'd be Jude 1:3*. Oh, I'm about to run around my office!! Hallelujah. Whew! Glory. Hallelujah.

I'm telling you! He said Paul go to the whole world, preach the gospel, and I will show you who the ethnos is because their faith will hear a message and say...*there*

it is! Hallelujah! There it is! I tell ya I get turned on by the word. It's my stimulation. Because do you know what? I'm an Israelite. Evidently I'M AN ISRAELITE! My, my, my. Hallelujah. All your life, you've been waiting for a seed to be dropped in your mind, a message of the true gospel. That's why we have to preach what's the true gospel. Because true Israelites only respond to the true gospel of the coming kingdom of God and their role in that kingdom.

Christians accept the other gospel, but the true house of Israel accepts the true gospel. Oh bless it Lord. Because we could say that everybody out there in all the churches must be Israel. They responded to the gospel. No. They responded to the antichrist gospel. There is a people that responded to the TRUE GOSPEL! My, my, my.

Pastor, the antichrist gospel could have lead us though through our lives until we have this true gospel. Yahweh always takes that which Satan meant for evil and turns it for his good. Amen. *But it took us until we had a shepherd to give us the word we've been looking for since we were ten years old.* Amen. And do you know what? Yahweh allowed that journey. Do you know why? Because one day he was going to send you a message and your faith was going to hear it.

How many of you came to this message and you didn't even understand this message? You couldn't even explain it to people. You didn't even know why you believed it, you couldn't explain it to yourself. But there was something! Whew! *But we knew it was true, we knew it was right.* Even before you knew it, even before you knew it sister. Hallelujah.

There was a faith. I'll never forget when I first heard about the Sabbath. My religious mind was trying to kick it out, but there was something in me that it pulled to and I couldn't turn away from it. Hallelujah. I couldn't turn away. Glory!

Sister go ahead. *Well as you're speaking, things are falling into place which brings up a question. So we're a family, I have four siblings. Out of those four, just two of us really became devoted to Jesus Christ. The other three were good people, but they just didn't respond the way we did. My question is: out of those five siblings, would you say then that only two of us are Israelites?*

Oh no, no, no. I'm sorry, I taugt on that, I think, two weeks ago in Acts 2:38-39. There's your answer. For this is unto you and to your children, your children's children, all those that are far off, as many as Yahweh shall call. Remember sister, it's a REMNANT of Israel that he's calling in this hour. He is not calling all of Israel—just the remnant shall return. And so in your family of five, two are who he called. And that's all he's calling.

We read a scripture that says not all of Israel will come. Because he's not calling all of Israel. He only needs a remnant to bring through the cross of Christ, along with some of the Jewish people, to create this one new man that will, in the millennium, get all of Israel and all of the Jewish people, and all of the world. Hallelujah. I hope that helps you understand. Amen.

Go ahead sister. So trying to calm down here lol. You've got us all fired up. So to go back to what sister was talking about to what you were speaking to us last night about. How Moses, when he was 3-months old had to go into Egypt...how we're seeing that same pattern with Yahshua when he was 3-months old he had to go to Egypt. I think about ourselves because....

Oh sister please. I'm begging you. I'm preaching tomorrow night, don't take my sermon! Please sister, please just hold that thought, ok? Ha, ha! You're in the Spirit I promise you. *Ok, I won't steal your thunder then.* Ha, ha! I can't let you mess my sermon up. Hallelujah? Because whew! You're so right, you're so right! Stay tuned, tomorrow night you'll hear everything you just heard in the Spirit. Amen? Praise God. Remember I said I'm preaching about abortion and it's not about abortion? Remember? Ok, alright.

Go ahead brother! I'm blown away by today's sermon. I never lost my faith even though I left the Mormon church when I was 14 and I'm 65 now. And I've always been looking for answers and I found you. And today you opened up my eyes and made me find who I am. So thank you, it's the best gift anyone could ever get.

Hallelujah brother. Hallelujah. Oh my, my, my. Thank you Father. Oh, hey everybody. Everybody who supports this work with your finances and with your prayers, that's what you're supporting right there. That right there! Changed lives. First Harvest is a good work that God is using for this brother. He's part of the ethnos. Go ahead brother.

I just can't believe that I have sinned my whole life and now I'm really waking up to this message and was directed to this book (Book of Yahweh). And it's so simple once you open your eyes and look at it the right way. Amen. Amen brother. Bless you Father. Bless you brother and we're praying for you.

You know, I woke up this morning and I won't lie to any of you. I woke up this morning and my feet touched the floor and I turned to my wife. I could barely get out of the bed. I told her, I said baby I just don't feel like doing this this morning, I'm so tired. But you see, he gave me a calling that pushes me beyond myself because I know what day we're living in. And I know the awakening is here, that Yahweh is waking up his people. Those dry bones are coming together.

This brother and another one are both two Mormon brothers, two Mormon men who have come to this message. What you don't know is the Mormon church sadly has more truth than most Christian churches. Do you know why? Do you know that Mormons refer to themselves as Israelites? Amen. They trace their lineage through their genealogical center there in Utah to the lost tribes. Every one of them.

They know they're Israelites, so brother what I'm telling you today is that Father had already set you on a journey to your identity. And this was just your landing spot. Amen? *Yes it is. May I just say this? The reason why I left the Mormon church was because I had a good friend named Charlie and he was in the church with me. He was a black boy and I was 14 years old and they would not let him serve the Melchizedek priesthood.*

So I went up to the pastor/bishop to ask him why you do not let this man serve the Melchizedek priesthood. Why do you let me and not him? He told me it was not their practice, they carry on the traditions to punish the black people because of the sin they committed. I felt it was oh so wrong to do that, to blame someone for something that they did not commit. My friend Charlie did not deserve to be excommunicated that way.

And what's so sad is the Mormon church does not understand that the seed of Israel went all over the world. There are African Jews. That seed went everywhere. And that's the thing about the Mormon church. The Mormon church is a racist church. I'm so glad to know that Yahweh's children are of every color all over the world. The seed of Israel traveled all over the known world. Jerusalem is right there next to the African nations. Do you not know or think that seed didn't cross over? Amen. Bless you brother. We love you my brother. We look forward to seeing you this coming year sometime. *Oh I need to get baptized real quick now.* You better.

Good morning sister. *Good morning. So what you were just talking about with the faith that God gives us and that we're to keep it. I was just wondering if that's what the true meaning of that part in Luke 17 when he talks about one will be taken and the other left. Is that what he's referring to then?*

Well yeah that's a great example because only those that have faith will be left. Only those that have faith will be in the bride, or in the ark, however you want to use the terminology. And that faith is not of ourself. Now, here's what you can do. You can build your faith. But you cannot create your faith. And how do we build our faith? By the word of Yahweh. By what we're doing right now. We took that little seed of faith that he rooted in us and we're building it, we're strengthening our faith by being here today. And that's who'll be left, those people. Amen.

Brother go ahead and then I'll get back to the last slide so we can finish today. *Pastor I believe Yahweh ordained you to open up the eyes of those that are being blinded by a church that is teaching a false religion. Thank you. We thank you so much for giving us truth. It says how beautiful are the feet of them who preach the gospel. Come on! Amen. Hallelujah. That reminds me I need to get a pedicure...ha, ha! But that is so true. Glory. We've got to keep the feet beautiful.*

Brother's wife: *Forty years ago I might not have ever come to this truth because I was studying to be a nun. I was raised Catholic all my life. Really? This man happened to come into my life and changed my whole way of thinking. My mother quit talking to me for almost 25 years.*

When she was ready to die, she told my sister to call me, and I went and I told her...mother I hold no grudge against you, I still love you. She said...your faith—walking in the faith that you were walking in made me realize how wrong I was. And so I got to see her die, I got to be with her, and we got to mend our ways. After that we lived in the Pentecostal faith, and now our eyes are being opened again! So we've now got a lot to learn again, ha ha! You all are so beautiful.

Ok sister. *Shalom! This is when I first came to this ministry. This message has been the one that has impacted me the most, that has deeply resonated with me, and is the one for me. And I love these keys that you've given us to read the scripture and understanding the division of two tribes, the northern one and the two southern tribes. And bringing it together because I know for me bringing it back through Ezekiel 37 talking about the dry bones and then how the house of Ephraim will be joined again to the house of Judah.*

I see that full circle come around and realizing like the Bible (you've mentioned this before which I think is so profound) was actually written for Israel. It's not written for the world. From cover to cover! Yeah when you get that mentality in your head, it's like understanding this is not yet for everybody. No, ma'am. It will be one day. That's right. Right now it's for Israel and finding those people.

I want to follow with that because of what you just said. Without another part of our message you cannot teach what you just taught, alright? Because you're basically saying Israel is the only one going to be saved because that's all God's going after. That's what they hear if they've not heard the message of joy comes in the morning. If they've not heard the three harvests, if they've not heard the second resurrection, the last great day. So without those things, when they hear you say that, they can't receive that it's only Israel he's going after right now.

So the point I'm making is, oh man, it's the whole message. It's the whole message that we preach that has to come together. You need joy comes in the morning. That's why they reject the Israel message. When you tell a Christian he only came to save the lost sheep of the house of Israel, they cannot go there in their mind. Because then you're saying...everybody's going to hell but the natural children of Abraham. And that's what it sounds like—unless you understand the third harvest and the second harvest and the first harvest. So all those pieces together sister.

That goes back to the Catholics lying to us about the heaven and the hell issue. I mean it just all goes to that stem of deception and it messes everything up with people in their thinking. And this idea of Yah being somebody that's going to send everybody to hell, that's not his heart.

That's all I ever heard. I heard you either get in on this load or it's over. And you know sister whenever I think about this, the 30, 60, 100 fold message to me is the most foundational message we teach. When I say foundation, I mean everything meets and builds off of that concept because of this: Before this message, I thought in two ways—lost and saved. Ok?

But when I come to understand ruling, reigning, over the nations, all of a sudden, now—alright we can do joy comes in the morning. Because now it's not about me being saved, it's about me being put in my birthright. And if I'm going to have a birthright, then I've got to have someone to rule over to have the birthright. Who are those people? Well, that's where the sermon who are the wedding guests comes in. And so it's just the whole message isn't it? *And it's just those keys that you help us understand.* I love it. Ha, ha! We're getting there.

And folks if you will let me, I will do two more slides, then I'll come to brother and whoever else has their hands up after this. Let's go quickly. Alright, so we've got to do what?

We must COME OUT OF HER

+Rev 18:20 – We have to COME OUT to be SET APART Rev 19:11

+The WIFE is ISRAEL

Psalms 148:1 & Rev 19:8

+The voice from the THRONE addresses the SERVANTS – the only ones who have THE RIGHT to enter the city

+Rev 21:12 & 17

We've got to come out of her. Yahweh's people have never been called out of the world. We've been called out of the church. Revelation 18:20.

Revelation 18:20

Rejoice over her, thou heaven, and ye holy apostles and prophets, for Yahweh hath avenged you on her.

Notice what it says. Rejoice over her. Only one group of people will rejoice when they come out of Babylon, and that is the house of Israel. It is the time of rejoicing. Do you know why I teach the people to dance as much as I do? We have a reason. We've been delivered from Babylon. That's enough to make you want to dance. That's why I tell people...don't come down here if you're looking for a church. Don't do it. Because we're not a church.

We're a nation that's been delivered from the church. And we come rejoicing every service because we know who we are. If I have to ask you to dance, you have no idea who you are. You have no reason to rejoice. Rejoicing is not standing still. Rejoicing is celebration.

Revelation 19:11

And I saw heaven opened, and behold a white horse, and he that sat upon him was called Faithful and True, and in righteousness he doth judge and make war.

This is going to be the moment when all of Babylon will fall. But now it is falling for those that have been called out of it.

Revelation 19:8

And to her was granted that she should be arrayed in fine linen, clean and white, for the fine linen is the righteousness of saints.

The fine linen is Israel. Only Israel has been invited to wear linen. Do you remember me teaching you a few weeks ago about the priests that wore the linen? And the wool they had to take off when they came into the presence of Yahweh?

These are your priests that are coming in under the Zadokite which is the Melchizedek order. The Zadokite priesthood is the Melchizedek priesthood. It is coming in under that "Melchi-Zadok" ... do you see it? Melchi...that's the order we have to come in. Read with me Revelation 21:12 and listen to what it says about these servants in white linen.

Revelation 21:12, 17

12 And had a wall great and high, and had twelve gates, and at the gates twelve angels, and names written thereon, which are the names of the twelve tribes of the children of Israel.

Every member of the bride has been invited to wear this fine linen. Will everyone be part of Jerusalem? New Jerusalem will only be made up of the tribes of Israel including the Jewish people. Including you. Anyone that is not an Israelite at the second coming of Christ will not go into the city. They will live outside of the city.

17 And he measured the wall thereof, an hundred and forty and four cubits, according to the measure of a man, that is, of the angel.

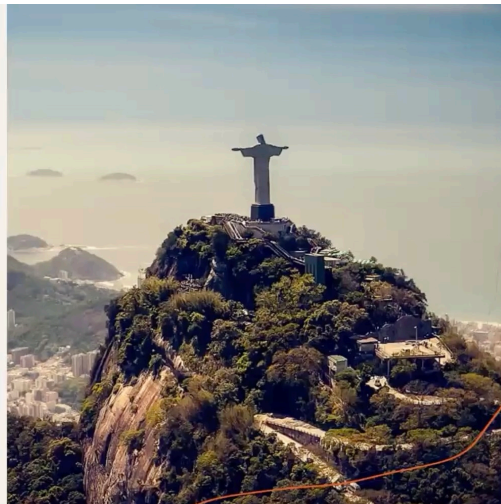

Alright, the measuring is the 144. Where do we get 144? 12×12 is 144. What he's telling you is that the city has a measurement. Only a certain number, only a certain people, if you will, are allowed to enter the city. Those that are in the 12, and those who have been governed by the 12. Do you understand? The 144,000 are the 12 that will rule in the 1,000 year reign of Yahshua the Messiah.

You have to know this. So when sister said that from cover-to-cover it's about Israel, we started off with Israel and look where we winded up in chapter 21. With Israel still. No one has replaced Israel, no one.

Yahshua is the redeemer of KINSMAN only

+ If we believe "go ye into all the world" then we must believe that he died to "Save the World" at this time !!! If you believe this then you CANNOT BELIEVE in a KINSMAN REDEEMER

+ The world gets a JUBILEE – but ISRAEL – gets a REDEEMER

Yahshua is our kinsman redeemer. If we believe "go ye into all the world" then we must believe that he died to "save the world" at this time! If you believe this then you cannot believe in a kinsman redeemer. Remember, the world gets a Jubilee, but Israel gets a redeemer. And only the redeemed of the Lord will be in that city. Those who get set free in the Jubilee, they will be outside of the city.

I want to close with this slide. Who did Paul write his letters to?

To Whom Did Paul Write His letters?

- + Supposedly to all the NON JEWS – the Heathens, the Pagans
- + **Gal 2:7 – Rom 11:13**
- + **The word GENTILES in these verses is what?**
- + Ethnos refers to UNCIRCUMSIED ISRAELITES
- + Lets prove that ISRAEL is the ONLY PEOPLE being addressed
- + **Acts 10:36, 43,**
- + **Acts 13:23, 32, 33**
- + **Romans 11:26**

Supposedly he was writing to non-Israelite people. Supposedly he was writing his letters to the heathen and the pagans. Let's go and find out if that is who he was writing to.

Galatians 2:7

But contrariwise, when they saw that the gospel of the uncircumcision was committed unto me, as the gospel of the circumcision was unto Peter.

Alright, this is where the Christian church believes that Paul was sent to Gentiles, the uncircumcised. Peter was for the Jews. And that's where they get that mindset, they don't realize that the lost tribes were all uncircumcised. Why? They had left their covenant hundred and hundreds of years before. So that is where the confusion comes in, alright?

Romans 11:13-14

13 For I speak to you Gentiles, inasmuch as I am the apostle of the Gentiles, I magnify mine office.

He said I'm the apostle of the Gentiles. *See pastor, he was for the Gentiles.* We have a problem Houston. Look what word he uses for Gentiles. Strong's G1484 for Gentiles is ETHNOS. What did we just prove Israel was always called in the New Testament? Ethnos. *You see..."For I speak to the Gentiles", see pastor Vaughn, it says it right there. Brother Vaughn, it says it right there plain as the nose on your face that he went to the Gentiles.* No, he went to the Ethnos, his very ethnicity. His very ethnicity! My, my, my. *Read verse 14.* Ok we might as well.

14 If by any means I may provoke those who are of my flesh to jealousy, and save some of them.

Oh that's good. Watch what he said right here. What did the Bible say? Ephraim would make Judah jealous. Do you remember that? Does anybody remember that scripture I'm talking about? Ephraim would make Judah jealous. So why would Paul be going to Ephraim now? Why would he be going to the "Gentiles"? The Gentiles could never make the Jewish people jealous.

Only Ephraim can do that. Only the lost tribes could make them jealous. Because we have their Messiah who they've been waiting for. And they would love to have a Messiah, but they don't want a false one. So there is a jealousy there. Ha, ha! And we make them jealous, and that jealousy will bring them like it did our Jewish sister. She was jealous. And that jealousy brought her to the Messiah. But we created the jealousy.

Paul said I've gone to the Gentiles to make the Jews, my flesh, jealous. See, the lost tribes, what's not Paul's flesh. Paul was of the tribe of Benjamin. That's the ones that stayed in Jerusalem. That was his flesh. Amen? Praise Yah. I tell you what, it's plain as the nose on your face, isn't it?

Acts 10:36, 43

36 The word which Yahweh sent unto the children of Israel, preaching peace by Yahshua Messiah (he is Lord of all).

The word which Yahweh sent to who? The children of Israel. That's all. He is Lord of all of those Israelites. See how you read that and you think that sounds like "he's Lord of all". No, no, no. What's your context? The children of Israel. He is Lord of all of them. I will be your God, you will be my people.

That's the only people he has. It says right there. The word was sent to the children of Israel. Now you see why Paul had to bring the gospel to the whole world because the word was being sent to the children of Israel. Oh that we could understand.

43 To him give all the prophets witness, that through his name whosoever believes in him shall receive remission of sins.

Ok, now we're getting somewhere really interesting. *Brother Vaughn, my Bible said whosoever believes!* I know. But you don't know who the whosoever is, or the whoever. If you'll go up a few verses, you'll find out that the word was sent to the children of Israel—that whoever believed would receive remission of sins. Do you all not see that? Ha, ha, ha!

Oh he's Lord of all! Whoever... You're right. He's Lord of all the Israelites, and however many of them believe, not all of them are going to believe. Whoever does will receive remission of sin.

Go ahead. *I was just going to say it also says it in verse 41.* Not to all people. Amen. Oh listen, in verses 40-41. God raised him up on the third day, showed him openly, not to all people, but to witnesses chosen before by Yahweh. Isn't that wonderful? Hallelujah. Amen.

Acts 13:23, 32-33

23 Of this man's seed hath Yahweh according to his promise raised unto Israel a Savior, Yahshua.

To who? Israel. I can't be reading that right, I'm sorry. Yahshua was raised from the dead for who? Israel. Do you all see that? It's in your Bible. It's not in Vaughn theology. Vaughn ain't writing a Bible. That's in your Bible! I just want to read it again. Verse 23.

23 Of this man's seed hath Yahweh according to his promise raised unto Israel a Savior, Yahshua.

That's it. Only Israel has a savior or a kinsman redeemer.

32 And we declare unto you glad tidings, how that the promise which was made unto the fathers,

33 Yahweh hath fulfilled the same unto us their children, in that he hath raised up Yahshua again, as it is also written in the second psalm, Thou art my Son, this day have I begotten thee.

Wait. The promise was made to the fathers, and fulfilled to who? Unto us. The promise (now Acts 2:38-39 will make sense for you)...the promise is unto you and your children that are afar off, as many of them as Yahweh shall call. Paul didn't say the promise has been fulfilled in all the Gentiles and all the heathen and all the pagans of the world. It's been fulfilled in US.

Now this is Paul speaking supposedly to everybody that's non-Jewish. And he says in that verse. Read it again because I want to point out the exact line.

33 Yahweh hath fulfilled the same unto us their children, in that he hath raised up Yahshua again, as it is also written in the second psalm, Thou art my Son, this day have I begotten thee.

Yahweh has fulfilled TO THE CHILDREN OF THE FATHERS the promise of salvation. *Now this book's being written outside of Jerusalem.* No, no, no. He's fulfilled it in us, the children of those fathers, because that's the only people the promise is given unto.

Romans 11:26

And so all Israel shall be saved, as it is written, There shall come out of Sion the Deliverer, and shall turn away ungodliness from Jacob.

Who's he going to turn away ungodliness from? Not everybody that asks him to. Not everybody in the world. He's going to turn away commandment-breaking only from Israel! And that's how all of Israel will be saved!
