

Scriptural Science 101 – Part 7

(Pastor Shane Vaughn, fhtv.tv #3212)

The Mind

There are many patterns in the Bible
that will help us understand
the ways that our Creator
deals with fallen man.

The mind is like a bag,
a bottle, or a bowl.
It holds what we think about
and daily takes its toll.

Yah's thoughts are far above us,
His ways past finding out.
To communicate with Him,
we must come with no doubt.

You heard lies all your life
as did generations before you.
The whole world has been deceived
by Satan who abhors you!

These lies were rooted in your mind
and they caused you to sin.
You were being held captive
in a battle you could not win.

One day you heard of a Saviour
who came to set you free.
He paid the debt for your sin
when He died on Calvary.

But you were still in bondage
to what was in your mind.
No matter where you went,
no peace could you find.

Then one glorious day,
the Voice of Truth you heard.
At first you didn't believe it,
it sounded so absurd!

But the more you listened
to this new truth you found,
it felt like your whole world
was being turned upside-down!

Your mind, like a bowl,
was filled with many lies.
They had to be poured out
so you could become wise!

Nothing was the same,
everything was new.
It wasn't long before
you didn't recognize...you!

Our mind, our thoughts, our will
must submit to Yah alone.
It's the only way to qualify
to sit on a Kingdom throne!

Fill your mind with His Word.
Meditate night and day.
When self tries to sneak back in,
tell it to "go away!"

O the wonder of it!
It really is true.
Father Yahweh wants to share
His perfect Mind with you!
